

A Shade Of Vampire 31: A Twist Of Fates

The 6th book in the bestselling "A Shade Of Vampire" series has arrived! Welcome back to The Shade... Derek and Sofia are finally enjoying a well-deserved break. Staying at a resort with good food, sun and sea, Sofia is thrilled to witness Derek's re-introduction to the human world. They would almost be mistaken for a normal young couple, if it were not for the red-eyed monster lurking in the shadows and watching their every move, waiting for his signal to pounce...

"Because one can't simply fire a Novak..." Prepare to be sucked back in to the breathtaking new world of The Shade!

In the modern world vampires come in all forms: they can be perpetrators or victims, metaphors or monsters, scapegoats for sinfulness or mirrors of our own evil. What becomes obvious from the scope of the fifteen essays in this collection is that vampires have infiltrated just about every area of popular culture and consciousness. In fact, the way that vampires are depicted in all types of media is often a telling signifier of the fears and expectations of a culture or community and the way that it perceives itself; and others. The volume's essays offer a fascinating insight into both vampires themselves and the cultures that envisage them.

THE SERIES WITH OVER A MILLION BOOKS SOLD Marking the 2nd Anniversary of the release of A Shade of Vampire, Derek and Sofia have returned in time for Christmas! "I never could have imagined that Derek and I would willingly turn back into vampires. But there are some things in life that you just can't predict. Like the strange human disappearances that had started happening on the coasts surrounding us. There would have been nothing mysterious about these kidnappings so close to our own turf, had The Shade's vampires not given up drinking human blood almost two decades ago..." Welcome back to The Shade.

"The wildest, strangest, best Dresden adventure to date...Butcher's blending of modern fantasy with classic noir sensibilities ensures that there's never a dull moment."—SF Site Paranormal investigations are Harry Dresden's business and Chicago is his beat, as he tries to bring law and order to a world of wizards and monsters that exists alongside everyday life. And though most inhabitants of the Windy City don't believe in magic, the Special

Investigations Department of the Chicago PD knows better. Karrin Murphy is the head of S. I. and Harry's good friend. So when a killer vampire threatens to destroy Murphy's reputation unless Harry does her bidding, he has no choice. The vampire wants the Word of Kemmler (whatever that is) and all the power that comes with it. Now, Harry is in a race against time—and six merciless necromancers—to find the Word before Chicago experiences a Halloween night to wake the dead...

TWILIGHT MEETS ALADDIN in this hot new fantasy series by USA Today bestselling author Michelle Madow! He's a vampire prince. She's a human blood slave. They should be enemies... but uniting might be their only hope to prevent a supernatural war. Annika never thought of herself as weak--until the day vampires murdered her parents and kidnapped her from our world to the hidden vampire kingdom of the Vale. As a brand new blood slave, Annika must learn to survive her dangerous new circumstances... or face imminent death from the monstrous wolves prowling outside the Vale's enchanted walls. But not all in the kingdom is as it appears, and when a handsome vampire disguised as a human steps into her life, Annika discovers that falling for the enemy is sometimes too tempting to resist. Especially when becoming a vampire might be her only chance to gain the strength she needs to escape the Vale. Enter the magical world of the Vale in *The Vampire Wish*, the first book in an addictive new series that fans of *The Vampire Diaries* and *A Shade of Vampire* will love!

After centuries alone, can a vampire king trust the woman who's woken his heart? Jordan MacDougal, laird and vampire King, walks a thin line of civility between protecting his clan, and handling the conflict from the local shifter pack. When some of his people disappear, and the wolves accuse his newest, intriguing vampire of being evil, Jordan discovers that the traitor in his midst may be closer than he dared believe. A newly turned vampire, Dalia Jensen wakes to an unusual and frightening new world, with no memory of the past year of her life. Accused of working with the Master Vampire who held her prisoner, her inability to remember the truth leaves her reeling under allegations of vicious past actions. Uncertain of her culpability, she's unable to trust her own instincts as the reigning Vampire King turns her world upside down. When the wolves call for her trial, demanding her life for those killed and tortured, Jordan and Dalia must work together to find the truth, and save the love blooming between them. The Vampire in Contemporary Popular Literature

