

### Bigger Deal: A Year On The 'New' Poker Circuit

Men Really Can Be Jerks\* \*But Only If You Let Them. Like millions of women, Daylle Deanna Schwartz had a habit of falling for jerks--until she had enough. This cycle wasn't going to change until she made a change herself. And now in this anniversary edition of her groundbreaking relationship book, she shows you how to do the same. This book tells it like it is. The only person who can make you happy is you, and the only person who can change a guy is himself. It's time to take control and make him prove he's not a jerk, or move on. As a relationship expert and self-empowerment counselor, Daylle's guidance will motivate you to develop a satisfying, healthy relationship, without playing games. With fresh insight and new stories throughout, this updated edition of All Men Are Jerks - Until Proven Otherwise makes your happiness your first priority. Men can act like real jerks, but complaining about them won't get you anywhere. It's time to take control of how men treat you--and get the love you deserve!

Bob Fosse is one of the most significant figures in the post-World War II American musical theater

"Wasserstein is widely recognized as the father of modern-day mergers and acquisitions... [He] explains what drives mergers and how they get done." - USA Today "Informative and entertaining." - Kirkus Reviews Big Deal is a penetrating look at the world of mergers and acquisitions by the legendary Bruce Wasserstein. Using compelling case studies, he reveals the inside story of the billion dollar deals that shape America's economy.

Andrew the Big Deal

The Inside Story of How One Insane Gamble, Tons of Unbelievable Hype, and Millions of Wild Deals Made Billions for One Ballsy Joker

Oh hey, guess what? New York Times bestseller Nick Seluk has a hilarious new nonfiction picture book all about your body's very own computer -- the brain! Have you ever thought about everything your brain does for you? It is always working to keep you alive and safe. (Plus it lets you think about funny stuff, too.) So why is the brain such a big deal? Because it makes you YOU, of course!This funny and factual picture book from Heart and Brain creator Nick Seluk explains the science behind everything the brain helps you do: keeping your heart beating, telling you when you are sleepy, remembering stuff, and more. The brain is in charge of everything you do, every minute of every day for your entire life. That's kind of a big deal.Each spread features bite-sized text and comic-style art with sidebars sprinkled throughout. Anthropomorphized organs and body parts -- recognizable from Nick Seluk's New York Times bestselling book -- help readers learn through funny jokes and comic panels. Funny, smart, and accessible, The Brain Is Kind of a Big Deal is a must-have!

A hilarious nonfiction picture book from the New York Times bestselling author and creator of Awkward Yeti. Oh hey, guess what? The Sun never stops working to keep things on Earth running smoothly. (That's why it's been Employee of the Month for 4.5 billion years.) So why does the Sun get to be the center of attention? Because it's our solar system's very own star! This funny and factual picture book from Awkward Yeti creator Nick Seluk explains every part of the Sun's big job: keeping our solar system together, giving Earth day and night, keeping us warm, and more. In fact, the Sun does so much for us that we wouldn't be alive without it. That's kind of a big deal. Each spread features bite-sized text and comic-style art with sidebars sprinkled throughout. Anthropomorphized planets (and Pluto) chime in with commentary as readers learn about the Sun. For instance, Mars found someone's rover. Earth wants the Sun to do more stuff for it. And Jupiter just wants the Sun's autograph. Funny, smart, and accessible, The Sun Is Kind of a Big Deal is a must-have!

The author of Big Deal tests his card skills against the changed world of poker in the twenty-first century at a worldwide tournament that pits promising first-timers who have never played except on the Internet with long-standing professionals who are finding themselves outmatched. Reprint. 17,500 first printing.

