Synonymous with practical travel tips, quality writing and a trustworthy 'tell it like it is' ethos, the Rough Guides list includes more than 260 travel guides to 120+ destinations, gift-books and phrasebooks.

An authoritative account of everyday life in Regency England, the backdrop of Austen's beloved novels, from the authors of the forthcoming Gibraltar: The Greatest Siege in British History (March 2018) Jane Austen, arguably the greatest novelist of the English language, wrote brilliantly about the gentry and aristocracy of two centuries ago in her accounts of young women looking for love. Jane Austen's England explores the customs and culture of the real England of her everyday existence depicted in her classic novels as well as those by Byron, Keats, and Shelley. Drawing upon a rich array of contemporary sources, including many previously unpublished manuscripts, diaries, and personal letters, Roy and Lesley Adams vividly portray the daily lives of ordinary people, discussing topics as diverse as birth, marriage, religion, sexual practices, hygiene, highwaymen, and superstitions. From chores like fetching water to healing with medicinal leeches, from selling wines in the marketplace to buying smuggled gin, from the hardships faced by young boys and girls in the mines to the familiar sight of corpses swinging on gibbets, Jane Austen's England offers an authoritative and gripping account that is sometimes humorous, often shocking, but always entertaining.

Could you successfully be a Georgian? Find yourself immersed in the pivotal world of Georgian England, surviving times to live in as everything was booming, the Industrial Revolution, the Enlightenment, and the nascent Empire: inhabited by Mary Shelley, the Romantic Poets and their contemporaries. However, rather than just wondering about the famous or infamous, you will find everything you need to know in order to excite undetected among the ordinary people. What to wear, how to behave yourself in public, earn a living, and find somewhere to live. Very importantly, you will be given advice on how to stay on the right side of the law, and how to avoid getting seriously ill. Monica Hall creatively awakens this bygone era, filling the pages with all aspects of daily life within the period, calling upon diaries, illustrations, letters, poetry, prose, 18th century laws and archives. This detailed account intimately explores the ever changing lives of those who lived through Britain's imperial process, the birth of modern capitalism, the reverence of the industrial revolution and the upheaval of great political reform and class division. A Visitors Guide to Georgian England will appeal to Romantic poetry lovers, social history fans, fiction and drama

Discover DK Eyewitness Travel Guide: Philadelphia & the Pennsylvania Dutch Country. + Hotel and restaurant listings and recommendations. + Detailed itineraries and "don't-miss" destination highlights at a glance. + Illustrated cutaway 3-D drawings of important sights. + Floor plans and guided visitor information for major museums. + Guided walking tours, local drink and dining specialties to try, things to do, and places to eat, drink, and shop by area. + Area maps marked with sights and restaurants. + Detailed city maps include street finder index for easy navigation. + Insights into history and culture to help you understand the stories behind the sights. + Suggested day-trips and itineraries to explore beyond the city. With hundreds of full-color photographs, hand-drawn illustrations, and custom maps that illuminate every page, DK Eyewitness Travel Guide: Philadelphia & the Pennsylvania Dutch Country truly shows you this state as no one else can.

Each of Great Britain's countries that have grown out of kingdoms, principalities, shires, fiefs, boroughs, and parishes has its own special flavor. This derives from Britain's landscape, its resources and its history, all which have shaped its peoples, too. For more information about Great Britain's history, castles, gardens, restaurants, tours, national parks, stately homes and cathedrals look to Eyewitness Travel Great Britain. Annually revised and updated with beautiful new photos and illustrations this guide includes information on local customs, currency, medical services,

and transportation through Britain's imperial process, the birth of modern capitalism, the reverence of the industrial revolution and the upheaval of great political reform and class division. A Visitors Guide to Georgian England will appeal to Romantic poetry lovers, social history fans, fiction and drama

