

Blood Debts: A Nate Temple Supernatural Thriller Book 2 (The Temple Chronicles)

The Brothers Grimm - legendary supernatural assassins - have escaped their prison, and their first day in St. Louis could be Nate Temple's last... Sharing a beer with Death - one of the Four Horsemen of the Apocalypse - really put a few things into perspective for this foul-mouthed, billionaire wizard. Like finally strapping on the boots to propose to his girlfriend. But assassination contracts have a way of putting wedding plans on hold. Perhaps permanently. And with the entire wedding party on the bloodthirsty Grimm's hit-list, and his family fortune in jeopardy, Nate realizes they can't run and they can't hide. So, time to do magic and stuff... But with every flavor of supernatural thug teaming up to help the Grimms, Nate realizes that friends have become enemies and enemies have become friends, and he's forced to cross lines that are better left uncrossed. When magic, claws, and teeth dance to the song of war, the only thing left to learn is who lives and who dies. And if Nate can live with the consequences. No wonder a guy is terrified to propose... If you like Jim Butcher, Kevin Hearne, or Patrick Rothfuss, you will LOVE the fourth installment of The Nate Temple Supernatural Thriller series.

In this sequel to Silhouette, Michael Ares must survive a series of assassination attempts to find out why he was destined to become one of the most powerful men on the planet. In the near future, a post-quake San Francisco is ruled by a private corporation called the Bay Area Security Service. BASS has established and maintained order in this new city-state with a police force of "peacers" who have a license to kill, and the company has developed a cutting-edge antigravity technology coveted by the rest of the world. Michael Ares has recently inherited the throne of BASS, and immediately finds himself marked for assassination by an even more powerful leader, the Chinese general Zhang Sun. Michael doesn't understand why he was chosen to play this important role, nor does he know why Sun is so determined to see him dead. But to find out, he will first have to survive not just one attempt on his life, but an unrelenting barrage that has never failed to end in the death of the target. His only hope is to entrust his fate to an old friend whose company provides personal high-tech protection that is almost as impressive as the forces arrayed against him. A future world of aerocars, net glasses, and neural cyberware provides the backdrop for this timeless tale of good and evil, love and revenge, truth and mystery. Dave Swavely's Kaleidocide is filled with a kaleidoscope of colorful characters and thrilling action that will make readers' hearts pound and minds race at the same time.

Nate Temple must die. Mordred - the bastard son of King Arthur - has returned, and he will stop at nothing to utterly destroy everything his father ever created - burning the Arthurian Legend from the history books for good. He's already defeated Nate Temple once, corrupting the fabled Knights of the Round Table into darker, nigh-invincible, merciless, killing machines - Knightmares. And once Camelot is nothing more than a pile of fiery rubble, Mordred plans to conquer St. Louis - after slaughtering Nate and everyone he's ever cared about, of course. But a vengeful god is also hunting Nate, and starts attacking his friends to draw him out. When one of Nate's best friends is gravely wounded, Nate is forced to make an impossible choice - save his city from Mordred or save his friend from a blood-crazed god. Both foes carry enough daddy issues to grant a first-year psychologist a second-year retirement. But Nate's not that stable either, and if he can't get a grip on his own demons, his victory might very well be worse than anything either of his enemies ever could have imagined. The only option left is to shatter all the rules, opening himself up to deadly powers better left untouched and forgotten - and even that is a fool's gambit, a whisper of a hope. Then again, if we don't have hope, we've already lost. So, it's time for Nate Temple to roll the dice. Because in this game, even Hope can die...

The first three novels and the prequel novella in the million-selling Nate Temple Series: Obsidian Son, Blood Debts, Grimm, and Fairy Tale. My name is Nate Temple, and I'm secretly a wizard. I ride a foul-mouthed unicorn, I drink with Achilles, and I'm pals with the Four Horsemen. I've even cow-tipped the Minotaur. I understand the theory of following the rules; I'm just not very good at the application. Because rules were meant to be broken, and St. Louis has a bit of a supernatural infestation these days. Someone should probably be keeping an eye on these things - and probably an eye on me, too. Before I blow up another building; or three.

