

Alpha's Seal: An MM Mpreg Romance (The Blood Legacy Chronicles Book 7)

Percy No way was I going to marry someone just because my father said I had to. I was an adult. I could do what I wanted. But not according to my Alpha Father. Apparently, he'd meticulously arranged this marriage for me. I couldn't fathom why he would do such a thing. Curious about the alpha, I snuck up behind him. But he caught me. I ran as fast as my little legs could carry me, but in the end he had the endurance and I didn't. I feared this was the end. Jeff A wolf and a rabbit? Ha! That's a good one. I scoffed as my father informed me about my betrothed. This was a joke, right? I mean, I eat rabbits for breakfast and now you're telling me that I'd be mated to one? That was the best laugh I'd had in a long while. Then I saw my Alpha Father's dead-set eyes and I stopped laughing. Wait? This isn't some kind of twisted April Fool's joke? I was sure this was going to turn out terrible, but I went to the ball our parents set up. We were both from upper-crust society, so it was expected. I expected to have a nice dinner, maybe some dancing and then a nice, heart-to-heart talk with his Alpha Father where we could clear up this little...misunderstanding. What I didn't expect was for him and our babies to be kidnapped. This 15k word story contains an HEA, Mpreg, and babies at the end. Cute babies. Insufferable little tykes that get into all sorts of trouble.

Ages ago, the gods locked away a dangerous, powerful people... but the seal has been broken. The Blood Legacy Chronicles is an mpreg shifter series like you've never seen before. The adventurous journey begins in book one where the portal that separates our realm from that of Fae is broken. Over the course of the series, the legacy pack is slowly brought together and given the monumental task of fixing the rift and saving our world before the Fae come back to beguile, trick, maim and kill. A beguiling mix of fun, fantasy, friendship and family, this series will take your breath away. This bundle contains all seven books in this best selling series--all books are fully re-edited, freshly formatted, and guaranteed to give a serious case of the feels. Four brand-new, never been seen epilogues are included to show you what happened in the years after the ending. Note: this series is a spinoff from The Northern Pines Den from the same author. Included:Alpha's Dream – Seer Clark and Dreamwalker Kent have always known that they were meant to be mates. From their fumbling first time to seeing their powers unfold, you'll find in love with this "super duo"... and their trio of superbabies. Omega Found – A halfling omega and his petite Irish alpha fox will charm you and keep you guessing. Omega's Destiny -- The twins of the super duo from book one, Peter and Parker have been having a secret affair. Little did they know they were jumping the gun on what fate had in store for them. The "spideymen" are entrusted with a precious artifact when visiting the phoenix that will put a temporary fix on the portal. Alpha's Dom – Efficient Jun is an omega dom who isn't quite sure what to do with the large, african alpha that he's been gifted by the fates. As for Tau, his lion patiently adores his feisty, little red panda. Alpha's Charm -- This is an mmm. Cody, Ansh and Kontar have to try and stop the evil, unseelie prince who has slipped into our realm and has plans of his own to take over the world--with the help of a vampiric monk. Omega's Mark – May/December. Sweet, shy Dimi finds himself fated to mate the sexy Aussie alpha, Ethan. Together, they have to fix the problem that was unleashed in book five to do their part of the epic quest. Alpha's Seal – Hippie omega River and Mark, the quiet wolf from Maine have to figure out how to follow the clue and finally repair the rift in the portal--once they learn to trust each other. These books are all intended for 18+ readers only. They contain adults adulating in naughty, knotty ways and enough potty mouth language to make a sailor blush. Keep an eye out for exhibitionist gorgoyles, an adorable phoenix and her faithful brown companion, a powerful goddess, two Fae princes, and a few beloved character appearances from the previous series. This bundle contains the complete series plus bonus epilogues for nearly 200,000 words of fun