A Touch of Truth

Jennifer receives a surprising Facebook message one summer afternoon with an invitation for a coffee date from the star quarterback of the University of Alabama's football team. Stephen is a senior Heisman trophy candidate with a dark secret. Everyone is mystified by Stephen and his actions. He is a very confident person on the football field as a star player so you would expect him to be very outgoing and confident when interacting with other people. But it's quite the opposite. Stephen is very shy and timid around other people in real life. Stephen is more timid with girls than any guy Jennifer has ever met. He is one of the hottest guys on campus but no girl on campus has been able to figure him out. Over the summer Stephen and his girlfriend had a break up so now Stephen is interested in trying to move on and meet other girls. He sends Jennifer a Facebook message with an invitation for coffee where Stephen and Jennifer's exciting, entertaining, scary, and delightful adventure begins. Their first date ends with a first kiss and an invitation for a second date. At the end of the date Jennifer asks Stephen a deep question. "Why are you so mysterious and timid?" Stephen replies that he has a big secret that he cannot share just yet but tells her maybe one day she will find out. Stephen is more than just a star football player and a normal person. He has quite the surprise to share with Jennifer and her friends. Read along to find out just what that surprise is. Could it be possible that he is not a person? Could he be a vampire?

Women, you need to stop and take a good look at what is real to see your position in a relationship. Where is it going? Has marriage been discussed after one year of courting? Does integrity guide this man? Can his word be depended upon? In **WOMEN DON'T TAKE THE BLAME**, Dr. Margarita D'Andrade helps to answer these questions and more.

The Farmer and the Seed story was written in honor of those in life that fail to see the miracle of God's plans. Many times in life this has been myself. However, the solid truth of it all is that through devotion, prayer, & faithfulness God will bring anyone to where they need to be... but it takes time, sometimes many years, before the wonderous outcome is revealed. One has only to have the faith of a mustard seed; to make a difference down the line. Your life is your seed. What kind of "tree" will you be remembered as?

Sydney West enjoys sampling summer boys, but this year, one refuses to be a one-night stand... Twenty-one-year-old Sydney doesn't

believe in relationships. Her parents' toxic divorce has taught her love is nothing but a sinister fairytale. So every summer she parties, hooks up, abandons her lover before dawn, and repeats. That is until she meets gorgeous local surfer Jason King at the beach... When Jason fails to flirt-or even give her a second glance-she decides something must be wrong with him, and it's safer to stay away. But when Sydney and Jason's best friends hook up and become Malibu's hottest couple, they are forced to spend more time together than either of them cares for. Armed with a sharp tongue, Sydney works to keep Jason at bay... In a moment of weakness, Sydney lets her guard down and confides in Jason, realizing he's more than just a hot guy-he's also a friend. And when Sydney's need for a summer boy results in her falling into bed with Jason, despite her better judgment, she runs away from him by morning. The problem is, he won't accept being another one-night stand, and will do anything to prove... Love really does exist.

Heart 2 Heart Daily Devotional

Books 1- 3

Benajah's Keeper

A World of New

Three complete books filled with witches, vampires, fae, shades, and sexy characters in swoonworthy romances and nail-biting action. Redemption A vampire slayer by necessity. Anissa Garnet is a vampire. She's also a slayer. Anissa is no stranger to taking out the enemies of her clan leader. Her assignment is simple. Jonah Bourke is not to attend the League of Vampires. Ever. It should have been an easy kill. It should have been one and done. It would have been, if Jonah Bourke hadn't saved her life. An assignment like no other. Vampire clan leader Jonah Bourke is that one. He didn't plan to be a hero. He didn't want to save the life of the slayer that was sent to kill him. Maybe he wouldn't have, if he'd known. Too late now. Anissa just compounded his problems. Not that he didn't have plenty: A rebellious twin who wants to claim leadership of their clan and a litany of supernaturals that want him dead. So what's a vampire to do when he saves the life of the vampire girl sent to kill him? Sanctuary A half-blood by birth. Anissa Garnet is half-fae, half-vampire. And she's not the daughter of just any fae, she's the daughter of Gregor, the leader of the fae. Except now she's made the mistake of walking away from her fae kind. As if that wasn't bad enough, she left her mother's kind-vampires-behind. Now this half-breed has gone rogue, but she hasn't done it alone. Vampire clan leader no more. Jonah Bourke not only stepped down from being a clan leader, he also left

