Exhausted? Strung out? Shackled in your own invisible straitjacket of stress? Seventy per cent of us spend most of our day in a state of stress, with our nervous systems in a position of fight, flight or freeze. Modern day stress has become pervasive in all aspects of our lives through constant pressure, the weight of perceived expectations and the drive to be always on. Many live with an energy and nervous system that feels like a tightly clenched fist, rather than an easeful, gently unfurling hand. Staying shackled in a state of overwhelm and stress has far-reaching consequences on our health. We often only pay attention when illness strikes, having tuned out to all the messages our bodies were sending us along the way. Health whispers until one day it screams. Let’s not wait for the scream. But how do we do this? By having a nervous system in flow. Everything we do transforms energy in our bodies into something supportive or destructive to us, emotionally or physically. What we need is a more easeful, beneficial energy in our lives. In this book you will learn: What’s truly behind your stress, how stress impacts your energy, hormones and nervous system, how to move your nervous system into a state of flow, and how to make choices that support your energy, by living in harmony with your body. Full of practical solutions, wisdom and strategies, 7 Steps to Finding Flow is your guide to lighten the load that stress places on us, and how to move through it with ease when it lands. We can’t avoid stress, but we can deal with it differently and access better health, energy and balance. Nicky Rowbotham’s 7 Steps to Finding Flow will help you move from being overwhelmed and locked in by stress to a more easeful, resilient and aligned life. Let’s flip the script on stress.

Updated to cover the latest program version, this comprehensive guide helps users make the most of FileMaker Pro, the sophisticated workgroup database application with nine million registered users Offers complete step-by-step guidance on FileMaker Pro features and tasks, covering both the Mac and Windows versions Features expanded coverage of ODBC, JDBC, and XML connectivity and includes a new chapter on the developer tools used to create more complex databases Other topics covered include calculations and computations, data exchange, creating and using templates, linking databases, using FileMaker in workgroups, Web publishing, plug-ins, and advanced database connectivity

This book is completely repackaged and updated, with new scripts for e-mail, voicemail, and more. It contains motivational introductions, warm-up exercises, memory joggers, and even stage directions, with instructions on use and delivery. It is arranged by selling activity, including: prospecting; controlling the sale; handling objections; moving the sale forward; closing; and getting referrals. It is particularly useful for cold-call selling since scripts can make the process less intimidating and easier to practice.

In this sequel to his best-seller The System, master sales trainer Eric Lofholm lays out the seven-step sales scripting method he has used to help his clients generate over \$500 million in revenue over the last two decades. Eric begins by showing you how to get over some of the common fears associated with sales scripting, such as fear of sounding rehearsed and scriptwriter's block. He then walks you step-by-step through the sales scripting process, revealing secrets such as how to script an effective close and how to script responses to sales objections. He follows up with tips on how to get your scripts written faster and how to rehearse and deliver them effectively so they sound spontaneous. Eric includes hundreds of sample scripts for every sales situation that you can use as templates to create your own custom scripts. For salesmen, sales trainers, and small business owners looking for an edge in today's struggling economy, this book is a must-read.

As a sales professional, objections like these are a frequent part of your daily routine. Say the wrong thing and you've lost the sale. Say the right thing and you can turn even the most difficult prospect into an eager customer.

"[W]ith over 200 word for word, proven and up to date scripts, ... [this book] will instantly make you more effective as you learn to breeze past gatekeepers, easily connect with decision makers and qualify and close more business over the phone"--P. [4] of cover.

Customers today are overloaded with information and overwhelmed by options. The truth is, product value is so high across the competition that any kind of meaningful product differentiation--at least in the customers' eyes--has all but disappeared. Therefore, between not recognizing product differences, combined with not having any time to spare to investigate what they don't know, the difference maker for many decision makers . . . is you!The salesperson who is always responsive and completely focused on value will, more times than not, be the one who will stand out from the crowd and get the sale. Combining leading-edge research with a vast amount of field experience, Amp Up Your Sales will show anyone how to become the trusted sales professional who consistently wins new business. Readers will learn how to:• Maximize the value of their selling• Accelerate responsiveness to build trust and credibility• Earn valuable selling time with customers• Shape the buyer's vision• Integrate persuasive stories into their sales process• Build lasting relationships through follow-up and customer serviceThe bad news is, your customers won't understand and appreciate all the advantages of your product. The good news is, they aren't making the decision based on the product, but on you!

