of Trade, held in Richmond, December 1869

Beyond Duty presents a new collection of essays on Kantian moral theory and ethics from a distinguished philosopher known for making Kantian ethics accessible and relevant to contemporary problems. With a new emphasis on ideals beyond the strictest requirements of moral duty, Thomas E. Hill, Jr. expands the core aspects of Kantian ethics and offers a broader perspective on familiar moral problems. Some essays explain Kantian concepts, while others review work of leading contemporary philosophers or raise challenging ethical questions for more general audiences. Crucially, Hill develops an ethical ideal of appreciation of people and their lives. Distinguished from both respect and beneficence, this has important implications for how we should think about close personal relationships, such as friendships, family, and relationships with people with disabilities. Part I focuses on Kantian moral theory. Topics include the structure of Kant's argument in the Groundwork; his idea of imperfect duties to oneself; autonomy; and human dignity. Rawls' constructivism is defended against O'Neill's objections, and Kantian ethics defended against the charge of utopian thinking. Part II focuses on practical ethics, including the ethics of philanthropy; conscientious objection; and tragic choices when it seems that one alternative offends against human dignity. An essay on moral education contrasts Kantian and Rawlsian perspectives; another traces the role of self-respect in Rawls' theory of justice and contrasts a Kantian conception. The volume concludes with essays that develop and illustrate the ideal of appreciation.

In the precursor to his groundbreaking *Beyond Baghdad*, which dissects the war in Iraq and its implications for the West and the Islamic world, acclaimed military strategist and author Ralph Peters assembles 18 essays, some written before and some after the September 11 attacks, that show his writing at its best. Always one of the other military strategists, Peters evaluates the status quo of world affairs through years of experience as an Army insider to bear on the state of terrorism in the world today in a collection that has already had a wide influence among government and media since its publication in 2002. *Beyond Terror* takes us far beyond the imprisonment of traditional wisdom to offer the most original thinking available on the strategic challenges confronting the United States in the twenty-first century. *The Gentleman Instructed, in the Conduct of a Virtuous and Happy Life ... The Eleventh Edition.* [By William Darrell. The Dedication Signed: Geo. Hickes; the Prefatory Epistle Signed: I. Y. D.]

Beyond Duty

This text is aimed at students of all levels and provides straightforward definitions and help with pronunciation.

Excerpt William awoke and rubbed his eyes. It was Christmas Day-the day to which he had looked forward with mingled feelings for twelve months. It was a jolly day, of course-presents and turkey and crackers and staying up late. On the other hand, there were generally too many relations about, too much was often expected of one, the curious taste displayed by people who gave one presents often marred one's pleasure. He looked round his bedroom expectantly. On the wall, just opposite his bed, was a large illuminated card hanging by a string from a nail-"A Busy Day is a Happy Day." That had not been there the day before. Brightly-coloured roses and forget-me-nots and honeysuckle twined round all the words. William hastily thought over the three aunts staying in the house, and put it down to Aunt Lucy. He looked at it with a doubtful frown. He distrusted the sentiment. A copy of "Portraits of our Kings and Queens" he put aside as beneath contempt. "Things a Boy Can Do" was more promising. Much more promising. After inspecting a penknife, a pocket-compass, and a pencil-box (which shared the fate of "Portraits of our Kings and Queens"), William returned to "Things a Boy Can Do." As he turned the pages, his face lit up. He leapt lightly out of bed and dressed. Then he began to arrange his own gifts to his family. For his father he had bought a bottle of highly-coloured sweets, for his elder brother Robert (aged nineteen) he had expended a vast sum of money on a copy of "The Pirates of the Bloody Hand." These gifts had cost him much thought. The knowledge that his father never touched sweets, and that Robert professed scorn of pirate stories, had led him to hope that the recipients of his gifts would make no objection to the unobtrusive theft of them by their recent donor in the course of the next few days. For his grown-up sister Ethel he had bought a box of coloured chalks. That also might come in useful later. Funds now had been running low, but for his mother he had bought a small cream-jug which, after fierce bargaining, the man had let him have at half-price because it was cracked. Singing "Christians Awake!" at the top of his lusty young voice, he went along the landing, putting his gifts outside the doors of his family, and pausing to yell "Happy Christmas" as he did so. From within he was greeted in each case by muffled groans. He went downstairs into the hall, still singing. It was earlier than he thought-just five o'clock. The maids were not down yet. He switched on lights recklessly, and discovered that he was not the only person in the hall. His four-year-old cousin Jimmy was sitting on the bottom step in an attitude of despondency, holding an empty tin. Jimmy's mother had influenza at home, and Jimmy and his small sister Barbara were in the happy position of spending Christmas with relations, but immune from parental or maternal interference. "They've gotten out," said Jimmy, sadly. "I got 'em for presents yesterday, an' they've gotten out. I've been feeling for 'em in the dark, but I can't find 'em." "What?" said William. "Snails. Great big suge ones wiv great big suge shells. I put 'em in a tin for presents an' they've gotten out an' I've gotten no presents for nobody." He relapsed into despondency. William surveyed the hall. "They've got out right enough!" he said, sternly. "They've got out right enough. Jus' look at our hall! Jus' look at our clothes! They've got out right enough." Innumerable slimy iridescent trails shone over hats, and coats, and umbrellas, and wall-paper. "Huh!" grunted William, who was