This new sixth edition of Bradt's Georgia, the only dedicated guide to the country, has been thoroughly updated throughout to include all the most recent developments, ranging from greatly expanded coverage of Batumi, Adjara and Svaneti to the addition of new maps for Tbilisi, Mestia and Telavi. Tourism is booming in Georgia: the number of guesthouses has mushroomed, Tbilisi airport has just opened a second terminal and a new terminal and rail link are under construction at Kutaisi airport. New low-cost flights are now available and visa-free travel is the norm for most. With Bradt's Georgia discover both the old and the new. The capital, Tbilisi, has seen huge changes in the past decade with some conspicuous new projects such as the Peace Bridge, the Opera House and the Presidential Palace, as well as excellent new restaurants and bars. Much of the country can be reached in day-trips from the luxury hotels of Batumi and Gori, and the remotest areas such as Svaneti and the Pankisi Valley can also now be visited. In addition, Mestia, the capital of Svaneti, now has an airport and two ski resorts. Also new for this edition is expanded information on Tusheti and the Trans Caucasian Trail, a volunteer-led project to create two long-distance hiking routes, east-west and north-south, linking the Black Sea with the Caspian, the Greater Caucasus with the Lower Caucasus and Georgia with Armenia and Azerbaijan. The Georgian wine industry is covered, with particular emphasis on natural qvevri wines, and so too are skiing, rugby, the World Heritage sites of Mtskheta and Gelati, Georgian food, 5th-century churches, cave cities, and Georgian polyphonic singing. Bradt's unique guide to Georgia is the ideal companion for all travellers, from serious hikers to wine buffs, high-end culture lovers to backpackers of all ages.

Walk in Jane Austen's footsteps with this unique travel guide - the first book to explore England in relation to its most beloved Regency author. Rambling across the rolling fields of Hampshire, along the bustling streets of London and around the golden crescents of Bath, Jane Austen's England is the perfect companion for any Janette planning a pilgrimage. Functionally arranged by region, each chapter tracks down the most iconic scenes from both the big and little screen, as well as the key destinations where Jane lived, danced and wrote. Descriptions of each location are interspersed with biographical anecdotes and local history. Subsections focus on various stately homes that have been featured in every adaptation of every novel, from the beloved Pride and Prejudice television series (1995, Jennifer Ehle and Colin Firth) to Pride and Prejudice and Zombies (2016). With a compilation of websites, seasonal opening hours and tour details, this compact book contains everything you need to immerse yourself in Austen. AUTHOR: Karin Quint is a journalist and photographer, based in The Netherlands. Whether through images or the written word, Quint has a passion for capturing the world around her. Quint discovered Austen unwittingly at 20, when she picked up De Gezusters Bennet (The Bennet Sisters) for ten cents at a flea market: the Dutch translation of Pride and Prejudice. She set up JaneAusten.nl in search of fellow enthusiasts, which introduced her to the worldwide Jane Austen community. Quint is an ambassador for the Jane Austen Literary Foundation. She has co-written two other travel guides about Wales and Scotland. SELLING POINTS: \* The first and only travel guide that focuses on Austen's life, work, and legacy \* Packed

with travel tips, walking routes, tour times and Austen trivia \* A great gift for any Austen fan - but will also be appreciated by ramblers, Anglophiles, and anyone with an interest in Regency England 180 colour images

The Complete Guide On The Georgian Food, People, And Culture: Culinary Travel Guide To The Republic Of Georgia

