

All Spell Breaks Loose (Spellbound Paranormal Cozy Mystery Book 10)

Welcome to Chipping Cheddar, where supernaturals are hidden in plain sight. Residents are sneezing and coughing all over town and it seems like a brutal allergy season is upon us--until someone dies. When Dr. Verity reveals a supernatural cause, I'm on the case, but how do I track a culprit whose only evidence seems to be the infection it leaves behind? In the meantime, neighbors new and old bring trouble to Munster Close and I need to intervene before the wicked witches escalate matters. With the annual cheese festival on the horizon and a stealthy demon on the loose, I know I'll need to set aside my misgivings and use my magic to prevent a catastrophe. Can I stop this outbreak before it becomes a full-fledged epidemic or will the entire town succumb to the deadly demon? *Grace Under Fury* (Federal Bureau of Magic Cozy Mystery, Book 4) is a full-length humorous paranormal cozy mystery with demon action and a budding romance. Mildred Hubble's first term at Miss Cackle's Academy for Witches starts badly when, unlike her classmates, she can't control her broom, her kitten, or her spells.

The #1 New York Times bestselling author Kelley Armstrong delivers the novel her fans have been clamoring for: *Thirteen*, the epic finale of the *Otherworld* series. It's been more than ten years, a dozen installments, and hundreds of thousands of copies since Kelley Armstrong introduced readers to the all-too-real denizens of the *Otherworld*: witches, werewolves, necromancers, vampires, and half-demons, among others. And it's all been leading to *Thirteen*, the final installment, the novel that brings all of these stories to a stunning conclusion. A war is brewing—the first battle has been waged and Savannah Levine is left standing, albeit battered and bruised. She has rescued her half brother from supernatural medical testing, but he's fighting to stay alive. The Supernatural Liberation Movement took him hostage, and they have a maniacal plan to expose the supernatural world to the unknowing. Savannah has called upon her inner energy to summon spells with frightening strength, a strength she never knew she had, as she fights to keep her world from shattering. But it's more than a matter of supernaturals against one another—both heaven and hell have entered the war; hellhounds, genetically modified werewolves, and all forces of good and evil have joined the fray. Uniting Savannah with Adam, Paige, Lucas, Jaime, Hope, and other lost-but-not-forgotten characters in one epic battle, *Thirteen* is a grand, crowd-pleasing closer for Armstrong's legions of fans.

Cat Cooper plans on emerging as the premier life coach in East Hampton by summertime. All she has to do is survive an offseason replete with desolate beaches, slow business, and murder . . . As the Hamptons drags through early spring, Cat's shot at becoming the toast of the town in time for Memorial Day is dwindling—and fast. The only client she can find has been housebound for decades and claims to be the victim of a devastating curse. Then there's the matter of Detective Shepherd's intense jealousy over Maks Grinkov, the handsome bad boy who approaches Cat with an unusual offer she can't stop thinking about. Havoc finally breaks loose when a string of murders rocks the coastal community, landing Maks on the hook as the culprit. With a storm approaching shore and no one to trust, Cat and her sharp-tongued best friend, Gilley, must solve a client's curse and a series of violent deaths before a killer sends them all sailing to their doom . . .

Stormy Morgan left her hometown of Shadow Hills, Michigan, with one goal: to write the great American novel and strike it rich. She sold her novel not long after college, did relatively well, and then fell off a cliff into obscurity. Now, without a book contract, she's back at her family restaurant in a one-stoplight town ... and she's convinced things couldn't possibly get worse. That feeling only lasts until her first shift, when on a trip to the storage building behind the restaurant, she literally trips over a body. Roy Axe, Shadow Hills most hated "Axehole," died a hard death only feet from the restaurant (and the second-floor apartment Stormy currently resides in). The detective on the case is none other than Hunter Ryan, Stormy's high school boyfriend, and the man who occasionally still calls to her in dreams. Hunter only cares about solving a mystery - nothing else - so their reunion is tense. In an attempt to distract herself from what's happening, Stormy and her cousin Alice get drunk one night and pull out their great-grandmother's old Ouija board, and it sets off a strange string of events, most of which seem magical ... if you believe in that sort of thing, and Stormy isn't sure she does. Stormy has trouble deciding which problem to focus on, so she avoids them all until things start blowing up in her face. Shadow Hills is a small town but the secrets that plague it run deep. Stormy is a woman - or maybe a witch - lost in a sea of magic and despair ... but murder might just lead her out of it. That is if she can survive to solve the case, that is.

