A common complaint heard  
in today's business

## Get Free 3com Reseller User Guide

office is, There is paper everywhere but I cannot find the document that I'm looking for! It is estimated that 90 percent of all data and information currently

## Get Free 3com Reseller User Guide

being processed and distributed within offices and between organizations resides on paper. Finding the physical space to store this paper can be a key

## Get Free 3com Reseller User Guide

problem. To overcome this problem and others, there is a need for a dramatic new approach to information processing found in business. Such an approach is found in

## Get Free 3com Reseller User Guide

this unique and useful volume. Essentially, image processing systems in business use today's computer technology to solve paper processing and storage problems.

## Get Free 3com Reseller User Guide

Their main means of processing is performed electronically, that is, documents are captured initially on an electronic medium and forwarded to other users

## Get Free 3com Reseller User Guide

in the same mode. In this manner, their essential means of communicating with users is in an electronic format versus a paper one. Also, image

## Get Free 3com Reseller User Guide

processing systems in business are much more flexible in meeting changing user needs, especially when the data is stored on optical disk.
