

1 2 3 Magic Effective Discipline For Children 2aeur12

Complete with relevant Bible verses, explanations, and exercises, this guide builds on the enormously popular 1-2-3 Magic discipline system by addressing the concerns of a Christian parent. Focused on the three main tasks of controlling obnoxious behavior, encouraging good behavior, and strengthening the parent-child relationship, this program is simple, effective, and can be implemented immediately. Addressing everything from homework and chores to more serious tantrums and fighting, Dr. Phelan and Pastor Webb teach parents to take charge—yet refrain from any physical discipline or yelling—leading to happier parents, better behaved children, and a more peaceful home environment. This revised edition includes tips from parents and expanded information on privacy, cyber safety, and social media.

Rhyming text and illustrations present some of the ways dinosaurs can play with their friends, from hogging the swings to sharing toys.

Based on the bestselling parenting book 1-2-3 Magic "If you only have time to read one book about managing student behavior, make it this one." "This book is a great resource for new teachers and veteran teachers." The fastest way to get back to what you love--teaching! Being a teacher can be one of the most rewarding professions, but also one of the most frustrating. Many teachers feel very prepared to instruct students in their chosen subjects, but don't have quite as much training in managing classroom discipline-yet experienced educators know that if challenging behavior goes unchecked, the entire year can be disrupted. 1-2-3 Magic in the Classroom shows teachers how to establish and maintain good discipline habits in their classrooms through an easy-to-understand program that you'll swear "works like magic." 1-2-3 Magic in the Classroom will help you understand:
• How to encourage courteous classroom behavior and constructive work habits
• How your personality affects your teaching style
• How to effectively manage transition times with your class
• Successful methods for handling assemblies, recess, lunchtime, and field trips
• How to communicate productively with parents
1-2-3 Magic in the Classroom takes the guesswork out of classroom discipline and will help you get back to teaching and your students get back to learning-today!

From the author of Expecting Better and The Family Firm, an economist's guide to the early years of parenting. "Both refreshing and useful. With so many parenting theories driving us all a bit batty, this is the type of book that we need to help calm things down." —LA Times "The book is jampacked with information, but it's also a delightful read because Oster is such a good writer." —NPR With Expecting Better, award-winning economist Emily Oster spotted a need in the pregnancy market for advice that gave women the information they needed to make the best decision for their own pregnancies. By digging into the data, Oster found that much of the conventional pregnancy wisdom was wrong. In Cribsheet, she now tackles an even greater challenge: decision-making in the early years of parenting. As any new parent knows, there is an abundance of often-conflicting advice hurled at you from doctors, family, friends, and strangers on the internet. From the earliest days, parents get the message that they must make certain choices around feeding, sleep, and schedule or all will be lost. There's a rule—or three—for everything. But the benefits of these choices can be overstated, and the trade-offs can be profound. How do you make your own best decision? Armed with the data, Oster finds that the conventional wisdom doesn't always hold up. She debunks myths around breastfeeding (not a panacea), sleep training (not so bad!), potty training (wait until they're ready or possibly bribe with M&Ms), language acquisition (early talkers aren't necessarily geniuses), and many other topics. She also shows parents how to think through freighted questions like if and how to go back to work, how to think about toddler discipline, and how to have a relationship and parent at the same time. Economics is the science of decision-making, and Cribsheet is a thinking parent's guide to the chaos and frequent misinformation of the early years. Emily Oster is a trained expert—and mom of two—who can empower us to make better, less fraught decisions—and stay sane in the years before preschool.

One of the 20th century's enduring works, One Hundred Years of Solitude is a widely beloved and acclaimed novel known throughout the world, and the ultimate achievement in a Nobel Prize-winning career. The novel tells the story of the rise and fall of the mythical town of Macondo through the history of the Buendía family. It is a rich and brilliant chronicle of life and death, and the tragicomedy of humankind. In the noble, ridiculous, beautiful, and tawdry story of the Buendía family, one sees all of humanity, just as in the history, myths, growth, and decay of Macondo, one sees all of Latin America. Love and lust, war and revolution, riches and poverty, youth and senility -- the variety of life, the endlessness of death, the search for peace and truth -- these universal themes dominate the novel. Whether he is describing an affair of passion or the voracity of capitalism and the corruption of government, Gabriel García Márquez always writes with the simplicity, ease, and purity that are the mark of a master. Alternately reverential and comical, One Hundred Years of Solitude weaves the political, personal, and spiritual to bring a new consciousness to storytelling. Translated into dozens of languages, this stunning work is no less than an accounting of the history of the human race.