In a world where one's magical prowess is determined by one's skill with words and ability to spell, Nicodemus is a wizardly apprentice afflicted by a curse that causes him to misspell magical texts. Now, the demon who cursed him has hatched a conspiracy to force Nicodemus to change language and ultimately use it to destroy all human life. As Nico tries to thwart the demon's plan, he faces challenges from all sides. But his biggest challenge is his own disability, which causes him to create chaos wherever he goes. And the chaos surrounding Nico is affecting the world so profoundly that the kingdom to which he has fled to gather strength is on the brink of civil war, and he suspects that his closest allies—even Francesca, whom he loves more than life itself—may be subject to the demon's vast powers. As Nico tries to forestall the apocalypse, he

realizes that he doesn't know if he can fully trust anyone, not even the woman he loves. And if he makes one wrong move, not only will his life be forfeit, he may end up destroying all mortal life as well. Introducing new twists to the unique magical system of Spellwright, and exploring issues that will bring readers a deeper appreciation of a fascinating world, Spellbound is sure to please Blake Charlton's fans and increase their number. Spellbound is a Kirkus Reviews Best of 2011 Science Fiction & Fantasy title. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The meticulous artwork of transgender artist Bishakh Som gives us the rare opportunity to see the world through another lens. This exquisite graphic novel memoir by a transgender artist, explores the concept of identity by inviting the reader to view the author moving through life as she would have us see her, that is, as she sees herself. Framed with a candid autobiographical narrative, this book gives us the opportunity to enter into the author's daily life and explore her thoughts on themes of gender and sexuality, memory and urbanism, love and loss.

Anarchist, journalist, drama critic, advocate of birth control and free love, Emma Goldman was the most famous—and notorious—woman in the early twentieth century. This abridged version of her two-volume autobiography takes her from her birthplace in czarist Russia to the socialist enclaves of Manhattan's Lower East Side. Against a dramatic backdrop of political argument, show trials, imprisonment, and tempestuous romances, Goldman chronicles the epoch that she helped shape: the reform movements of the Progressive Era, the early years of and later disillusionment with Lenin's Bolshevik experiment, and more. Sounding a call still heard today, Living My Life is a riveting account of political ferment and ideological turbulence. First time in

Penguin Classics Condensed to half the length of Goldman's original work, this edition is accessible to those interested in the activist and her extraordinary era

School sucks, even for the supernaturally gifted. The fallout from last quarter is worse than I could have ever imagined and hostilities between shifters and witches are intensifying by the day. OSA has practically taken over campus in their search for Bitten witches-and any traitors who didn't report them. Including... me. But that's not the only secret I have to hide. My powers are growing, while my control over them is not. Unfortunately, there's no one I can turn to for help. My roommate's already suffered the consequences of being drawn into my problems, and after a magical mishap ends with another friend being blasted across the room, I refuse to endanger anyone else. Still, I'm a little tempted to give some magical payback to the arrogant witch-boy who kisses me one minute and gives me the cold shoulder the next. All of this aside, I still have to find a way to pass all my classes. With the end of semester tournament closing in, there's no time for mistakes. In this volatile equation, one little slip-up could be deadly. Spell Linked is the second book in the Ravencrest Academy series, an exciting new YA paranormal academy series with a slow burn enemies-to-lovers romance. Perfect for fans of Supernatural Academy, Bloodline Academy, and Oberon Academy.

