

Be A Unicorn: And Live Life On The Bright Side

From the New York Times bestselling author of Fair Play comes an inspirational guide for setting new personal goals, rediscovering your interests, cultivating creativity, and reclaiming your Unicorn Space. With her acclaimed New York Times bestseller (and Reese's Book Club pick) Fair Play, Eve Rodsky began a national conversation about greater equality on the home front. But she soon realized that even when the domestic workload becomes more balanced, people still report something missing in their lives—that is, unless they create and prioritize time for activities that not only fill their calendars but also unleash their creativity. Rodsky calls this vital time Unicorn Space—the active and open pursuit of creative self-expression in any form that makes you uniquely YOU. To help readers embrace all the unlikely, surprising, and delightful places where their own Unicorn Space may be found, she speaks with trail blazers, thought leaders, academics, and countless real people who have discovered theirs everywhere—from activism to artistic endeavors to second careers. Rodsky reveals what researchers already know: Creativity is not optional. It's essential. Though most of us do need to remind ourselves how (and where) to find it. With her trademark mix of research based, how-to advice and big-picture inspirational thinking, Rodsky shows you a clear path to reclaim your permission to have fun, manifest your own Unicorn Space in an already too-busy life, and unleash your special gifts and undiscovered talents into the world. This book is about the fundamentals of live sound engineering and is intended to supplement the curriculum for the online classes at the Production Institute (www.productioninstitute.com/students). Nonetheless, it will be invaluable for beginning sound engineers and technicians anywhere who seek to expand their knowledge of sound reinforcement on their own. Written with beginners and novices in churches and convention centers in mind, this book starts by teaching you professional terminology and the processes of creating production related documents used to communicate with other sound engineers, vendors and venues. Subjects such as Signal Path and AC (alternating current) power safety and distribution are closely examined. These two subjects are closely related to the buzzing, humming and other noise related phenomena that often plague sound reinforcement systems. Chapters include an in-depth review of both analog and digital mixing consoles, their differences and similarities, and the gain structure fundamentals associated with the proper operation of either type of mixing console. Audio dynamic processors such as compressors, limiters and noise gates and their operation are explained in detail. Audio effects like delay and reverb are examined so that you can learn the basics of "sweetening" the mix to create larger and more emotive soundscapes and achieve studio-like outcomes in a live sound environment. Advanced mixing techniques, workflow, and the conventional wisdom used by professional audio engineers are explained so you don't have to spend years trying to figure out how these processes are achieved. Last but not least, a comprehensive review of acoustic feedback, and how to eliminate it from stage monitors and main speaker systems are detailed in a step by step process. This book will be especially helpful to volunteer audio techs in houses of worship, convention centers and venues of all types. It will bridge the gap between the on-the-job training that beginners receive and the knowledge and conventional wisdom that professional sound engineers employ in their daily routine.

Be the Best Version of Yourself Being a unicorn means being the magnetic person that everyone in the room is drawn to. It means being honest and true to yourself every day, no matter what. When you are really, really good at being yourself, you'll make other people feel really, really good about themselves, too. In Be That Unicorn, Jenny Block, author of several best sellers for women, shows you how to stop putting yourself down and start finding your magic. 100% That Unicorn. The horn may be mythical, but the unicorn is real. This book offers you the confidence to be authentic and original in every aspect of your life—at home, at work, and in relationships. Sometimes it's about how to make your bed in the morning, and sometimes it's baking treats to make yourself and others feel good. You are a badass! It's time to share that shine. Just Keep Prancing. The art of not giving a f— is knowing that sometimes you do feel like s... That's ok! Being a unicorn is about feeling your feelings. Be angry or sad when you need to be. Then get out of your own way and move on with your day. In Be That Unicorn, Jenny Block shows you how to be a badass unicorn in so many ways, including:

- Parenting and taking care of the people you love
- Volunteering your time and inspiring your community
- Learning and growing into your best self
- Playing and loving with a full heart

Be That Unicorn is a get your s— together book that's more about celebrating than punishing yourself. If you liked the Get Out of Your Mind and Into Your Life workbook, Be More Unicorn: How to Find Your Inner Sparkle, Un— Yourself: Get Out of Your Head and into Your Life, and How to Stop Feeling Like S—, you'll love this fun new approach to taking control of the life you want.

