NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning *The Daily Show* with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, *The Daily Show* with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers—including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of *The Daily Show*'s most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics—a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The

Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

hearts of its two central characters” —Andre Dubus III,
The New York Times Book Review** Corey Goltz grows up
in the working-class outskirts of Boston as the only child
of Gloria, whose ambitions were derailed early but who
has always given her son everything she can. Corey,
restless, dreams of leaving home for a great adventure.
Instead, when he is fifteen, the world comes crashing down
upon him, when Gloria is diagnosed with ALS and, too
late, his estranged father, Leonard—a man of great
charisma but dubious moral character—reenters the
picture. Determined to be his mother’s hero at any cost,
Corey begins shouldering responsibility for her expensive

medical care, pushing himself to his physical and emotional limits as her disease cruelly progresses. And as Leonard's influence over Corey grows, Corey must dismantle the myth of his father's genius and confront the evil that lurks beneath it. Gritty, visceral, and profoundly stirring, *The War for Gloria* tells the story of a young man, straddling childhood and adulthood, whose yearning to protect his mother requires him to risk destroying his father. An indelible work from a strikingly original voice in American fiction.

Meg Cabot, #1 New York Times bestselling author of *The Princess Diaries*, returns to Little Bridge Island with a new story about a children's book author with a case of writer's block and an arrogant novelist who have to set aside their differences as they get through a weekend long book festival that just might change everything—including their feelings for each other. *Don't Judge a Book by Its Author...* Welcome to Little Bridge, one of the smallest, most beautiful islands in the Florida Keys. Jo Wright always swore she'd never step foot on Little Bridge Island—not as long as her nemesis, bestselling author Will Price, is living there. Then Jo's given an offer she can't refuse: an all-expense paid trip to speak and sign at the island's first ever book festival. Even though arrogant Will is the last person Jo wants to see, she could really use the festival's more-than-generous speaking fee. She's suffering from a crippling case of writer's block on the next installment of her bestselling children's series, and her father needs financial help as well. Then Jo hears that Will is off-island on the set of the film of his next book. Hallelujah! But when she arrives on Little Bridge, Jo is in for a shock: Will

is not only at the book festival, but seems genuinely sorry for his past actions—and more than willing not only to make amends, but prove to Jo that he's a changed man. Things seem to be looking up—until disaster strikes, causing Jo to wonder: Do any of us ever really know anyone?

Somewhere out beyond the edge of the universe there is a library that contains an infinite number of books, each one the story of another reality. One tells the story of your life as it is, along with another book for the other life you could have lived if you had made a different choice at any point in your life. While we all wonder how our lives might have been, what if you had the chance to go to the library and see for yourself? Would any of these other lives truly be better? In The Midnight Library, Matt Haig's enchanting blockbuster novel, Nora Seed finds herself faced with this decision. Faced with the possibility of changing her life for a new one, following a different career, undoing old breakups, realizing her dreams of becoming a glaciologist; she must search within herself as she travels through the Midnight Library to decide what is truly fulfilling in life, and what makes it worth living in the first place.

average brown hair of average length, average brown skin and average hazel eyes. The only things about her that aren't average are her name (too long and princess themed), her ability to draw animals (useful for her future career as a wildlife illustrator), and the fact that she is a half-orphan who has never met her father and is forced to live with her aunt and uncle (who treat her almost like their own kids, so she doesn't want to complain). Then one completely average day, everything goes wrong: the most popular girl in school, Annabelle Jenkins, threatens to beat her up, the principal gives her a demerit, and she's knocked down at the bus stop . . . Until a limo containing Princess Mia Thermopolis of Genovia pulls up to invite her to New York to finally meet her father, who promptly invites her to come live with him, Mia, Grandmère and her two fabulous poodles . . . Maybe Olivia Grace Clarisse Mignonette Harrison isn't so average after all! Jess is a shadow of her former self, her powers gone, Lightning Girl no more. But Jess knows her powers aren't the only thing that's gone: she's lost herself, as well. Starting over in a new town, intent on finding a new life in college, Jess is less than happy when Rob Wilkins, her ex, shows up at her door, begging her to help him find his long lost sister. But how can Jess, her powers gone, find anyone? Let alone the sister of a man she once loved (and believed, wrongly, loved her back) when she can't even find herself?

Children in today's world are inundated with information about who to be, what to do and how to live. But what if there was a way to teach children how to manage priorities, focus on goals and be a positive influence on the world around them? The Leader in Me is that programme. It's based on a hugely successful initiative carried out at the A.B. Combs Elementary School in North Carolina. To hear the parents of A. B Combs talk about the school is to be amazed. In 1999, the school debuted a programme that taught The 7 Habits of Highly Effective People to a pilot group of students. The parents reported an incredible change in their

children, who blossomed under the programme. By the end of the following year the average end-of-grade scores had leapt from 84 to 94. This book will launch the message onto a much larger platform.

Stephen R. Covey takes the 7 Habits, that have already changed the lives of millions of people, and shows how children can use them as they develop. Those habits -- be proactive, begin with the end in mind, put first things first, think win-win, seek to understand and then to be understood, synergize, and sharpen the saw -- are critical skills to learn at a young age and bring incredible results, proving that it's never too early to teach someone how to live well.

