

80 Not Out My Favourite Cricket Memories

Dickie Bird's retirement was an international event shown on TV screens and newspapers throughout the world. He is a household name, an eccentric, and one of the most loved and respected characters in world cricket. His idiosyncratic style and infectious humour has endeared him to millions, transcending his sport. Fiercely proud of his background as a Yorkshire miner's son, his account follows his youth in Barnsley, his early days as a cricketer, through to his career as an umpire and his experiences of the international scene, all told with total honesty by this very private person. As the most respected umpire in the game, Dickie has serious and constructive points to make about modern cricket. He has fearlessly berated fast-bowlers when necessary. He has some sharp comments to make about ball tampering and he has mixed feelings about the introduction of the third umpire. Dickie wanted to go out at the top and he has certainly done so - after standing at 66 Test matches, three World Cup finals and 92 one-day Internationals. Combining forthright views on the game and those involved in it, compelling accounts of what it is like behind the scenes in cricket at the highest level, and the hilarious stories for which Dickie is so well known, here is the refreshing and enjoyable autobiography of a sporting legend.

A charming and heartwarming true story for anyone who has ever longed for a place to belong. "Anne of Green Gables," My Daughter, and Me is a witty romp through the classic novel; a visit to the magical shores of Prince Edward Island; and a poignant personal tale of love, faith, and loss. And it all started with a simple question: "What's an orphan?" The words from her adopted daughter, Phoebe, during a bedtime reading of Anne of Green Gables stopped Lorilee Craker in her tracks. How could Lorilee, who grew up not knowing her own birth parents, answer Phoebe's question when she had wrestled all her life with feeling orphaned—and learned too well that not every story has a happy ending? So Lorilee set off on a quest to find answers in the pages of the very book that started it all, determined to discover—and teach her daughter—what home, family, and belonging really mean. If you loved the poignancy of Orphan Train and the humor of Mennonite in a Little Black Dress, you will be captivated by "Anne of Green Gables," My Daughter, and Me. It's a beautiful memoir that deftly braids three lost girls' stories together, speaks straight to the heart of the orphan in us all, and shows us the way home at last. The result of an exhaustive study of Sir Patrick Moore's observations of the Moon and planets for more than 60 years, this book is a fantastic companion to the extremely popular, "It Came From Outer Space Wearing an RAF Blazer!" written by the same author. Moore recorded his telescopic observations in his logbooks, which are reproduced and described here in detail, along with his sketches and notes. In this light, the author discusses the factors that caused Moore to switch from lunar observing to planetary and variable star observing. He has also included personal recollections and humorous anecdotes from Moore's friends and acquaintances, as well as a

look at his best loved books. Further chapters describe Moore's foreign travels and correspondence with those back home. Lastly, the author has not neglected a few of Moore's most memorable television and radio appearances, which are examined along with a close up of what it was like to visit Moore's beloved home of Farthings in Selsey. Essentially, this is a book written by popular demand from the readers of the author's original biography, who craved more of Moore!

An interactive photographic board book all about the things babies love most! This bold, playful board book introduces a variety of familiar objects for babies to identify, including a banana, a sippy cup, a ball, and a puppy! Each is introduced with a variety of other objects in the same category, and readers are asked to pick out the featured object from the rest. The very last spread reveals what babies love most . . . being loved! This new board book is the ideal follow-up to Making Faces, which features the same photographer's playful photos.

Fifteen children's book artists share their favorite colors and explain why they love them.

Dr. Seuss's wonderfully wise *Oh, the Places You'll Go!* is the perfect gift to celebrate all of our special milestones—from graduations to birthdays and beyond! From soaring to high heights and seeing great sights to being left in a lurch on a prickly perch, Dr. Seuss addresses life's ups and downs with his trademark humorous verse and whimsical illustrations. The inspiring and timeless message encourages readers to find the success that lies within, no matter what challenges they face. A perennial favorite and a perfect gift for anyone starting a new phase in their life!

The Gardeners' Chronicle

Beattie and His Friends

A New York Times bestseller and enduring classic, *All About Love* is the acclaimed first volume in feminist icon bell hooks' "Love Song to the Nation" trilogy. *All About Love* reveals what causes a polarized society, and how to heal the divisions that cause suffering. Here is the truth about love, and inspiration to help us instill caring, compassion, and strength in our homes, schools, and workplaces. "The word "love" is most often defined as a noun, yet we would all love better if we used it as a verb," writes bell hooks as she comes out fighting and on fire in *All About Love*. Here, at her most provocative and intensely personal, renowned scholar, cultural critic and feminist bell hooks offers a proactive new ethic for a society bereft with lovelessness--not the lack of romance, but the lack of care, compassion, and unity. People are divided, she declares, by society's failure to provide a model for learning to love. As bell hooks uses her incisive mind to explore the question "What is love?" her answers strike at both the mind and heart. Razing the cultural paradigm that the ideal love is infused with sex and desire, she provides a new path to love that is sacred, redemptive, and healing for individuals and for a nation. The *Utne Reader* declared bell hooks one of the "100 Visionaries Who Can Change Your Life." *All About Love* is a powerful, timely affirmation of just how profoundly her revelations can change hearts and minds for the better.

Hardly a week goes by without Dickie Bird visiting a county or Test match arena where he can keep up to date with all that is happening in the cricket world, while at the same time taking the opportunity to reflect, in the company of old friends and acquaintances, on his own colourful contribution to the sport that lasted for over half a century. Dickie remains the most famous umpire of them all and is still highly respected throughout the world. A lovable eccentric with a joyful sense of fun, he decided, as he approached his eightieth birthday, to recall the highlights of his life in cricket, while also providing an illuminating insight into what he has been up to since his retirement.