*A guide to the latest tools for teaching effective and positive parenting skills In the last three decades, parent training has established itself as an empirically sound, highly successful, and cost-effective intervention strategy for both pre-venting and treating behavior disorders in children. Handbook of Parent Training, Third Edition offers a unique opportunity to learn about the latest research findings and clinical developments in parent training from leading innovators in the field. Featuring new chapters, this thoroughly revised and updated edition covers issues that have emerged in recent years. Readers will find the latest information on such topics as:
* Behavioral family intervention for childhood anxiety
* Working with parents of aggressive school-age children
* Preventive parent training techniques that support low-income, ethnic minority parents of preschoolers
* Treating autism and Asperger's Syndrome
* Parenting and learning tools including role playing and modeling positive and effective parenting styles
Offering practical advice and guidance for parent training, each chapter author begins by identifying a specific problem and then describes the best approach to identifying, assessing, and treating the problem. In every instance, descriptions of therapeutic techniques are multimodal and integrate theory, research, implementation strategies, and extensive case material. Handbook of Parent Training, Third Edition is a valuable professional resource for child psychologists, school psychologists, and all mental health professionals with an interest in parent skills training.*

The workbook takes parents carefully through the program in a way that maximizes understanding, encourages constructive self-evaluation and provides for systematic planning of parenting strategies.

Effective Classroom Discipline Pre-K through Grade 8

1-2-3 Magic in the Classroom

Helping Your Children Understand the New Rules

A basic philosophical approach for curbing bad behavior Noting that of all the behavioral problems parents face from their children, temper tantrums may be the most upsetting, this handbook arms confused and frustrated parents with simple, easy-to-follow directions on how to best manage the problem and guide kids appropriately. Readers will learn the three main causes of temper tantrums, the true power of the "10-Second Rule," the anatomy of a typical tantrum, and the chief problems with attempting to reason with or distract a child. A sound and effective tantrum-management plan is critical to the well being of everyone in the family, and this book details an effortless four-step process for marshalling tantrums as well as guidance on how to handle dreaded tantrums in public places, allowing parents to no longer fear tantrums and regain control of their own homes.

Designed to help parents to take charge of their home, offers tips on how to recognize six types of testing and manipulating behavior and how to constructively handle misbehavior at home and in public.

An interactive supplement to the bestselling parenting book 1-2-3 Magic -- now in its second edition! "1-2-3 Magic made parenting fun again." "I highly recommend this book to any parent who is spending more time yelling at or nagging their children than smiling at and laughing with them." "All I have to say is that the ideas in this book really WORK! It really is like magic!" "It's such a relief to not feel like I'm constantly yelling at someone! If you want to see a fast improvement in your child's behavior, check out 1-2-3 Magic." 1-2-3 Magic allows you to get back in charge of your home and enjoy your kids again by helping you set limits for your children, and by breaking down the complex task of parenting into three straightforward steps: 1. Controlling Obnoxious Behavior: Learn an amazingly simple technique to get the kids to STOP doing what you don't want them to do (whining, arguing, tantrums, sibling rivalry, etc.) 2. Encouraging Good Behavior: Learn several effective methods to get your kids to START doing what you want them to do (picking up, eating, going to bed--and staying there!, chores, etc.) 3. Strengthening Your Relationships: Learn powerful techniques that reinforce the bond between you and your children. In the 1-2-3 Magic Workbook, the program's simple steps are explained in greater detail, and each workbook chapter contains a summary, questions about the content, case studies, troubleshooting exercises, and wrap-up bullets. In addition to providing material for parents, this guide includes curricula and activities for group leaders and teachers, as well as tactics for addressing the challenges that commonly arise when trainers teach the method in group environments. Extensive reference and resources sections also suggest further research and follow-up study. For years, millions of parents from all over the world have used the award-winning 1-2-3 Magic program to help them raise happier, healthier families and put the fun back into parenting.

