The state-of-the-art in NMR spectral analysis. This interactive tutorial provides readers with a comprehensive range of software tools and techniques, as well as the necessary theoretical knowledge required to analyze their spectra and obtain the correct NMR parameters. Modern Spectral Analysis provides expert guidance, by presenting efficient strategies to extract NMR parameters from measured spectra. A database of selected spectra and modern, powerful WIN-NMR software designed by Bruker are provided on the enclosed CD-ROM. The programs provided are 1 D WIN-NMR, WIN-DAISY, WIN-DR and WIN-DYNAMICS, and direct data exchange between all these programs is possible. Readers are shown how they can obtain maximum structural information from their 1 D NMR spectra with time-saving computer assistance. Practical problems that can occur and their solutions are discussed at length using clear, easy-to-follow examples. Both homo- and heteronuclear and first- and second-order spin systems are demonstrated. Moreover, relaxation analysis, nuclear Overhauser effects and magnetic site exchange are all covered in this hands-on guide to NMR spectral analysis.

There are three rules for being best friends with a mafia princess: 1. Don't ask any personal questions. 2. Don't show up at her house unannounced. 3. Don't ever, ever let anyone know you're friends. For three years, I followed the rules. Vicky and I met once a week at the diner where I worked. I was her slice of normalcy, she was the one person I could confide in. It might have been unconventional, but it worked for us. One night, all hell broke loose and I got caught up in a battle of bloodshed where we almost lost our lives. I ended up face to face with Vicky's dangerous older brothers. Anthony, William, and Nicholas Civella--the made men of the Kansas City Mob. After fighting for my life and proving myself worthy, they brought me into their deadly world. It was glamorous but twisted. Torture, death, and crime followed me everywhere I went, chiseling away at parts of me until I wasn't the same anymore. Slowly, I betrayed my best friend, and fell in love. Chances are they'll ruin me. This thing between us has deadly consequences. But in this criminal world, I'm learning that the rules don't apply when you're the boss.

The #1 New York Times bestselling author of Beautiful Tempest and Make Me Love You brings her “mastery of historical romance” (Entertainment Weekly) to 1880s Montana where passions and gold fever run high as an American heiress turns to a rugged mountain man to help her locate her father’s fortune. With the family's home and social standing at risk, Violet makes a drastic decision. Meanwhile, Montana rancher Morgan Callahan rode away from his family's cattle farm to make his own fortune. Now as he finishes exploiting a mother lode of silver, a young woman claiming to be his late partner's daughter turns up wanting to be taken to her father's mine.