With shaking hands, he turned on the bathroom light and stared at himself in the mirror. He couldn't possibly be... they'd used protection every single time! He reached for the waistband of his sweats, but his hand rebelled, landing on his hip instead. What was he going to do? There was no way that Damien was going to be willing to be a part of this. Hell, he'd run all the way to California again. Tommy's lungs burned, and he forced himself to take a deep breath... You never forget your first love... Damien King has made a decent life for himself as an Alpha firefighter in his hometown. Drinking with the crew of Engine #15 and picking bar fights with men who insult omega keeps him from thinking about his past. Back in town for a funeral, the last person Tommy Laurence expects to save him from a burning hotel room is his long-lost heartache, Damien. Seeing his old best friend awakens feelings he had sought to forget, or at least they were best friends... until Damien had confessed his love a decade ago. Damien can scarcely bear to see Tommy, but the attraction is too intense, and he can't seem to stay away. A single steamy night between the two becomes a standing appointment. Damien finds himself torn between the pain of the past and the hope for a future, and when Tommy ends up pregnant, the two can no longer pretend to ignore the deep resentments that exist between them. In this heartwarming 60,000-word gay mpreg romance, Red Hot Daddy, Tommy and Damien rekindle the embers of a forgotten passion and try to build the flames of a long lasting love - for each other and their baby. Intensely passionate, graphic scenes of alpha-omega sex make this book suitable only for adult readers.

An omega raised as a wealthy human in the lap of luxury... A Harley riding alpha who rules a pack of post-growing wolves in a commune... what was fate thinking? Sky Blackwood is an omega wolf who's only ever lived a fabulous, all-too-human existence in the wilds of... Beverly Hills. A place where your best friend will smile in your face while stabbing you in the back if there's money or fame involved. His Gramps told him all about fated mates and the old-school shifters who still live in packs, but those were just stories. Until they aren't. Sold by his family, Sky's saved from the auctioneer's block by Devon-a sexy alpha wolf who looks like surfer Thor, drives an even sexier Harley, and smells like everything Sky never knew he wanted. If fated mates are real, what if all those other stories about packlife are as well? Sky feels like he's on the best adventure ever as he learns to live like a shifter. With Devon's help, he's ready to settle into the peaceful commune life. Only problem? Even paradise can be a camouflage for something darker. Having grown up among people who hid their evil behind friendly smiles and designer clothes, Sky soon realizes Devon needs help if they're to survive the unseen threat. He's not worried, he was taught to "handle people" from the cradle, a few hippies with criminal intentions shouldn't be too difficult, right? The pack's problems are easy to fix, but his real issue... not so much. What exactly is expected of an omega and how is he supposed to actually do it? Fortunately, his mate's brothers know a few omegas who are all too happy to help. The West Coast Wolves is an mpreg series about five alphas. A small pack of bikers who spent years riding the highways and helping those in need until fate gave them each a pack to lead. This 78k full-length novel is Devon's story. Prepare yourself for a dual pregnancy, an omega discovering his power, and her biggest fear is not appropriate during violent scenes. But then again, this is a Susi Hawke book, so what else can you expect?

My Harem Academia (Book One)

He shouldn't want his best friend's fianc... After waking up from a four year long coma, so much has changed around Pedro. His best friend sacrificed his life to save their unit. And Pedro can't understand how Jason's omega fianc, Charlie, seems to be over the loss. To make things complicated, the more time Pedro spends around Charlie, the more he sees what Jason loved about him. But would it be a betrayal of his best friend to claim Charlie for himself?Charlie is ready to live again...Charlie has spent four devastating years lamenting the death of his alpha fianc, but he's learned how to handle his heartache and he knows it's time to move on. So, when newly awakened Pedro insists on consoling him over his loss, he's done. He's worked hard to heal, and he won't let anyone drag him back down. But it quickly becomes clear that there's more to Pedro than meets the eye and as attraction blooms between himself and the wounded alpha, he wonders if he's ready to love again.Pedro and Charlie might be at different places in their grieving, but they both have wounds that no one else can see. And as these friends become closer, they find comfort in one another. But an unexpected complication will make them question just what they want together. Are they ready to move forward, or are their hearts forever trapped in the past?