The Fantastic Guide to Keeping Mythical Pets

Leveling up on the high seas Castle Sardonis is surrounded by enemies on all sides and dangerously short of supplies. When a needed shipment goes missing the party finds themselves on the high seas beset by pirates and seeking the Goddess of the Sea. New loot, new levels, and new mysteries to unravel as more is learned about the world. Liam, Walt, and Ashley return Immediately following the story from Dungeon Crawl the focus remains with the same group and focused on their struggles within the Crucible Shard. Bonds of friendship continue to grow but they each find themselves pushed in new ways by this world. LitRPG If you haven't read book one and have no idea what this new genre is about that's ok. LitRPG has the focus on characters in a virtual world using those familiar mechanics. It is really a lot of fun and has a lot of enthusiastic fans.

Peter S. Beagle's beloved fantasy classic captured imaginations around the world, and takes on new life in this luscious, fully illustrated graphic novel adaptation. The Last Unicorn is a tale for any age about the wonders of magic, the power of love, and the tragedy of loss. The unicorn, alone in her enchanted wood, learns that she may be the last of her kind. Reluctant at first, she sets out on a journey to discover the fate of her fellow unicorns, even if it means facing the terrifying anger of the Red Bull and the malignant evil of the king who wields its power. Along the way, she'll encounter a cast of unforgettable characters, including Schmendrick the magician, the bandit Molly Grue, the noble Prince L í r, and the occasional talking butterfly. Adapted by Peter B. Gillis and lushly illustrated by Renae De Liz and Ray Dillon, The Last Unicorn is simultaneously current and timeless in this newest incarnation.

The two party system tries to suppress and silence us independents and mavericks. The two party system tries to discredit and demean us independents and mavericks. But we independents and mavericks can succeed as we have succeeded before; we just need encouragement and empowerment. When you feel ready for independent and maverick related encouragement and empowerment, kindly choose this book. 54 pages. Cover illustration by Kenya Pineda.

Ancient myths and legends are explained from a higher spiritual perspective in this guide to the amazing energetic beings known as unicorns. Whether aspiring to help the world at large or simply improve a small corner of it, enlightenment seekers can use the meditations, rituals, and ceremonies featured in the book to unleash the great abilities of these elusive spirit guides. Supported by the author's personal-connection experiences, unicorns are revealed not as mere fantasy, but rather similar in presence and power to angels.

This is the second revised edition of the book. The book includes all edits based on customer reviews. We sincerely hope you enjoy the new version of this book! This book is a perfect gift for the little girl that adores stories about unicorns. You can read it to your child before going to sleep and it will be the best way to say "goodnight"! The Tethered Unicorn

A Unicorn in a World of Donkeys

Living Among Wolves

Two Days to Live. What Would You Write? a Memoir of Hope

Late Bloomer

Have you ever been on the receiving end of gross injustices, forced out of your home or country or endured life-threatening events because of misguided political or religious zeal? Are you and your descendants bearing the emotional and physical scars of inhumane brutality? Is it possible, under such circumstances, to simply survive, make sense of life let alone find true happiness, love and forgiveness?

After more than 10 years of corporate cubicle life, Danielle decided to leave her job at The Oprah Winfrey Network and craft an exciting life. With the rigor of a scholar, she tested self-help programs, spiritual courses, and mental practices. YOU-NICORN is a collection of the 30 most important lessons she learned during that time.

The day Mike's dealer failed to show up was the catalyst that forced Mike and his girlfriend rosie to take the first steps on a sometimes bizarre and tragic journey. Their addiction compels them to steal from the type of people that would stop at nothing to retrieve their treasure. Slowly the couple become progressively more entangled in a web of their own making. The story begins in

London in 1985 when Rosie receives a gift she may later regret accepting. As a naturally shy girl, Rosie had not wanted to be in a relationship with Mike. He had trapped her and now it was too late to extricate herself from the situation. However, fate intervenes and swings their fortunes back and forth like a pendulum, from love to hate and from treachery to tragedy.

