I bambini iniziano precocemente a trattare, riflettere ed elaborare i significati della lingua: percepiscono che ci sono elementi che si possono sovrapporre, comporre e rimontare come i mattoncini del lego. L'obiettivo inizialmente non è chiaro, ma noi adulti sappiamo che questo porterà a un linguaggio ricco e ben costruito, a una comprensione, analisi e elaborazione del testo adeguata, a una produzione scritta strutturata e personale e _ a ridere! Se la risata è per tutti un'attività gratuita e liberatoria, non tutti però ridono per le stesse cose: nell'umorismo infatti si incontrano figure e giochi linguistici di svariate e complesse tipologie a cui non tutti accedono con le stesse competenze. Essendo la risata una reazione spontanea che arriva improvvisa quando la mente riconosce una incongruenza, un assurdo, un'analogia, un modo di dire inatteso in quel contesto, non si può propriamente "imparare" a ridere, ma se ne può fare esperienza: proprio per questo i ragazzini possono e devono essere accompagnati per cogliere tutte le sfumature della lingua.

Tony Lightspeed is always bringing home sick and injured animals, so when he turns up with an unconscious man dressed from head to tie in rather stinky bandages, his family aren't too surprised. But then they discover that the man is an ancient Egyptian pharaoh named Sennapod, who has been dead for over 4,000 years. Brought back to life by two dastardly grave robbers, Sennapod is on the run. Can he persuade the Lightspeeds to help him?

Photographs of hands painted, decorated, and formed to resemble the players in various sports of the Summer Olympics -- track and field events, swimming, driving, fencing, etc.

The first comprehensive study of the dominant form of solo singing in Renaissance Italy prior to the mid-sixteenth century.

From the bestselling author of Eventide, The Tie That Binds is a powerfully eloquent tribute to the arduous demands of rural America, and of the tenacity of the human spirit. Colorado, January 1977. Eighty-year-old Edith Goodnough lies in a hospital bed, IV taped to the back of her hand, police officer at her door. She is charged with murder. The clues: a sack of chicken feed slit with a knife, a milky-eyed dog tied outdoors one cold afternoon. The motives: the brutal business of farming and a family code of ethics as unforgiving as the winter prairie itself. Here, Kent Haruf delivers the sweeping tale of a woman of the American High Plains, as told by her neighbor, Sanders Roscoe. As Roscoe shares what he knows, Edith's tragedies unfold: a childhood of pre-dawn chores, a mother's death, a violence that leaves a father dependent on his children, forever enraged. Here is the story of a woman who sacrifices her happiness in the name of family—and then, in one gesture, reclaims her freedom.

Join Geronimo on a whiskertingling trip through history! Geronimo Stilton, was so excited to travel on my third journey through time! Professor Paws von Volt had invented a portal to take my family and me to the past. On this trip, we visited the Ice Age, ancient Greece, and the Renaissance. I encountered wooly mammoths and enormous bears, wrote and starred in a play, and even helped put a bad guy in prison! But then the portal started malfunctioning -- could we get back to the present day, or would we get lost in time? It was an amazing adventure! A thrilling quest through the past with Geronimo Stilton and his friends. Geronimo travels back in time once more! In this book he visits Plato in ancient Greece, the mythical Atlantis, and Stonehenge! This volume seeks to enhance our understanding of printing and the book trade in small and peripheral European cities in the 15th and 16th centuries through a number of specific case studies.

Geronimo Stilton's relaxing vacation turns into a crazy treasure hunt in South Dakota, complete with a run-in with a mountain lion and a hot-air balloon ride to Mount Rushmore.

"Marvelous and Illuminating. . . . Forc us to reassess our notions of good and evil." —Irvine Welsh
In a contested, lawless region between Moldova and Ukraine known as Transnistria, a tightly knit group of " honest criminals " live according to strict codes of ritualized respect and fierce loyalty. In a voice utterly compelling and unforgettable, Nicolai Lilin, born and raised within this exotic subculture, tells the story of his moral education outside the bounds of " society " as we know it, where men uphold values with passion—and often by brute force.

Beth and Anna are in complete despair. They'd planned to spend their fifteenth year transforming themselves from mediocre mates to gorgeous goddesses. But when they notice that their sixteenth birthdays are rapidly approaching, they realize that they're running a bit behind schedule. So the girls make a list of the ten things they think they need to do to be more popular and beautiful. But from homemade hair extensions to bad fake tans, it's just one catastrophe after another. And to make matters worse, it seems like the two hottest guys in school are always watching! Not only are they far from being the sixteen-year-old goddesses they set out to become, but it looks like love is off the agenda too. Or is it?

Geronimo goes to Athens to report on the Olympics, and after observing some of the games he and detective Hercule Poirot become suspicious about Cynus von Snostrat who seems to be winning every Olympic event and they decide to investigate him.