The sales force is a company's main engine for driving revenue, one that often requires change to stay competitive and achieve desired results. To improve sales performance, many organizations seek out a 'Silver Bullet'. Transformation is not a one-time, check-the-box event, but a rigorous, ongoing process. Unfortunately, there is no one-off solution to the hard work of transformation. There is, however, a methodology derived from the authors' combined decades of work and their qualitative and quantitative research on sales force transformation. This book provides a practical approach to effect significant, measurable and sustainable transformation in your sales organization. 7 Steps to Sales Force Transformation will help readers determine if their sales organizations need a transformation and if so, how to assess their sales organization's readiness through the analysis of six 'levers' of successful sales transformations. It also guides readers through a series of tasks, analyses, and decisions that will lead to a successful transformation. In particular, the authors will show you how to clarify your sales transformation vision and sell it to upper management, detail methods on how to deploy your vision, offer advice on how to sustain transformation through leadership and communication, and outline current trends that will impact future sales transformation. This book is targeted at anyone who has control over a sales organization or who wants to transform a sales team, including sales managers, sales executives, CEOs, COOs, and others who advise or influence those stakeholders, such as associates at consulting and private equity firms. Through original quantitative research, the authors' own experiences transforming sales organizations, and the lessons learned by a host of sales professionals they interviewed, you will understand how to transform and modernize your sales force to achieve your desired sales results and provide your customers with better service and value.

Double and triple your sales--in any market. The purpose of this book is to give you a series of ideas, methods, strategies, and techniques that you can use immediately to make more sales, faster and easier than ever before. It's a promise of prosperity that sales guru Brian Tracy has seen fulfilled again and again. More sales people have become millionaires as a result of listening to and applying his ideas than from any other sales training process ever developed.

Jordan Belfort—immortalized by Leonardo DiCaprio in the hit movie The Wolf of Wall Street—reveals the step-by-step sales and persuasion system proven to turn anyone into a sales-closing, money-earning rock star. For the first time ever, Jordan Belfort opens his playbook and gives you access to his exclusive step-by-step system—the same system he used to create massive wealth for himself, his clients, and his sales teams. Until now this revolutionary program was only available through Jordan’s \$1,997 online training. Now, in Way of the Wolf, Belfort is ready to unleash the power of persuasion to a whole new generation, revealing how anyone can bounce back from devastating setbacks, master the art of persuasion, and build wealth. Every technique, every strategy, and every tip has been tested and proven to work in real-life situations. Written in his own inimitable voice, Way of the Wolf cracks the code on how to persuade anyone to do anything, and coaches readers—regardless of age, education, or skill level—to be a master sales person, negotiator, closer, entrepreneur, or speaker.

If you want to know, step by step, how to quickly, easily, and smoothly walk anyone from being a skeptical prospect to a happy customer that refers you friends, family, and colleagues...then you want to read this book. Here's the deal: Selling is, at its core, isn't a patchwork of cheesy closing techniques, annoying high-pressure tactics, or gimmicky rebuttals. True salesmanship follows very specific laws, has very specific steps and stages, and leaves a customer feeling happy and helped. It's honest, respectful, enlightening, friendly, and done with real care. It's the type of selling that wins you not only customers, but fans. Not coincidentally, this is the type of selling that truly great salespeople have mastered. This is the type of selling that keeps pipelines full and moving, and that builds a strong, loyal customer base that continues to give back to you in the form of customer loyalty, reorders, and referrals. Well, that's what this book is all about. It will give you a crystal-clear picture of the exact steps that every sale must move through and why, and how to methodically take any prospect through each, and eventually to the close. And how to do it with integrity and pride. In this book, you'll learn things like... The eight precise steps of every sale. Leave any out, and you will struggle. Use them all correctly, and you will be able to close unlimited sales. The true purpose of the presentation and the crucial, often-missing steps that need to be taken first. If you're making the same presentation mistakes as most other salespeople, this chapter alone could double your sales. How to easily discover which prospects can use and pay for your product/service, and which can't. Time is your most valuable commodity as a salesperson, and if wasted, it costs you money. Know exactly when it's time to go for a close, and know how to smoothly create an abundance of closing opportunities. This is the hallmark of every master closer. Learn it, use it, and profit. Why it's a myth that you need to know multiple ways to close deals. Learn this one, simple method, and you'll be able to use it to close all of your sales. Simple formulas to turn any objection into a closing opportunity. Use them and never fear hearing a prospect's objection ever again. And a whole lot more This is more than a just a book, really. It's a step-by-step sales training course. Each chapter ends with precise exercises that will help you master each technique taught and each step of the sales process. If you are new to sales, make this book the first one you read, and you will greatly increase your chances for quick success. If you are a seasoned veteran and are looking for ways to improve your numbers, this book will help you make your sales goals a reality. SPECIAL BONUS FOR READERS With this book you'll also get a free "Road Map" from the author that lays out, in a PDF chart, every step and key principles taught in the book. Print it out and keep it handy because it makes for a great "cheat sheet" to use while selling, or just to refresh on what you've learned. Scroll up, click the "Buy" button now, learn the secrets of master closers, and use them to immediately improve your numbers

