1996

Consumers Index to Product Evaluations and Information Sources

Can you come sit at the table? Tammy Letherer ' s husband of twelve years spoke these words on a Tuesday night, just before Christmas, after he had put their three children in bed. He had a piece of paper and two fingers of scotch in front of him.

As he read from the list in his hand, his next words would shatter her world and destroy every assumption she'd ever made about love, friendship, and faithfulness. In *The Buddha at My Table*, Letherer describes in honest, sometimes painful detail the dismantling of a marriage that encompasses the ordinary and the surreal, including the night she finds a silent, smiling Thai monk sitting at the same dining room table. It ' s this unexpected visitation, this personification of peace, that sticks with her as she listens to her husband reveal hurtful, shocking things that he never loved her, he doesn ' t believe in monogamy, and he wants to " wrap things up " with her in four weeks and allows her to find the blessing in her husband ' s betrayal. Ultimately, it ' s when she realizes that she is participating in her life, not at its mercy, that she discovers the path to freedom.

Consumer expert Jack Gillis has written the best guide available for the fast-growing truck, van, and 4X4 market, featuring full-page entries with narrative summaries of the model, photos, and information on optional and standard equipment. Ratings on fuel economy, preventative maintenance costs, insurance costs, and more are included. 64 photos. Charts.

Popular Science gives our readers the information and tools to improve their technology and their world. The core belief that **Popular Science** and our readers share: The future is going to be better, and science and technology are the driving forces that will help make it better.

"Julie Clark has done it again...taking you straight into the collision course of two dynamic, complicated women." –Laura Dave, #1 New York Times bestselling author The new thriller from the New York Times bestselling author of *The Last Flight!* She's back. Meg Williams. Maggie Littleton. Melody Wilde. Different names for the same person, depending on the town, depending on the job. She's a con artist who erases herself to become whoever you need her to be—a college student. A life coach. A real estate agent. Nothing about her is real. She slides alongside you and tells you exactly what you need to hear, and by the time she's done, you've likely lost everything. Kat Roberts has been waiting ten years for the woman who upended her life to return. And now that she has, Kat is determined to be the one to expose her. But as the two women grow closer, Kat's long-held assumptions begin to crumble, leaving Kat to wonder who Meg's true target is. *The Lies I Tell* is a twisted domestic thriller that dives deep into the psyches and motivations of two women and their unwavering quest to seek justice for the past and rewrite the future.

American and Import, 1992–2001

The Complete Small Truck Cost Guide, 1996

The Art Behind the Sale