Based on the bestselling parenting book 1-2-3 Magic "If you only have time to read one book about managing student behavior, make it this one." "This book is a great resource for new teachers and veteran teachers." The fastest way to get back to what you love-teaching! Being a teacher can be one of the most rewarding professions, but also one of the most frustrating. Many teachers feel very prepared to instruct students in their chosen subjects, but don't have quite as much training in managing classroom discipline-yet experienced educators know that if challenging behavior goes unchecked, the entire year can be disrupted. 1-2-3 Magic in the Classroom shows teachers how to establish and maintain good discipline habits in their classrooms through an easy-to-understand program that you'll swear "works like magic." 1-2-3 Magic in the Classroom will help you understand:
- How to encourage courteous classroom behavior and constructive work habits
- How your personality affects your teaching style
- How to effectively manage transition times with your class
- Successful methods for handling assemblies, recess, lunchtime, and field trips
- How to communicate productively with parents
1-2-3 Magic in the Classroom takes the guesswork out of classroom discipline and will help you get back to teaching and your students get back to learning-today!

One Hundred Years of Solitude

1-2-3 Magic: Effective Discipline for Children 2-12 Workbook

A Data-Driven Guide to Better, More Relaxed Parenting, from Birth to Preschool

Expecting Better

How Moms Got Stuck Doing Everything for Their Families and What They Can Do About It

1-2-3 Magic for Teachers

Every child knows about Santa Claus, the jolly man who brings gifts to all on Christmas. There are many stories that tell of his life, but the delightful version relayed in The Life and Adventures of Santa Claus is by far the most charming and original of all. Only L. Frank Baum, the man who created the wonderful land of Oz, could have told Santa's tale in such rich and imaginative detail.

"Emily Oster is the non-judgmental girlfriend holding our hand and guiding us through pregnancy and motherhood. She has done the work to get us the hard facts in a soft, understandable way." —Amy Schumer "Fully Revised and Updated for 2021" What to Expect When You're Expecting meets Freakonomics: an award-winning economist disproves standard recommendations about pregnancy to empower women while they're expecting. From the author of Cribsheet and The Family Firm, a data-driven decision making guide to the early years of parenting Pregnancy—unquestionably one of the most profound, meaningful experiences of adulthood—can reduce otherwise intelligent women to, well, babies. Pregnant women are told to avoid cold cuts, sushi, alcohol, and coffee without ever being told why these are forbidden. Rules for prenatal testing are similarly unexplained. Moms-to-be desperately want a resource that empowers them to make their own right choices. When award-winning economist Emily Oster was a mom-to-be herself, she evaluated the data behind the accepted rules of pregnancy, and discovered that most are often misguided and some are just flat-out wrong. Debunking myths and explaining everything from the real effects of caffeine to the surprising dangers of gardening, Expecting Better is the book for every pregnant woman who wants to enjoy a healthy and relaxed pregnancy—and the occasional glass of wine.

Whining and pouting are high on the list of child behaviors that are obnoxious to moms and dads. Some kids have developed these strategies into an art form! This guide explains where whining and pouting come from and how parents can successfully manage it.

The simplest, most effective program for raising disciplined, happy children This revised edition of the award-winning 1-2-3 Magic program addresses the difficult task of child discipline with humor, keen insight, and proven experience. The technique offers a foolproof method of disciplining children ages two through 12 without arguing, yelling, or spanking. By means of three easy-to-follow steps, parents learn to manage troublesome behavior, encourage good behavior, and strengthen the parent-child relationship—avoiding the "Talk-Persuade-Argue-Yell-Hit" syndrome that frustrates so many parents. Ten strategies for building a child's self-esteem and the six types of testing and manipulation a parent can expect from the child are discussed, as well as tips on how to prevent homework arguments, make mealtimes more enjoyable, conduct effective family meetings, and encourage children to start doing their household chores. New advice about kids and technology and new illustrations bring this essential parenting companion completely up to date.

All About ADHD

Three Easy Pieces

1-2-3 Magic Workbook

1-2-3 Magic for Kids

Ask a Manager

Aimed at parents of and advocates for special needs children, explains how to develop a relationship with a school, monitor a child's progress, understand relevant legislation, and document correspondence and conversations.

