We know this to be true: It's a given that life is not about rainbows and sunshine all of the time. There will be days that it is going to be hard to hold your head high and put a smile on your face. However, happiness is a choice; and sometimes, you just occasionally need a boost to remind yourself of that fact. It is intuitive that people who smile and cut out negativity from their life will live longer, healthier lives. You hear it in TED talks, read it on blogs, and physicians (and psychologists) use it as a mantra. Stress and anger cause health complications that make life harder than it needs to be. It will also leave you with higher medical bills, which will cause more stress if you are struggling financially. This book is designed to help give you that small happiness boost you may require at any time. It provides a variety of quotes, new and older, to help you put perspective on your mood, regardless of where you are at in your life. It is organized for quotes to be consumed once per day, however we welcome you to peruse through the pages until you find one that resonates with you at that specific moment. No matter who you are, be it a teenager or in later stages of life, whether you are married or divorced, an entrepreneur or a career

professional, or even unemployed, choosing to be happy helps you in all facets of your life. Take it a day at a time, and find the quotes that speak to your needs for the day. If you need inspiration let the words of God's most obedient servants light your path. The word "saint" comes from the Latin word "sanctus," a translation of the Greek word, "hagios," which means "holy." While all of us are capable of holiness, canonization is the Church's official recognition that a particular person displayed an extraordinary holiness on Earth. There is much to be learned from the words, acts, and lives of the saints of the Roman Catholic Church. They provide undeniable examples of the best that humankind is capable of—virtues like kindness, charity, love for each other, especially for the lowest and the least among us, courage in the face of adversity, humility, and selflessness. Through their willingness to sacrifice all, even their lives, for their faith. They remind us that in our darkest moments we are not alone, and in our joys and triumphs they are reminders of God's grace. You can take a few minutes every day to read one of the 365 quotes in this book and the accompanying text. Some start each day with prayer, others with their thoughts, and others with their actions. Some are simple, some are profound. Some are funny, some are serious. Some are uplifting, some are challenging. Some are comforting, some are inspiring. Some are reminders of God's love. We hope that the wisdom of the ages, as articulated through the words of the saints, find their way into your heart.
