*What is Jewish cooking in France? In a journey that was a labor of love, Joan Nathan traveled the country to discover the answer and, along the way, unearthed a treasure trove of recipes and the often moving stories behind them. Nathan takes us into kitchens in Paris, Alsace, and the Loire Valley; she visits the bustling Belleville market in Little Tunis in Paris; she breaks bread with Jewish families around the observation of the Sabbath and the celebration of special holidays. All across France, she finds that Jewish cooking is more alive than ever: traditional dishes are honored, yet have acquired a certain French finesse. And completing the circle of influences: following Algerian independence, there has been a huge wave of Jewish immigrants from North Africa, whose stuffed brik and couscous, eggplant dishes and tagines—as well as their hot flavors and Sephardic elegance—have infiltrated contemporary French cooking. All that Joan Nathan has tasted and absorbed is here in this extraordinary book, rich in a history that dates back 2,000 years and alive with the personal stories of Jewish people in France today.*

*Do you know what is the N°1 reason behind divorce and the end of a relationship? Is it unloyalty? Is it frequent arguments? Or maybe is it children's education? Believe it or not, it is a lack of intimacy, of sexual tension and desire beneath the couple. And that means, of course, even a lack of sex or anyway bad sex. When it comes to having sex in a relationship most couples start very excitedly, right? The partners eat each other in the bedroom, they are so turned on that they want to BURN everything to the ground, their sexual potential is UNLEASHED. So the couple has fun. All has been incredible, they can't wait to repeat the sex and to feel EVEN BETTER. Again. Again. And again. And SLOOOOOWLYYYYYY it becomes the same thing... until the sad moment when the sex is no more than a WORD and an occasion, just like the Thanksgiving, or the Independence Day, or Christmas or whatever! It becomes predictable. Boring. The breakup becomes inevitable. But the question is... is this what it's meant to be? Is there no other way in order to keep the desire alive Luckily, there is a way to prevent all that mess: both you and your partner have to learn the best existing ways to enter each others' body and soul. This way, your connection will be wonderful and unbreakable. What good sex has to teach you is not only physical: the two of you will learn how to engage your minds outside of sex, it will help both of you to face the everyday world with peace of mind. You will trust each other more. Basically. Most of your problems will be solved. So what exactly is in this book? Why most people have really bad sex or even no sex life How to connect to each other The Ultimate, step-by-step, deeply explained process of sex Every sex position and how to maximize the pleasure from each one of them Pictures to help you visualize the pleasurable intimacy moments How to give and receive the maximum full-body pleasure How to be an enviable couple inside and outside the bed This is not some crappy book about sex with just some advices thrown here and there, this thing is designed to cover everything so that the two of you can literally experience PARADISE IN BED. NO KIDDING. There is everything. More than what people and experts out there talk about. So. From now on, here is your decision to make. You can choose to have the best sex life possible with your partner, or you can choose to just be... average. Isn't the choice OBVIOUS yet? What are you waiting for, just take the book and bring your sexual experience to the next level NOW, before there's no going back. I'm waiting for you.*

Yes, that's 366 - one for each day of the year plus a little something special for leap year! Illustrated with anatomically correct drawn figures, the positions run the lusty gamut from plausible to creative to Honey, get my weight belt, this is going to require some heavy lifting! For beginners and the acrobatically challenged, there are accessible suggestions such as the Corporate Merger, the Wet Blanket, and the TV Dinner. Meanwhile, the adept and adventurous can try their hand at The Snow Blower, The Papoose, and the Quasimodo, which field-testing suggests is best attempted only after a vigorous round of stretching and a can of Red Bull. Position of the Day is about not becoming a creature of habit, because even the Excuse Me, Do I Know You? can get boring if that's the only position in your repertoire...