"As much as I felt bad for this Elisha person-God, my heart was breaking for the young man and all he'd been through-I was also angry. I'd left that pack in my reaview ten years ago for a good reason." Matthias Longclaw is happy living his life on the back of his beloved Harley with his five best friends and brothers-in-arms at his side. The West Coast Wolves are a rare pack of alphas, made up of unwanted orphans and second-born sons. The packs they were born to may not have wanted them, but they've built a solid family of their own. They help where they can, doing random acts of kindness and expecting nothing in return, just helping to build a world they want to live in. Then Matt gets a call from an old childhood buddy. He's being called back to help in the process. The problem is... to do it, he will have to take a mate. And if he refuses? The omega will die. Torn between his duty to help others and his resentment of his old pack, Matt never expects for Elisha White to fill his world and change everything. Can Matt and Elisha rebuild a broken pack while tending to a new love and a growing family while dealing with outside threats from neighboring packs? They're wolves. Strong, and willing to do what it takes when their community needs them... whatever it takes. This is the first in a new mpreg series about finding joy in a hard world, building family, and discovering that life can surprise a person when they least expect it. Although this world has harsher themes than my previous books, it still has the same hearty good mood. Plus a dose of my irreverent humor and all the naughty, knotty heat that comes with true mates. Be sure to read the author's note at the beginning for possible trigger warnings.

Where there's "Smoke," there's bound to be fire. Former SEAL Steve "Smoke" Tannen is finding the transition back to civilian life more of a challenge than he'd expected. Not only is he dealing with the aftereffects of a horrific ordeal overseas, he doesn't know what normal is anymore. When his former team leader enlists his help in a project to help other vets, Steve doesn't hesitate to sign on with a new team. Samantha Appelhoff dreams of owning her own coffee and bake shop, but a persistent stalker and dark rumors about her past aren't making things easy. When the sexy, chivalrous guy moves in next door, she plans to keep her distance, but that's hard to do when he keeps showing up and being less expected but always just when she needs him. Are they just nice neighbors or could they be something more apart from friends? The attraction is instant and their connection is real, but is that enough to convince Steve and Sam they can have their own happy ending?

A secret marriage, a secret baby, and a secret mate--will Owen and Caleb ever find out they are meant to be? Caleb My stepbrother, Owen, is a beautiful, young omega, and I'm going to make him mine. I never thought I would find my omega so close to home. When my mother married his father, Owen became my stepbrother. Now his father's scheming is keeping us apart. I won't allow that. Owen is mine. No one will have him but me. Owen So much has happened since my father married Caleb's mother. We're stepbrothers, but we're so much more. My life is so complicated now. A secret marriage and a secret baby don't make it any easier for me to figure out what I feel for this gorgeous, domineering alpha. Is this real? Could we be fated for each other, or will my father's threat of an arranged marriage keep me apart from my alpha, the man I love?

Can a Secret Heartache

Can an ex-soldier reclaim his love before their chance at happiness is gone? Even though he's an omega wolf, Luca Santiago has managed to turn himself into a wildly successful business tycoon, buying struggling hotels and making them profitable again. But things get complicated when a hotel he's trying to buy belongs to the family of alpha wolf Griffin Kent. Griffin won his heart years ago...before leaving him to join the military. He's the one man Luca has never been able to forget. Once again, Luca is helpless to resist Griffin's alpha charms. The wolf shifter effortlessly brings out all the omega traits Luca has hidden away to achieve success. Their passion blazes up from where they'd left off, but loving Griffin brings out all Luca's vulnerabilities again, and after a scorching-hot night together, everything in his life is about to change forever. After Griffin was wounded and honorably discharged from the military, he returned to his hometown to care for his ailing parents. Griffin is a different man now, struggling with his own demons and under pressure to conform to the bandays of an alpha. His father refuses to sell the family hotels because he wants his son to take over his legacy. Griffin doesn't want anything to do with the business. What he wants is Luca, and this time, he's going to keep him. But when Luca ends up pregnant with Griffin's child, he fears he's not ready to be a father because of his wounds and past mistakes. He's already lost Luca once, and it's looking as if his fears of being a bad father might be driving Luca away again. And this time, he's not sure his heart can take losing the omega he's come to love... Reader note: contains M/M Mpreg, wolf shifters, hot romance elements, and male/male love Sawyer thought the secret he's been hiding could tear his world apart. Hopefully the death of his wife will give Timothy the life he's always wanted. Timothy has spent his entire life being told he isn't strong enough. In a desperate, last ditch effort to earn his boss's approval, the young omega enlists in a training camp for the special wolf forces branch of the military. But when everything goes wrong, Timothy decides it might be time to cut ties with his wolf side forever. Christopher has spent his entire life trying to prove he's the strongest. He's worked hard to rise through the ranks of the military, building walls around himself to make him untouchable. All he wants is to protect those he cares about and take over the pack as a strong alpha. The special wolf forces seems like the perfect opportunity to do that. Four years ago, Timothy and Christopher's worlds collided, and one night changed the course of their lives forever. Brought together and broken apart, their paths cross again four years later. Full of guilt, hurt, and with misunderstanding thick between them, their reunion isn't an easy one. Timothy never intended to see Christopher again, and while Christopher is ecstatic to be reunited, there's just one problem; Timothy is pregnant and has no idea who the father is.

