**Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home-improvement tips, gadgets and digital technology, information on the newest cars or the latest breakthroughs in science -- PM is the ultimate guide to our high-tech lifestyle.**

**Thoroughly revised and updated for 2001, the guide that has helped thousands of car and truck buyers make the right decision is now better than ever. Includes a listing of AAA Top Car Award winners for the year, fuel economy reports, and sound advice on "buy vs. lease". Full-color photos throughout.**

**The supercharger and turbocharger in their various forms and applications have both been around for well over a century. What makes them so popular? Looks, power, performance, sound, and status. And how do they relate to, and improve upon, the performance level of a small-block Ford pushrod V-8 engine like a 289-302, a 351-Windsor, a Ford 351-Cleveland, or even the latest generation 4.6L/5.4L "modular" small-block V-8 engines? That's EXACTLY what this book is all about! While Ford dabbled in**

**supercharging and turbocharging on production cars all the way back in 1957 with the legendary Thunderbird, and then again with Shelbys and over-the-counter kits, and then again in the late '70s and early '80s with turbocharging 4-cylinder applications in Mustangs and SHOs, the real revolution in supercharging and turbocharging Ford products has come through the aftermarket in more recent times. The Fox Mustang, created in 1979, and the platform that would eventually feature fuel injection in 1986, allowing much more boost, created a genre of lightning-quick and affordable performance cars.**

"RADICAL NATION makes it clear what is at stake. If you want to Save America you must read this—it is MAGA all the way." — PRESIDENT DONALD J. TRUMP "RADICAL NATION is a must-read. Spicer presents a clear and concise understating of the direction we are headed and provides the tools and tactics necessary to combat it." — NEWT GINGRICH "The Biden-Harris regime is pushing discredited policies that will destroy the very fabric of America.

RADICAL NATION provides us with background on the direction they could take us, and ways we can fight back and win.” — DAN BONGINO “RADICAL NATION is critically important. My friend Sean perfectly diagnoses the problems with the Biden presidency and what we can do to save our nation.” — CHARLIE KIRK The Biden-Harris progressive agenda presents a radical change to the American economy, values, national security, and freedom. From the former Trump White House press secretary and New York Times bestselling author of THE BRIEFING and LEADING AMERICA comes a stark warning: Under Joe Biden and Kamala Harris, America is lurching towards economic collapse, runaway inflation, wide-open borders, an all-out assault on human life and religious liberty, a K-12 school indoctrination plan, “election reforms” to ensure never-ending Democratic Party rule, and more. RADICAL NATION is a bold grassroots agenda for defending America against the Progressives’ Socialist agenda. Featuring powerful stories that will move you and keep you riveted, this book will channel conservatives discouragement, anger, and betrayal into meaningful action to keep America free, strong, and secure for our children and grandchildren.