Feathers and Fire Book 4

Economic history states that money replaced a bartering system, yet there isn't any evidence to support this axiom. Anthropologist Graeber presents a stunning reversal of this conventional wisdom. For more than 5000 years, humans have used elaborate credit systems to buy and sell goods. Since the beginning of the agrarian empires, humans have been divided into debtors and creditors. Through time, virtual credit money was replaced by gold and the system as a whole went into decline. This fascinating history is told for the first time. ABANDON ALL HOPE, THE FIFTH HORSEMAN SHALL RIDE... Nate Temple is on the hunt to right a wrong. Mordred - King Arthur's son - has escaped from Hell. And it's all Nate's fault. Pro-Tip: Don't let escapees rob the dreaded Nine Souls on their way out of Hell's Gates. It makes the escapee just an itchy-bitsy bit stronger. But what are the Nine Souls? And what does St. Louis think about having a self-proclaimed King in the twenty-first century? And that's not the only thing he has to worry about. He's having flashbacks about his childhood in Fae, and it's crippling him with migraines that knock him unconscious any time he tries to press them. And Anubis is hunting him, because Nate recently accepted his job offer as the Guide to Hell, and it's not a work-from-home type of job. Nate's going to need to beg, borrow, and steal every scrap of power he can find to stand a snowball's chance in hell against Mordred and what the notorious traitor has in store for St. Louis. Because Mordred has been planning this moment his entire afterlife, from that dark empty cell in Hell, and will stop at nothing to get his father's old heirlooms back. A certain Round Table and a sword. Only then can his master plan truly begin... The world needs a Fifth Horseman. Whether they want it or not... Whether they can survive it or not... If you like Jim Butcher, Kevin Hearne, Steve McHugh, Michael Anderle, Ilona Andrews, Patricia Briggs, Shannon Mayer, or K.F. Breene, you will LOVE the TENTH installment of the Temple Chronicles. Click or tap BUY NOW to jump into the hellish nightmare! INTERVIEW WITH THE AUTHOR: Q: So, what makes your writing so special? A: I wanted to write stories that mirrored the books I liked to read in my childhood. My top picks

were usually urban fantasy, paranormal best sellers, and of course, books featuring your classic gritty, pulp-fiction heroes. Basically, anything with a lot of creepy crawly supernatural characters: mythical creatures, ancient heroes, super villains, and gods. You will find that my stories focus on the ancient myths, characters, and stories we all know, fear, and love. Then twist them up and toss them back like an empty beer can. Q: Aside from Nate Temple, what other books do you write, and what order should I read them in? A: I also write the Amazon Bestselling Feathers and Fire Series that takes place in the Temple Universe about a young female wizard named Callie who hunts monsters for the Vatican: Unchained Rage Whispers Angel's Roar Sinner - September 2018 Temple Chronicles eBook categories: Dark Fantasy Supernatural Thriller Witches & Wizards Urban Fantasy Thriller Supernatural Shifter Angels & Demons Science Fiction & Fantasy Paranormal and Urban Romance Supernatural Mystery and Suspense Vampires and Werewolves Scroll up and tap or click BUY NOW to jump face-first into this wild ride with Gods, Legends, shifters, and vampires!!**PREORDER NOW TO GET THE BOOK WIRELESSLY DELIVERED TO YOUR KINDLE!*** OVER A MILLION READERS HAVE BEEN PLEASURED BY THE TEMPLE VERSE NOVELS. The Blood Covenant

A Wizard, an Angel, and a Horseman of the Apocalypse walk into a bar... The ancient pact between mankind, Heaven, and Hell has been broken. And this upstart wizard's quest for vengeance may have just kicked off Armageddon. So, time for a drink... or maybe two. Already plagued with sinister night terrors that could qualify him as a card-carrying psychopathic insomniac, Nate can barely even manage to put his pants on in the morning, let alone pick teams for the Apocalypse. But when he's framed as a demon sympathizer, condemned by the Armies of Heaven, and hunted down by both his allies and the Four Horsemen, this wizard doesn't think it can get any worse... Then they take away his magic. And a wizard without magic stands no chance against the forces of Heaven and Hell... If you like Jim Butcher, Kevin Hearne, or Patrick Rothfuss, you will LOVE the second installment of The Nate Temple Supernatural Thriller series.

Chris Gordon is a rookie cop in the Big Apple with an interesting sideline - hunting demons. But after rescuing a beautiful girl from a demonic attack, he finds life stranger than he ever thought possible. Vampires, werewolves, shadowy federal agencies and a giant short-faced bear. And it's not even Halloween yet.

