by children's book legend Eric Carle and narrated by award-winning actor Stanley Tucci. In this classic picture book from Richard Buckley and Eric Carle that includes a CD with audio narration by Stanley Tucci, a greedy python eats every creature he comes across in the jungle. From a tiny mouse to an enormous elephant, the eaten animals befriend one another in the belly of the snake, where they team up and kick the inside of the python until he spits them out. This humorous tale about manners, respect, and friendship will delight readers—and listeners!

Caterpillar?--now available as a board book Yes, there's something strange, something funny and even downright preposterous on every page of this book. But it's not a mistake - it's nonsense Nonsense lies at the heart of many beloved nursery rhymes. Children readily accept odd statements like "the cow jumped over the moon" and "the dish ran away with the spoon." This fanciful bending of reality is also basic to surrealism. In this book, nonsense and surrealism combine to spark creativity and imagination. What's true? What's impossible? What's absolutely absurd? Sesame Street: 5 Little Rubber Duckies
A Wacky Quacky Counting Adventure
Selected by The New York Times
Book Review as a Notable Book of
the Year A revelatory tale of
science, adventure, and modern
myth. When the writer Donovan
Hohn heard of the mysterious loss
of thousands of bath toys at sea,
he figured he would interview a
few oceanographers, talk to a few
beachcombers, and read up on
Arctic science and geography. But
questions can be like ocean
currents: wade in too far, and
they carry you away. Hohn's
accidental odyssey pulls him into
the secretive world of shipping

shadowy world of Chinese toy factories. Moby-Duck is a journey into the heart of the sea and an adventure through science, myth, the global economy, and some of the worst weather imaginable. With each new discovery, Hohn learns of another loose thread, and with each successive chase, he comes closer to understanding where his castaway quarry comes from and where it goes. In the grand tradition of Tony Horwitz and David Quammen, Moby-Duck is a compulsively readable narrative of whimsy and curiosity.