A Beautiful Teacher Appreciation Gift Under 10.00! Are you looking for a great gift for your child's preschool or kindergarten teacher? This extra special teacher appreciation notebook (or journal) is the perfect way to express your gratitude to the best teacher ever! With 120 pages of lined paper, this motivational and inspirational notebook with quote makes a memorable (and useful) gift idea for both, male and female teachers. This heartwarming "I Teach Tiny Humans I'm Kind of a Big Deal" quote on the full-color matte SOFT cover, will help remind any teacher that their hard work is appreciated. On the first page of the notebook is a place for a personal "Thank You" message, which can be signed with the name of your child. And with 6x9 inches (or 15x22cm) this notebook has the perfect size to tuck into a purse, keep on a desk or as a cherished bedside companion. Give a preschool teacher a gift they'll remember! Better Notes Notebooks for Teachers are perfect for: Thank You teacher gifts End of Year Teacher Gifts Preschool Teacher Appreciation gifts Gifts for Nursery Teachers Gifts for Retiring Teachers Teacher Leaving gifts Christmas and Birthday gifts for Teachers And many, many, more....

" So many strange and wonderful things happen at every twist and turn, you'll be happy to wander with Josie . . . Each book she descends into seems to teach her something, and even if it's not obvious where the story is going, we're in it for the long haul. " —NPR From Shannon Hale, bestselling author of Austenland, comes Kind of a Big Deal: a story that will suck you in—literally. There's nothing worse than peaking in high school. Nobody knows that better than Josie Pie. She was kind of a big deal—she dropped out of high school to be a star! But the bigger you are, the harder you fall. And Josie fell. Hard. Ouch. Broadway dream: dead. Meanwhile, her life keeps imploding. Best friend: distant. Boyfriend: busy. Mom: not playing with a full deck? Desperate to escape, Josie gets into reading. Literally. She reads a book and suddenly she's inside it. And with each book, she 's a different character: a post-apocalyptic heroine, the lead in a YA rom-com, a 17th century wench in a corset. It 's alarming. But also . . . kind of amazing? It 's the perfect way to live out her fantasies. Book after book, Josie the failed star finds a new way to shine. But the longer she stays in a story, the harder it becomes to escape. Will Josie find a story so good that she just stays forever?

The “ Big Deal ” looked like a good deal, a true win-win. But while the Big Deal has lowered the rate of serial price inflation, for many libraries the pricing remains unsustainable. Nearly half of libraries have seen substantial increases in serial spending during the past ten years. Where does your institution fall on the scale? Drawing from National Center for Education Statistics (NCES) data, Crawford presents a thorough study, crunching the numbers of a survey of 2,594 academic libraries through 83 revealing charts and graphs. Examining data organized by groups of academic libraries, and broken down by library size, sector, and Carnegie Classification, this issue ofLibrary Technology Reports offers such findings and explanations as:

Summary of number of institutions and full-time equivalent studentsTables plotting key figures from 2002 to 2012Analysis of trends in spending and acquisitions, with notes on special casesData on how the non-serial spending is hitting the 1,516 small libraries particularly hardBook-spending trends comparing liberal arts colleges to doctoral research universities or public and private institutionsSuggestions for improving libraries' position in the serial marketplace

In the years since Anthony Holden wrote his classic memoir Big Deal, the poker world has changed beyond recognition. When Holden played in the 1988 World Series of Poker there were 167 starters competing for a prize of \$270,000. Since then, poker has become the world's largest single-competitor sport -- at the 2006 World Series there were almost 9,000 players and a first prize of \$12 million, the richest in any sport. What happened in the years between Big Deal and Bigger Deal could never have been predicted: the Internet and television sparked a worldwide explosion in the popularity of poker, one that shows no sign of abating. Poker even has a respectable image these days, much to the disgust of die-hard players. Gone are the seedy rooms of the Horseshoe -- you can't even smoke at the table! -- and you're more likely to find yourself head to head with a film star than an ex-con in Las Vegas. With the future of online poker now legally endangered in the United States, Holden's vision of the poker boom comes at a critical moment in the game's history. In Bigger Deal, Holden is your guide to the world of the "new" poker -- to the players who dominate the modern game and the personalities behind the multibillion-dollar business it has become -- as he tries once again to win the world title.

After all, as Telly Savalas once reminded Holden, a million dollars is never irrelevant. Not to mention twelve...

