

Agent Of The Fae (Dark Fae FBI Book 4)

The fae live among us. And one of them is a serial killer. I thought this would be a simple profiling case. Just another Jack-the-Ripper wannabe, prowling London's streets, searching for easy kills. I was wrong. This killer is fae, and he's as elusive as smoke on the wind. But I'm an FBI profiler, and it's my job to track him down. It doesn't matter that one of the main suspects--a lethally alluring fae--is trying to seduce me... or kill me. I'm not sure which. I won't be stopped, not even when panic rolls through the streets of London, or when the police start to suspect me. As I close in on the killer, I follow him to a magical shadow realm that's like nothing I ever expected, where I'm hunted like prey. Fine. Bring it on. I'm an FBI Agent. And it turns out I have magical powers of my own.

In the hallowed Storm Fae Academy, everyone has a secret. It sucks to be a supernatural fugitive, but as a fae witch, what can you do? Get on with things. Ignore the elite fae assassins who rule the city. Try not to freak out when one of them surprises you mid-shower. Usual stuff. But when the assassins capture my best friend, I'll do anything to stop her execution. Including joining their academy. Now, while I secretly plot to break Wren out, I am forced compete in a lethal set of trials. Failure means that a monstrous headman kills us both. Turns out I have to train with a dragon-blood fae. He's powerful, scary, and lethally attractive. And, like me, he's harboring dark secrets.Worst thing about him? He's the monstrous headman himself.This book is from the Demons of Fire and Night world, with characters who appear in Court of Shadows.

With the sexy and arrogant Mage Lord pressuring me to join his team and a dark movement in the magical underworld threatening to ignite a war between the half-faeries and other supernaturals, I have my work cut out. Especially when a serum that's deadly to half-faeries finds its way onto the market, luring in its victims with the promise of immortality. To find the source of the lies, I must go undercover to a dangerous magical contest where half-faeries compete for glory. Problem is, to get in, I have to pretend to be one of them. Navigating my way between half-faeries who want my head on a platter and the Mage Lord who wants, well, me, is tricky enough. But then I learn something about my own magic that changes the playing field. If I don't come out on top, a second faerie apocalypse is on the horizon.

"Beautifully written and deliciously complex... I couldn't get enough." —Nicki Pau Preto, author of the Crown of Feathers series
The Cruel Prince meets City of Bones in this thrilling urban fantasy set in the magical underworld of Toronto that follows a queer cast of characters racing to stop a serial killer whose crimes could expose the hidden world of faeries to humans. Four queer teens, each who hold a key piece of the truth behind these murders, must form a tenuous alliance in their effort to track down the mysterious killer behind these crimes. If they fail, they risk the destruction of the faerie and human worlds alike. If that's not bad enough, there's a war brewing between the Mortal and Immortal Realms, and one of these teens is destined to tip the scales. The only question is: which way? Wish them luck. They're going to need it.

The international bestseller and debut novel by teenage author and classical musician Stefan Bachmann is part murder mystery, part gothic fantasy, part clockwork adventure. Best-selling author Rick Riordan said of The Peculiar, “Stefan Bachmann breathes fresh life into ancient magic.” Don't get yourself noticed and you won't get yourself hanged. In the faery slums of Bath, Bartholomew and his little sister Hettie live by these words. Bartholomew and Hettie are Peculiars, and neither faeries nor humans want anything to do with them. But when Peculiars start showing up in London murdered and covered with red tattoos, Bartholomew breaks all the rules and gets himself noticed. Full of magic, dazzling inventions, and intriguing characters such as Mr. Jellyby and Lord Lickerish, this story of friendship, bravery, and nonstop action adventure was hailed by best-selling author Christopher Paolini as “swift, strong, and entertaining. Highly recommended.” The Peculiar ends with a spectacular cliff-hanger, and the story concludes in The Whatnot.

...I might I'd be singing happy birthday to myself in a dungeon. And yet when a sinfully sexy demon crashes happy hour, that's exactly what happens. He's known as the Lord of Chaos, he's mistaken me for his succubus Doppelgänger. Happy birthday to me. When he tastes my blood, he finally understands I'm mortal. And I realize we have something in common: we both crave revenge. So we make a deal: I can stay in the forbidden city to hunt for my mom's killer. In return, I'll help him get the vengeance he craves. I just have to pose as a sexy succubus. One problem—he's my number one suspect. And that's increasingly hard to remember as he teaches me my role: seduction. With each heated touch I drift further into peril. And if I fall under his seductive spell, death awaits me. "I flew through this book... Hot demon lord-check. Action-check. Romance-check. And there's spice! If you love my books, you definitely want to read this one." - Laura Thalassa

She's barely kept alive by machines - and if I can't pay the bill this month, the mages at Fallen Oaks will pull the plug. So when my ex-employer shows up at my door with a possible cure, it's tempting to slip back into my role as a killer for hire. One job, he tells me, and I could have the answers I need to save Kat for good. The only problem is, I'll be working for vampires - the same soulless creatures I used to hunt. According to them, my mark is about to release a modified version of the wolf plague that will decimate the supernatural races. They say I'll be doing the world a favor. I don't care about the politics, I'm just trying to save my sister. But when I arrive in Belize with my vampire entourage, the mark isn't what she seems, and the man protecting her is my ex-boyfriend. And now, the only obstacle in the way of completing my mission. Thanks to him, I'm not allowed to use my arsenal of enchanted weapons, as decreed by the magical governing body we both used to work for. I've spent the last year at the bottom of a bottle, holed up with a baby dragon and a very grumpy faerie. But if I can prove who was really behind the ritual that destroyed my sister, I might just get my life back. For Cat to live, someone has to die. Luckily, I'm great at killing people.

From the New York Times bestselling author of A Million Little Pieces and Bright Shiny Morning comes Katerina, James Frey's highly anticipated new novel set in 1992 Paris and contemporary Los Angeles. A kiss, a touch. A smile and a beating heart. Love and sex and dreams, art and drugs and the madness of youth. Betrayal and heartbreak, regret and pain, the melancholy of age. Katerina, the explosive new novel by America's most controversial writer, is a sweeping love story alternating between 1992 Paris and Los Angeles in 2018. At its center are a young writer and a young model on the verge of fame, both reckless, impulsive, addicted, and deeply in love. Twenty-five years later, the writer is rich, famous, and numb, and he wants to drive his car into a tree, and he receives an anonymous message that draws him back to the life, and possibly the love, he abandoned years prior. Written in the same percussive, propulsive, dazzling, breathtaking style as A Million Little Pieces, Katerina echoes and complements that most controversial of memoirs, and plays with the same issues of fiction and reality that created, nearly destroyed, and then recreated James Frey in the American imagination.
