In this special collectors' edition, books 22 to 24 are brought together in one fabulous volume. In *ASTERIX AND THE GREAT CROSSING*, a storm blows Asterix and Obelix off course. Luckily they land on the shores of a Roman colony - or is it? Teepees, totems, gobbling birds: it's not what they're used to. Julius Caesar sends Caius Preposterus, graduate of the Latin School of Economics, to corrupt the indomitable Gauls in *OBELIX AND CO*. Obelix's menhir trade is soon thriving - but does wealth bring happiness? In *ASTERIX IN BELGIUM*, the Gauls compete with the Belgian tribes to determine who is the bravest. But if the two groups unite, will Caesar meet his Waterloo? There is no better way to enjoy the antics of our indomitable hero and his friends. In this special collectors' edition, three great Asterix albums are collected in one fabulous volume for the first time ever. In *ASTERIX AND THE ACTRESS*, Asterix and Obelix celebrate their joint birthday party - and some surprise guests have been invited! *ASTERIX AND THE CLASS ACT* contains 14 stories, including tales of the day Asterix and Obelix were born (in the middle of a village fist fight). In *ASTERIX AND THE FALLING SKY*, the Gauls' one fear - that the sky may fall on their heads - looks like it might come true... There is no better way to enjoy the antics of our indomitable hero and his friends.

Cacophonix's tuneless singing always makes it rain - which is just what they want in Rajah Watzit's distant Eastern kingdom. The guru Hoodunnit has threatened to end a terrible drought by sacrificing lovely Princess Orinjade. Can the Gauls, flown in on the fakir Watziznehm's magic carpet, rescue her? The bard's finest hour has come.

The Appalachian Trail is America's most beloved trek, with millions of hikers setting foot on it every year. Yet few are aware of the fascinating backstory of the dreamers and builders who helped bring it to life over the past century. The conception and building of the Appalachian Trail is a story of unforgettable characters who explored it, defined it, and captured national attention by hiking it. From Grandma Gatewood--a mother of eleven who thru-hiked in canvas sneakers and a drawstring duffle--to Bill Bryson, author of the best-selling *A Walk in the Woods*, the AT has seized the American imagination like no other hiking path. The 2,000-mile-long hike from Georgia to Maine is not just a trail through the woods, but a set of ideas about nature etched in the forest floor. This character-driven biography of the trail is a must-read not just for ambitious hikers, but for anyone who wonders about our relationship with the great outdoors and dreams of getting away from urban life for a pilgrimage in the wild.

When Tortuous Convolvulus, Caesar's agent, uses psychological warfare to turn the Gauls against each other, Asterix, Obelix, and Getafix must try to outwit him and bring order back to the village.

A cowboy who shoots faster than his own shadow, his sarcastic horse - this is the Old West at its funniest. The fourth volume of the collected adventures of the Lonesome Cowboy in glorious hardback format!

We find "Asterix in Switzerland" as the indomitable Gaulish warrior yodels in the Alps, has plenty of holey cheese, and stumbles upon Helvetica. Then, the villagers are tempted with "The Mansion of the Gods" with all the modern luxuries of Rome when a new housing development threatens to urbanize (and Romanize) their humble tribe. Finally, it is a true Roman circus as Obelix and Asterix head to Rome to get a key ingredient to the Chieftain's soup, Caesar's Laurel Wreath. What will become of "Asterix and the Laurel Wreath" and will Rome ever be the same? These three classic graphic novels are newly translated especially for an American audience.

Wonder Woman. Asterix the Gaul. Watchmen. These popular comics, and many others, use classical sources, narrative patterns, and references to enrich their imaginative worlds and deepen the stories they present. This volume explores that rich interaction. Son of Classics and Comics presents thirteen original studies of representations of the ancient world in the medium of comics. Building on the foundation established by their groundbreaking Classics and Comics (2011), George Kovacs and C. W. Marshall have gathered a wide range of essays with a new, global perspective. Chapters are helpfully grouped to facilitate classroom use, with sections on receptions of Homer, on manga, on Asterix, and on the sense of a "classic" in the modern world. All Greek and Latin passages are translated. Lavishly illustrated, the volume significantly widens the range of available studies on the reception of the Greek and Roman worlds in comics, and deepens our understanding of comics as a literary medium. Son of Classics and Comics will appeal to students and scholars of classical reception as well as comics fans.

The Eagle and the Scorpion feel an irresistible attraction for one another... but will they share their first kiss and track down the mysterious "Codex Bellum" before Giuseppe and Sophia tear each other into beautiful little pieces?

NOW A NEW YORK TIMES BESTSELLER The job of the skin is to keep it all in... On the island of Here, livin's easy. Conduct is orderly. Lawns are neat. Citizens are clean shaven-and Dave is the most fastidious of them all. Dave is bald, but for a single hair. He loves drawing, his desk job, and the Bangles. But on one fateful day, his life is upended...by an unstoppable (yet pretty impressive) beard. Whereas in English-speaking countries comics are for children or adults "who should know better," in France and Belgium the form is recognized as the "ninth art" and follows in the path of poetry, architecture, painting, and cinema. The bande dessinée [comic strip] has its own national institutions, regularly obtains front-page coverage, and has received the accolades of statesmen from De Gaulle onwards. On the way to providing a comprehensive introduction to the most francophone of cultural phenomena, this book will consider national specificity as relevant to an anglophone reader, whilst exploring related issues such as text/image expression, historical precedents, and sociological implication. To do so it will present and analyse priceless manuscripts, a Franco-American rodent, Nazi propaganda, a museum-piece urinal, intellectual gay porn and a prehistoric warrior who's really Zinedine Zidane. Presents a collection of stories that focuses on the whimsical adventures and misadventures of little Nicolas and his friends, both in school and out.

Comics are a pervasive art form and an intrinsic part of the cultural fabric of most countries. And yet, relatively little has been written on the translation of comics. Comics in Translation attempts to address this gap in the literature and to offer the first and most comprehensive account of various aspects of a diverse range of social practices subsumed under the label 'comics'. Focusing on the role played by translation in shaping graphic narratives that appear in various formats, different contributors examine various aspects of this popular phenomenon. Topics covered include the impact of globalization and localization processes on the ways in which translated comics are embedded in cultures; the import of editorial and publishing practices; textual strategies adopted in translating comics, including the translation of culture- and language-specific features; and the interplay between visual and verbal messages. Comics in translation examines comics that originate in different cultures, belong to quite different genres, and are aimed at readers of different age groups and cultural backgrounds, from Disney comics to Art Spiegelman's Maus, from Katsuhiro ?tomo's Akira to Goscinny and Uderzo's Astérix. The contributions are based on first-hand research and

exemplify a wide range of approaches. Languages covered include English, Italian, Spanish, Arabic, French, German, Japanese and Inuit. The volume features illustrations from the works discussed and an extensive annotated bibliography. Contributors include: Raffaella Baccolini, Nadine Celotti, Adele D'Arcangelo, Catherine Delesse, Elena Di Giovanni, Heike Elisabeth Jüngst, Valerio Rota, Carmen Valero-Garcés, Federico Zanettin and Jehan Zitawi.

A fascinating survey of popular culture in Europe, from Celtic punk and British TV shows to Spanish fashion and Italian sports. • Makes connections between pop culture in Europe to that of the United States • Provides further readings and a bibliography at the end of the work • Includes sidebars throughout the text with additional anecdotal information • Features appendices with top-ten lists of songs, movies, and books