Read this if you want to sell more books, make more money as an author, or rank higher in your category. My name is Nick Vulich. The first thing you should know about me is I'm not a writer, and I'm not an expert on self-publishing either. I never worked in the industry, and I don't have any experience working for the big publishers. In fact, the only thing I consider myself an expert in is how to sell on eBay, Amazon, and Fiverr... So why should you listen to me? Like most indie authors, I came into publishing through the back door. I had a story to tell, and one day I just sat down and let it all come out. What I wrote wasn't pretty, or polished...but, it helped a lot of people sell more stuff on eBay. What I couldn't say with fancy prose, I made up for with enthusiasm. Because of that, my books sold. I'm not going to lie to you. It wasn't easy. I read just about every book available on self-publishing. I studied up on KDP Free days, Countdown Deals, price pulsing...

What's the secret to sales success? If you're like most business leaders, you'd say it's fundamentally about relationships-and you'd be wrong. The best salespeople don't just build relationships with customers. They challenge them. The need to understand what top-performing reps are doing that their average performing colleagues are not drove Matthew Dixon, Brent Adamson, and their colleagues at Corporate Executive Board to investigate the skills, behaviors, knowledge, and attitudes that matter most for high performance. And what they discovered may be the biggest shock to conventional sales wisdom in decades. Based on an exhaustive study of thousands of sales reps across multiple industries and geographies, The Challenger Sale argues that classic relationship building is a losing approach, especially when it comes to selling complex, large-scale business-to-business solutions. The authors' study found that every sales rep in the world falls into one of five distinct profiles, and while all of these types of reps can deliver average sales performance, only one-the Challenger- delivers consistently high performance. Instead of bludgeoning customers with endless facts and features about their company and products, Challengers approach customers with unique insights about how they can save or make money. They tailor their sales message to the customer's specific needs and objectives. Rather than acquiescing to the customer's every demand or objection, they are assertive, pushing back when necessary and taking control of the sale. The things that make Challengers unique are replicable and teachable to the average sales rep. Once you understand how to identify the Challengers in your organization, you can model their approach and embed it throughout your sales force. The authors explain how almost any average-performing rep, once equipped with the right tools, can successfully reframe customers' expectations and deliver a distinctive purchase experience that drives higher levels of customer loyalty and, ultimately, greater growth.

