Barn Find Road Trip

Every Model, Year by Year

The truck's role in American society changed dramatically from the 1960s through the 1980s, with the rise of off-roaders, the van craze of the 1970s and minivan revolution of the 1980s, the popularization of the SUV as

family car and the diversification of
the pickup truck into multiple
forms and sizes. This

comprehensive reference book
follows the form of the author's
popular volumes on American cars.

For each year, it provides an
industry overview and, for each
manufacturer, an update on new
models and other news, followed by
a wealth of data: available
powertrains, popular options, paint
colors and more. Finally, each
truck is detailed fully with
specifications and measurements,
prices, production figures, standard
equipment and more.

Based on official army records,

anecdotal observations of life. And there are tales of unusual pets, truncated vacations, and clever inventions narrated by a man whose life seems to continually offer up entertaining material. Follow Ralph's adventures as he describes his money-making schemes as a child during the Great Depression, trading his cantankerous horse for a bicycle, keeping kids in line on his school bus, and rescuing his grandson from the top of a fire tower. Enjoy witty insights into the life of a landlord. Share Ralph's enthusiasm for his new career as a writer for the local newspapers, begun when he was
