

6 Suites Cello Solo

J. S. Bach's Suites for Unaccompanied Cello are among the most cherished and frequently played works in the entire literature of music, and yet they have never been the subject of a full-length music analytical study. The musical examples herein include every note of all movements (so one needs no separate copy of the music while reading the book), and undertakes both basic analyses!harmonic reduction, functional harmonic analysis, step progression analysis, form analysis, and syntagmatic and paradigmatic melodic analysis!and specialized analyses for some of the individual movements. Allen Winold presents a comprehensive study intended not only for cellists, but also for other performers, music theorists, music educators, and informed general readers.

Cellists will enjoy this book of complete technical studies, offering scales, arpeggios, phrasing, tone production, and much more. A must for all advancing students. Kalmus Editions are primarily reprints of Urtext Editions, reasonably priced and readily available. They are a must for students, teachers, and performers.

This edition of the Bach Cello Suites is appealing to both the scholar and the performer. The genesis of this edition was the alignment of the relevant manuscripts for easy comparison and study using a line-by-line layout. It has resulted in the ultimate scholarly approach to the study of these manuscripts and has led to many discoveries concerning notes, trills, dots, dynamics, and rhythm. In the scordatura version of "Suite No. 5," pitch names are given above the notes for the re-tuned top string, clarifying confusing elements in the notation. Fingerings and bowings in this edition reflect those used on the DVD set of Starkweather's performance of the suites (item number 730150). Reference to the manuscript edition makes it possible to visually assess the ambiguity of many of the slurs and to reach one's own conclusions.

All these works date from the period 1718-1723 when Bach uses the term "Sonata." This does not mean the modern sonata form. Usually the first and third movements ♪ when there are 4 ♪ are in slow time, and the second and fourth are in fast time.

A Handbook for Performers

J.S. Bach's sonatas and partitas for solo violin have been central to the violin repertoire since the mid-18th century. This engaging introduction to these works is the first comprehensive exploration of their place within Bach's music, focusing on their structural and stylistic features as they have been perceived since their creation. Combining an analytical study, a historical guide, and an insightful introduction to Bach's style, this book will help violinists, scholars, and other listeners develop a deeper personal involvement with many aspects of these wonderful pieces.

(String Solo). Accompaniment CD for the book.

Titles: Sonata in E Minor, Op. 14, No. 5 (Largo, Allegro, Largo, Allegro) (A. Vivaldi) * Danse Rustique, Op. 20, No. 5 (W.H. Squire) * Arioso from Cantata 156 (J.S. Bach) * Rondo from Concerto No. 4, Op. 65 (G. Goltermann). This title is available in SmartMusic.

"Ein feste Burg ist unser Gott," Cantata No. 80, by Johann Sebastian Bach, was composed in Leipzig, Germany for Reformation Day and was first performed between 1727 and 1731. It is based on the famous chorale of Martin Luther, "Ein feste Burg ist unser Gott," or "A Mighty Fortress is Our God." German and English text.

A Companion

Wilfrid Mellers is a composer, musician and author. Honorary Fellow of Downing College, Cambridge. This is his classic book on Bach.

An award-winning journey through Johann Sebastian Bach's six cello suites and the brilliant musician who revealed their lasting genius. One fateful evening, journalist and pop-music critic Eric Siblin attended a recital of Johann Sebastian Bach's Cello Suites—an experience that set in motion an investigation that would uncover the mysterious history of the entrancing compositions and their miraculous reemergence nearly two hundred years later. In pursuit of his musicological obsession, Siblin would unravel three centuries of intrigue, politics, and passion. Winner of the Mavis Gallant Prize for First Book Prize, The Cello Suites weaves together three dramatic narratives: the disappearance of Bach's manuscript in the eighteenth century, Pablo Casals's discovery and popularization of the music in Spain in the late nineteenth century, and Siblin's infatuation with the suite that search led Siblin to Barcelona, where Casals, just thirteen and in possession of his first cello, roamed the backstreets with his father in search of sheet music and found Bach's lost suites tucked in a dark corner of a store. Casals played them every day for twelve years before f Siblin sheds new light on the mysteries that continue to haunt this music more than 250 years after its composer's death: Why did Bach compose the suites for the cello, then considered a lowly instrument? What happened to the original manuscript? A seamless blend of biography and musicology, *Six Cello Suites* is a true-life journey of discovery, fueled by the power of these musical masterpieces. “The ironies of artistic genius and public taste are subtly explored in this winding, entertaining tale of a musical masterpiece.” —Publishers Weekly “Siblin’s writing is most inspired when showing a genuine affection for the cellist, who . . . used his instrument and the suites as weapons of protest and pleas for peace.” —Booklist, starred review

Stylized dance music and music based on dance rhythms pervade Bach's compositions. Although this very special genre has long been a part of every serious musician's repertoire, little has been written about it. The original edition of this book addressed Bach's stylized dance pieces and dances. In this expanded version of their practical and insightful study, Meredith Little and Natalie Jenne apply the same principles to a great number of Bach's works that exhibit identifiable dance rhythms but do not bear dance-specific titles.

This collection features a selection of classical pieces by the world's most renowned composers: Johann Sebastian Bach, Antonio Vivaldi, Wolfgang Amadeus Mozart, Ludwig van Beethoven, Richard Wagner, Johannes Brahms, Johann Strauss, Pyotr Tchaikovsky, Edgard Grieg, Giuseppe Verdi, and Maurice Strakosky.