President Donald J. Trump lays out his professional and personal worldview in this classic work—a firsthand account of the rise of America’s foremost deal-maker. “I like thinking big. I always have. To me it’s very simple: If you’re going to be thinking anyway, you might as well think big.”—Donald J. Trump Here is Trump in action—how he runs his organization and how he runs his life—as he meets the people he needs to meet, chats with family and friends, clashes with enemies, and challenges conventional thinking. But even a maverick plays by rules, and Trump has formulated time-tested guidelines for success. He isolates the common elements in his greatest accomplishments; he shatters myths; he names names, spells out the zeros, and fully reveals the deal-maker’s art. And throughout, Trump talks—really talks—about how he does it. Trump: The Art of the Deal is an unguarded look at the mind of a brilliant entrepreneur—the ultimate read for anyone interested in the man behind the spotlight. Praise for Trump: The Art of the Deal “Trump makes one believe for a moment in the American dream again.”—The New York Times “Donald Trump is a deal maker. He is a deal maker the way lions are carnivores and water is wet.”—Chicago Tribune “Fascinating . . . wholly absorbing . . . conveys Trump’s larger-than-life demeanor so vibrantly that the reader’s attention is instantly and fully claimed.”—Boston Herald “A chatty, generous, chutzpa-filled autobiography.”—New York Post

Life is full of tough calls and daunting decisions. The question isn't if you'll face a big decision in the future, but how you'll face the tough call that's guaranteed to come your way. Think about it. There are wedding proposals to ponder, college applications to submit, career moves to make, homes to sell, and confrontations to consider. And, knowing how poorly things could go, we sometimes find ourselves facing these decisions with a deep fear of future regret. The pressure is on. Or is it? Short and straightforward, yet full of practical insight and spiritual truths, Tough Call, will help you see that the Christian faith offers a mindset to confidently and joyfully make your next big decision. More importantly you'll see that you can face life with your fears recognized, your peace maximized, and your hope anchored in something greater than your ability to "get it right." Readers familiar with authors like Acuff, Chan, and Tchividjian will resonate with Matt Popovits's witty, practical, and gospel-centered take on complicated topics. Tough Call is an enjoyable and essential read for any and all facing a major decision.

What's the Big Deal about Freedom

BIG DEAL is the mesmerising story of a year spent by bestselling biographer Anthony Holden in the tough world of the professional poker player. He spent days and nights in the poker paradise of Las Vegas, in Malta and Morocco, even shipboard, mingling with the legendary greats, sharpening his game, perfecting his repartee, and learning a great deal about himself in the process. Poker, Holden would insist, is not gambling. Like chess it is a paradigm of life at its most intense, a gladiatorial contest that brings out the best as well as the worst in people. Its heroes, its eccentrics and is comedians stalk the pages of this remarkable book, along with all the hair-raising, nail-biting excitement of the games themselves. A classic of the genre, BIG DEAL is here reissued with a new introduction by the author.

Cory Doctorow's Attack Surface is a standalone novel set in the world of New York Times bestsellers Little Brother and Homeland. Most days, Masha Maximow was sure she'd chosen the winning side. In her day job as a counterterrorism wizard for an transnational cybersecurity firm, she made the hacks that allowed repressive regimes to spy on dissidents, and manipulate their every move. The perks were fantastic, and the pay was obscene. Just for fun, and to piss off her masters, Masha sometimes used her mad skills to help those same troublemakers evade detection, if their cause was just. It was a dangerous game and a hell of a rush. But seriously self-destructive. And unsustainable. And when her targets were strangers in faraway police states, it was easy to compartmentalize, to ignore the collateral damage of murder, rape, and torture. But when it hits close to home, and the hacks and exploits she's devised are directed at her friends and family—including boy wonder Marcus Yellow, her old crush and archrival, and his entourage of naïve idealists--Masha realizes she has to choose. And whatever choice she makes, someone is going to get hurt. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Returning home to the once-sleepy town he made famous through his seemingly miraculous birth, Davey Quinn, a seventh son of a seventh son, hides the truth about his failures in the big city and observes the significant, often humorous, changes that have taken place, as recorded in an error-prone gossip column.

