

All Aboard Pacific Northwest: A Recreation Primer

For all lovers of maritime adventure comes an electrifying thriller of treachery and peril on the high seas featuring a dynamic new heroine, from multi-award-nominated suspense star Owen Laukkanen. In the high-stakes world of deep-sea salvage, an ocean disaster can mean a huge payoff--if you can survive the chase. McKenna Rhodes has never been able to get the sight of her father's death out of her mind. A freak maritime accident has made her the captain of the salvage boat

Gale Force, but it's also made her cautious, sticking closer to the Alaska coastline. She and her crew are just scraping by, when the freighter Pacific Lion, out of Yokohama, founders two hundred miles out in a storm. This job is their last chance--but there is even more at stake than they know. Unlisted on any manifest, the Lion's crew includes a man on the run carrying fifty million dollars in stolen Yakuza bearer bonds. The Japanese gangsters want the money. The thief's associates want the money. Another salvage ship, far bigger and more powerful than Gale Force, is racing to the rendezvous as well. And the storm rages on. If McKenna can't find a

way to prevail, everything she loves--the ship, her way of life, maybe even her life itself--will be lost. Filled with bravery, betrayal, sudden twists, and pure excitement, Gale Force is a spectacular new adventure from the fast-rising suspense star. Miss Jane Peck finds little use for her schooling in etiquette for young ladies of 1854 during her sea voyage to the Pacific Northwest and while living among the American traders and Chinook Indians of Washington Territory. Grade Level 5.5, Book# 85, Points 4.

These are the genesis stories of a region. In Ancient Places, Jack Nisbet uncovers touchstones across the Pacific Northwest that reveal the symbiotic relationship of people and place in this corner of the world. From rural Oregon, where a controversy brewed over the provenance and ownership of a meteor, to the great floods 15,000 years ago that shaped what is now Washington, Oregon, and Idaho, this is a compelling collection of stories about the natural and human history of our region.

empire on the Pacific Coast. Peter Stark offers a harrowing saga in which a band of explorers battled nature, starvation, and madness to establish the first American settlement in the Pacific Northwest and opened up what would become the Oregon trail, permanently altering the nation's landscape and its global standing. Six years after Lewis and Clark's began their journey to the Pacific Northwest, two of the Eastern establishment's leading figures, John Jacob Astor and Thomas Jefferson, turned their sights to founding a colony akin to Jamestown on the West Coast

and transforming the nation into a Pacific trading power. Author and correspondent for Outside magazine Peter Stark recreates this pivotal moment in American history for the first time for modern readers, drawing on original source material to tell the amazing true story of the Astor Expedition. Unfolding over the course of three years, from 1810 to 1813, Astoria is a tale of high adventure and incredible hardship in the wilderness and at sea. Of the more than one hundred-forty members of the two advance parties that reached the West Coast—one crossing

Within one year, the expedition successfully established Fort Astoria, a trading post on the Columbia River. Though the colony would be short-lived, it opened provincial American eyes to the potential of the Western coast and its founders helped blaze the Oregon Trail.