behind his entire clan, the one he was destined to rule. All to merge his fate with Anissa, the slayer that had been sent to kill him. New Alliances, old foes. The Sanctum provides more than sanctuary. It provides answers, which sometimes leads to more questions, and then even more threats. Absolution Ancient enemies, newfound coalitions. Anissa's not about to take Jonah's decision to face his enemies alone. This former slayer isn't your average sit on the sidelines kind of girl. New heroes, not so new archenemies. Fane wants forgiveness and allegiance, but not at the cost of the ones he loves most. Certainly, not at the expense of a new soul that is joining his cadre. Needs rarely line up with wants. Philippa's feelings for Vance won't be the end of her, but will they be the end of a loved one?

Prominent examples from contemporary vampire literature expose a desire to re-evaluate and re-work the long-standing, folkloristic interpretation of the vampire as the immortal undead. This book explores the "new vampire" as a literary trope, offering a comprehensive critical analysis of vampires in contemporary popular literature and demonstrating how they engage with essential cultural preoccupations, anxieties, and desires. Drawing from cultural materialism, anthropology, psychoanalysis, literary criticism, gender studies, and postmodern thought, Piatti-Farnell re-frames the concept of the vampire in relation to a distinctly twenty-first century brand of Gothic imagination, highlighting important aesthetic, conceptual, and cultural changes that have affected the literary genre in the post-2000 era. She places the contemporary literary vampire within the wider popular culture scope, also building critical connections with issues of fandom and readership. In reworking the formulaic elements of the vampiric tradition – and experimenting with genre-bending techniques – this book shows how authors such as J.R. Ward, Stephanie Meyers, Charlaine Harris, and Anne Rice have allowed vampires to be moulded into enigmatic figures who sustain a vivid conceptual debt to contemporary consumer and popular culture. This book highlights the changes – conceptual, political and aesthetic – that vampires have undergone in the past decade, simultaneously addressing how these changes in "vampire identity" impact on the definition of the Gothic as a whole.

Truths will unfold... What is FOEBA? Who saved Grace? How will Brucella's plan unravel?

Winner of the 1997 International Association of the Fantastic in the Arts Best Non-fiction Book In 1897, Archibald Constable & Company published a novel by the unheralded Bram Stoker. That novel, *Dracula*, has gone on to become perhaps the most influential novel of all time. To commemorate the centennial of that great novel, Carol Margaret Davison has brought together this

collection of essays by some of the world's leading scholars. The essays analyze Stoker's original novel and celebrate its legacy in popular culture. The continuing presence of Dracula and vampire fiction and films provides proof that, as Davison writes, Dracula is "alive and sucking." "Dracula is a Gothic mandala, a vast design in which multiple reflections of the elements of the genre are configured in elegant sets of symmetries. It is also a sort of lens, bringing focus and compression to diverse Gothic motifs, including not only vampirism but madness, the night, spoiled innocence, disorder in nature, sacrilege, cannibalism, necrophilia, psychic projection, the succubus, the incubus, the ruin, and the tomb. Gathering up and unifying all that came before it, and casting its great shadow over all that came and continues to come after, its influence on twentieth-century Gothic fiction and film is unique and irresistible."
from the Preface by Patrick McGrath

