Bing's Noisy Day: Interactive Sound Book (Bing)

A charming musical book with embedded sounds that will create a soothing ambience for bedtime. The tunes in Baby's Bedtime music book are excerpts from five lovely and gentle classical pieces: Brahms's lullaby, a Chopin nocturne, a berceuse by Faure, a lullaby by Schubert and Mozart's clarinet concerto.

Let loveable characters Monkey and Mo take you on a musical journey, singing, dancing and playing all kinds of instruments as they share the joy of music in Monkey Music Magic Sounds. Music is a fundamental part of pre-school children's development, helping them to enjoy socialising, learning and playing.

Based on the award-winning Monkey Music classes and featuring the much-loved illustrations of Emily Bolam, this series encourages children to begin their own lifetime love of music and boosts their educational and emotional growth. The CD includes 20 fantastic sing-along songs that can be enjoyed on their own, on the go or alongside the book which also offers tips for getting the most out of each song. Fingertrails and half-cuts in addition to sounds embedded in the page, make this an exciting experience. The bright, colourful artwork enhanced with cut-outs to peep through. Best of all, press the pages and bring the jungle to life with a croaking frogs, a shower of rain, screeching parrots, roaring lions and other creatures. A delightful gift for a young child.

were immortalized by Henry Wadsworth Longfellow in a poem published in 1861, more than eighty years after the event. Longfellow wrote the poem at the time of the Civil War. He hoped that his story of an ordinary citizen who comes to the aid of his country would stir patriotic feelings and support for the Union. He was right. In fact, if it hadn't been for Longfellow, Paul Revere may have remained a local legend. The poem fired the imaginations of Americans and a national hero was born. This illustrated edition of the classic poem features vivid oil paintings by Monica Vachula, whose research into period and place can be seen in the smallest detail. A concluding note by historian Jayne Triber, author of *A True Republican: The Life of Paul Revere*, explores the poem and Paul Revere's place in American history.

just stop moving "The Cheese." But things keep changing... Most people are fearful of change, both personal and professional, because they don't have any control over how or when it happens to them. Since change happens either to the individual or by the individual, Dr. Spencer Johnson, the coauthor of the multimillion bestseller *The One Minute Manager*, uses a deceptively simple story to show that when it comes to living in a rapidly changing world, what matters most is your attitude. Exploring a simple way to take the fear and anxiety out of managing the future, *Who Moved My Cheese?* can help you discover how to anticipate, acknowledge, and accept change in order to have a positive impact on your job, your relationships, and every aspect of your life.

and goats and geese--and a jaunty old scarecrow leaning on his hoe. And they all lived together by the big red barn. In joyous and exuberant Pictures, Felicia Bond lovingly evokes Margaret Wise Brown's simple, rhythmic text about the cycle of a day on a farm, where a family of animals peacefully plays and sleeps. In the barnyard there are roosters and cows, horses and goats, and a pink piglet who is learning to squeal. Margaret Wise Brown's lulling story about a day in the life of a barnyard is now available as a sturdy board book. Felicia Bond's atmospheric illustrations add to