There are few one-size-fits-all solutions in sales. Context matters. Complex sales are different from one-call closes. B2B is different than B2C. Prospects, territories, products, industries, companies, and sales processes are all different. There is little black and white in the sales profession. Except for objections. There is democracy in objections. Every salesperson must endure many NOs in order to get to YES. Objections don't care or consider: Who you are What you sell How you sell If you are new to sales or a veteran If your sales cycle is long or short – complex or transactional For as long as salespeople have been asking buyers to make commitments, buyers have been throwing out objections. And, for as long as buyers have been saying no, salespeople have yearned for the secrets to getting past those NOs. Following in the footsteps of his blockbuster bestsellers Fanatical Prospecting and Sales EQ, Jeb Blount's Objections is a comprehensive and contemporary guide that engages your heart and mind. In his signature right-to-the-point style, Jeb pulls no punches and slaps you in the face with the cold, hard truth about what's really holding you back from closing sales and reaching your income goals. Then he pulls you in with examples, stories, and lessons that teach powerful human-influence frameworks for getting past NO - even with the most challenging objections. What you won't find, though, is old school techniques straight out of the last century. No bait and switch schemes, no sycophantic tie-downs, no cheesy scripts, and none of the contrived closing techniques that leave you feeling like a phony, destroy relationships, and only serve to increase your buyers' resistance. Instead, you'll learn a new psychology for turning-around objections and proven techniques that work with today's more informed, in control, and skeptical buyers. Inside the pages of Objections, you'll gain deep insight into: How to get past the natural human fear of NO and become rejection proof The science of resistance and why buyers throw out objections Human influence frameworks that turn you into a master persuader The key to avoiding embarrassing red herrings that derail sales calls How to leverage the “Magical Quarter of a Second” to instantly gain control

of your emotions when you get hit with difficult objections Proven objection turn-around frameworks that give you confidence and control in virtually every sales situation How to easily skip past reflex responses on cold calls and when prospecting How to move past brush-offs to get to the next step, increase pipeline velocity, and shorten the sales cycle The 5 Step Process for Turning Around Buying Commitment Objections and closing the sale Rapid Negotiation techniques that deliver better terms and higher prices As you dive into these powerful insights, and with each new chapter, you'll gain greater and greater confidence in your ability to face and effectively handle objections in any selling situation. And, with this new-found confidence, your success and income will soar.

How to capture customers by learning to think the way they do The most common complaint Bill Stinnett hears from his corporate clients is that would-be vendors and suppliers "just don't understand our business." In **Think Like Your Customer**, Stinnett explains why the key to landing corporate customers is to learn to think about the things executives and business owners think about and understand how they make complex buying decisions. Drawing upon his years of experience as a Fortune 500 consultant, he offers sales and marketing professionals a powerful framework for understanding the inner workings of a business; knowing what motivates its executives and influences their buying decisions; identifying a company's organizational structure and decision-making psychology; and using that information to develop a winning strategy for influencing how and why the customer buys. In addition, you receive: Solid marketing insights delivered in a fun, breezy style by a top corporate consultant and seminar leader Expert tips on how to maximize the value and profitability of relationships with corporate clients and customers

Ditch the failed sales tactics, fill your pipeline, and crush your number Fanatical Prospecting gives salespeople, sales leaders, entrepreneurs, and executives a practical, eye-opening guide that clearly explains the why and how behind the most important activity in sales and business development—prospecting. The brutal fact is the number one reason for failure in sales is an empty pipe and the root cause of an empty pipeline is the failure to consistently prospect. By ignoring the muscle of prospecting, many otherwise competent salespeople and sales organizations consistently underperform. Step by step, Jeb Blount outlines his innovative approach to prospecting that works for real people, in the real world, with real prospects. Learn how to keep the pipeline full of qualified opportunities and avoid debilitating sales slumps by leveraging a balanced prospecting methodology across multiple prospecting channels. This book reveals the secrets, techniques, and tips of top earners. You'll learn: Why the 30-Day Rule is critical for keeping the pipeline full Why understanding the Law of Replacement is the key to avoiding sales slumps How to leverage the Law of Familiarity to reduce prospecting friction and avoid rejection The 5 C's of Social Selling and how to use them to get prospects to call you How to use the simple 5 Step Telephone Framework to get more appointments fast How to double call backs with a powerful voice mail technique How to leverage the powerful 4 Step Email Prospecting Framework to create emails that compel prospects to respond How to get text working for you with the 7 Step Text Message Prospecting Framework And there is so much more! Fanatical Prospecting is filled with the high-powered strategies, techniques, and tools you need to fill your pipeline with high quality opportunities. In the most comprehensive book ever written about sales prospecting, Jeb Blount reveals the real secret to improving sales productivity and growing your income fast. You'll gain the power to blow through resistance and objections, gain more appointments, start more sales conversations, and close more sales. Break free from the fear and frustration that is holding you and your team back from effective and consistent prospecting. It's time to get off the feast or famine sales roller-coaster for good!