An omega wolf has a chance at the greatest prize ever! the love of an alpha king! Darius Wolf, the powerful alpha king of the shifter nation of Anderburg, thought his palace was impenetrable. So imagine his surprise when he enters his bedchamber and finds a thief looting the family jewels. The little American looks nothing like a criminal. He's small, lithe, and delicately beautiful!and he's an omega wolf. Despite his beta blood, Darius is enamored with the cheeky omega and decides to show him mercy instead of a dungeon. But some nobles aren't as amused by the little thief's antics. Or by Darius's taste in companions. Johnny Hughes is stuck in Anderburg after his money and passport are stolen by thugs who put him in the hospital for what he is. And now, it's either steal or starve. He knows his relationship with the gorgeous alpha king is pure sport, but he'd be a fool to turn down accommodations like these!or as long as the king finds him amusing. And if he's falling in love with the king? No one ever needs to know. Especially not Darius. Or the nobles who believe that a common omega and a thief is cheating them out of the power they want for themselves. But when a reckless night of passion leaves Johnny with child, everything becomes far more real. Darius is bound by duty to the realm and beset by betrothals from noble wolf packs vying for a royal match for their daughters. But the kingdom will never yield that honor to an omega, much less allow one to bear the king's heir! An alpha prince ready to find his fated mate. A Selkie who wishes he wasn't omega-born... Unlike his brothers, Prince Adrian, the dutiful second-born son to the King of the North, looks forward to finding his true mate and producing an heir. Until he stumbles across a beta guard with an enticing scent. Del never wanted to be an omega. All his life, he's only wanted one thing: to serve as a Royal Guard. Though forbidden, he found a concocation to mask his omega scent and was successful until his dwindling supply caused the alpha prince to discover his deception. Rian not only breaks every cherished royal tradition, but ends up hiding Del until he can figure out the reason for the attraction between them. However, one selfish mistake puts them in a precarious position they can't escape. Their reckless actions have them worried they'll be banished from the Selkie community. Rian needs a plan to convince his father to accept his mate before he has to risk everything he's ever known and loved for their future. Because, no matter what the king says, Rian will not give up Del. Note: A 60k-plus word m/m shifter mpreg story, this is the second book in the Royal Alpha series. Due to the "knotty" times in this book, it is recommended for mature readers only. It can be read as a standalone and, of course, has an HEA.

Welcome to Drake Street. A cultural hub where artists, performers (and a few manic depressives) have found their home, or at least, their haven. Konrad According to my benefactor, Clara Anaheim, I'm the most exciting thing that's about to happen to the art world, and Drake Street. As a dragon shifter, I'm also part of Drake Street's underground flight, Clara's second own dragon community of needy outcasts. Being an artist isn't glamorous. A new guy every other night, attracted to my art and not me. No one to reassure me that my art isn't as empty as the dozens of wine bottles scattered around my apartment... When Shaeffer arrives at Drake Street, I'm sure he's just like the others. His eyes light up when he looks at my art, and at me, but I can't trust it. I've been down this road before. Shaeffer On Drake Street, I've been able to make myself into something I've always dreamed. My past, the old Shaeffer, is all behind me. I don't have many friends and no family. Here on Drake Street, I'm alone, surrounded by beauty, culture-and art. Modeling isn't fulfilling, but it pays well and I'm wanted... but not for who I am. I can hide behind this faade easily enough, and I'll never let anyone close enough to hurt me. But there's something about Konrad that makes me want to demolish all those walls I've spent so much time building. When an accident with a pyrotechnic display leaves Drake Street's most promising talent blind, Clara calls for the community to rally behind him. But Shaeffer is the only one who volunteers to care for the injured dragon. Can these two wounded souls work together to forget the past? Or will old hurts drive them apart...

