The project that captured a nation's imagination. The instructions were simple, but the results were extraordinary. "You are invited to anonymously contribute a secret to a group art project. Your secret can be a regret, fear, betrayal, desire, confession, or childhood humiliation. Reveal anything -- as long as it is true and you have never shared it with anyone before. Be brief. Be legible. Be creative." It all began with an idea Frank Warren had for a community art project. He began handing out postcards to strangers and leaving them in public places -- asking people to write down a secret they had never told anyone and mail it to him, anonymously. The response was overwhelming. The secrets were both provocative and profound, and the cards themselves were works of art -- carefully and creatively constructed by hand. Addictively compelling, the cards reveal our deepest fears, desires, regrets, and obsessions. Frank calls them "graphic haiku," beautiful, elegant, and small in structure but powerfully emotional. As Frank began posting the cards on his website, PostSecret took on a life of its own, becoming much more than a simple art project. It has grown into a global phenomenon, exposing our individual aspirations, fantasies, and frailties -- our common humanity. Every day dozens of postcards still make their way to Frank, with postmarks from around the world, touching on every aspect of human experience. This extraordinary collection brings together the most powerful, personal, and beautifully intimate secrets Frank Warren has received -- and brilliantly illuminates that human emotions can be unique and universal at the same time.

A rhyming story about a parent's unlimited love for a child--in the same format as the bestselling book I Love You Through and Through, and with pictures by the same illustrator. "How do I love you? Let me count the ways. I love you as the sun loves the bright blue days . . ." In this board book with padded covers, a parent declares her love...as the bees love a flower, a duck loves a shower, a bird loves to sing, a bear loves the spring. Written by Newbery-award-winning author Marion Dane Bauer, inspired by the poem by Elizabeth Barrett Browning, and with pictures by Caroline Jayne Church, illustrator of the bestselling I Love You Through and Through.

Makes a perfect gift! This is a gift that would be useful for your special person, couple or family. This Journal has a summary Bucket list and detail pages for you to fill in your Bucket list with 100 ideas, Target date and space to write experiences and a Tick box when complete. Beautiful black cover with 110 pages. Convenient size of 6 x 9 inches. In the straits of necessity, sometimes there isn't room for freedom. The Price of Silver is the second book in Josie Jaffrey's Solis Invicti paranormal romance series, set in a dystopian, post-apocalyptic London where a deadly infection threatens to wipe out humanity. The only people who can stem its advance are the Silver, a vampiric race who offer simple exchange: protection in return for blood and subservience. Emmy is fenced in by the city, the walls marking the edge of safety closing in around her and sealing her in with one vampire who loves her and another who wants her. As she struggles to keep herself and the people she cares about alive, her fellow humans chafe against their enforced submission, and it becomes clear that there are bigger schemes and greater deceptions in play than she had ever imagined. All the while, the monsters wait outside the barricades for their moment. Of one thing she is certain: with help of the Silver, the humans won't be safe for long.

Amelia Bedelia goes to school and mixes up just about everything in this bright and funny picture book about the childhood of the iconic character. In the first book in the nationally bestselling series about the childhood of America's favorite literal-minded housekeeper, Amelia Bedelia is sure that she will absolutely love school—after all, what's not to love? But after hopping on the bus "just like a bunny" (hurry up, sweetie!), confusing her name tag with a game (we are not playing tag), and gluing herself to her seat (oh, dear), Amelia Bedelia discovers that what she takes for granted is not always the way the world works. Still, friendships are formed, lessons are learned, and projects are completed, and through it all Amelia Bedelia's teacher, Mrs. Edwards, offers gentle guidance and an open heart. The Amelia Bedelia books have sold more than 35 million copies!

"Laser-cut writing and a stunning intellect. If only every writer made this much beautiful sense." —Lisa Taddeo, author of *Three Women* "Amia Srinivasan is an unparalleled and extraordinary writer—no one X-rays an argument, a desire, a contradiction, a defense mechanism quite like her. In stripping the new politics of sex and power down to its fundamental and sometimes clashing principles, *The Right to Sex* is a bracing revivification of a crucial lineage in feminist writing: Srinivasan is daring, compassionate, and in relentless search of a new frame." —Jia Tolentino, author of *Trick Mirror: Reflections on Self Delusion* Thrilling, sharp, and deeply humane, philosopher Amia Srinivasan's *The Right to Sex: Feminism in the Twenty-First Century* upends the way we discuss—or avoid discussing—the problems and politics of sex. How should we think about sex? It is a thing we have and also a thing we do; a supposedly private act laden with public meaning; a personal preference shaped by outside forces; a place where pleasure and ethics can pull wildly apart. How should we talk about sex? Since #MeToo many have fixed on consent as the key framework for achieving sexual justice. Yet consent is a blunt tool. To grasp sex in all its complexity—its deep ambivalences, its relationship to gender, class, race and power—we need to move beyond yes and no, wanted and unwanted. We do not know the future of sex—but perhaps we could imagine it. Amia Srinivasan's stunning debut helps us do just that. She traces the meaning of sex in our world, animated by the hope of a different world. She reaches back into an older feminist tradition that was unafraid to think of sex as a political phenomenon. She discusses a range of fraught relationships—between discrimination and preference, pornography and freedom, rape and racial injustice, punishment and accountability, students and teachers, pleasure and power, capitalism and liberation. *The Right to Sex: Feminism in the Twenty-First Century* is a provocation and a promise, transforming many of our most urgent political debates and asking what it might mean to be free.
