*boss in the face. One of the best decisions I ever made by far. It was glorious. A "V" day of sorts. I just walked in his office, looked him straight in the eyes, and did a spinning back fist. Yeah, that's right ... a spinning back fist. Bruce Lee style, baby. I missed of course. And fell. But nevertheless ... my point had been made. I picked myself back up off the floor, slotted back to my cubic-hell, and resumed my daily torchores like a good little drone. And then I woke up. Literally. Like ... in a bed. I was just a stupid dream. "Man", I thought. "If I can't even punch my boss the right way in my dreams, how the heck am I ever gonna do it in real life?" So I decided to do what every sensible human being does in his mid-thirties ... give up on my dreams. Luckily for me I had two dreams. One was to punch my boss in the face. The other was to quit my job and get filthy rich doing stuff that made me happy. Swing-and-a-miss on the first dream (pun intended). Home run on the second one. Like ... grand slam home run. I wanna tell you both how I did it and how you can be one of my "RBI"s. I've done all the hard work for you. All you have to do is quit your job and come on home. Here's my point ... When one person dares to speak her truth, it challenges us all to live our own. With Red Hot and Holy, Sera Beak offers a provocative and intimate view of what it means to get up close and personal with the divine in modern times. With a rare combination of audacious wit, scholarly acumen, and tender vulnerability—vibrantly mixed with red wine, rock songs, tattoos, and erotic encounters—Sera candidly chronicles the highs and lows of her mystical journey. ups with Christianity, Buddhism, Sufism, Hinduism, and the New Age; and finally into committed monogamy with her own Red Hot and Holy Goddess, Sera shares transformative insights, encouraging us all to trust our unique path and ignite our own spiritual love affair. Sera Beak's luscious writing and renegade spiritual wisdom that slices through religious and new age dogma made her debut book *The Red Book* a breakout success. With *Red Hot and Holy* she offers a far more personal book—an illuminating, hilarious, and above all utterly honest portrait of the heart-opening process of mystical realization. This hot and holy book invites you to embrace your soul, unleash your true Self, and burn, baby, burn with divine love. Excerpt As a child, I was madly in love with God. Gaga for God. In grade school, I used to write “I (heart) God” at the top of all my homework assignments and in the margins of the notes I passed to my girlfriends about which boys we thought were cute. Next to *The Little Princess*, a children’s bible was kept on my bedside table for nightly reading. Miracles? Prophetic dreams? Angels? Healing the sick? Sign me up for those gigs! And every Thursday I believed J.C. dropped by my bedroom so I could ask him personal questions and tell him which sister was annoying me the most. I was magnetized to rosaries, prayers, and pyramids the way other kids were to doughnuts, MTV and the Cabbage Patch Kids, and every time I saw a religious figure (priest, nun, Buddhist monk, Hare Krishna) out in public, it would take an enormous amount of willpower not to stalk them. When Career Days at school would come around, my questionnaire would look a little something like this: Favorite subject? God Favorite hobby? God What do you want to be when you grow up? God (Okay, there was a brief time when I was six years old when the answer to

that last question was “an albino.” I thought albinism would make me glow in the dark.) When I was a child, God was not a belief of a magical Santa Claus type. He was as real as my heart. I felt Him (inside me). I recognized Him (everywhere). I knew Him (personally). We hung out together, and I never wanted our rendezvous to stop. I only wanted us to draw closer. I assumed I was experiencing what many Catholics refer to as “the call” to be a priest, so I matter-of-factly informed my parish priests and Sunday school teachers of my future vocation. They laughed, patted my head, and told me I couldn’t have heard the call to be a priest because I had a vagina. Okay, they didn’t say that last part, but believe me, it was implied. They did tell me that only men were allowed to be priests because Jesus only had male disciples (to which Mary Magdalene juts out her left hip and slaps her round cheek with The Gospel of Mary Magdalene). But, of course, I could always be a nun.

An engaging look at what led to the financial turmoil we now find ourselves in Bailout Nation offers one of the clearest looks at the financial lenders, regulators, and politicians responsible for the financial crisis of 2008. Written by Barry Ritholtz, one of today's most popular economic bloggers and a well-established industry pundit, this book skillfully explores how the United States evolved from a rugged independent nation to a soft Bailout Nation-where financial firms are allowed to self-regulate in good times, but are bailed out by taxpayers in bad times.

Entertaining and informative, this book clearly shows you how years of trying to control the economy with easy money has finally caught up with the federal government and how its practice of repeatedly rescuing Wall Street has come back to bite them. The definitive book on

Enough is enough, enough ridicule from your relatives and friends, it's time to show your guts. Face it, think about it, what would you think if you were on the other side looking through the eyes of your family and friends. All you see is a loser, getting ups and downs totally controlled by the next guru they read about. Doode, this gota stop! Trust me, I know you feel the pain. I can kind of still remember it...kind of hard to do when I am sitting on my yacht in the Caribbean sipping from something that comes with umbrella on top. See, it didn't use to be that way, not too long, couple of years ago... but I will tell you about that later in my letter Ha! Forex trading is not all it is cracked up to be, it is a hard game controlled by robots and banks and foreign sovereign institutions. Keep reading if you know where I am coming from... Things didn't used to be all pink for me either, pain, loss, closed one losing account, opened second one, heard of such and such broker giving a certain deal on lots opened another account, lost all the money, started in the mini, macro, regular lots...