Here is a simple, easy-to-read, delightfully illustrated book for young children! The author presents, in a very easily comprehensible way, the basic Spiritual truths, explaining who we are, where we have come from, why we are here and the part God plays in all our lives. It is our responsibility as adults and particularly as parents, to ensure that our young children come to an understanding of the truths about Spiritual matters at as early an age as possible. This book is meant to develop a child's imagination, awakening tender young minds to the beauty that lies all around us and to connect with that beauty in an inspiring and meaningful way. It also explains, in simple terms, realities about creation and the subtle higher energy vibrational levels, which exist in close proximity all around us. The exercises and experiments will delight and amaze, as well as nurture your child's creativity, introducing, in a fascinating way, the truths that are fundamental to our understanding of our existence here on Planet Earth. Your child will learn that life is meant to be fun and to be enjoyed. But there are rules, as in any game! This book explains these Spiritual Universal Laws, helping your child to see this world as the wonderful, amazing, beautiful place it really is, and to live a life of fulfillment, joy and abundance. What more could you ever hope for?

Jake is a mountain man in 1838 Colorado who finds he is dying from Cancer. He isn't given much time to live, and doc says it is going to be painful. He sends him off with some medicine to help cope with the pain. Instead of going home to die, Jake decides to set out on a last adventure to find the perfect secluded valley for his final resting place. His best friend, Joe Barnes, won't let him go alone, and he brings along a deaf mute girl named Beth. Along the way they save some children from hostile Indians, guide a wagon train to safety, spend time with old friends, and settle an old score with a past friend.

Be a Unicorn & Live Life on the Bright Side Andrews McMeel Publishing

Chevalia is an enchanted island where ponies and horses rule, its magic powered by eight golden horseshoes hanging in the royal castle. But the horseshoes have been stolen and must be found before Midsummer Day or the island will lose its magic . . . A Unicorn Adventure! When the second youngest Princess Pony, Honey, enters the forbidden Cloud Forest, Pippa and Princess Stardust know they must follow her. They find out Honey's secret - she has made friends with a unicorn, and knows where the unicorns live in the forest. Pippa is awestruck. But when Honey's unicorn friend mentions a magical tree in the centre of the forest, Pippa suspects that one of the golden horseshoes might be hidden there. Braving fire-breathing dragonflies, she and Stardust summon all their courage and head deeper into the forest, hoping to see the unicorns, and maybe even find a golden horseshoe, too. The fourth in a fabulous series of six books filled with spooky Night Mares, unicorns, Princess Ponies, and rip-roaring adventure.

An inspiring picture book, Jason Tharp's It's Okay To Be A Unicorn! features a unicorn pretending to be a horse—until he learns to embrace his true self. Cornelius J.

Sparklesteed is known among all the other horses in Hoofington for his beautiful and creative handmade hats. But Cornelius is hiding a secret under his own tall, pointy hat: He's really a unicorn. Hoofington is a friendly place, but its horses pass on lots of mean rumors about unicorns. When Cornelius is chosen to perform for this year's Hoofapalooza, will he find the courage to show everyone his unicorniness? It's Okay To Be A Unicorn! is an inspiring story about the rainbow magic of kindness. An Imprint Book "Tharp's good-natured fable is bright and rainbow-y . . . will resonate with any who have felt 'other.'" —Kirkus Reviews