An End of Night

The Vampire Wish

Beyond Mayberry

Book Two

Women

The Irish Vampire

In this boxed set, featuring the first three novels of the six-book Medici Warrior series, Paranormal Romance and Urban Fantasy fans will become enchanted with this deliciously dark and scandalous story by International Bestselling Author Emily Bex. It's everything vampire romances should be made of! "Blood Covenant combines the hedonistic jet-setting pleasures of BILLIONAIRE ROMANCE and the dirty little secret thrills of a DEAD SEXY VAMPIRE!" - Katalina Leon, USA Today Bestselling Author BOOK ONE, THE BLOOD COVENANT: When he met her, he knew how it would end. Shade Medici, a warrior king and sole male heir to the dynasty, is expected to mate and produce an heir to secure the continuation of the Medici coven. He's waited over five hundred years for the right mate, and when he meets Kate Reese, his attraction is more than primal - it's merciless. She's also mortal. Kate is fresh off a broken engagement and reluctant to open her heart, but her hesitations are no match for the unrelenting pursuits of the vampire King. Their passion for each other is searing...and not everyone is happy about it. Namely the ruling Council. As they fight against deceit, treachery, and those who aim to see their love fail, Shade also struggles to control his impulses as Kate is immersed into his dark and dangerous world, but it's

imperative he prepare her for the changes that will be demanded of her should she choose to bind herself to him through the blood covenant. All that scorches and glitters isn't gold, and she quickly learns that falling in love with a vampire King comes at a hefty price: It may just cost her everything. BOOK TWO, THE TURNING: This second installment in a vampire saga will draw you in from the first page to the spellbinding end. Immortality beckons. Unable to escape crushing grief, Kate needs an outlet to channel her anguish. Turning to Luca, she pleads to be trained to fight like a warrior, but such a thing is in direct violation of Shade's commands. If she can get Luca to agree, her training must be done in secret. Unfortunately, any training is too little too late. Intent on crushing Shade, the Aries coven is pressing in on him from all sides. Shade's only weakness is Kate, who becomes their perfect bait. While Kate has been made stronger, as long as she's mortal, her life is in peril. But going through the turning to become immortal would be a big gamble to her survival. So many decisions, too many obstacles. BOOK THREE, THE MEDICI QUEEN: There are new beginnings for the ancient Medici vampire coven. The sexy, powerful King Shade Medici intends to increase his coven and territories to include the U.S. The new Medici Queen proves she can hold her own beside her king. She carries rare abilities believed extinct by the vampire community. She also possesses something never seen in the vampire world. What will it mean to their kind? A male heir must be produced to carry on the Medici line. The royal couple has many new plans in business to advance their hold in the States. Not everyone is happy about it. The sprawling Medici estate is a threat to its neighboring coven, controlled by Max. Their lifestyle is Rissa's greatest envy. Secrets will be revealed, old scores will be settled, and many will fall. "Scorching", "riveting", and hailed as "the NEXT BIG THING", The Medici Warrior Series follows the exploits of a vampire dynasty that spans four generations in a multi-genre story with elements of paranormal, smoldering romance, and historical fiction. Get this three-book boxed set today! Your vampire king is waiting...

This unique journal is an intentional journey providing a divine path to HEART transformation! Dr. J. Le'Ray shares her testimony through introspective and authentic self-reflection probes that led to a divine internal SHIFT in her perspectives, leading to a myriad of external implications.

Before Alabama became a state, it was already being occupied. Many Indians lived here and most were sent west to Oklahoma by Andrew Jackson amidst the "Trail of Tears." Many Caucasian people settled Alabama after coming here with Andrew Jackson to fight the Creeks and Choctaws. After that campaign reached conclusion, many soldiers just stayed. East Jefferson County became the home of some, plus