Welcome to Spellbound, where paranormal is the new normal. Good Words Make Good Stories

Don't miss the stunning conclusion to Allie Therin's Magic in Manhattan series! "Allie

Therin built a world that came alive and flew off the pages.” –Gay Book Reviews New York, 1925 Arthur Kenzie is on a mission: to destroy the powerful supernatural relic that threatens Manhattan—and all the nonmagical minds in the world. So far his search has been fruitless. All it has done is keep him from the man he loves. But he’ll do anything to keep Rory safe and free, even if that means leaving him behind. Psychometric Rory Brodigan knows his uncontrolled magic is a liability, but he’s determined to gain power over it. He can take care of himself—and maybe even Arthur, too, if Arthur will let him. An auction at the Paris world’s fair offers the perfect opportunity to destroy the relic, if a group of power-hungry supernaturals don’t destroy Rory and Arthur first. As the magical world converges on Paris, Arthur and Rory have to decide who they can trust. Guessing wrong could spell destruction for their bond—and for the world as they know it. Magic in Manhattan Book 1: Spellbound Book 2: Starcrossed Book 3: Wonderstruck Roaring Twenties Magic Book 1: Proper Scoundrels Book 2: Once a Rogue Liar City Book 1: Liar City Cody Forester is a werewolf. When his parents banished him, he thought his life was over. But it turns out that living in Florida is pretty sweet. He has friends he can rely on, a girlfriend who loves him, and a good home with his uncle. All in all, life couldn't get more perfect. Until he is kidnapped. Dr. Torhild Saarsgard is obsessed with unraveling the secrets of lycanthropy. She wants to create a vaccine that would give superhuman abilities to everyone. She travels the world abducting werewolves for her test subjects and taking them to her secret labs. Cody escaped her clutches once. She has no intention of letting him go again. Cody doesn't want to die a lab rat. But in order to get home, he might have to do unspeakable things. And if he does, if he becomes everything he hates, will he have a home any longer?

The ways of magic are revealed in nature . . . The secrets are written in meandering streams and drifting clouds, whispered by the roaring ocean and cooling breeze, echoed through caves and rocks and forests. When you draw a heart in the sand, call on the four winds for assistance, or ask the rain to wash away a bad habit, you are practicing earth magic. By working in harmony with nature, we can transform ourselves, our lives, and our world. This tried-and-true guide offers more than one hundred spells, rites, and simple

rituals you can perform using the powerful energy of the earth. Scott Cunningham was a greatly respected teacher and one of the most influential members of the modern Craft movement. A practitioner of elemental magic for twenty years, he wrote more than fifty books, including the seminal *Wicca: A Guide for the Solitary Practitioner*. E. H. Gombrich's *Little History of the World*, though written in 1935, has become one of the treasures of historical writing since its first publication in English in 2005. The Yale edition alone has now sold over half a million copies, and the book is available worldwide in almost thirty languages. Gombrich was of course the best-known art historian of his time, and his text suggests illustrations on every page. This illustrated edition of the *Little History* brings together the pellucid humanity of his narrative with the images that may well have been in his mind's eye as he wrote the book. The two hundred illustrations—most of them in full color—are not simple embellishments, though they are beautiful. They emerge from the text, enrich the author's intention, and deepen the pleasure of reading this remarkable work. For this edition the text is reset in a spacious format, flowing around illustrations that range from paintings to line drawings, emblems, motifs, and symbols. The book incorporates freshly drawn maps, a revised preface, and a new index. Blending high-grade design, fine paper, and classic binding, this is both a sumptuous gift book and an enhanced edition of a timeless account of human history.

In the heart of Ohio, Jessie Shimmer is caught up in hot, magic-drenched passion with her roguish lover, Cooper Marron, who is teaching her how to tap her supernatural powers. When they try to break a drought by calling down a rainstorm, a hellish portal opens and Cooper is ripped from this world, leaving Jessie fighting for her life against a vicious demon that's been unleashed. In the aftermath, Jessie, who knows so little about her own true nature, is branded an outlaw. She must survive by her wits and with the help of her familiar, a ferret named Palimpsest. Stalked by malevolent enemies, Jessie is determined to find out what happened to Cooper. But when she moves heaven and earth to find her

man, she'll be shocked by what she discovers—and by what she must ultimately do to save them all.

Welcome to Spellbound, where paranormal is the new normal. The only magic Emma Hart believes in is caffeine and the power of the dryer to lose one sock per load. A public interest lawyer buried under a mound of student debt, Emma's whole life has been one turn of bad luck after another. Her streak seems to continue when she gets lost on the way to see a client in the remote Pocono Mountains. A chance encounter with a suicidal angel lands her in Spellbound, a town where supernaturals have been cursed to remain for centuries--probably not the best time for Emma to discover that she's actually a witch. Between the recent murder of the town's public defender, a goblin accused of theft, remedial witch classes, and the attention of one smoking hot vampire, Emma struggles to navigate this unfamiliar terrain without losing her mind...or her life. Curse the Day is the first book in the Spellbound paranormal cozy mystery series.

