This collection celebrates the career of Professor Alan Dashwood, a leading member of the generation of British academics who organised, explained and analysed what we now call European Union law for the benefit of lawyers trained in the common law tradition. It takes as its starting point Professor Dashwood's vivid description of the European Union as a 'constitutional order of states'. He intended that phrase to capture the unique character of the Union. On the one hand, it is a supranational order characterised by its own distinctive institutional dynamics and an unprecedented level of cohesion among, and penetration into, the national legal systems. On the other hand, it remains an organisation of derived powers, the Member States retaining their character as sovereign entities under international law. This theme permeates both the constitutional and the substantive law of the Union. Contributors to the collection include members of the judiciary and distinguished practitioners, officials and academics. They consider the foundations, strengths, implications and shortcomings of this conceptual framework in various fields of EU law and policy. The collection is an essential purchase for anyone interested in the constitutional framework of the contemporary European Union.

Create Your Own Women Owned Business Startup "...a guide for smart, ambitious women who want to make their mark on the world...a practical step-by-step journey to shifting your mindset and calling on your own resilience and resourcefulness."—Rachel Beider, bestselling author of *Massage MBA: Run Your Practice, Love Your Life* and globally recognized small business expert *The Fearless Woman's Guide to Starting a Business* is a book for freedom-seeking female entrepreneurs and solopreneurs who want to know how to connect with their true passions, skills, and desires. As members of the modern age, we sometimes feel disconnected from the world of the Bible. But if we look closely, we can see that although cultures change, our basic challenges stay the same. We still struggle with issues like community, justice, economic stress, political tensions, and cultural and ethnic differences. We still wonder who God is, how to discern His will, and how we fit into His plan. Using historical context and fresh insights backed by biblical scholars, *The Modern Life Study Bible* explores the timeless truths that connect the people and stories of the Bible to the opportunities and demands we face today. God is at work in our world, inviting us to experience His presence. With innovative, full-color illustrations, maps, and diagrams, along with special information on occupations of the Bible, profiles of people and places, theme indexes, and inspirational biographies of believers who put their faith to work, *The Modern Life Study Bible* will draw you in, helping you to know and embrace what it means to follow Christ in today's world. Features include: More than 2,400 concise articles and book introductions More than 220 full-color maps Hundreds of diagrams, tables, and illustrations 66 inspirational biographies Indexes to aid navigation and study

"This book applies a model to business growth, examining the successful strategies that ordinary weeds use to spread and prosper in almost any situation. This is a system based on adapting the strategies, attributes, and tools used by weeds to take root, dominate, defend their space, and further expand their domain, providing a pathway to transform a team into a collective of weeds operating on behalf of the company, acting as an incubator for innovation and productivity, and enriching opportunities for growth and security"--

The eleventh century in Byzantium is all about being in between, whether this is between Basil II and Alexios Komnenos, between the forces of the Normans, the Pechenegs and the Turks, or between different social groupings, cultural identities and religious persuasions. It is a period of fundamental changes and transformations, both internal and external, but also a period rife with clichés and dominated by the towering presence of Michael Psellos whose usually self-contradictory accounts continue to loom large in the field of Byzantine studies. The essays collected here, which were delivered at the 45th Spring Symposium of Byzantine Studies, explore

new avenues of research and offer new perspectives on this transitional period. The book is divided into four thematic clusters: 'The age of Psellos' studies this crucial figure and seeks to situate him in his time; 'Social structures' is concerned with the ways in which the deep structures of Byzantine society and economy responded to change; 'State and Church' offers a set of studies of various political developments in eleventh-century Byzantium; and 'The age of spirituality' offers the voices of those for whom Psellos had little time and little use: monks, religious thinkers and pious laymen.

This intimate biography of the NFL icon by a veteran sports reporter sheds light on his singular life and the controversy surrounding his tragic death. Taina Baul "Junior" Seau is widely considered to be among the best linebackers in NFL history, a ten-time All-Pro, a twelve-time Pro Bowl selection, and a first-ballot entrant into the Pro Football Hall of Fame. But in 2012, just two years after retiring from football, Junior Seau committed suicide. Studies of his brain by the National Institutes of Health concluded that Seau suffered from chronic traumatic encephalopathy (CTE), a brain disease often caused by repeated hits to the head. Seau's suicide spawned numerous investigations into the brains of deceased NFL players, and many were found to have CTE. Drawing on exclusive access to Seau's family as well as Seau's never-before-seen diaries and letters, Jim Trotter paints a moving and revealing portrait of a larger-than-life sports star whose achievements on the field were rivaled by his personal demons. "Few people knew Junior Seau like Jim Trotter . . . he took a sports book and artistically crafted it into a lyrical narrative about dreams, love, and, ultimately, heart-wrenching loss."—Lars Anderson, author of *The All Americans*