others came in wagon trains as squatters to Springville, Chalkville, and Trussville. After one generation, these communities plus dozens of others were populated by adventure seeking people from the Northern areas. Benton Berryhill was one such immigrant. He was killed as a tree being cut fell on him, leaving a grown married son who fostered Franklin, Jeb, and Jenny. By the time these children were older teens, the Civil war had begun and soon would engulf all of the Southern states and involved thousands of Rebel and Yankee soldiers. It is understandable that feelings ran so high, and boys by the score were soon off at war. Jeb Berryhill was high strung and a Confederate through and through. He was one of the first Jefferson County boys to enlist. Later, Franklin, who hated slavery, the war and the feelings of his neighbors, felt obligated to also join. He started as a private in the Confederacy and fought in scores of conflicts and major battles. He was also indoctrinated as surgeons helper and later became a full fledged doctor as well as a fighting soldier. Franklin survived the war, but Jeb did not. Their father traveled to Champions Hill in Mississippi to retrieve Jeb's body. Franklin had risen to the rank of Captain Surgeon. After the bloody, death filled, tragic war was finished, Franklin, convinced he wanted to become a civilian doctor, finished his education attained his goal, and then helped to establish Birmingham, the largest city in the state. This Novel describes most of the major battles of the awful war. It follows the Berryhill family from their arrival in Jefferson County up until Franklin's old age. Read about the bloody battles of Gettysburg, Shiloh, Chickamauga, Vicksburg, and Chattanooga. Plus many others. Learn of Robert E. Lee, Braxton Bragg, Nathan Bedford Forrest, Fighting Joe Wheeler, Jeb Stuart, Stonewall Jackson, and James Longstreet. Plus, Ulysses Grant, Old Brains Halleck, William T. Sherman, Abraham Lincoln and his Emancipation Proclamation, William Rosecrans, Daniel McCook, John Schofield, and George Armstrong Custer. By reading "My Sword for a Scalpel" the Civil War enthusiast can renew previous learning. Novice readers can hear about what happened at various important places. The Novel is generally entertaining plus informative. Hundreds of places and men were actual participants while a few others were added for emphasis and explanation.

Lenore Lee wants nothing more than to make new friends in her new town of Whitby, Yorkshire, and to forget about the disturbing dreams that hold her captive at night. But what she discovers in Whitby, might be even more disturbing than the dreams. Dreams which may hold the key to her survival in the hidden world of the Supernatural...

The Farmer and the Seed

That hot guy tied to Lissianna Argeneau's bed? He's not dessert—he's the main course! Lissianna has been spending her centuries pining for Mr. Right, not just a quick snack, and this sexy guy she finds in her bed looks like he might be a candidate. But there's another, more pressing issue: her tendency to faint at the sight of blood...an especially annoying quirk for a vampire. Of course it doesn't hurt that this man has a delicious-looking neck. What kind of cold-blooded vampire woman could resist a bite of that? Dr. Gregory Hewitt recovers from the shock of waking up in a stranger's bedroom pretty quickly—once he sees a gorgeous woman about to treat him to a wild night of passion. But is it possible for the good doctor to find true love with a vampire vixen, or will he be just a good meal? That's a question Dr. Greg might be willing to sink his teeth into...if he can just get Lissianna to bite.

When Amelia Caldwell tries to begin a new life, she discovers that her birthmark means more than it seems. She has been marked by a vampire's soul; not only does she hold his soul, she is also his soulmate. Mitchell Lange has been searching almost a century for his soulmate and is determined not to let Amelia go. Since Amelia has no intention of belonging to anyone, they both become trapped on an emotional rollercoaster. As Amelia searches for answers, she becomes caught in the middle of a deadly game of revenge and is forced to realize that you can't run from destiny.

The origins of the vampire can be traced through oral traditions, ancient texts and archaeological discoveries, its nature varying from one culture to the next up until the 20th century. Three 19th century Irish writers—Charles Robert Maturin, Joseph Sheridan Le Fanu and Bram Stoker—used the obscure vampire of folklore in their fiction and developed a universally recognizable figure, culminating in Stoker's Dracula and the vampire of today's popular culture. Maturin, Le Fanu and Stoker did not set out to transform the vampire of regional folk tales into a global phenomenon. Their personal lives, national concerns and extensive reading were reflected in their writing, striking a chord with readers and recasting the vampire as distinctly Irish. This study traces the genealogy of the modern literary vampire from European mythology through the Irish literature of the 1800s.

