Babushka's doll was special. She had played with it only once, when she was a little girl like her high-spirited granddaughter, Natasha. Now Babushka is going to the store and it's Natasha's turn to take the little doll down from the high shelf. When the naughty doll comes to life -- and is even more rambunctious than the little girl herself -- Natasha finds out why playing once with Babushka's doll is enough! Patricia Polacco's beautiful illustrations capture the warmth, humor, and timeless spirit of her magical tale.

Celebrate Earth Day with Dr. Seuss and the Lorax in this

Read Book Around The World
Art Activities: Visiting The 7
Continents Through Craft Fun

classic picture book about protecting the environment! I am the Lorax. I speak for the trees.

Dr. Seuss's beloved story teaches kids to speak up and stand up for those who can't. With a recycling-friendly "Go Green" message, The Lorax allows young readers to experience the beauty of the Truffula Trees and the danger of taking our earth for granted, all in a story that is timely, playful and hopeful. The book's final pages teach us that just one small seed, or one small child, can make a difference. Printed on recycled paper, this book is the perfect gift for Earth Day and for any child—or child at

heart—who is interested in recycling, advocacy and the environment, or just loves nature and playing outside. Unless someone like you cares a whole awful lot, nothing is going to get better. It's not. "Pretty much all the stuff you need to know is in Dr. Seuss." –President Barack Obama

"How I long to sail!" said the tiny snail. One little snail longs to see the world and hitches a lift on the tail of an enormous whale. Together they go on an amazing journey, past icebergs and volcanoes, sharks and penguins, and the little snail feels so small in the vastness of the world. But when disaster strikes and the

Continents Through Craft Fun

whale is beached in a bay, it's the tiny snail's big plan that saves the day. The Snail and the Whale is a delightful tale of adventure and friendship by the unparalleled picture-book partnership of Julia Donaldson and Axel Scheffler, creators of The Gruffalo. This handy board book format is perfect for younger readers. It features the classic story with a stunning new cover design and beautiful finish, making it a must-have for even the smallest Donaldson and Scheffler fans! Also available in board book format and with striking new cover designs are: The Gruffalo, The Gruffalo's Child, Room on the Broom, The

Precious Ramotswe tracks down a thief who has been stealing her classmates' snacks.

A complete multicultural art activities program to introduce grades 5-12 to the art styles and customs of more than 35 cultures around the world, this spiral-bound book helps young adults develop respect for all people. Nearly 200 drawings, photos, and color prints are included from Africa, the Middle East, Asia, Europe, the United States and Canada, and Latin America.

Planes, trains and automobiles - plus the odd alien spacecraft, make this the ideal colouring book for creative boys. Packed with fantastic drawings to colour, The Boys' Colouring Book will keep bored boys occupied on many a rainy day.

make a mark and see where it takes you." Art class is over, but Vashti is sitting glued to her chair in front of a blank piece of paper. The words of her teacher are a gentle invitation to express herself. But Vashti can't draw - she's no artist. To prove her point, Vashti jabs at a blank sheet of paper to make an unremarkable and angry mark. "There!" she says. That one little dot marks the beginning of Vashti's journey of surprise and self-discovery. That special moment is the core of Peter H. Reynolds's delicate fable about the creative spirit in all of us. In English for the first time, a wild and darkly funny book that combines Surrealist painter Leonora Carrington's fantastical writing and illustrations for children The maverick surrealist Leonora Carrington was an extraordinary painter and storyteller

(Williamson Little Hands Series)

who loved to make up stories and draw pictures for her children. She lived much of her life in Mexico, and her sons remember sitting in a big room whose walls were covered with images of wondrous creatures, towering mountains, and ferocious vegetation while she told fabulous and funny tales. That room was later whitewashed, but some of its wonders were preserved in the little notebook that Carrington called *The Milk of Dreams*. John, who has wings for ears, Humbert the Beautiful, an insufferable kid who befriends a crocodile and grows more insufferable yet, and the awesome Janzamajoria are all to be encountered in *The Milk of Dreams*, a book that is as unlikely, outrageous, and dreamy as dreams themselves.

symbols drew attention to how reality is represented through such visual signs, and how we interpret them. This exhibition catalogue accompanies the first show to concentrate in depth on a single subject by Johns--Numbers--and it brings together painting, drawing, collage, and printmaking from all periods of his career, focusing on the years between 1955 and 1979. Included are an in-depth essay by curator Roberta Bernstein, who has written extensively on Johns, color plates of all the works in the exhibition, illustrations of other important works, and a list of all works by Johns on the subject, organized by theme.

An engaging activity book that gives primary school children a way into how contemporary artists think

and create by way of fun ideas for making their own art

Parents, teachers, and caregivers looking for ideas on how to get children outdoors and instill in them a love of nature can find more than 75 creative crafts, games, and activities using objects that kids can collect from nature in this idea book. As children make race cars out of rocks, create paint from plants, and assemble funny grass masks, they learn to be environmentally friendly—absorbing information on recycling, reducing waste, and inspiring others to protect nature. Organized by the various natural materials needed, the crafts offer a new twist on perennial homemade gifts and school projects.