Focusing on the developmental period spanning age eighteen to thirty-six-months, which renowned parenting expert John Rosemond dubs, [the twos,] Making the [Terrible] Twos Terrific! offers practical parenting advice to ensure that every child's [twos] are terrific. By offering comprehensive tips on everything from toilet training to developing good habits for bedtime, as well as disciplinary techniques to control aggressive behaviors, Making the [Terrible] Twos Terrific! approaches parenting in a straightforward, accessible manner that is easy for parents to implement and achieve success with their toddlers. No bribing, meltdowns, nudging, or cajoling are necessary. All parents need is consistent, firm, and loving interactions with their toddler to guide him or her during the developmental years. The methods described by Rosemond also translate to success throughout other life endeavors such as school, relationship building, and even productivity in the distant tween and teen years. To ensure that earthquaking foot stomps, decibel-shattering screaming, and consistently stubborn behavior are not the norm for your toddler, consult Rosemond's Making the [Terrible] Twos Terrific!.

Provides information about how vaccines are made, why they are given, and the safety of the vaccinations given today, as well as advice for parents about vaccinations and altering vaccine schedules.

Are you a mom who does it all? This is the book for you. It's impossible to deny!most moms continue to do way more household work and childcare than most dads. Working full time, raising kids, cooking dinner, making sure every appointment and activity is lined up and that everyone gets there on time... no wonder you're tired! But despite all the books and articles lamenting the crushing mental load and emotional labor women bear for their families, no one has come up with a plan to actually make things change. Until now. The Manager Mom Epidemic is the first book that not only acknowledges the fact that moms are burning out, but shows you how to transfer responsibility for daily tasks from yourself to your partner and also (gasp!) your kids. Clinical psychologist and child discipline expert Thomas W. Phelan, PhD explains how we got into this mess in the first place, and how we can get out of it through a calm, systematic approach to teaching our families how to take initiative and contribute in meaningful ways. Dr. Phelan walks you through real-life situations and shows you how to step back from the things that are dragging you down. For example: Your Maternal Identity!the things you tell yourself you have to do in order to be a "good" mom The oppressive trap of chronic supervision Our society's curious underestimation of children's capabilities How to eliminate primary childcare with tweens and teens How to manager resistant or traditionalist dads Realistic and simple enough to implement in your home right away, The Manager Mom Epidemic provides a roadmap for you to take your life back and proves that the happiest families share the work and the fun equally.

Surviving Your Adolescents

"Dr. Phelan's strategies have seen a resurgence in the parenting world. Maybe that's why you feel like everywhere you go, you keep overhearing other moms say to their misbehaving children, 'That's one. That's two. That's three.' And then you watch in disbelief as their kid actually stops!" — PopSugar Moms Are you the parent of a strong-willed child? Is bedtime a nightly battle? Are you looking to discipline without stress? Since kids don't come with a manual, 1-2-3 Magic is the next best thing. Dr. Thomas Phelan has developed a quick, simple and scientifically proven way to parent that actually works! Using his signature 1-2-3 counting method, Dr. Phelan helps parents to curb obnoxious behaviors like tantrums and meltdowns, whining and pouting, talking back, sibling rivalry and more in toddlers, preschoolers and middle schoolers. He guides parents through drama-free discipline methods that include handling time outs in public, the appropriate length of a time out, and what to do if your child resists the time out. Dr. Phelan also covers how to establish positive routines around bedtime, dinnertime, homework and getting up and out in the morning, and tips for strengthening your relationship with your kids. For decades, millions of parents from all over the world have used the award-winning 1-2-3 Magic technique to raise happier families and put the fun back into parenting. 1-2-3 Magic is one of Healthline's Best Parenting Books of 2017, a 2016 Mom's Choice Award Winner, a 2016 National Parenting Product Award Winner and a 2016 Family Choice Award Winner.

Offering advice for teachers eager to develop better discipline in the classroom, this guide provides practical methods for eliminating disruptive behavior, encouraging productive work habits, and communicating with parents. Clear lessons and straightforward language reveal how to measure discipline in a classroom environment, as well as how to handle difficult situations, such as transition times, assemblies, lunchtime, and field trips. A separate chapter for school administrators explains how to support classroom teachers in creating discipline and how to evaluate those teachers.

"This book is organized around three concepts fundamental to OS construction: virtualization (of CPU and memory), concurrency (locks and condition variables), and persistence (disks, RAIDS, and file systems)"--Back cover.