Magic, adventure, and friendship collide in warm and funny novel about the power of self-acceptance to change the world. Jewel's your average eighth grader. Awkward relationship with a cute boy, ex-BFFs with a popular girl, mom issues at home. You've read it all before. Except for one thing: Jewel has a unicorn horn on her head. (Okay, and one other thing, but it's just too weird to mention here!) Jewel tries to stay invisible at school, looking forward to the day when she can finally leave her small town behind, making art with her fellow weirdos, and obsessively reading graphic novels with her best friends. But when she's selected to represent her school at the regional French

speaking competition, she decides she's had enough of the shy life. The horn needs to come off. What happens when you have the ability to become the girl you've always wanted to be? When you don't know your true self, how do you know your true friends? What happens when everything in your life—your biggest struggle, your greatest joy, and your dearest friends—all combine in one calamitous adventure? With a sparkle of magic, a treasure trove of true determination, and help from all her friends both real and invisible, Jewel just might survive this year with her heart—and her head—intact. **THE ULTIMATE EMPATHY READ:** The unicorn horn in this book is a perfect symbol for all the ways every young person feels strange, different, or unusual in any way. While readers' specific situations may differ from Jewel's, her struggle for self-acceptance will resonate with readers of all stripes, circumstances, and backgrounds. **A RICH, FANTASTIC FANTASY:** At the heart of this book is a rich, multi-layered fantasy adventure that will have all readers thinking twice about the stories they read, the friends they have, and the superpowers they may not even know they possess. **IRRESISTIBLE MIDDLE SCHOOL DRAMA:** Catty ex-friends, terrifyingly unapproachable boys, embarrassing dance proposals, inspirational teachers—this book has all the hallmarks of everyone's favorite middle grade fare. **UNFORGETTABLE CHARACTERS:** Readers won't want to leave this world behind! The main characters and the families in this book are real, warmly drawn, and endlessly relatable. Readers will return to the book just to live in the world for a little bit longer. **RELATABLE FAMILY ISSUES:** Jewel's family deals with situations that will be very familiar to most readers: high hopes for the future, never having enough money, and the distance between what we want and what we have. The family dynamics are relatable, too: Jewel's single mom works a low-paying job, and they live in an apartment with Jewel's grandma. The warmth of this family despite their difficulties will stay with readers long after they close the cover. Perfect for: tweens, fans of unicorns, fantasy readers, parents, educators

Maverick, Maverick, Maverick: How to Live a Maverick Life

How to Live with a Unicorn

The Pet Unicorn

The perfect reality is just a thought away, but it comes at a chilling price. In a near future world, a social network by the name of MINDS gifts its users with the unique ability to communicate directly by thoughts and recreate reality by their deepest fantasies and desires. In the MINDS network, desires are actualized in a split of a second and unwanted elements erased from reality. The advanced algorithms of MINDS enable the user to virtually visit any place in the world or in history within seconds, in an utterly realistic three-dimensional reality. Humans can use their mind to determine everything they please - from the weather to the way their friends look like and behave. But the ultimate comfort comes at a price, and the unexpected results reveal the grand plan behind MINDS. What stands behind this magnificent social network, and what are the consequences when the virtual merges with the actual? Netopia follows the heroes of the network in the days before its establishment, through its launch, relationships and love, and the unexpected change it wreaks on the enthusiastic users who had no idea what awaited them the moment they gave up control over their minds. Is the MINDS network a dream come true or a nightmare come to life? Netopia is beyond science fiction: it is a groundbreaking novel that explores the implications of communication technology on human nature and society, the preference of warmth for realistic animal doll pets but coldness towards humans. The novel speaks to the connected and to the disconnected, to the great minds and the Neverminds. Netopia is a gleaming hope and a dark warning. So, where is your mind? Scroll up to grab your copy now. Book 2 has more content regarding how to position yourself to ascend into heaven. Addressing the varied reasons we ascend along with cultivating the lifestyle of heaven ascending. Many practice exercises as well as prayers included. Angels, The Cloud of Witnesses, intercession and The Fathers throne are among the subjects covered.

The 30th anniversary of a fantasy classic from Peter S. Beagle!

Learn about the history of unicorns in this photographic nonfiction leveled reader perfect for kids interested in the natural - and unnatural - world! Did you know that the Siberian unicorn roamed the Earth during the last Ice Age? Or that technically any creature with one horn is considered a unicorn? That means narwhals, certain antelope, and even shrimp with a horn can be called unicorns! Embracing childrens' delight in the mythical creatures while also imparting fascinating facts about the real ones, discover the history of this special animal and decide for yourself if you believe in unicorns! With simple language and vivid photographs, Are Unicorns Real? is perfect for emerging readers curious about the natural world and the iconic creature.