This comprehensive bibliography covers writings about vampires and related creatures from the 19th century to the present. More than 6,000 entries document the vampire's penetration of Western culture, from scholarly discourse, to popular culture, politics and cook books. Sections by topic list works covering various aspects, including general sources, folklore and history, vampires in literature, music and art, metaphorical vampires and the contemporary vampire community. Vampires from film and television—from Bela Lugosi's Dracula to Buffy the Vampire Slayer, True Blood and the Twilight Saga—are well represented.

A Clan of Novaks

The Vampire in Nineteenth Century English Literature

A Tangle of Hearts Createspace Independent Publishing Platform

Hannah Torrington has used her newfound training to seek revenge for her sister's death at the hands of the vampires. Her relationship with Will ruined and her abilities growing stronger each day, she is determined to graduate from the program and help end the vampire uprising. When the vampires continue to stalk her family and Will refuses to let her go, she must battle both her feelings for the Lycan and the vampires who wish to destroy her.

Thanks to Mona's discovery, the residents of The Shade finally know their enemies' ultimate weakness. But this knowledge will soon be worthless if they lose the race against the black witches. Starting out on what seems like an impossible journey, the Novaks and their closest companions must solve the mystery that is Magnus and hope to not lose themselves in the process.

When the mysterious Alistair appears from nowhere to rescue cute African American girl Wyn from being attacked, she is intrigued to find out exactly who this mystery man is. Alistair insists on taking care of her and ensuring her safety from that moment forwards which deepens her intrigue and also her attraction for this mysterious stranger. Especially as he already knows her name and EVERYTHING about her.... Wyn has no idea that she is about to embark on a life changing journey full of romance, sex, mystery, action and adventure. Fever Series Book 1

A Tangle of Hearts

From Folklore to the Imaginations of Charles Robert Maturin, Joseph Sheridan Le Fanu and Bram Stoker

Whitby After Dark

Evanna Amaranthine, a ruthless, 600 year old vampire, has a new assignment: to leave the walls of Benajah, her beloved vampire guild, enter the realm of humans to stalk down her prey, Rian Delmar, and kill him. At first, the prospect of being around humans any longer than the time it takes to drain them repulses Evanna, but after moving in with her new human-loving vampire housemate, she soon becomes hopelessly entangled with Messiah Scarborough, his strikingly good-looking artist friend. When dreams of a past life begin

to plague her as she continues her crusade, can she control emotions that threaten to overwhelm her? Filled with fast-paced action and steeped in suspense, *Benajah's Keeper* by Aeryn Dougan is an urban fantasy that will capture readers' hearts as it addresses the significance of family, fate, and loyalty. Dramatic, gritty, and deeply passionate, this unique take on the vampire legend will definitely leave you wanting more.

Carol A. Senf traces the vampire's evolution from folklore to twentieth-century popular culture and explains why this creature became such an important metaphor in Victorian England. This bloodsucker who had stalked the folklore of almost every culture became the property of serious artists and thinkers in Victorian England, including Charlotte and Emily Brontë, George Eliot, Charles Dickens, Karl Marx, and Friedrich Engels. People who did not believe in the existence of vampires nonetheless saw numerous metaphoric possibilities in a creature from the past that exerted pressure on the present and was often threatening because of its sexuality.

A SYNTHESIS OF MODERN LIFE: A VISIONARY OVERVIEW OF THE EFFORT AND MISSION OF HUMANITY by Shamcher Bryn Beorse (Brynjolf Bjorset) The book *Man and this Mysterious Universe* was originally described as a synthesis of the many aspects of modern civilization, bringing within its scope the contribution of the East as well as of the West, showing how it has grown from the civilization of the past and how it will probably develop into the civilization of the future. Or as the author put it more simply: a survey of Western and Eastern Sciences. Ranging through various disciplines from Everyday Life, Art, Education, World Events and Mysticism, Beorse describes the evolution of humanity and the responsibilities of each of us in this process. Seen all together, they convey an image of the totality of the human endeavour: occurring both outside of time and in time, on schedule, as a great play. "This comprehensive and refreshing picture is sorely needed at this time of narrow outlook and overspecialization," wrote the distinguished psychologist, educator and author, Dr. Philip B. Ballard. Inspired to write by the great sage, Inayat Khan, Beorse combined three former works into one for *Man and This Mysterious Universe*. Written during WWII, then added to with new information, the book was first published in 1949. His previous work, *Distribute or Destroy*, had been in the