Start closing sales like top producers! Have you ever found yourself at a loss for what to say when the gatekeeper asks you what your call is about? Have your palms ever sweated when the decision maker shuts you down with: "I wouldn't be interested"? Has your heart taken a fast dive into your stomach when, at the start of your presentation, your prospect tells you that they've thought about it and are just going to pass? If you're in sales, then the question isn't "Have you ever felt this way?", but rather, "How often do you feel this way? Are you finally ready to learn how to confidently and effectively overcome these objections, stalls, and blow-offs? If so, **Power Phone Scripts** was written for you! Unlike other books on sales that tell you what you should do (like build value - hard to do when the prospect is hanging up on you!), **Power Phone Scripts** provides word-for-word scripts, phrases, questions, and comebacks that you can use on your very next call. Learn to overcome resistance, get through to the decision maker, and then, once you have him or her on the phone, make an instant connection and earn the right to have a meaningful conversation. You'll be equipped with proven questions, conversation starters, and techniques to learn whether or not they are even right for your product or service, and, if they aren't, who else in their company or another department might be. **Power Phone Scripts** is the sales manual you've been looking for: over 500 proven, current, and non-salesy phrases, rebuttals, questions, and conversation openers that will instantly make you sound more confident - just like the top producing sales pros do right now. Gone will be your call reluctance; gone will be your fear of calling prospects back for presentations and demos; gone will be the fear of asking for the sale at the end of your pitch! This practical guide is filled with effective scripts for prospecting, emailing, voice mails, closes, and tons of rebuttals to recurring objections you get like: "It costs too much" "We already have a vendor for that" "I'm going to need to think about it" "I need to talk to the boss or committee" and so many others... More than just phone scripts, this book provides practical, comprehensive guidance that every inside sales rep needs. Conquer concerns, provide answers, motivate action, and be the conduit between your prospect's problems and your solution. Actionable, fun, and designed to work within the current sales environment, this invaluable guide is your ticket to the top of the leader board. With **Power Phone Scripts**, you will never be at a loss of what to say to a prospect or client. Communication is everything in sales, and being on top of your game is no longer enough when top producers are playing a different game altogether. You cannot achieve winning stats if you're not even on the field. If you're ready to join the big league, **Power Phone Scripts** is the playbook you need to win at inside sales.

Selling is tougher than ever before. Potential customers are under extreme pressure to do more with less money, less time, and fewer resources, and they're wary of anyone who tries to get them to buy or change anything. Under such extreme conditions, yesterday's sales strategies no longer work. No matter how great your offering, you face the daunting task of making yourself appear credible, relevant, and valuable. Now, internationally recognized sales strategist Jill Konrath shows how to overcome these obstacles to get more appointments, speed up decisions, and win sales with these short-fused, frazzled customers. Drawing on her years of selling experience, as well as the stories of other successful sellers, she offers four SNAP Rules: -Keep it Simple: When you make things easy and clear for your customers, they'll change from the status quo. -Be iNvaluable: You have to stand out by being the person your customers can't live without. -Always Align: To be relevant, make sure you're in synch with your customers' objectives, issues, and needs. -Raise Priorities: To maintain momentum, keep the most important decisions at the forefront of their mind. SNAP Selling is an easy-to-read, easy-to-use guide for any seller in today's increasingly frenzied environment.

True or false? In selling high-value products or services: 'closing' increases your chance of success; it is essential to describe the benefits of your product or service to the customer; objection handling is an important skill; open questions are more effective than closed questions. All false, says this provocative book. Neil Rackham and his team studied more than 35,000 sales calls made by 10,000 sales people in 23 countries over 12 years. Their findings revealed that many of the methods developed for selling low-value goods just don't work for major sales. Rackham went on to introduce his SPIN-Selling method. SPIN describes the whole selling process: Situation questions Problem questions Implication questions Need-payoff questions SPIN-Selling provides you with a set of simple and practical techniques which have been tried in many of today's leading companies with dramatic improvements to their sales performance.

eBay, Amazon, Etsy, & Fiverr So many choices How do you decide? Which site is right for your online business? Many books promise to share the secrets to getting wealthy selling online. They tell you to sell this or that product, or to try this top secret listing method, or to sign up for this course. But, that's all they are - promises. Sell It Online is different. It's written by a real eBay Power Seller and Top Rated Seller. One who's been selling on eBay and Amazon for over fifteen years. Most importantly, Sell It Online doesn't make any crazy promises that you'll make a million dollars overnight selling on any of these sites. It's not going to happen. It also doesn't tell you that you can make three thousand dollars a month following my method, because those kinds of promises don't make sense. Anyone can make money selling online. But, you aren't going to make a fortune following someone else's plan.