What would "that unicorn" do? This is the book that answers that question in every scenario. We should all want to be "that unicorn" because "that unicorn" is the best you. The person we are all drawn to. Self-help books are tough and can make you feel like you need fixing. This will be the happy book you love to keep on your nightstand. It will make you smile because it's full of sweet, helpful pep talks that everyone wishes their mom would give them.

The Fundamentals of Live Sound Engineering for Beginners

Live with Purpose, Master Your Time

Where the Stars Live - A Tale to Fall Asleep (second Edition)

The Lifestyle of Heaven Ascending Book 2

Awaken to Mystical Energy & Embrace Your Personal Power and Live Life on the Bright Side

Unicorn took the world by storm with his sweet nature, sunny outlook and positive attitude in the best-selling feel-good book *Be a Unicorn*. Now he is back with this little book of life lessons. Looking for some guidance on how to live a happy, sparkling life? Or just wondering which path to trot along? Look no further than Unicorn, the best (and probably only) four-legged, one-horned happiness guru. With enlightenment on every page, let Unicorn teach you how to hopscotch over all of life's trials to a place where the grass definitely grows greener. With adorable quirky illustrations and wise, thoughtful and often completely hilarious life advice, this is a little book to keep firmly in your pocket, ready to be consulted whenever life gets a little bit tough. UNICORN WOULD: Wear the jumper that Granny knitted with pride. Sing Pharrell in the shower. Walk in someone else's flip-flops. Try new things... uhm beetroot juice... pink, yummy. Make every day count. UNICORN WOULD NOT EVER (NO THANK YOU MA'AM): Worry about a bit of dust. Eat someone else's chocolate. Blame others - 'my Panda made me do it'. Dwell too much on the past. Take things for granted.

When a ventilator prevented her from speaking during her final hours, Jennifer started writing. After her death, her husband turns to those pages to tell her story of courage and faith. James had just walked through the door after a day's work when Jennifer told him the news that changed everything: it was cancer. In the following two years they would lose their sense of normalcy and their dreams for the future. But along the way, they would gain something even greater than their loss. Told through the eyes of a grieving husband is this true story of a young woman's fight for her life. Jennifer's final words, penned by hand when a ventilator prevented her from speaking, provide a powerful backdrop to this journey of faith and hope. A memoir that also offers a practical pathway for those struggling with loss, *The Last Seven Pages* is a testimony of a God who is present in our darkest moments, and who turned a devastating illness into a life-changing promise.

An empowerment manifesto for creatives, misfits, innovators, and disruptors from the star of *So You Think You Can Dance* and creator of Broadway's *Finding Neverland* *A Unicorn in a World of Donkeys* offers a playbook for living a creative and authentic life. Using her own story as a launching spot, and creative quizzes, charts, and lists to engage the reader in an interactive journey, Mia Michaels explores the experience of the unicorn in a world of donkeys, a world where fitting in, pleasing others, following rules, and maintaining norms-no matter how messed up those norms are-is the only acceptable path. She acknowledges the struggles of the unicorn life-loneliness, ridicule, being misunderstood and undervalued-and goes on encourage readers to reframe the unicorn life the way she has, as essential to a life of brilliance.

Carol Tyler has been a professional (and highly acclaimed) cartoonist for over 20 years, appearing in such venues as *Weirdo*, *Wimmen's Comix*, and *Drawn & Quarterly* magazine. But over the years her status as a working mother has drastically curtailed her ability to set aside time for her cartooning. Thus each rare new story from her pen has been greeted with hurrahs as well they should be, because she's one of the most skillful, caustic, and emphatic cartoon storytellers of her generation. This new book presents the biggest, richest and most delightful collection of Tyler's work to date featuring many new and previously unpublished works. p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 13.9px Arial; color: #424242}