A Travel Guide

Philadelphia & The Pennsylvania Dutch Country

"Wilkes makes the world of Jane Austen come to life . . . from travel to fashion, shopping, leisure, and, of course, finding a mate" (Britain Express). Immerse yourself in the vanished world inhabited by Austen's contemporaries. Packed with detail and anecdotes, this is an intimate exploration of how the middle and upper classes lived from 1775, the year of Austen's birth, to the coronation of George IV in 1820. Sue Wilkes skillfully conjures up all aspects of daily life within the period, drawing on contemporary diaries, illustrations, letters, novels, travel literature, and archives. Were all unmarried affluent men really "in want of a wife?" Where would a young lady seek adventure? Would "taking the waters" at Bath and other spas kill or cure you? Was Lizzy Bennet bitten by bed-bugs while traveling? What would you wear to a country ball or a dance at Almack's? Would Mr. Darcy have worn a corset? What hidden horrors lurked in elegant Regency houses? "A delight. I don't think I've ever read a book that paints such a vivid picture of daily life in late 18th and early 19th century England. It makes a perfect companion for Austen's beloved novels." —The Heritage Traveller "A thoroughly engaging—and very informative—eyewitness' guide to everything from medical matters to modes of travel." —"Joceline Bury, Jane Austen's Regency World "Written as if to a first-time traveler in the Regency . . . an inviting read . . . a perfect gift for every Janette friend and family member." —Austenprose "A worthy contribution to the field of Austen social history and uses the mundane realities of life to illuminate the reader's experience." —Sensibilities Offers information on the region's history and culture, and presents ideas for accommodations, transportation, shopping, entertainment, and organized tours.

Georgia has a beautiful landscape of mountains, farmland and coastline, each offering their own culinary history. The Rough Guide to Canada (Travel Guide eBook)

DK Eyewitness Travel Guide: Moscow

*In Georgian London: Into the Streets, Lucy Inglis takes readers on a tour of London's most formative age - the age of love, sex, intellect, art, great ambition and fantastic ruin. Travel back to the Georgian years, a time that changed expectations of what life could be. Peek into the gilded drawing rooms of the aristocracy, walk down the quiet avenues of the new middle class, and crouch in the damp doorways of the poor. But watch your wallet - tourists make perfect prey for the thriving community of hawkers, prostitutes and scavengers. Visit the madhouses of Hackney, the workshops of Soho and the mean streets of Cheapside. Have a coffee in the city, check the stock exchange, and pop into St Paul's to see progress on the new dome. This book is about the Georgians who called London their home, from dukes and artists to rent boys and hot air balloonists meeting dog-nappers and life-models along the way. It investigates the legacies they left us in architecture and art, science and society, and shows the making of the capital millions know and love today.*

*'Read and be amazed by a city you thought you knew' Jonathan Foyle, World Monuments Fund 'Jam-packed with unusual insights and facts. A great read from a talented new historian' Independent 'Pacy, superbly researched. The real sparkle lies in its relentless cavalcade of insightful anecdotes . . . There's much to treasure here' Londonist 'Inglis has a good ear for the outlandish, the farcical, the bizarre and the macabre. A wonderful popular history of Hanoverian London' London Historians In 2009 Lucy Inglis began blogging on the lesser-known aspects of London during the Eighteenth Century - including food, immigration and sex - at GeorgianLondon.com. She lives in London with her husband. Georgian London is her first book.*

*'Excellent... Mortimer's erudition is formidable' The Times A time of exuberance, thrills, frills and unchecked bad behaviour...Ian Mortimer turns to what is arguably the most-loved period in British history - the Regency, or Georgian England. This is the age of Jane Austen and the Romantic poets; the paintings of John Constable and the gardens of Humphry Repton; Britain's military triumphs at Trafalgar and Waterloo. It was perhaps the last age of true freedom before the arrival of the stifling world of Victorian morality. And like all periods in history, it was an age of many contradictions - where Beethoven's thundering Fifth Symphony could premier in the same year that saw Jane Austen craft the delicate sensitivities of Persuasion. This is history at its most exciting, physical, visceral - the past not as something to be studied but as lived experience. This is Ian Mortimer at the height of his time-travelling prowess. 'Ian Mortimer has made this kind of imaginative time travel his speciality' Daily Mail*