The influence of 80s culture is undeniable, perhaps most popularly in music. So what are the musicians who built the sonic landscape of the 80s up to? Photographer Mike Hipple seeks to answer this and other burning questions in this nostalgic collection of portraits and interviews featuring more than 40 influential performers of the 80s, including Lol Tolhurst from The Cure, Cindy Wilson from The B-52s, Robyn Hitchcock, punk pioneer Alice Bag, and Kristin Hersh from Throwing Muses. Join Hipple on this fan's journey to three countries and all four corners of the US to get an intimate look at these hit makers' stories. Some are still releasing critically-acclaimed records and touring, some could be the rock star that lives next door, and at least one is living a bohemian lifestyle in a 100-year-old farmhouse. Complete with a deft foreword by television personality and Esquire's L.A.-based editor-at-large Dave Holmes, this is the perfect book for fans of the eighties.

Kwoklyn Wan is back with 80 classic Chinese dishes that use only five ingredients. Alongside a basic store cupboard of five essentials - salt, pepper, soy sauce, sugar and oil - you can make a feast of easy dishes using the bare minimum. All your favourites are here - from Tom Yum Soup to Prawn Toast, Sweet Chilli Salmon and Lemon Chicken, Sweet and Sour Pork Balls or Beef in Oyster Sauce, Aubergine Fritters and Chilli Ginger Crispy Tofu - and all use only five key ingredients, all of which are readily available from supermarkets or local stores. Ditch the takeaway or delivery Chinese food and make your own at home - no fuss, less money, and more

healthy.

Whether classics like Hershey's, Mars and M&Ms or trend-setters like PEZ and Atomic Fireballs, candy has a special place in the hearts and memories of most Americans, who to this day consume more than 600 billion pounds of it each year. In this colorful illustrated guide, Darlene Lacey looks at candy in America from a variety of angles, examining everything from chocolate to fruity sweets and from the simply packaged basics to gaudy product tie-ins. She examines the classic brands of the late twentieth century and what they mean, guiding us on a mouth-watering, sugar-fueled trip down a memory lane filled with signposts like Bazooka, Clark, Necco and Tootsie Roll.

"A radiant debut."—Emily Henry, #1 New York Times bestselling author of Book Lovers THE NEW YORK TIMES BESTSELLER! Named One of the Hottest Reads of Summer 2022 by Today • Parade • PopSugar • USA Today • SheReads • BuzzFeed • BookBub • Bustle • and more! Six summers to fall in love. One moment to fall apart. A weekend to get it right. They say you can never go home again, and for Persephone Fraser, ever since she made the biggest mistake of her life a decade ago, that has felt too true. Instead of glittering summers on the lakeshore of her childhood, she spends them in a stylish apartment in the city, going out with friends, and keeping everyone a safe distance from her heart. Until she receives the call that sends her racing back to Barry's Bay and into the orbit of Sam Florek—the man she never thought she'd have to live without. For six summers, through hazy afternoons on the water and warm summer nights working in his family's restaurant and curling up together with books—medical textbooks for him and work-in-progress horror short stories for her—Percy and Sam had been inseparable. Eventually that friendship turned into something breathtakingly more, before it fell spectacularly apart. When Percy returns to the lake for Sam's mother's funeral, their connection is as undeniable as it had always been. But until Percy can confront the decisions she made and the years she's spent punishing herself for them, they'll never know whether their love might be bigger than the biggest mistakes of their past. Told over the course of six years and one weekend, Every Summer After is a

big, sweeping nostalgic story of love and the people and choices that mark us forever.

A lonely pegasus looks for the perfect friend in this sweet and adorable picture book companion to the bestselling Not Quite Narwhal! Nimbus has always lived among the clouds. She's a pegasus, after all, and the sky is where she belongs. She is one of a kind. And when she wants a friend, all she has to do is look up—and talk to the stars. Only...they don't really talk back. The clouds don't, either. And sometimes, being the only pegasus can be a little...lonely? So she decides to find a fallen star to make a wish on—and wishes for friends who are just like her. Along the way she meets a Unicorn named Kelp, and a host of other creatures...who might just open her eyes to something other than what's up in the sky.

Designed to encourage letter and word recognition, the first steps to successful reading, this book contains 80 pages of colourful spreads full of words and pictures for every child to enjoy. Zoe and Toby, plus their pets Patch, Smudge and Pat, lead the reader through the book, encouraging them to participate on every page, finding words to match familiar pictures from everyday life and learning to be at ease with letter shapes, as well as images. Children should also love finding the ladybird on each page, who sometimes asks them questions, and discovering what happens to her at the end of the book where there is a complete index and easy-to-follow instructions on how to use it.

Compiled from contributions of favorite recipes from the patrons of the Royal Baking Powder.

It was the summer Coltrane died, the summer of love and riots, and the summer when a chance encounter in Brooklyn led two young people on a path of art, devotion, and initiation. Patti Smith would evolve as a poet and performer, and Robert Mapplethorpe would direct his highly provocative style toward photography. Bound in innocence and enthusiasm, they traversed the city from Coney Island to Forty-second Street, and eventually to the celebrated round table of Manhattan in Kansas City, where the Andy Warhol contingent held court. In 1969, the pair set up camp at the Hotel Chelsea and entered a community of the famous and infamous—the influential artists of the day and the colorful fringe. It was a heightened awareness, when the worlds of poetry, rock and roll, art, and sexual politics were colliding and exploding. In this milieu, two kids made a pact to take care of each other. Scrappy, romantic, committed to create, and fueled by mutual dreams and drives, they would prod and provide for one another during the hungry years. Just Kids begins as a love story and ends as an elegy. It serves as a salute to New York City during the late sixties and seventies and to its

and poor, its hustlers and hellions. A true fable, it is a portrait of two young artists' ascent, a prelude to fame.