apt to overwork his phrases. "They've got out right enough." He looked at the tracks again and brightened. Jimmy was frankly delighted. "Oo! Look!" he cried, "Oo funny!" William's thoughts flew back to his bedroom wall—"A Busy Day is a Happy Day." "Let's clean it up!" he said. "Let's have it all nice an' clean for when they come down. We'll be busy. You tell me if you feel happy when we...

As he turned the pages, his face lit up.

An Englishman dies in a car bomb explosion in Holland. A professional assassination with no chance that the killers will be caught. The Dutch investigators cannot find a motive for the killing of Simon Craig and pass the files to the British police. Newly promoted Chief Inspector Randall is given the task of investigating Simon Craig's background, family, and friends. He quickly discovers that Craig was a conceited and ruthless womanizer living a multidimensional life and making himself very rich at the expense of his employers. Randall deduces that Craig was also blackmailing his bosses. The evidence Craig was threatening them with showed the workings of The Club--an illegal cartel. Craig had sent the proof to his solicitor in Penzance for safekeeping. When Randall visited Susan Robson, she claimed it had been destroyed in a fire. Randall suspends the investigation just as Robson and a friend decide to publish Craig's documents and expose widespread corruption in business and an EU department responsible for competition law compliance. Two more people die before Robson and her friend can be stopped. No one in authority wants the story to break.

The Gentleman Instructed, in the Conduct of a Virtuous and Happy Life ... The Ninth Edition. [By William Darrell. With a Dedication Signed: Geo. Hickes, and a Prefatory Epistle Signed: I. Y. D.]

Beneath Contempt & Happy To Be There

The full, amazing sordid, riches to rags story of self-made sultan of Times Square, Al Goldstein ruled over his mythic realm of sin and corruption for decades, chronicling its forbidden pleasures in the pages of his trailblazing sex paper Screw. The overweight cab driver and welfare recipient and became the most outspoken figurehead of the sex revolution, a multi-millionaire and tireless opponent of all things establishment. He had sex with the world's most famous porn starlets, rubbed elbows with Henry Miller and Phillip Roth, attended celebrity orgies with Gay Talese and Hugh Hefner, and then lost it all, morphing into America's most famous homeless drifter of the new millennium. He threw his heart, soul and fortune into a series of bruising First Amendment battles and became a folk hero to the disgruntled masses, giving the finger to the world as his ex-wives and battles drained him, America's last angry dirty old man.