All three novels in the dazzling Magic in Manhattan paranormal historical romance series, available now in one box set. “Allie Therin built a world that came alive and flew off the pages.” —Gay Book Reviews Spellbound Arthur Kenzie's life's work is protecting the world from the supernatural relics that could destroy it. When an amulet with the power to control the tides is shipped to New York, he must intercept it before it can be used to devastating effects. This time, in order to succeed, he needs a powerful psychometric...and the only one available has sworn off his abilities altogether. Rory Brodigan's gift comes with great risk. To protect himself, he's become a recluse, redirecting his magic to find counterfeit antiques. But with the city's fate hanging in the balance, he can't force himself to say no. As Arthur coaxes him out of seclusion, a magical and emotional bond begins to form. One that proves impossible to break—even when Arthur sacrifices himself to keep Rory safe and Rory must risk everything to save him. Starcrossed Arthur's continued quest to contain supernatural relics that pose a threat to the world captured Rory's imagination—and his heart. But when a group of ruthless paranormals throw the city into chaos, the two men's strained relationship leaves Rory vulnerable to a monster from Arthur's past. With dark forces determined to tear them apart, Rory and Arthur will have to draw on every last bit of magic up their sleeves. And in the end, it's the connection they've formed without magic that will be tested like never before.

Wonderstruck Arthur's search to to destroy the powerful supernatural relic that threatens Manhattan has been fruitless . All it has done is keep him from the man he loves. Run the witching vault. Protect the Gateway. Say please. And don't get killed. After her release from magical prison, Jessica Northwood can't hold a job to save her life. So when an apprenticeship opens up at a spellbound bank, no questions asked, she can't exactly say no? But she definitely should have. For centuries, the bank's owners have stood between the Gateway in the upstairs hall and the occult syndicate who want it for themselves. As the current owner, the scryer witch is supposed to have that under control. But when the woman turns up dead, Jessica's employment contract now says she's the one tasked with this lethal responsibility. Jessica has no idea what she's doing? and the bank won't let her leave. As she deals with magical clientele who know the stakes far better than she does, Jessica must decide just how far she's willing to go to keep this job. Because if she doesn't, she'll end up as dead as the body in the lobby. Or worse. Ilona Andrews' Inkeeper Chronicles meets The Magicians in this snarky, fast-paced Urban Fantasy Adventure from International Bestselling Author Kathrin Hutson.

Four identical sisters are prophesied to hold the fate of the entire world in their powerful hands. Meet the Witches of Port Townsend: Moira - A water witch, Moira has always been a healer, but the one soul she can't mend is her own. When a mysterious message promises the chance to answer the questions about her muddy past, she hops on the first plane out of the bayou and right into Conquest's destructive path. Recovering her past will mean fighting the most persuasive man in history for her future. Claire - A fire witch, Claire's a passionate woman cursed by her powers, longing to find someone who can withstand her love. She believes she's forever destined to be alone until she receives a message summoning her "home." The world's most violent man stands between her and her family, and even if she wins the battle, she may lose her heart to War. Aerin - An air witch, Aerin is a ruthless business woman well on her way to ruling the corporate world, until she discovers she not only has three identical sisters, but their fates are entwined with the apocalypse. When she meets Pestilence, an immortal whose destiny is to wipe out entire civilizations, she not only withstands his lethal touch, she craves it.