Exercise? Geronimo? Not a chance! So when he accidentally gets signed up to the Mouse Island Marathon, Geronimo can't pull out fast enough. Unfortunately his family has other ideas, and they soon have a whole fitness plan set out for him. Will Geronimo make it across the finish line on the day?The series is perfect for 5 to 8 year old's both avid and reluctant readers due to its expressive typeset, fun illustrations and humorous stories. A clever, engaging third novel in the Rocco Schiavone mystery series from bestselling Italian author, Antonio Manzini, following the dashing deputy police chief who confronts his most riveting case ever. It's the bitterly cold spring season in alpine Aosta, and a girl has been kidnapped. Chiara Berguet, daughter of the owners of a local construction firm, was targeted thanks to the sizeable debt her parents owe. But like many a best-laid plan, a blown fire causes the crime to go haywire as the kidnapers' van skids off the road and crashes into a pair of larch trees. Both the driver and his accomplice die on impact, leaving the girl in the back, gagged and bound and unable to break herself free. Meanwhile Rocco Schiavone wakes to find himself in Anna's apartment. She's the best friend of his girlfriend Nora, and memories of the night before, a heated evening with Anna, return to him. As he sneaks out, he sees the first few snowstorm clouds of the spring season move across the sky, an ominous reference that something is off. If trouble at home and a case of kidnapping weren't enough, Rocco will eventually have to contend with Enzo Baiocchi. Rocco was the one who sent Enzo to prison, and in the process killed Enzo's brother. Having just escaped from prison, Enzo is heading north with a newly purchased revolver and, clearly, revenge on his mind. And when an unfortunate incident of mistaken identity makes Enzo's act of revenge even more fiendish, it also presents a gruesome scene for Rocco to discover on his return home.

A collection of essays and addresses includes the author's musings on Ptolemy, his reflections on the experimental writings of Borges and Joyce, and confessions about his own ambitions and anxieties. By the author of The Name of the Rose. 35,000 first printing.

NEW YORK TIMES BESTSELLER • This official Minecraft novel is an action-packed thriller! When a new virtual-reality version of the game brings her dreams—and doubts—to life, one player must face her fears. Bianca has never been good at following the plan. She’s more of an act-now, deal-with-the-consequences-later kind of person. But consequences can’t be put off forever, as Bianca learns when she and her best friend, Lonnie, are in a terrible car crash. Waking up in the hospital, almost paralyzed by her injuries, Bianca is faced with questions she’s not equipped to answer. She chooses instead to try a new virtual-reality version of Minecraft that responds to her every wish, giving her control over a world at the very moment she thought she’d lost it. As she explores this new realm, she encounters a mute, glitching avatar she believes to be Lonnie. Bianca teams up with Esme and Anton, two kids who are also playing on the hospital server, to save her friend. But the road to recovery isn’t without its own dangers. The kids are swarmed by mobs seemingly generated by their fears and insecurities, and now Bianca must deal with the uncertainties that have been plaguing her: Is Lonnie really in the game? And can Bianca help him return to reality? Don Juan of Austria, one of history's most triumphant and inspiring heroes, is reborn in this opulent novel by Louis de Wohl. Because of the circumstances of his birth, this last son of Emperor Charles the Fifth spent his childhood in a Spanish peasant's hut. Acknowledged by King Philip as his half-brother, the attractive youth quickly became a central figure in a Court where intrigues and romances abounded. Don Juan's intelligence, kindness and devout attachment to the Church enabled him to live in an environment of unscalped luxury, violence and treachery. De Wohl paints in brilliant color scenes at the Court of King Philip, Juan's campaign against barbaric Moriscos in Andalusia and the climatic victory at Lepanto where he saved the Christian world from Islamic dominance. The Last Crusader abounds in vivid scenes and characters. Who can forget the sadistic nature of the Prince of Asturias, the spirituality of Fray Juan de Calahorra, the scheming of beautiful Princess Ana of Eboli, the barbaric siege of Malta, or Emperor Charles the Fifth waiting for death, in his stygian throne room? Here is a novel of high adventure which brings to life the turbulence of the sixteenth century with its extremities of the wickedness and piety, its sins of pride and conquest, its seething heresies. With his strong talent for exciting historical narrative, Louis de Wohl adds another great dynamic novel to his already lustrous career.

Every mother faces impossible choices. Vaccination is one of the hardest. For single mom Kate O'Hara, there was no decision to make. Her daughter, Rosie, is one of a small percentage of children who can't be vaccinated against measles. All Kate can do is hope that her little girl is safe. For mommy blogger Madeline's Cooper, vaccination was a leap of faith she wasn't prepared to take. She and her husband declined controversial measles shots for their daughter Clara. All she can do is pray that it's the right decision. But when classmates Clara and Rosie both become sick will Kate pay for Madeline's choice? A stunning, addictive and powerful new book club read that explores every mother's worst fear and hardest decision from beloved Irish bestselling author Melissa Hill.

"An extremely impressive achievement. . . . The book is overwhelming in its attention to both detail and the larger picture. It should have a tremendous impact on the field."--Susan McClary, author of "Feminine Endings" "All future discussion of the Italian madrigal . . . will be profoundly indebted to Feldman's musical sensitivities and perceptiveness, to her wide reading in literary theory of the period, and to her extraordinary skill in making musical events palpable."--H. Colin Slim, editor of "A Gift of Madrigals and Motets" "With this book Professor Feldman establishes herself as the leading authority on the subjects of the Venetian madrigal and of humanistic musical culture in 16th-century Venice. There is nothing of this scope and quality to be found in previous scholarly literature."--James Haar, author of "Essays on Italian Poetry and Music in the Renaissance, 1350-1600" "This marvelously interdisciplinary book illuminates the social and intellectual mobility of sixteenth-century Venetian culture, its intricate weave of private and public civic identities, and the paradoxes and tensions of its quest for diversity and unprecedented fusion of rhetorical principles and expressive idioms in music, poetry, and the other arts. It offers an astounding wealth of information and insight for historians of ideas, literary specialists, and music historians."--William J. Kennedy, author of "Authorizing Petrarch"