field of economics. Beorse further widened his scope in this publication, whose title refers to the popular physics book by James Jeans, *This Mysterious Universe*. Here Beorse inserts humanity into this assessment of a universe of vibrations and events, creating *Man and This Mysterious Universe*. "There is no great difference between rock, a tree, a man or a loving thought carving its way through the universe like a ray of the sun." MacKayla Lane's life is good. She has great friends, a decent job, and a car that breaks down only every other week or so. In other words, she's your perfectly ordinary twenty-first-century woman. Or so she thinks . . . until something extraordinary happens. When her sister is murdered, leaving a single clue to her death—a cryptic message on Mac's cell phone—Mac journeys to Ireland in search of answers. The quest to find her sister's killer draws her into a shadowy realm where nothing is as it seems, where good and evil wear the same treacherously seductive mask. She is soon faced with an even greater challenge: staying alive long enough to learn how to handle a power she had no idea she possessed—a gift that allows her to see beyond the world of man, into the dangerous realm of the Fae. . . . As Mac delves deeper into the mystery of her sister's death, her every move is shadowed by the dark, mysterious Jericho, a man with no past and only mockery for a future. As she begins to close in on the truth, the ruthless Vlane—an alpha Fae who makes sex an addiction for human women—closes in on her. And as the boundary between worlds begins to crumble, Mac's true mission becomes clear: find the elusive Sinsar Dubh before someone else claims the all-powerful Dark Book—because whoever gets to it first holds nothing less than complete control of the very fabric of both worlds in their hands. . . . Look for all of Karen Marie Moning's sensational Fever novels: *DARKFEVER* | *BLOODFEVER* | *FAEFEVER* | *DREAMFEVER* | *SHADOWFEVER* | *ICED* | *BURNED* | *FEVERBORN* | *FEVERSONG* **BONUS:** This edition contains an excerpt from Karen Marie Moning's *Bloodfever*.

SOME STONES SHOULD BE LEFT UNTURNED... Return to the lives of the Novaks - buy now!

On the evening of Sofia Claremont's seventeenth birthday she is sucked into a nightmare from which she cannot wake. Will she succeed or is she destined to the same fate that all other girls have met at the hands of the Novaks?

Mount Airy North Carolina was the birthplace of the late actor Andy Griffith and Historian Tom Perry. In this memoir of their hometown, Perry tells the story of the real Mayberry and his thoughts of the most famous son of the piedmont North Carolina town. This book is part memoir, part biography and part tour guide about Andy Griffith and Mount Airy, North Carolina. Beginning on the day Andy Griffith died, July 3, 2012, Perry tells about the town that day and goes back in time to bring Griffith and his own family to Mount Airy to work in the factories in the twentieth century. Sharing his connections with Griffith, Perry tells about the youth both shared in Mount Airy. The book then follows Andy Griffith to the University of North Carolina at Chapel Hill, Goldsboro to teach school and then Broadway, television and movies in a career that lasted decades. The book also details the effect of Andy Griffith on Mount Airy with the decades long tourism boom that began in the 1980s with the town taking on the persona of the fictional Mayberry that Griffith obviously used to in his highly successful Andy Griffith Show that ran on CBS for eight years ending its run as the number one show on television.

Hearts will tangle, romance will ignite... Continue the journey in *A Tangle of Hearts*. Order now! *Beware of spoilers in the reviews below that are without spoiler alerts*