DK Eyewitness Travel Guide Great Britain

DK Eyewitness Travel Guide: Philadelphia & The Pennsylvania Dutch Country

Step back in time and discover the sights, sounds and smells of London through the eyes in this enthralling journey into the capital's rich, teeming and occasionally hazardous past. 'London: A Travel Guide Through Time is easily the most engaging social history of the capital since the books of Liza Picard a decade ago.' - Londonist Let time traveller Dr Matthew Green be your guide to six extraordinary periods in London's history - the ages of Shakespeare, medieval city life, plague, coffee houses, the reign of Victoria and the Blitz. We'll turn back the clock to the time of Shakespeare and visit a savage bull and bear baiting arena on the Bankside. In medieval London, we'll circle the walls as the city lies barricaded under curfew, while spinning further forward in time we'll inhale the 'holy herb' in an early tobacco house, before peering into an open plague pit. In the 18th century, we'll navigate the streets in style with a ride on a sedan chair, and when we land in Victorian London, we'll take a tour of freak-show booths and meet the Elephant Man. You'll meet pornographers and traitors, actors and apothecaries, the mad, bad and dangerous to know, all desperate to show you the thrilling and vibrant history of the world's liveliest city.

*Skating in the Rockies, while watching off Newfoundland, eating dim sum in Vancouver, or enjoying steak frites in Montreal - Canada offers an enormous diversity of attractions for visitors. The national parks are just as amazing as those in the USA, while the major cities rival European capitals for their nightlife, museums, shopping, hand-drawn illustrations, and custom maps that illuminate every page, DK Eyewitness Travel Guide: Dublin, which offers the most complete coverage of Ireland's capital city, trip-planning itineraries, and more.*

*Recipient of the Geoffrey Roberts Award, this book delves head first into the 8,000 year-old wine traditions of the Republic of Georgia. A storied past, this mountainous country on the Black Sea is finally getting recognition for its unique and wonderful wines and grapes including Rkatsiteli, Saperavi, Chinuri, Krakhuna, Kisi, and over 400 more. Made in both the "international method" of barrel and tank aging as well as the ancient method of terracotta pots called "kvevri", Georgia offers up a wine for everyone and delicious local dishes to accompany them. This is your complete guide to the wines, food, and people of this beautiful land.*

DK Eyewitness Travel Guide: Ireland

Jane Austen's England

The Time Traveller's Guide to Regency Britain

Georgia: A guide to the cradle of wine

Insight Guides Pocket Dublin (Travel Guide eBook)

A vivid and immersive history of Georgian England that gives its reader a firsthand experience of life as it was truly lived during the era of Jane Austen, Percy Bysshe Shelley, and the Duke of Wellington. This is the age of Jane Austen and the Romantic poets; the paintings of John Constable and the gardens of Humphry Repton; the sartorial elegance of Beau Brummell and the poetic licence of Lord Byron; Britain's military triumphs at Trafalgar and Waterloo; the threat of revolution and the Peterloo massacre. In the latest volume of his celebrated series of Time Traveler's Guides, Ian Mortimer turns to what is arguably the most-loved period in British history: the Regency, or Georgian England. A time of exuberance, thrills, frills and unchecked bad behavior, it was perhaps the last age of true freedom before the arrival of the stifling world of Victorian morality. At the same time, it was a period of transition that reflected unprecedented social, economic, and political change. And like all periods in history, it was an age of many contradictions—where Beethoven's thundering Fifth Symphony could premier in the same year that saw Jane Austen craft the delicate sensitivities of Persuasion. Once more, Ian Mortimer takes us on a thrilling journey to the past, revealing what people ate, drank, and wore; where they shopped and how they amused themselves; what they believed in, and what they were afraid of. Conveying the sights, sound,s and smells of the Regency period, this is history at its most exciting, physical, visceral—the past not as something to be studied but as lived experience. From Virginia to Louisiana, the reader experiences the haunts, havens and homesteads of important writers who lived in, visited or were inspired by the South's fertile soil.