Live authentically, abundantly, and victoriously as you learn how to embrace God's will for your life. As one of the most sought-after realizations in this world, discovering your purpose is something countless self-help books will claim they can help you do, but they're missing the biggest piece of the puzzle: your relationship with God. If you're ready to wake up, shake up, break away from bondage, dust off the dullness, and discover genuine joy, it's time to take action and allow the Lord to take control of your life. True transformation can only occur when you're receptive to God's will for your life, and past sorrows and mistakes often prohibit you from moving forward and receiving Jesus's forgiveness and grace. But forgiving others-and receiving forgiveness from the Lord-is imperative for experiencing wholeness and freedom. Growing closer to God also requires some internal housecleaning. From chapters on dusting away anything that dulls the true joy of a relationship with God to

receiving the living water from Jesus that quenches any thirst for fulfillment, learn how trusting God fully and seeking after His guidance are the real keys to receiving lasting contentment and transformation.

It's Okay to Be a Unicorn!

The Mouse in the Sock

What Can Live in the Mountains?

Unicorn Magic

The Last Unicorn

Do you feel like you struggle to make time for everything? We are living in a time-poor society, working more than ever and with less time for ourselves and family. The pressures and stress of the obligations we feel we have, often leave us without time to do everything that we would like to. More critically, we lack the time to reflect, review our lives and consider our direction. Time to contemplate if the decisions we are making are going to lead us to a life of purpose or an old age filled with regret. Time for Anything is based on 5 years of research by Craig D Robinson. Using the techniques in this book, Craig went from working in an entry level position to, in just four years: start 2 companies, recharge with 12 weeks holiday a year, start a family, grow and sell his startups and retire at the age of 34. This book shows you how you too can have time for it all.

Celebrate holiday warmth with Little Mouse as Santa takes him on a magical journey to the North Pole. When Little Mouse hears a knock, he opens his door to find Santa asking him for help. Santa's reindeer are hungry and can't get back to the North Pole. Little Mouse is quick to share and his kind act is generously rewarded when Santa takes him for a ride to the North Pole. One kind act goes a very long way Little Mouse finds out. The Mouse in the Sock is sure to charm children and adults alike with magical illustrations and short, simple rhyming text about the virtues of kindness and sharing. Enter a snow-covered, sparkling world of festive Christmas cheer as you celebrate the most wonderful time of the year with Little Mouse and Santa.

Are you seeing Unicorns everywhere? There is a reason Unicorns are appearing more and more in modern culture: their energy is coming through right now to help those who are ready to raise their vibration and live their most authentic life. In Unicorn Rising, holistic healer Calista explains the true symbolism and energy behind the Unicorns, why right now is a significant time for us to integrate with their healing power and what the Unicorns can do to help you on your soul journey. You'll learn to live your unique path, power and purpose through releasing what's been hindering your creative expression, with the Unicorns as your tour guide on this magical, life-changing adventure. Learn ways of honouring both your humanity and your divinity, and live in greater harmony with the world through Calista's original blend of energetic attunements, meditations, tools and #RisingReflections exercises. Woven with her personal story of rising from closed-off scientist to unstoppable She-Ra, this book shows you that you, too, can ascend with the Unicorns to live in alignment with your soul!

Listen! Do you hear the clomping of hooves upon the forest floor? A flash of white bursts from behind a tree. A long horn shines like a crown upon the creature's head. It's a unicorn! Ever wondered about the magical powers of the unicorn's horn? Where does a unicorn live? What does it eat? Wonder no more! Striking illustrations and matter-of-fact text take you on a magical journey to learn all about unicorns.

Lucky child - what a wondrous world you live in! This is the theme of Little Blue Planet - a book meant to be read aloud to very young children. As you and the child explore the pages of this book, you will encounter the natural wonders of our world: forests, jungles, volcanoes, swamps, coral reefs and many more. Each of these wonders is captured in a two-page spread, with a scenic watercolor on the left and an imaginative view featuring a child on the right. This book is a first travelogue for the tiny set. It is primarily a picture book, but has just enough text to provide context and encourage the child to imagine what it would be like to visit this place. This book makes for a beautiful and quick read.
