Create Meaningful Conversations and Celebrate Your Special Relationship! Grow Emotional Bonds Between MOTHER and DAUGHTER. Start creating strong bonds between you and your daughter through playful challenges, thoughtful prompts, and awesome activities. Make this journal your most precious treasure. Share your deepest thoughts, your most wonderful adventures, the most amazing experiences you had, and cherish this book as years go by. Just Between Mom and Me is a very special journal meant to foster a lasting relationship between mother and daughter. The perfect journal to grow gratitude and connection, and record memories that can be cherished for a lifetime. What this book has to offer: Creative questions to provoke imagination: "If you could invent something that would make life easier for people, what would you invent?", "What do you look forward to when you wake up every day?" Mindful questions: "If you could give every person in the world one value, what would it be?", "What skills do you have that you can teach others?" Cherish the most memorable stories: "What was a favorite family tradition when you were growing up?", "What is the most embarrassing thing your mother and father ever did to you?" Compare thoughts and perspectives: "What are you most proud of in life?", "How would you spend your ideal day?" This book has all the necessary tools that every mother and daughter need to strengthen their relationship. There is a lot of space for recording memories, telling stories, comparing each other's answers and reflect on them, doodling about different experiences and situations, and going through mindfulness activities. DAUGHTER, if you want to surprise your MOM on Mother's Day, this can be a great gift that will impress her and bring joy to both of you!

The perfect gift to honor any mom, this mini edition of NYT bestselling author Greg Lang's classic, Why a Daughter Needs a Mom will be the perfect gift for a girl's most trusted friend.

And you think your mom is too involved? Meet the mother of all mothers in this "hilarious" memoir (North Shore News). Adam Chester is the son of a very loving mom, who for almost thirty years has peppered his life with unsolicited advice, news updates, and opinions in the form of

thousands of inappropriate, embarrassing, and utterly crazy letters. Here, he presents a selection of her correspondence showing the extremes maternal instincts can take. Why is a grown woman so frantic that her adult son screw on his windows to keep out killer bees at imminent risk of frostbite should he ever decide to visit San Francisco? And are adult trick-or-treaters really that much of a threat? From a child's perspective, and plenty of therapy, Adam acknowledges and accepts the comedy of it all—and in this book he shares his story of an unapologetic mom who gives “overprotective” a whole new meaning.

A heartbreaking and hilarious memoir by iCarly and Sam & Cat star Jennette McCurdy about her struggles as a former child actor—including eating disorders, addiction, and a complicated relationship with her overbearing mother—and how she retook control of her life. Jennette McCurdy was six years old when she had her first acting audition. Her mother's dream was for her only daughter to become a star, and she would do anything to make her mother happy. So she went along with what Mom called “calorie restriction,” eating little and weighing herself multiple times a day. She endured extensive at-home makeovers while Mom chided, “Your eyelashes are invisible, okay? You think Dakota Fanning doesn't tint hers?” She was even showered by Mom until age sixteen while sharing her diaries, email, and all her income. In *I'm Glad My Mom Died*, Jennette recounts all this in unflinching detail—just as she chronicles what happens when the dream finally comes true. Cast in a Nickelodeon series called iCarly, she is thrust into fame. Though Mom is ecstatic, emailing fan club moderators and getting on a first-name basis with the paparazzi (“Hi Gale!”), Jennette is riddled with anxiety, shame, and self-loathing, which manifest into eating disorders, addiction, and a series of unhealthy relationships. These issues only get worse when, soon after taking the lead in the iCarly spinoff Sam & Cat alongside Miranda Cosgrove, her mother dies of cancer. Finally, after discovering therapy and quitting acting, Jennette embarks on recovery and decides for the first time in her life what she really wants. Told with refreshing candor and dark humor, *I'm Glad My Mom Died* is an inspiring story of resilience, independence, and the joy of shampooing your own hair.

Between Mom and Me: a Mother and Daughter Shared Journal

The joy of being a mom is palpable in this touching tribute to parenthood. Whimsical illustrations capture the poignant moments that make motherhood so special: pinning up a daughter's hair, getting messy during playtime, reading quietly side by side, and, above all, cherishing

precious moments together. Bright pops of Pantone coral infuse each spread, and a cloth spine adds an irresistible specialness. At once a treasured Mother's Day gift and a year-round "I love you," this book will delight parents and children in a celebration of a supremely meaningful relationship. This lovely testament to the inimitable mother/daughter bond goes straight to the heart.

A one-of-a-kind journal for the mother & son who crave a rule-free, creative way to connect with each other. This engaging prompt journal is the perfect tool to build mother-son relationships. Kids can record memories, swap stories, compare perspectives, and explore common and unique interests with their moms! Interactive lists and letters back and forth invite both mom and son to reflect, write, and doodle about topics timely to their lives as kids, build self-confidence and improve their penmanship.

Our Back-And-Forth Journal

Between Mom and Me: a Mother and Daughter Keepsake Journal

Mom and Me, Me and Mom

From Mom to Me Again

A NEW YORK TIMES NOTABLE BOOK OF THE YEAR • NEW YORK TIMES BEST SELLER • From the indie rockstar of Japanese Breakfast fame, one of TIME's Most Influential People of 2022, and author of the viral 2018 New Yorker essay that shares the title of this book, an unflinching, powerful memoir about growing up Korean American, losing her mother, and forging her own identity. In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more

than a dazzling singer, songwriter, and guitarist. With humor and heart, she tells of growing up one of the few Asian American kids at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the East Coast for college, finding work in the restaurant industry, and performing gigs with her fledgling band--and meeting the man who would become her husband--her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious and plainspoken, lyrical and honest, Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, and complete with family photos, *Crying in H Mart* is a book to cherish, share, and reread.