**"A kid-friendly history of the concept of freedom in the U.S"--**

**From campaigns to voting booths, from local elections to national races, this fun and fact-filled book--now in chapter book format!--celebrates the fundamental American idea that "we the people" get to decide who runs the show. Did you know that we have more than ninety thousand state and local governments in the US? Or that Election Day celebrations two hundred years ago featured marching bands and bonfires? How about that George Washington was our only president who ran unopposed? Elections allow adult citizens the chance to choose how our cities, states, and country are run. Even kids who can't vote yet can make their voices heard by helping the candidates they like get votes! Our elections can seem complicated, but at their core they're all about having a say in our own lives and future. In this fun and fact-filled chapter book, readers learn just how important being an active participant in our democracy can be through one simple message- Elections matter, and we can all play our part.**

**The British Virgin Islander sold his Legacy for a bowl of porridge his hometown is bursting at the seams with the outsider to whom he's given Carte Blanche - unaware that his wings have been clipped he is now the endangered specie and must be watchful less he become like the Dodo and Moa flightless birds from New Zealand extinct for over a century. Marx asserts that history repeats itself, the first is tragedy and the next time farce. "In the Caribbean we often appear to be sleep-walkers reliving history and repeating the farce."**

**Tracking the Damage**

**Business Week**

**The Brain Is Kind of a Big Deal**

**Mergers and Acquisitions in the Digital Age**

**Notebook (A5) Great for Preschool Teacher Appreciation Gifts, Graduation, End of Year in Kindergarten, Retirement, Thank You Gifts Or Birthday Gifts**

*The Bigger Deal: Work Your Way to a Life of Meaning, is a book about possibilities. It is an impassioned demonstration that there is so much more every single one of us can do to have bigger lives. The Bigger Deal is about better businesses, better careers, and better contributions to our shared humanity. It is a book about the meaning of work, success, and life. Springing from Sunny's work as a business advisor, educator, columnist, and speaker, The Bigger Deal is written for those who care about doing more with their lives. It shows business folk how to use a powerful sense of purpose to build organizations that truly excel. It exhorts employers to bring the best out of their staff members by treating them as human beings, not human resources. It demonstrates to employees the need to use work, no matter how humble, as a path to inner fulfillment. It is about CEOs and porters, entrepreneurs and clerks, artists and artisans.*

*The inside story of the meteoric rise of Groupon from startup to \$30 billion online giant and the audacious genius behind it, founder Andrew Mason In late 2010, Groupon made an incredible gamble. Rather than take Google's \$6 billion buyout offer, founder Andrew Mason turned the search giant down and decided to go it alone. The experts thought he was insane. Groupon was little more than two years old and staffed from top to bottom with twenty-somethings. The wild ride couldn't last, but Mason thought otherwise, and with knowledge of a possible IPO he liked his odds. A discount service that offers a deal a day at local merchants in countless cities in more than forty-three countries, Groupon is the fastest-growing company in Internet history and is as committed to innovating a new model for commerce as it is to creating an office culture and editorial voice based on radical transparency and absurd humor. Groupon's Biggest Deal Ever is the exclusive and unparalleled account of the incredible rise of discount giant Groupon and the compelling story of its offbeat founder Andrew Mason as he created a juggernaut of online commerce and ignited a consumer revolution.*

*In 1988, best-selling biographer Anthony Holden spent one year living the life of a professional poker player. His mesmerizing account of that year went on to become a classic of the genre, an inspiration to innumerable poker players and poker memoirists who followed. Big Deal is his story of days and nights in Las Vegas, Malta, and Morocco, mingling with the greats, sharpening his game, perfecting his repartee, and learning a great deal about himself in the process. Poker, Holden would insist, is a paradigm of life at its most intense, a gladiatorial contest that brings out the best as well as the worst in people. The heroes and eccentrics of the poker world stalk the pages of this remarkable book, along with all the hairraising, nail-biting excitement of the game itself.*
