In this Caldecott Medal-winning picture book, the true story of Wilson Bentley and his singular fascination with snowflakes is rendered in rich prose and gorgeous artwork, perfect for the holidays, snow days, and everyday. Wilson Bentley was always fascinated by snow. In childhood and adulthood, he saw each tiny crystal of a snowflake as a little miracle and wanted to understand them. His parents supported his curiosity and saved until they could give him his own camera and microscope. At the time, his enthusiasn was misunderstood. But with patience and determination, Wilson cataloged hundreds of snowflake photographs, gave slideshows of his findings and, when he was 66, published a book of his photos. His work became the basis for all we know about beautiful, unique snowflakes today. This biographical tribute to a very special farmer is the perfect holiday gift or snow day read.

The intricate beauty of snowflakes is fully revealed in this amazing pop-up book. An enchanting explanation of the uniqueness of snowflakes supplemented by information about the real life Snowflake Man, Wilson A. Bentley, who was the first to photograph snowflakes, engages readers of all ages. Each of the seven spreads features fully illustrated pop-ups and delicate mixed media that are sure to surprise and delight.

After wandering out at night to watch a magical star shower, a polar bear cub returns home to snuggle with her mother in their warm den.

In Snowflakes Fall, Newbery Medalist Patricia MacLachlan and award-winning artist Steven Kellogg portray life's natural cycle: its beauty, its joy, and its sorrow. Together, the words and pictures offer the promise of renewal that can be found in our lives—snowflakes fall, and return again as raindrops so that flowers can grow. MacLachlan and Kellogg, who are longtime friends, were moved to collaborate on a message of hope for children and their families following the tragic events in Sandy Hook, Connecticut, on December 14, 2012. Kellogg lived in Sandy Hook for thirty-five years—he raised his family there and was an active member of the community. With Snowflakes Fall, they have created a truly inspiring picture book that is both a celebration of life and a tribute to the qualities that make each individual unique. In honor of the community of Sandy Hook and Newtown, Random House, the publisher of Snowflakes Fall, has made a donation to the Sandy Hook School Support Fund. Random House is also donating 25,000 new books to the national literacy organization First Book in the community's honor and in support of children everywhere.

The Snowflake Man

A Flurry of Snowflakes is the eighth title in the series, and is a winter-themed book of wishes. It is gorgeously illustrated with animal characters on one page that cleverly slot into an illustration of their Christmas wish on the other. "One polar bear wishes for... a cozy cave to cuddle in. One skating penguin wishes for... a party of dancing friends. One chirping robin wishes for... a flurry of snowflakes." It offers a tactile and visual shared-reading experience, and there is a heart-warming scene with all the characters at the end. While away the long winter nights with hundreds of playful, festive objects to color, decorate, trace, and count in the 100 Christmas Coloring Book. Choose from 100 snowflakes, 100 Christmas trees, 100 shoppers, 100 animals, including reindeer, 100 tasty treats, and a workshop full of 100 elves and toys. Every single object is different, and all they need is some creative flair to bring them to life. Drawn in Dominika Lipniewska's bold and graphic style, this book encourages children to look closely at the details that make every person and object visually unique--and to bring their own ideas and creativity to the pages of the book. A perfect gift!

Describes how snowflakes form, the different types of snowflakes, and how and why they develop their unique shapes.

The glittering ice world wakes up to the sun. In this fragile white land, a new day's begun Explore the majestic beauty of the world's polar regions. Discover the animals that inhabit the lands of ice and snow.

If there was one thing January Douglas disliked more than spilling coffee on her favorite blouse, it was Christmas. Despite her family's love of the holiday, she was a self-proclaimed Scrooge. The songs, the decorations, and the forced cheer - they were all nails scratching down a chalkboard to her. When Deckard Spruce barged into her life with his Christmas enthusiasm and a smirk that made January weak in the knees, she'd had enough. One wish on a snowflake was all it took to change everything, but as soon as the damage was done, she knew her hate for the holidays had gone too far. Could Deckard help her realize that she might not hate Christmas after all? Maybe one more wish would make everything right.

A Pop-Up Book

Revised edition of the best-selling memoir that has been read by over a million people worldwide with translations in 29 languages. After too many years of unfulfilling work, Bronnie Ware began searching for a job with heart. Despite having no formal qualifications or previous experience in the field, she found herself working in palliative care. During the time she spent tending to those who were dying, Bronnie's life was transformed. Later, she wrote an Internet blog post, outlining the most common regrets that the people she had cared for had expressed. The post gained so much momentum that it was viewed by more than three million readers worldwide in its first year. At the request of many, Bronnie subsequently wrote a book, The Top Five Regrets of the Dying, to share her story. Bronnie has had a colourful and diverse life. By applying the lessons of those nearing their death to her own life, she developed an understanding that it is possible for anyone, if we make the right choices, to die with peace of mind. In this revised edition of the best-selling memoir that has been read by over a million people worldwide, with translations in 29 languages, Bronnie expresses how significant these regrets are and how we can positively address these issues while we still have the time. The Top Five Regrets of the Dying gives hope for a better world. It is a courageous, life-changing book that will leave you feeling more compassionate and inspired to live the life you are truly here to live.

"Wonderful 32 page book has very clear diagrams and photos with English instructions. Lene designed these 24 snowflakes, one for each day in December until Christmas. The snowflake for December 24 is decorated with glass beads to create the real Christmas spirit!"--Publisher's description.

Creative Paper Cutouts for All Seasons

This is a biography of Wilson Alwyn Bentley, the farmer from Jericho, Vermont, who took over five thousand photomicrographs of ice, dew, frost, and -- especially -- snow crystals. Although his photographs were taken between 1885 and 1931, they have never been equalled and are in great demand today. Bentley's story is one of courage and persistence against tremendous odds. He taught himself how to photograph snow crystals through a microscope while still in his teens and then pursued his obsession for years before having the beauty and scientific value of his work recognised by others. 'The Snowflake Man' lays open the life of a simple, self-educated, sensitive man who pursued natural beauty with microscope and camera for nearly fifty years. The book contains 30 black and white photographs.