"The Human Show" is a collection of poignant and eloquent poetry about a variety of riveting, vital matters. The book is split into chapters and includes poetry that is enlightening and inspiring as well as poetry that is disheartening and empathy provoking. The reader will go on a personal journey in which their values, opinions, and perspectives on many things in life may be challenged. This is especially true in the poetry about worldly issues. This chapter includes pieces on child abuse, terrorism, domestic violence, inequality, apathy, drunk driving, and many other unfortunate realities that humanity as a whole faces today. Poetry about the human experience, the psyche, and philosophy will inspire the reader to think outside of the box and expand on the stale, monotonous thought processes that today's society has confined us to. The poetry will remind the reader of how amazing it is simply being alive and ignite a new curious aspiration to discover how and why we lead our lives the way that we do. The writings about love and relationships will allow the reader to delve into infinite wonder about life's most captivating and powerful emotion: love. This poetry tells of how brilliant and enthralling the experience of falling in love can be, as well as how painstaking and demoralizing losing a love can be. The reader will become enticed and aroused, as they experience the sensual ambience of these alluring and stimulating poems about lust and desire. The passionate ecstasy of finally embracing a mate you have longed pined for, is nothing short of invigorating. Lastly, the poetry about nature and earth will soothe and bestow upon the reader a serene contentment, as they partake in reading these artistic, dynamic pieces about how remarkable and beautiful the natural world truly is.

This book uses a cross-cultural and interdisciplinary approach to examine the role of biographies and autobiographies in the construction of historical narratives.

THE UNSTOPPABLE CHRISTIAN AND MINISTER

Understanding Guanxi as a Resource - Cases, Examples and Firm Owners in Their Own Words

*What is our part when it comes to walking in unstoppable increase in our lives and what does the God-kind of increase look like? God is an "if-then" God. When we want to see God move in our lives, we have to do something first. Then-and only then-will He do His part. He promises us in His Word salvation, healing, provision, restoration, wisdom and increase... but only if we believe, receive, confess, obey and give to Him in faith, believing for our harvests. Only He can do what He can do. But only you and I can do what we can do. Perhaps you've been through some sort of wilderness experience and you've wondered, Where is God in all this? There is a real devil in the world, and according to God's Word in John 10:10, he is working overtime to steal, kill and destroy. But that scripture also says Jesus is present in your life too, and He has come so you could have life...abundant life...life that is overflowing with provision and filled with increase in every area...spirit, soul and body.*

*Just as the Bible has stood for centuries as an encouraging testimony to how God works in the world, we are still called to share our stories of what God has done and is doing in our lives. In "NonStop: Cultivating an Unstoppable Faith in the Midst of Adversity," author and pastor Nathan Rouse candidly testifies to the ways God has brought him through his own struggles, exposes the greatest liar challenging your faith, and illustrates how to offer your life as a beacon of hope to those around you. The question is not whether you will experience fear, heartache, or failure, but rather, when you do encounter these impediments, will you let them keep you down and paralyze you, or will you allow God to grow you through adversity? The purpose of this book is to equip you with the biblical truths that will renew your mind so you can faithfully follow Christ's example as you praise God for leading you through the fire to find the road home.*

*ÒSprawlÓ is one of the ugliest words in the American political lexicon. Virtually no one wants America's rural landscapes, farmland, and natural areas to be lost to bland, placeless malls, freeways, and subdivisions. Yet few of America's fast-growing rural areas have effective rules to limit or contain sprawl. Oregon is one of the nation's most celebrated exceptions. In the early 1970s Oregon established the nation's first and only comprehensive statewide system of land-use planning and largely succeeded in confining residential and commercial growth to urban areas while preserving the state's rural farmland, forests, and natural areas. Despite repeated political attacks, the state's planning system remained essentially politically unscathed for three decades. In the early- and mid-2000s, however, the Oregon public appeared disenchanted, voting repeatedly in favor of statewide ballot initiatives that undermined the ability of the state to regulate growth. One of America's most celebrated "success stories" in the war against sprawl appeared to crumble, inspiring property rights activists in numerous other western states to launch copycat ballot initiatives against land-use regulation. This is the first book to tell the story of Oregon's unique land-use planning system from its rise in the early 1970s to its near-death experience in the first decade of the 2000s. Using participant observation and extensive original interviews with key figures on both sides of the state's land use wars past and present, this book examines the question of how and why a planning system that was once the nation's most visible and successful example of a comprehensive regulatory approach to preventing runaway sprawl nearly collapsed. Planning Paradise is tough love for Oregon planning. While admiring much of what the state's planning system has accomplished, Walker and Hurley believe that scholars, professionals, activists, and citizens engaged in the battle against sprawl would be well advised to think long and deeply about the lessons that the recent struggles of one of America's most celebrated planning systems may hold for the future of land-use planning in Oregon and beyond.*