#1 NEW YORK TIMES BESTSELLER • NEWBERY MEDAL WINNER • NATIONAL BOOK AWARD WINNER Dig deep in this award-winning, modern classic that will remind readers that adventure is right around the corner--or just under your feet! Stanley Yelnats is under a curse. A curse that began with his no-good-dirty-rotten-pig-stealing-great-great-grandfather and has since followed generations of Yelnatses. Now Stanley has been unjustly sent to a boys' detention center, Camp Green Lake, where the boys build character by spending all day, every day digging holes exactly five feet wide and five feet deep. There is no lake at Camp

Green Lake. But there are an awful lot of holes. It doesn't take long for Stanley to realize there's more than character improvement going on at Camp Green Lake. The boys are digging holes because the warden is looking for something. But what could be buried under a dried-up lake? Stanley tries to dig up the truth in this inventive and darkly humorous tale of crime and punishment—and redemption. "A smart jigsaw puzzle of a novel." —New York Times

Ever since Jessica Mastriani was struck by lightning, she's had the ability to find missing people. But her amazing new power came at a cost: national fame and a crushing responsibility that Jess never asked for. The only way she knows how to get back her old life is to lie and say she's lost her gift. But when Jess's classmates start to disappear, she's accused of being involved. Jess's only chance to clear her name is to use her powers. But this will only bring back all the old nightmares: the press, the FBI, everyone who seems to want a piece of her . . . including the guy she once gave her heart to. Time is running out, and it seems as if Jess is the only one who can save her

friends. But even if she succeeds, will there be anyone to save her?

In high school, everyone's talking about college. What to do. Where to go. Why it's important. Classes are given on it. Books are written about it. But details get left out. Every year, college graduates learn this the hard way as they step into adulthood. I was one of them. After earning a four-year degree, I went through two of the worst years of my life. Not that my situation is unique. I am a part of a generation that was told to go to college first and sort out the details later. Most of us did. We chased the promise of a big shiny future, and we ended up being chased by the mistakes of our past. That's not to say we completely regretted going. This book isn't a list of privileged millennial complaints. It's a collection of wisdom gained in less than pleasant ways. It's a story of hardship, failure, victory, and perseverance. It's all of the things we wish someone had told us. And it takes place before college, in college, after college, and without college. This is the wild, painful, awkward, hilarious, depressing, & beautiful journey from youth to maturity. This is the college book that no one ever gave us.

"Help me find my little girl." Jess Mastriani -- dubbed "Lightning Girl" by the press when, after a huge storm, she develops a psychic ability to find missing children -- has lost her miraculous powers. Or has she? She would like the media and the government to think so. All Jess wants is to be left alone, by everyone except sexy Rob Wilkins -- who still hasn't called, by the way.... But it doesn't look like Jess is going to get her wish -- especially not while she's stuck working at a summer camp for musically gifted kids. Then the father of a missing girl shows up to beg Jess to find his daughter. Jess can't say no, but now the feds are on her trail again, as is one ornery stepdad, who'd like to see Lightning Girl...well, dead.

The #1 New York Times bestseller. Over 4 million copies sold! Tiny Changes, Remarkable Results No matter your goals, Atomic Habits offers a proven framework for improving--every day. James Clear, one of the world's leading experts on habit formation, reveals practical strategies that will teach you exactly how to form good habits, break bad ones, and master the tiny behaviors that lead to remarkable results. If you're having trouble changing your habits, the problem isn't you. The problem is your system. Bad habits repeat themselves again and again not because you don't want to change, but because you have the wrong system for change. You do not rise to the level of your goals. You fall to the level of your systems. Here, you'll get a proven system that can take you to new heights.

Clear is known for his ability to distill complex topics into simple behaviors that can be easily applied to daily life and work. Here, he draws on the most proven ideas from biology, psychology, and neuroscience to create an easy-to-understand guide for making good habits inevitable and bad habits impossible. Along the way, readers will be inspired and entertained with true stories from Olympic gold medalists, award-winning artists, business leaders, life-saving physicians, and star comedians who have used the science of small habits to master their craft and vault to the top of their field. Learn how to: • make time for new habits (even when life gets crazy); • overcome a lack of motivation and willpower; • design your environment to make success easier; • get back on track when you fall off course; ...and much more. Atomic Habits will reshape the way you think about progress and success, and give you the tools and strategies you need to transform your habits--whether you are a team looking to win a championship, an organization hoping to redefine an industry, or simply an individual who wishes to quit smoking, lose weight, reduce stress, or achieve any other goal.

Sixteen-year-old Jessica Mastriani knew she wasn't going to be able to hide her psychic powers from the U.S. government -- interested in utilizing her special skills for their own devices -- forever. But she never thought that she and Cyrus Krantz, the special agent brought in to "convince" Jess to join his elite team of "specially-gifted" crime solvers, would turn out to have something in common. But when a local boy's disappearance is attributed to a backwoods militai group, Jess's goal -- to find the missing child -- and Dr. Krantz's -- to stop a group of madmen before they kill again -- turn out to be one and the same. Suddenly Jess finds herself working with one enemy in order to stop a far worse one. In an atmosphere of hate and fear, can Jess and Dr. Krantz -- not to mention Jess's would-be boyfriend Rob -- work together to unite a community and save a life...without losing their own?