I've been selling online for fifteen years now. During that time I've learned a lot about bookkeeping, business permits, and taxes. During that same time I have saved thousands of dollars in taxes by saving my receipts and keeping good records. And, so here's the deal... > Did you know eBay has an app that can automatically import all of your sales, fees, and other information and crunch the numbers to show whether you're making a profit or loss? > Did you know that same app will also import all of your information from Etsy and Amazon, if you sell on those platforms? > What would you say if I told you that you could save \$500 or more on your taxes every year just by writing down the mileage when you head to the post office, store, or bank? > And, you'd probably think I'd lost my marbles if I told you that you could deduct parts of your next vacation from your taxes. The advice in this little book can easily save you thousands of dollars every year.

More than half-a-million business leaders have discovered the power of the StoryBrand Framework, created by New York Times best-selling author and marketing expert Donald Miller. And they are making millions. If you use the wrong words to talk about your product, nobody will buy it. Marketers and business owners struggle to effectively connect with their customers, costing them and their companies millions in lost revenue. In a world filled with constant, on-demand distractions, it has become near-impossible for business owners to effectively cut through the noise to reach their customers, something Donald Miller knows first-hand. In this book, he shares the proven system he has created to help you engage and truly influence customers. The StoryBrand process is a proven solution to the struggle business leaders face when talking about their companies. Without a clear, distinct message, customers will not understand what you can do for them and are unwilling to engage, causing you to lose potential sales, opportunities for customer engagement, and much more. In *Building a StoryBrand*, Donald Miller teaches marketers and business owners to use the seven universal elements of powerful stories to dramatically improve how they connect with customers and grow their

businesses. His proven process has helped thousands of companies engage with their existing customers, giving them the ultimate competitive advantage. Building a StoryBrand does this by teaching you: The seven universal story points all humans respond to; The real reason customers make purchases; How to simplify a brand message so people understand it; and How to create the most effective messaging for websites, brochures, and social media. Whether you are the marketing director of a multibillion-dollar company, the owner of a small business, a politician running for office, or the lead singer of a rock band, Building a StoryBrand will forever transform the way you talk about who you are, what you do, and the unique value you bring to your customers.

How much business could you close if you could get access to the top level decision makers at future accounts you desire the most? This book summarizes and relates a complete system of actual step-by-step methods and winning scripts that get the meeting with those who can authorize checks. Scripting and more scripting. Responses to resistance. Gatekeeper and voice mail strategies. Methods to have more conversations. How to gain value from unreachable and "no's." How to follow-up efficiently and easily. How to generate more conversations with real decision-makers. What to say after "Hello" to generate the conclusion you are worth 60 minutes of someone's time. Much more.

Full of entertaining stories and real-life illustrations, this classic book will give you the strategies you need to become proficient in the art of effective persuasion, including how to project warmth and integrity, increase productivity, overcome objections, and deal respectfully with challenging prospects. This new edition includes fresh opening and closing chapters as well as tips and examples throughout that illustrate the relevance of these truths in the marketplace today. Also includes a foreword written by Tom Ziglar.

Does this sound familiar? 'If I could get in front of the prospect, the rest of the selling process becomes easier. It's just getting in front of them that's the challenge'. The fact is most cold-calling efforts are doomed from the start. Salespeople lose sales not due to a lack of effort but because they lack a prospecting system they are comfortable with, and can trust to generate greater, consistent results.

If you are feeling the same way you have been for the last several years (including the 'calling to check in, touch base or follow-up' approach) or haven't been prospecting at all, you're simply making it easier for your competition to take away the new business you are working so hard to earn. So, if you love to sell but hate (or don't like) to prospect, this book is your opportunity to maximize your cold calling potetnial and boost your income by learning how to get in front of the right prospects in less time and create greater selling opportunities without the fear, pressure or anxiety associated with cold calling.