Discover the five inner beliefs shared by the world's greatest achievers. If you want to take control of your life and achieve your biggest dreams, you must develop a "warrior mindset." This book will show you how to stop thinking like a victim and start thinking like a warrior. In this inspirational fable, Chris McNeely is a college football coach who is at the end of his rope after a hard-and-fast fall from the top of his profession. Now bankrupt and on the verge of losing his job, he has no idea what he's doing wrong or how to get back on track. Angry, worried, and desperate for help, Chris receives mysterious visits from five of history's greatest coaches: John Wooden, Buck O'Neil, Herb Brooks, Paul "Bear" Bryant, and Vince Lombardi. Together, these five legendary leaders teach Chris how to "think like a warrior" and take control of his life. The "warrior mindset" he develops changes his life forever-and it will change yours as well. Discover the life-changing lessons of John Wooden, Buck O'Neil, Herb Brooks, Bear Bryant, and Vince Lombardi in this inspirational tale of what it takes to achieve your dreams-whatever those dreams may be. This book will show you how to... - Build your self-confidence - Develop mental toughness - Attract every day with joy and enthusiasm - Use a positive mental attitude to achieve more - Harness the power of positive self-talk - Be a positive leader for your family and your team - Become the person you were born to be - And much more... The five inner beliefs revealed in this book will empower you to take control of your life and overcome any obstacle that stands in your way.

Mesopotamia is often considered to be the birthplace of law codes. In recognition of this fact and motivated by the perennial interest in the topic among Assyriologists, the 59th Rencontre Assyriologique Internationale was organized in Ghent in 2013 around the theme "Law and (Dis)Order in the Ancient Near East." Based on papers delivered at that meeting, this volume contains twenty-six essays that focus on archaeological, philological, and historical topics related to order and chaos in the Ancient Near East. Written by a diverse array of international scholars, the contributions to this book explore laws and legal practices in the Ur III, Old Babylonian, Middle Assyrian, and Neo-Assyrian periods in Mesopotamia, as well as in Nuzi and the Hebrew Bible. Among the subjects covered are the Code of Hammurabi, legal phraseology, the archaeological traces of the organization of community life, and biblical law. The volume also contains essays that explore the concepts of chaos/disorder and law/order in divinatory texts and literature. Wide-ranging and cutting-edge, the essays in this collection will be of interest to Assyriologists, especially members of the International Association for Assyriology.

Then this edition is for you! Whether you are reading the Bible for the first time or not, its variety of material--not to mention its length--can seem overwhelming. It can be difficult for readers new to Scripture to explore its teachings and to see how Christian beliefs are established in its pages. But understanding both what we believe and why we believe it provides the foundation for a grounded Christian faith. The Christian Basics Bible is filled with features designed to help readers--especially those new to the Bible--connect biblical teachings to Christian beliefs and to see how those beliefs apply to their lives. By delivering the right amount of both information and application, The Christian Basics Bible can become the catalyst for living a vibrant Christian life.**

**A troubling account of heterosexual desire in the era of #MeToo. Heterosexuality is in crisis. Reports of sexual harassment, misconduct, and rape saturate the news in the era of #MeToo. Straight men and women spend thousands of dollars every day on relationship coaches, seduction boot camps, and couple's therapy in a search for happiness. In The Tragedy of Heterosexuality, Jane Ward smartly explores what, exactly, is wrong with heterosexuality in the twenty-first century, and what straight people can do to fix it for good. She shows how straight women, and to a lesser extent straight men, have tried to mend a fraught patriarchal system in which intimacy, sexual fulfillment, and mutual respect are expected to coexist alongside enduring forms of inequality, alienation, and violence in straight relationships. Ward also takes an intriguing look at the multi-billion-dollar self-help industry, which markets goods and services to help heterosexual couples without addressing the root of their problems. Ultimately, she encourages straight men and women to take a page out of queer culture, reminding them "about the human capacity to desire, fuck, and show respect at the same time."**

**This is the first systematic study of the succession process of Chinese family businesses which reveals what is truly happening during the time of hand-over. In explaining the features of the Chinese way of succession, special attention is paid to the transfer of social capital and guanxi, among other cultural and socioeconomic contexts, which could impact the behaviours and decisions of the family business stakeholders. Carefully selected 63 cases of family firms and the authentic words and experiences of the founders and their second generation are of high relevance in helping the readers to understand Chinese family businesses and their successions as well as to learn from their successes or failures.**