Offers performers, teachers and students new insights into ornamentation. An important new reference work that has earned praise from America's leading Bach scholar and an impressive list of distinguished cellists. The Cello Suites of Johann Sebastian Bach contain some one hundred trills, many open to diverse execution and more than half sparking controversy among musicians. Now accomplished cellist Jerome Carrington brings together and examines historically informed interpretations of the trills and compares them with contemporary performance practice. Carrington collects and annotates every trill in the Cello Suites, examining each ornament individually to find the most historically accurate solution for its execution. For determining the form of each trill, he offers a method that includes analysis of harmonic structure. Because no autograph copy of the Cello Suites has survived, he undertakes a detailed study of the manuscript of the Lute Suite in G minor, which Bach adapted from Cello Suite No. 5, as a reference for correcting errors and verifying harmonic and rhythmic details. Bursting with new ideas, Trills in the Bach Cello Suites offers insight for performers and music theorists alike. It will aid in the interpretation of these classic works as it renews our appreciation for Bach's genius.

(Southern Music). This volume includes six suites originally written by Johann Sebastian Bach (1685-1750) for unaccompanied cello. The suites have been transcribed for French Horn by noted horn specialist Wendell Hoss.

The practice of scales need never be monotonous! Scales for Advanced Violists is a user-friendly scale book with each of the twelve keys complete. Dozens of bowings and rhythmic variants are offered to develop and improve evenness, clarity, agility, speed, and intonation. An innovative introduction to double-stops takes the guess work out of this important technique. The Circle of 5ths explains key signatures. The book includes three octave major, melodic minor, harmonic minor, arpeggios, broken 3rds, and chromatic scales. Double-stops in octaves, thirds, sixths, and harmonics are presented in two octaves. This is the only scale book that most violists will ever need!

(Bass). All six of J.S. Bach's essential suites for unaccompanied cello are arranged here for bass guitar in standard notation and tablature. Includes: Suite No. 1 in G Major, BWV 1007 * Suite No. 2 in D Minor, BWV 1008 * Suite No. 3 in C Major, BWV 1009 * Suite No. 4 in Eb Major, BWV 1010 * Suite No. 5 in C Minor, BWV 1011 * Suite No. 6 in D Major, BWV 1012.

An essential compendium for any guitarist, this collection includes all of Johann Sebastian Bach's solo cello music, transcribed by Jade Synstelien for solo guitar. It is an exceptional tool for guitarists of any genre or skill level to sharpen their finger picking technique, improve their sight reading, and do so with an elegant, straightforward study book of the most beautiful, mostly monophonic, music ever composed.

Titles: Sonata in C Major, Op. 40, No. 1 (Allegro, Rondo grazioso) (J.B. Br?val) * Adagio and Allegro from the Sonata in E minor, Op. 1, No. 2 (B. Marcello) * Minuets from the Suite in G Major, BWV 1007 (J.S. Bach) * Tonalization * Chanson Triste, Op. 40, No. 2 for Piano (P. I. Tchaikovsky). This title is available in SmartMusic.

A unique Companion to J S Bach's iconic Cello Suites from internationally-renowned cellist Steven Isserlis. 'Isserlis is the master of the material, yet always able to make it accessible . . . It is an absolute treat to be led to this sublime music by such an enthusiastic expert.' MICHAEL PALIN 'The book I've always wanted: an accessible, eloquent guide to the world's greatest - and maybe most elusive - pieces of music. And written by the man I'd want to tell me about it. This is such a delight.' DERREN BROWN Bach's six Cello Suites are among the most cherished of all the works in the classical music literature. Shrouded in mystery - they were largely unknown for some two hundred years after their composition - they have acquired a magical aura which continues to attract and fascinate audiences the world over. To cellists they represent a musical bible, to listeners, scarcely less. Through what are on the surface simple dance suites, Bach takes us on a spiritual journey like no other, leading us from joy to tragedy, concluding in jubilation, even triumph. Award-winning international cellist Steven Isserlis, whose recent recording of the Suites met with the highest critical acclaim, goes deep into that emotional journey, bringing to bear all his many years' experience of performing the Suites. His book is intended as a rewarding companion for all music lovers, ranging from the casual listener to the performing musician. By offering his own very personal observations of the music, Isserlis's aim is to take the reader further into the world of the Suites in order to enhance the experience of hearing some of the greatest works ever composed. Praise for Steven Isserlis' BACH: THE CELLO SUITES 'The most wonderful cello-playing, surely among the most consistently beautiful to have been heard in this demanding music.' GRAMOPHONE 'Isserlis has done the impossible. He has given the listener something new, and indeed something outstandingly good . . . This recording can sit proudly on the shelf alongside the great recordings of Casals and Rostropovich. In fact, I may find myself picking it up as the favourite.' BBC RADIO 3

Original manuscript from Anna Magdalena Bach, his second wife, this is a direct reprint of the original manuscript as of yet an unknown date. Important as the primary source for the cello transcriptions of style, nuance, and embellishment. 41pps, Edition Fleury 2013.

Analyses and Explorations

Bach: Six Suites for Violoncello Solo

Compiled by Alwin Schroeder, a former cellist with the Boston Symphony Orchestra and an experienced teacher, this collection of 80 exercises constitutes the first book of a three-volume set. Schroeder drew upon his extensive experience to create original études for instructing students, and in this work he combines them with several others by his distinguished nineteenth-century European colleagues: Karl Schröder, Ferdinand Büchler, Friedrich Dotzauer, Auguste Franckomme, Friedrich Grützmacher, and Sebastian Lee. The carefully selected studies are arranged in order of increasing complexity, and Schroeder provides suggestions for fingering, bowing, and dynamics. Cello students and teachers will find these exercises a splendid resource for the improvement of technique and performance.

(String Solo). For unaccompanied cello.

Johann Sebastian Bach's Six Suites for Unaccompanied Cello were probably composed during his service as Kapellmeister in Cöthen, between 1717 and 1723. They are among the most well known and frequently performed solo compositions ever written for cello and have been transcribed for many other instruments over the years.
