adults. 120 pages of wonderful and unique templates designed to meet the highest requirements of both small and large artists, as well as beginners and advanced cartoonists. The panels are arranged in such a way that it is easy to draw both short and long stories. The size of the panels allows you to draw both larger and smaller scenes. The panels do not contain any additional speech bubbles or graphic inserts, thus giving a lot of space for drawing and great freedom in drawing their stories without restrictions. The great and unique arrangement of panels gives a lot of possibilities and guarantees hours of wonderful fun. This empty comic template is ideal for creating stories about your life, school adventures or creating beautiful love stories as well as the stories of a super hero. Drawing comics is great fun which unleashes creativity and ideally affects the feeling of well-being. In each of us there is a small artist who is just waiting to be free to draw his or hers history. With this high-quality sketchbook, experienced and aspiring manga artists can take what they've learned about drawing manga and create their own manga graphic novels. The opening pages of this sketchbook include information on filling the panels, creating drama with angles, using speech balloons, and creating special effects. After that, the book is divided into six sections, each with a cover template and blank, black-framed panels that allow artists to create different manga stories from start to finish. The possibilities are endless!