As a surgeon with the non-governmental organization Borderless, he travels between war zones patching up bodies torn apart by human cruelty. When he's taken hostage, he figures it's just one of the risks he accepted when he took the job. Alpha Navy SEAL Dave Hopper isn't impressed by guys who get taken hostage without a fight, nor by doctors who've had everything in life handed to them on a platter - no matter how beautiful. He definitely has no time for so-called "Hollywood royalty". A chance encounter has them admitting they might have more in common than they thought as cultures clash in SEAL of Trust. This tense and simmering 80,000-word omegaverse tale contains explicit scenes of alpha/omega gay paranormal romance. Adults only!

A lonely omega. An ageing alpha. Valen's alpha, too, and he wants them both. Sam Brentwood had everything... and he's lost it all. At eighteen, he left the love of his life. At nineteen, he miscarried Valen's baby. These days, Sam's hidden his heart away, working multiple jobs to afford a house. Valen Tolstoy has a secret--two, actually. One: he's never stopped missing his omega. Two:

he's dating the station's second-in-command. Harris is two decades older than Valen, richer and better than Valen can possibly be. Sooner or later, Harris will realize Valen's not worth hanging around, and he'll leave. Ten years ago, Harrison Fields lost his family. Afraid of risking his heart with another omega, he's tumbled into bed with someone just as risky-his subordinate, the fire chief's son. But Valen is young, rough, and they don't always get along. So Harris hires a private instructor, Valen to tighten their relationship. To Valen's shock, the chef Harris hires... is the omega who left him, the only omega he's ever loved. Worse, Sam's in heat, and it flings Valen into a rut. When the embers from their steamy night cool, Sam discovers that he's pregnant with Valen's child. Afraid of a relationship, he tries backing away--only to find that the two alphas he met... won't let him go.

Justin knows he's a lucky guy. He might live with his parents and work at their winery, but he's an omega living in a community of alphas and omegas. He doesn't have to hide who he is, he's got a great job doing something that he loves and he lives in some of the most beautiful country in the world. The problem is that once Aaron, a local alpha, declared his interest, none of the other local alphas were willing to get in Aaron's way. It doesn't matter that Justin's not interested in Aaron; as long as Aaron refuses to take Justin's "no" for an answer, Justin will have to stay single. When an injured alpha staggers in, carrying a small child with him, Justin isn't thinking about mating or about Aaron. He thinks that Eric is someone who needs help. Eric has escaped something terrible down in West Virginia, and lost his mate in the process. If Justin gets a little attached, that's his only natural. When Aaron's jealousy starts to endanger Eric and his child, will Justin have to make a desperate choice to save them?

Accidentally Wolf For veterinarian Cora Welch, being bitten by a young injured wolf wasn't the best day of her life, nor the raging fever that followed. However, finding herself faced with a naked man proved even more than she had ever bargained for. Zayn couldn't believe what his inner wolf was telling him when he first saw the human doctor Cora, standing in nothing but a towel. The last thing he wanted was a mate, especially an accidental one. And at a time when danger seemed to be coming at the Mystic Pack from an unknown source, it just wasn't in his plans. All he had to do was get Cora through the fever, keep her safe from the other pack, and keep his hands to himself. But nobody told him he'd have to fight a mating urge so strong within himself, that it was a losing battle. Now, he has to explain to Cora that he accidentally marked her for a second time, making her just like him. Cora knew something was not right in her world the moment she wanted to climb her rescuer like a tree. Hearing Zayn tell her she was now a werewolf, like him and his pack, she realized she he had to do. If her new mate still wanted her, after he heard about her family, Cora knew he'd be happy to be an accidental wolf. His Perfect Wolf Niall Malik is alpha of the Mystic Wolves. His life revolved around protecting his pack and his. He planned to do this alone until finding an injured woman who stirred more than just his wit. When Alaina Strop woke in the tattooed arms of a strange wolf shifter, all she could think of was getting closer. Having no memory was a small thing compared to the feelings she had for the growling man. Before she could give her mind and body to him, she needed to find out who she was, and be sure she didn't belong to another. Though deep in her soul, she knew she was Nialls. Danger came to Mystic as Alaina's memory returned and her father came to claim her for another wolf. But Niall, the big bad alpha, had found his perfect wolf, and wasn't about to let her go, no matter the cost. He married a man he had never met. The worst thing he could do was fall in love... Prince Suriya never expected to marry. When his beloved sister dies shortly before her wedding, he agrees to take her place and marry a man he's never met. As consort, he has one duty: to produce an heir for his husband and seal the alliance his people so desperately need. But Suriya carries a secret that holds him back from bonding with his new alpha, even as Emperor Kenosi proves to be far more kind, patient, and handsome than Suriya dared to dream. Alone in a strange country, Suriya struggles with the demands of duty and the increasingly urgent needs of his heart as his secret threatens both his nation's safety and his own future. After all, what use is a consort who can't bear a child? This MM non-shifter omegaverse romance features an arranged marriage, a gentle alpha, an age gap, discussion of mpreg, and a happy ending.

