#1 New York Times Bestseller From Liane Moriarty, the #1 New York Times bestselling author of Big Little Lies and Nine Perfect Strangers, comes Apples Never Fall, a novel that looks at marriage, siblings, and how the people we love the most can hurt us the deepest. The Delaney family love one another dearly—it’s just that sometimes they want to murder each other . . . If your mother was missing, would you tell the police? Even if the most obvious suspect was your father? This is the dilemma facing the four grown Delaney siblings. The Delaneys are fixtures in their community. The parents, Stan and Joy, are the envy of all of their friends. They’re killers on the tennis court, and off it their chemistry is palpable. But after fifty years of marriage, they’ve finally sold their famed tennis academy and are ready to start what should be the golden years of their lives. So why are Stan and Joy so miserable? The four Delaney children—Amy, Logan, Troy, and Brooke—were tennis stars in their own right, yet as their father will tell you, none of them had what it took to go all the way. But that’s okay, now that they’re all successful grown-ups and there is the wonderful possibility of grandchildren on the horizon. One night a stranger named Savannah knocks on Stan and Joy’s door, bleeding after a fight with her boyfriend. The Delaneys are more than happy to give her the small kindness she sorely needs. If only that was all she wanted. Later, when Joy goes missing, and Savannah is nowhere to be found, the police question the one person who remains: Stan. But for someone who claims to be innocent, he, like many spouses, seems to have a lot to hide. Two of the Delaney children think their father is innocent, two are not so sure—but as the two sides square off against each other in perhaps their biggest match ever, all of the Delaneys will start to reexamine their shared family history in a very new light.

In this no-holds-barred memoir, a legendary biker recounts his life of sex, drugs, rock & roll and lots of broken laws. Here is the true-life story of Richard "Deadeye" Hayes in all its bad-ass, balls-to-the-wall glory. This is a man who stole a machine gun before he was seven and lost his left eye when a good friend shot him in the face. As a member—and then president—of the infamous Los Valientes Motorcycle Club, he broke more laws and had more fun than any six of the coolest guys you know. One of the last true Outlaw Bikers, Deadeye knows what it means to be a man, take shit from no one, and have tattoos that actually say something. Riding, drug dealing, and sending men to the hospital with his bare hands, Deadeye made himself a legend among bikers—all the while making sure his daughters never got mixed up with guys like him. "This may just be the best book ever written by an author who's been shot twice, stabbed once, and bitten by a rattlesnake!" —Geoffrey Leavenworth, author of Isle of Misfortune

My Life at Full Throttle

There's a thief in the Demon Squad clubhouse. Someone has been stealing from the Squad Bar and the brothers can't catch the wily culprit. Club brother Hoodie knows why. Because the thief is one of their own. Having survived a childhood of betrayal, Hoodie learned early on that the worst treacheries always come from within. But even he was shocked when he discovered it's her. Jazz—the sexy, vivacious biker chick who Hoodie secretly craved for years. A gorgeous, vibrant woman like Jazz would never be interested in a scarred beast like Hoodie, and since she was crushing on his best friend, Hoodie chose to stay in the shadows. After getting over the disappointment of unrequited love, Jazz focused her energy on paying her father's mounting medical bills. Stealing from the club nearly broke her heart, but she was the only thing standing between her father and death's doorstep. When Hoodie discovers that Jazz is the thief, he makes a bold move to save her. But as Jazz begins to realize that her prince charming was hiding in plain sight in the form of the brooding, silent Hoodie, she's convinced that a noble soul like his could never trust a woman who betrayed the club. Discover the heartwarming true story of a life-changing friendship between a man and his rescue cat, Nala, as they adventure together on a bike journey around the world -- from the Instagram phenomenon @1bike1world. When 30-year-old Dean Nicholson set off from Scotland to cycle around the world, his aim was to learn as much as he could about our troubled planet. But he hadn't bargained on the lessons he'd learn from his unlikely companion. Three months after leaving home, on a remote road in the mountains between Montenegro and Bosnia, he came across an abandoned kitten. Something about the piercing eyes and plaintive meowing of the bedraggled little cat proved irresistible. He couldn't leave her to her fate, so he put her on his bike and then, with the help of local vets, nursed her back to health. Soon on his travels with the cat he named Nala, they forged an unbreakable bond -- both curious, independent, resilient and adventurous. The video of how they met has had 20 million views and their Instagram has grown to almost 750k followers -- and still counting! Experiencing the kindness of strangers, visiting refugee camps, rescuing animals through Europe and Asia, Dean and Nala have already learned that the unexpected can be pretty amazing. Together with Garry Jenkins, writer with James Bowen of the bestselling A Street Cat Named Bob, Dean shares the extraordinary tale of his and Nala's inspiring and heart-warming adventure together.
