Batman: Bat Signal Running Press Miniature Editions

Batman has been one of the world's most beloved superheroes since his first appearance in Detective Comics #27 in 1939. Clad in his dark cowl and cape, he has captured the imagination of millions with his single-minded mission to create a better world for the people of Gotham City by fighting crime, making use of expert detective skills, high-tech crime-fighting gadgets, and an extensive network of sidekicks and partners. But why has this self-made hero enjoyed such enduring popularity? And why are his choices so often the subject of intense debate among his fans and philosophers alike? Batman and Ethics goes behind the mask to shed new light on the complexities and contradictions of the Dark Knight's moral code. From the logic behind his aversion to killing to the moral status of vigilantism and his use of torture in pursuit of justice (or perhaps revenge), Batman's ethical precepts are compelling but often inconsistent and controversial. Philosopher and pop culture expert Mark D. White uses the tools of moral philosophy to track Batman's most striking ethical dilemmas and decisions across his most prominent storylines from the early 1970s through the launch of the New 52, and suggests how understanding the mercurial moral character of the caped crusader might help us reconcile our own. A thought-provoking and entertaining journey through four decades of Batman's struggles and triumphs in time for the franchise's 80th anniversary, Batman and Ethics is a perfect gateway into the complex questions of moral philosophy through a focused character study of this most famous of fictional superheroes.

Fifty years ago, Batgirl made her Million Dollar Debut taking down the nefarious Killer Moth. And ever since, the butt-kicking hero has been a vital part of Batman's team and a role model for girls everywhere, squaring off against mobsters, assassins, super-villains and more. Though many young women have worn the cowl—from unassuming librarian Barbara Gordon to deadly mute assassin Cassandra Cain to teen vigilante Stephanie Brown—all have made their distinct mark on the DC Universe. Now BATGIRL: A CELEBRATION OF 50 YEARS collects all the greatest triumphs and most tragic moments of the many Batgirls in one volume, offering a crash course in the character, from Babs' first appearance by Gardner Fox and Carmine Infantino to her modern-day adventures by Cameron Stewart, Brenden Fletcher, Babs Tarr, Gail Simone and more.

GRAYSON, the high-octane, highly acclaimed superspy thriller featuring ex-Nightwing Dick Grayson, is now collected in its entirety for the first time in this gorgeous hardcover compendium, featuring all of the infamous Agent 37's adventures, from his first mission to his very last. As Robin, he was the Dark Knight's partner and protégé. As Nightwing, he forged a heroic legacy of his own. And when vicious killers invaded our dimension, he sacrificed his secret identity—and his life—to save the world. At least, that's what the world believes. To the heroes, villains and ordinary citizens of Earth, Dick Grayson is dead—but death is the perfect cover story for an agent of Spyril. As the newest member of this top-secret spy ring, Grayson helps scour the globe for the pieces of the Paragon, a slain god whose every organ is a weapon of mass destruction. But he's also Batman's man inside Spyril, uncovering their secrets even as they strive to uncover the secret identity of every superhero on the globe. His life as he knew it is over. His loyalty is divided like never before. Now it's time for Dick Grayson to discover who he really is... Co-writers Tim Seeley and Tom King, along with sensational artist Mikel Janín, have their masterwork series collected here, featuring GRAYSON #1-20, GRAYSON: FUTURES END #1, SECRET ORIGINS #8, GRAYSON ANNUAL #1-3, ROBIN WAR #1-2 and NIGHTWING: REBIRTH #1.

Batman's biggest secret is not Bruce Wayne. Every Batman story is marked with the words "Batman created by Bob Kane." But that isn't the whole truth. A struggling writer named Bill Finger was involved from the beginning. Bill helped invent Batman, from concept to costume to character. He dreamed up Batman's haunting origins and his colorful nemeses. Despite his brilliance, Bill worked in obscurity. It was only after his death that fans went to bat for Bill, calling for acknowledgment that he was co-creator of Batman. Cartoonist and popular Batman artist Ty Templeton brings Marc Tyler Nobleman's exhaustive research to life. Perfect for reluctant readers and those bridging from easy-readers to longer narratives, this classic underdog story will inspire all readers to take ownership of and pride in their work.

ON THE OUTSIDE part one! Duke Thomas. Cassandra Cain. They and other young heroes don't intend to stand down, no matter what Batman thinks is best. Who can Batman trust to guide them? They need a teacher...and Black Lightning fits the bill!