Some rules are made to be broken. My name is Lucian Luck-but don't let it fool you. Fortune rarely smiles upon me. I've survived my hard-knock existence by the skin of my teeth. When a mistake puts me at death's door, I'm spirited away to Nitehelm's Wilderness Academy for shifters. The Wilds are a carnal place and the academy is no exception. Divided into four houses, the students make the rules-and here, only the strong survive. I can't tell if starting over in this strange world is a blessing or a curse. Yet when three powerful, handsome men from rival houses get their hands on me, I feel my luck start to change. There's only one problem: dating between houses is forbidden. Saber, Renard, and Tobias are hotter than I can handle, and when we collide, rules are broken and sparks fly. Each of them wants a piece of me, and I'm more than happy to share. But their companionship-and devotion-puts a target on my back. What's worse, I learn my mortal life was a lie-and unsurprisingly, the truth isn't any better. There's a monster inside of me, and if I don't learn how to control it, I can kiss my men and my new life goodbye. INITIATION is the first novella in Xya Olsen's My Harem Academia series. Follow Lucian and his mates as they claim and fight for their happily ever after. This story is filled with love, magic, action, steamy m/m(+) scenes, and features harem and (in later books) mpreg. (Suitable for ages 18+)

Fate doesn't use dating apps to pair true mates...except when it does.Alpha Brad Galway is a hot successful lawyer and Beta of his Den with omegas throwing themselves at his feet. From the outside, it appears as though he has everything he could possibly desire. Inwardly, he has a bear clawing to get out-no longer willing to stand by and let his mate go unclaimed. But there's a problem with his bear's plan. Brad doesn't know who or where he is, just that they crossed paths in an airport over a year ago. If he doesn't figure out how to control his bear soon, he risks losing everything-including his life.Human omega Gabe Rafferty is excited to start his new job as a professor of English Lit. Ever since a layover in an airport last year, he's felt like his luck has changed. He can't explain how or why...but something happened that day, and everything from that point was onward and upward. He just wishes he had someone to share it with.When Gabe is talked into using a dating app, he isn't expecting much until he stumbles onto profiles that are fixated on the TV series, Shifter World. And he definitely isn't anticipating the smoldering alpha who recaptures that feeling he experienced at the airport. Sparks fly, feelings grow, and their worlds are turned upside down in the very best of ways, but is it too late for Brad's bear?Matched To His Bear is the second book in the sweet with knotty heat Dates of Our Lives, an M/M mpreg shifter dating app romance brought to you by the popular co-writing duo of Lorelei M Hart and Colbie Dunbar. It features a human who stumbles into a world he never knew existed thanks to a silly little soap opera, an alpha who is losing his humanity, a stalker bear who turns out to be more trouble than anyone could've suspected, and an adorable baby. An awkward, traumatized omega and a patient alpha determined to court him properly...fate has a way of righting old wrongs. Stolen from his mother's arms and reported stillborn at birth, Tom spent nearly twenty-one years in structured captivity with other stolen omegas. His brothers. A dozen omegas, each with a secret superpower, who now must learn a whole new skill-how to thrive in a modern world. Not every brother emerged from their past unscathed, and Tom had the worst of it. His key to survival was a healthy respect for rules. Now that he's free, he's still a little bit obsessive and a whole lot compulsive. He's got anxiety, fear of change...and a list of plans for his future. None of which involved finding a fated mate. But if they had? His plans definitely wouldn't have been to meet his dream alpha while smelling of afterbirth and the blood of an enemy killed in defense of his pregnant brother-the same brother whose child he then had to deliver... post-shift and naked. If he'd been planning, if he'd made a list and checked it twice, Tom never could've designed an alpha more perfectly devoted than the delicious one fate put in front of him during one of the craziest days of his life... an alpha so patient, he insists on courting the skittish omega. The West Coast Wolves is an mpreg series about five alphas. A small pack of bikers who spent years riding the highways and helping those in need until fate gave them each a pack to lead. This 85k full-length novel is Nick's story. Prepare yourself for a romantic courtship, a perfect first kiss, and more feels and giggles than you can handle. But then again, this is a Susi Hawke book so what else can you expect? Possible triggers for child abduction, trafficking both past and present, and haunting memories of past abuse that included both humiliation and the non-penetrative molestation of a teenager by a person in authority.