This engaging prompt journal is the perfect tool to build mother-son relationships. Kids can record memories, swap stories, compare perspectives, and explore common and unique interests with their moms! Interactive lists and letters back and forth invite both mom and son to reflect, write, and doodle about topics timely to their lives as kids, build self-confidence, and improve their penmanship.

A Mom Appreciation Gift is a memory book specifically designed for women. This layout of this notebook allows you to document your thoughts, successes, mistakes, and goals. Capture a lifetime of priceless memories all in this one scrapbook like a journal. A keepsake to pass down for years to come. A Keepsake Journal of Stories and Memories, a perfect gift for Mother's Day. Each day, write down three to five things that you are grateful for in this journal for moms and turn your ordinary moments into blessings. Romantic diary for a woman. Perfect mom journal for her. Great gift an Mother's Day for mom and grandma. A keepsake journal to last a lifetime and a unique, romantic gift for mother in law, mom, and grandma.

Live your best life—even after your kids leave home When her children left for college, Melissa Shultz was certain that she had prepared them well for their new lives-but her own life was a different matter entirely. Her house was empty, her purpose unclear. If her life was no longer dominated by the day-to-day demands of being "Mom," then who exactly was she? And how would she ever move forward? *From Mom to Me Again* is the story of one woman's reinvention. Shultz's struggle with the empty nest and the transformation of her marriage, friendships, career, and ultimately herself, is part memoir and part self-help guide. Funny, poignant, and practical, this book tells Shultz's personal story and provides valuable advice for readers preparing to send their children off into the world. She shows women that while they'll always be mothers, it's time for them to take center stage in their own lives once again.

“ You will devour these beautifully written—and very important—tales of honesty, pain, and resilience ” (Elizabeth Gilbert, New York Times bestselling author of *Eat Pray Love* and *City of Girls*) from fifteen brilliant writers who explore how what we don ’ t talk about with our mothers affects us, for better or for worse. As an undergraduate, Michele Filgate started writing an essay about being abused by her stepfather. It took her more than a decade to realize that she was actually trying to write about how this affected her relationship with her mother. When it was finally published, the essay went viral, shared on social media by Anne Lamott, Rebecca Solnit, and many others. This gave Filgate an idea, and the resulting anthology offers a candid look at our relationships with our mothers. Leslie Jamison writes about trying to discover who her seemingly perfect mother was before ever becoming a mom. In Cathi Hanauer ’ s hilarious piece, she finally gets a chance to have a conversation with her mother that isn ’ t interrupted by her domineering (but lovable) father. Andr é Aciman writes about what it was like to have a deaf mother. Melissa Febos uses mythology as a lens to look at her close-knit relationship with her psychotherapist mother. And Julianna Baggott talks about having a mom who tells her everything. As Filgate writes, “ Our mothers are our first homes, and that ’ s why we ’ re always trying to return to them. ” There ’ s relief in acknowledging how what we couldn ’ t say for so long is a way to heal our relationships with others and, perhaps most important, with ourselves. Contributions by Cathi Hanauer, Melissa Febos, Alexander Chee, Dylan Landis, Bernice L. McFadden, Julianna Baggott, Lynn Steger Strong, Kiese Laymon, Carmen Maria Machado, Andr é Aciman, Sari Botton, Nayomi Munaweera, Brandon Taylor, and Leslie Jamison.

NEW YORK TIMES BESTSELLER • A moving memoir about the legendary author's relationship with her own mother. Emma Watson's Our Shared Shelf Book Club Pick! The story of Maya Angelou's extraordinary life has been chronicled in her multiple bestselling autobiographies. But now, at last, the legendary author shares the deepest personal story of her life: her relationship with her mother. For the first time, Angelou reveals the triumphs and struggles of being the daughter of Vivian Baxter, an indomitable spirit whose petite size belied her larger-than-life presence—a presence absent during much of Angelou's early life. When her marriage began to crumble, Vivian famously sent three-year-old Maya and her older brother away from their California home to live with their grandmother in Stamps, Arkansas. The subsequent feelings of abandonment stayed with Angelou for years, but their reunion, a decade later, began a story that has never before been told. In *Mom & Me & Mom*, Angelou dramatizes her years reconciling with the mother she preferred to simply call "Lady," revealing the profound moments that shifted the balance of love and respect between them. Delving into one of her life's most rich, rewarding, and fraught relationships, *Mom & Me & Mom* explores the healing and love that evolved between the two women over the course of their lives, the love that fostered Maya Angelou's rise from immeasurable depths to reach impossible heights. Praise for *Mom & Me & Mom* "Mom & Me & Mom is delivered with

Angelou's trademark good humor and fierce optimism. If any resentments linger between these lines, if lives are partially revealed without all the bitter details exposed, well, that is part of Angelou's forgiving design. As an account of reconciliation, this little book is just revealing enough, and pretty irresistible."—The Washington Post "Moving . . . a remarkable portrait of two courageous souls."—People "[The] latest, and most potent, of her serial autobiographies . . . [a] tough-minded, tenderhearted addition to Angelou's spectacular canon."—Elle "Mesmerizing . . . Angelou has a way with words that can still dazzle us, and with her mother as a subject, Angelou has a near-perfect muse and mystery woman."—Essence