Tierra - An earth witch, Tierra is all about nature and nurturing her relationships with her newfound sisters. Family means everything to her, and she'll do whatever she must to keep her sisters safe. But unless she can overcome Death himself, humanity's prospects are grim. The de Moray sisters clash with the most dangerous immortals the earth has ever known. Locked on opposing sides of a battle older than time, their fight is only the beginning...of the end. Hocus Pocus is beloved by Halloween enthusiasts all over the world. Diving once more into the world of witches, this electrifying two-part young adult novel, released on the twenty-fifth anniversary of the 1993 film, marks a new era of Hocus Pocus. Fans will be spellbound by a fresh retelling of the original film, followed by the all-new sequel that continues the story with the next generation of Salem teens. Shortly after moving from California to Salem, Max Dennison finds himself in hot water when he accidentally releases a coven of witches from the afterlife. Max, his sister, and his new friends (human and otherwise) must find a way to stop the witches from carrying out their evil plan and remaining on Earth to torment Salem for all eternity. Twenty-five years later, Max and Allison's seventeen-year-old daughter, Poppy, finds herself face-to-face with the Sanderson sisters in all their sinister glory. When Halloween celebrations don't quite go as planned, it's a race against time as Poppy and her friends fight to save her family and all of Salem from the witches' latest death-defying scheme.

Which Witch Is Which?

Paranormal Cozy Mystery

I promised to avenge my parents. But their killer is still on the loose, and he's stolen more than my parents' lives. Now, as he draws closer to his mysterious goals, he's poised to destroy what little I have left. I promised to translate an ancient grimoire. But it holds the secrets of my family--and the secret history of demon summoning. I fear its answers as much as I need them. Who was the foremother of Demonica...and who am I? I promised to send my demon home. But the way he watches me, the way he protects me, the way he touches me--how can I cast him away forever? I swore I would do this for him, but can I? Should I? But I promised--and I will keep my promises even if they cost me my heart, my soul, and my life. Changes are afoot for Emma Hart now that her secret is out and her love life has taken a dramatic turn. With a mayoral election looming and a murderer on the loose, will life suddenly be a bed of roses for the plucky heroine or will she get pricked by the thorns?

A darkly enchanting series from New York Times bestselling author Claudia Gray about a

teenage witch who battles dark forces in her small town, perfect for fans of the Beautiful Creatures and Hex Hall series. A boy cursed with visions that lead to madness. A girl granted the powers to save him. As soon as Nadia arrives in Captive's Sound, she knows something is seriously wrong. The town is shrouded in dark magic, more powerful and complex than she has ever seen. Mateo has lived in Captive's Sound his entire life, trying to dodge the local legend that his family is "cursed" with insanity. When the mysterious girl he has been dreaming of every night appears (Nadia), he fears the curse may be true. But danger is coming, and Nadia and Mateo must work together to stop this unknown force before it destroys everything in its path.

A Touch of Magic

Welcome to Chipping Cheddar, where supernaturals are hidden in plain sight. There's been a discovery of demons. Again. The appearance of a strange plant on the Taskers' farm sends Neville and I straight to the Federal Bureau of Magic database, where we discover that deadly demons are snatching bodies all over town. Meanwhile, with the Day of Darkness looming on the calendar, family tensions abound and I'm reminded once again that I'm the white sheep of this black magic family. Can I put a stop to the Stepford invasion before it's too late or will the demons take up residence in their hosts--permanently?

When a rebel serving in the Army meets the girl of his dreams, he must face an impossible choice as a national tragedy forces them apart in this powerful New York Times bestseller. An angry rebel, John dropped out of school and enlisted in the Army, not knowing what else to do with his life--until he meets the girl of his dreams, Savannah. Their mutual attraction quickly grows into the kind of love that leaves Savannah waiting for John to finish his tour of duty, and John wanting to settle down with the woman who captured his heart. But 9/11 changes everything. John feels it is his duty to re-enlist. And sadly, the long separation finds Savannah falling in love with someone else. "Dear John," the letter read...and with those two words, a heart was broken and two lives were changed forever. Returning home, John must come to grips with the fact that Savannah, now married, is still his true love--and face the hardest decision of his life.

What's a girl to do when meeting The One means she's cursed to die a horrible death? Life hasn't been easy on sixteen-year-old Emma Conner, so a new start in New York may be just the change she needs. But the posh Upper East Side prep school she has to attend? Not so much. Friendly faces are few and far between, except for one that she's irresistibly drawn to--Brendan Salinger, the guy with the rock-star good looks and the richest kid in school, who might just be her very own white knight. But even when Brendan inexplicably turns cold, Emma can't stop staring. Ever since she laid eyes on him, strange things have been happening. Streetlamps go out wherever she walks, and Emma's been having the oddest dreams: visions of herself in past lives--visions that warn her to stay away from Brendan. Or else.