It's one thing to live the life you've always dreamed, but secrets have a way of ruining everything. Growing up rough has made Eli into the man (and wolf) he's always wanted to be. After a life on the streets in the hardest parts of the city, Eli's road to a place of respect in the community has been a rocky one, but one that he's proud of. Opening Wild Hearts Community Center with his best friend Hunter gave Eli a sense of purpose, and creating a space for youth growing up the same way he did has helped him carve out a slice of territory in the city and shelters the pack he calls family. But what makes it all worthwhile, is having Hunter by his side. But what Hunter doesn't know, is that beneath years of friendship and camaraderie, Eli is hiding from something that could tear everything they've worked so hard to achieve to pieces. Unaware of his friend's deeply held secrets, Hunter is trying to live his own life, not knowing that every move he makes is breaking Eli's heart. Can Eli risk losing Hunter, and everything they've built together, or will he be strong enough to face his fears and reveal his heart. Either way, he'll have to defend everything he's built and hope that his heart won't be trampled along with his dreams. An Alpha's Heart is a steamy and growly m/m gay romance featuring hot shifter men working to better their community and live their own truth. This book contains adult language, sensual scenes of gay sex and is best enjoyed by readers over the age of 18.

From New York Times bestseller Lexi Ryan comes a sexy new standalone romance in the bestselling Boys of Jackson Harbor series. Meet single dad Easton Connor as he leaves the NFL and returns to Jackson Harbor to fight for another chance with the love of his life. *** I don't regret much. Not my decision to enter the NFL draft before finishing college. Not fighting for custody of my daughter—even if, biologically speaking, it turns out she's not mine. And certainly not seducing my buddy's little sister ten years ago. But when it comes to Shayleigh Jackson, my no-regrets attitude stops there. I screwed up royally where she's concerned. Then I made another mistake when I let her shut me out of her life. Now after more than a decade living in different time zones, I'm coming home to Jackson Harbor. My first priority is keeping my daughter away from the media circus in Los Angeles, but the moment I see Shay, I know something else brought me back here. Now I'll stop at nothing to win her back. So what if she won't speak to me? So what if she's changed? So what if she's fallen for some douchebag professor? I've never gotten over her, and I know she feels the same about me. I've let her go twice. I won't make that mistake again. If It's Only Love and all other books in this series can be read as standalones, but you'll enjoy reading them together. The Boys of Jackson Harbor 1 - The Wrong Kind of Love (Ethan's story) 2 - Straight Up Love (Jake's story) 3 - Dirty, Reckless Love (Levi's story) 4 - Wrapped in Love (Brayden's story) 5 - Crazy for Your Love (Carter's story) 6 - If It's Only Love (Shay's story)

He was a drug I couldn't kick. I'd overdosed on him before. It didn't turn out well. I was stupid enough to let him crack my heart, in hopes we would fall off the same cliff together. No matter how much my idiotic heart wanted to love him, my head knew better. He didn't choose me. He chose her. That's where the problem started. Maybe that's how it should end.