From the creator of the popular blog Mommy Shorts comes a "hilarious and comforting" look at real-world motherhood (New York Times bestselling author, Jill Smokler). Ilana Wiles is not a particularly good mother. She's not a particularly bad mother either. Like most of us, she's somewhere in between. And she has some surprisingly good advice about navigating life as an imperfect parent. In this witty and loving homage to the every-parent, Wiles suggests that they having the best child-rearing experience of all. Using Wiles's signature infographics and photographs to illustrate her personal and hilarious essays on motherhood, The Mommy Shorts Guide to Remarkably Average Parenting is an honest book that celebrates the fun of being a mom.

Handbook of Parent Training

1-2-3 Magic

Based on the bestselling parenting book 1-2-3 Magic and adapted for a Christian lifestyle! "1-2-3 Magic made parenting fun again." "I highly recommend this book to any parent who is spending more time yelling at or nagging their children than smiling at and laughing with them." "All I have to say is that the ideas in this book really WORK! It really is like magic!" "It's such a relief to not feel like I'm constantly yelling at someone! If you want to see a fast improvement in your child's behavior, check out 1-2-3 Magic." Complete with relevant Bible verses, explanations, and exercises, this guide builds on the enormously popular 1-2-3 Magic discipline system by addressing the concerns of a Christian parent. Dr. Thomas W. Phelan and pastor Chris Webb teach parents to take charge while refraining from any physical discipline or yelling, leading to better behaved children, happier parents, and a more peaceful home environment. 1-2-3 Magic allows you to get back in charge of your home and enjoy your kids again by helping you set limits for your children, and by breaking down the complex task of parenting into three straightforward steps: 1. Controlling Obnoxious Behavior: Learn an amazingly simple technique to get the kids to STOP doing what you don't want them to do (whining, arguing, tantrums, sibling rivalry, etc.) 2. Encouraging Good Behavior: Learn several effective methods to get your kids to START doing what you want them to do (picking up, eating, going to bed—and staying there!, chores, etc.) 3. Strengthening Your Relationships: Learn powerful techniques that reinforce the bond between you and your children. You'll find tools to use in virtually every situation, including advice for common problems such as: • Whining • Sibling rivalry • Reluctance to do chores • Refusing to go to bed or getting up in the middle of the night • Talking back • Stubbornness For years, millions of parents from all over the world have used the award-winning 1-2-3 Magic program to help them raise happier, healthier families and put the fun back into parenting.

Sheep hunt for a birthday present and make havoc of the shop, only to discover they haven't the money to pay for things.

By presenting the popular 1-2-3 Magic parenting program from a child's point of view, this innovative guide provides kids with a thorough understanding of the disciplinary system—from the counting and time-out methods parents will be using to how better behavior benefits the entire family and leaves more time for play. Storytelling portions are coupled with copious illustrations to help describe the basic tenets of 1-2-3 Magic—such as positive reinforcement, charting, and the docking system—while a question-and-answer section outlines common situations, including What if I don't go to my room? Will I still be counted if I have a friend over? and What kinds of things can we do for one-on-one fun? Crossword puzzles, word searches, and journal suggestions further encourage children to apply what they've learned about the methods.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience.”—Library Journal (starred review) “I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor.”—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide “Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way.”—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Positive Parenting for Those Important Teen Years Adolescence is often a time of great stress and turmoil—not only for kids going through it, but for you, their parents as well. During the teen years, kids aggressively begin to explore a new sense of freedom, which often leads to feelings of resentment and powerlessness for parents who increasingly are excluded from their children's lives. This revised edition of Positive Discipline for Teenagers shows you how to break the destructive cycle of guilt and blame and work toward greater understanding and communication with your adolescents. Inside, you'll: ·Find out how to encourage your teen and yourself ·Grow to understand how your teen still needs you, but in different ways ·Learn how to get to know who your teen really is ·Discover how to develop sound judgment without being judgmental ·Learn how to use follow-through—the only surefire way to get chores done Over the years, millions of parents have come to trust the classic Positive Discipline series for its consistent, commonsense approach to child rearing. Inside, you'll discover proven, effective methods for working with your teens. Over 1 million Positive Discipline books sold! "I highly recommend this book to parents, teachers, and all others who work with young people. It is one of the best books I have seen on helping adults and adolescents turn their conflict into friendship. Remarkably, it shows how to accomplish this while helping young people develop courage, confidence, responsibility, cooperation, self-respect, and trust. I urge you to read it." —H. Stephen Glenn, Ph.D., coauthor of Raising Self-Reliant Children in a Self-Indulgent World.