"A city that doesn't believe in magic. A weredragon invasion. Good thing this reckless playboy is a wizard... It's been said that monsters cry when a good man goes to war. But they should run screaming like terrified school girls when that man is a wizard, and not necessarily good..."--Author's website.

INTERNATIONAL BESTSELLER A powerful and persuasive discussion about economics, freedom, and the relationship between the two, from today's brightest economist. In this classic discussion, Milton and Rose Friedman explain how our freedom has been eroded and our affluence undermined through the explosion of laws, regulations, agencies, and spending in Washington. This important analysis reveals what has gone wrong in America in the past and what is necessary for our economic health to flourish.

The Nate Temple Series

Last Call

Japanese Death Poems

Callie Penrose has taken over Castle Dracula all for herself, finally feeling like she has time to take a breath and relax. Until she learns that her new real estate acquisition comes with a few unsavory job perks, Nate Temple has been abducted, and Darling and Dear-the mysterious Armorers of the Apocalypse-have been hiding much more than even she suspected. Callie learns that the only way she's going to get some answers and find Nate Temple before it's too late is to round up the other Horsemen and put on her own Mask of Despair...and scare the living hell out of absolutely everyone.

Tis the season...for slaying Fresh off a disturbingly long absence for which she has no explanation or recollection, Quinn MacKenna-reformed Catholic, semi-retired arms dealer, and borderline alcoholic-is busy enjoying the Nordic idea of an afterparty before becoming quickly embroiled in a bitter power struggle coinciding with the advent of the Yuletide season. The issue at hand: the future of the Norse pantheon and its role in the mysterious Omega War to come. The participants: Odin, the All-father and leader of the Aesir, against his younger brothers, Vili and Vé.

Unfortunately, amidst this tumultuous backdrop, Quinn finds herself bereft of everything she once possessed: her Valkyrie armor, her legendary spear, and even her dubious divinity. As such, Quinn has no choice but to broker lopsided alliances and cultivate tenuous friendships while searching for answers to questions she doesn't even know how to ask. Of course, when dealing with ancient and occasionally spiteful gods, it's not always easy to tell who's been naughty and who's been nice. To that end, Quinn must decide what paths to take and how far she's willing to go down them-even if

that means doing so while blind. But then perhaps it really is as simple as some people say: seeing is believing and believing is seeing. Even if you have to trade an eye for the privilege. If you like Jim Butcher, Kevin Hearne, Steve McHugh, Michael Anderle, Ilona Andrews, Patricia Briggs, Shannon Mayer, or K.F. Breene, you won't be able to put down the highly addictive Phantom Queen Diaries or anything else in the Temple Verse. "Shayne Silvers, Jim Butcher, and Kevin Hearne are easily my favorite Urban Fantasy Authors. In that order." - Michael Anderle, Amazon Top 25 Bestselling Author More than 1m copies downloaded and thousands of five-star reviews. Available in digital, print, and audiobook formats. What Amazon readers are saying: "His foul-mouthed unicorn murders rainbows!" "Move over Dresden!" "The Temple Verse HAS to be picked up by Netflix soon." "Silvers could write a grocery list on a dirty napkin and make it an international bestseller." "I went from crying my eyes out to laughing uncontrollably, repeatedly." "It's like the characters walked off the page, joined me at the bar, and bought me a drink." "I am astounded as to how the author keeps the story fresh and exciting." "I usually see plot twists a mile away. Shayne has proven me wrong. Every time." "Best books I've read in thirty years." "His intense actions scenes let you see the fangs and claws, hear the gunshots, feel the magic, and smell the fear." "Everything you thought you knew about vampires, shifters, dragons, wizards, fairies and gods is flat wrong." "Publishers who didn't snap up this series are missing out on a gold mine." Silvers has pleased over one million readers with the Temple Universe. Now it's your turn for a little pleasuring...

You thought you knew how crazy the TempleVerse could get? Hold my beer; LAST CALL is a collection of three drunken novellas set in the TempleVerse, including: Motherlucker-Callie and Quinn's girls' night out in Vegas. Collins-Quinn's prequel novella to the Phantom Queen Diaries. Beerlympian-Gunnar's bachelor party. Get ready for some shenanigans; You might need a drink just to comprehend the insanity. Nicomachean Ethics Aristotle - The Nicomachean Ethics is one of Aristotle's most widely read and influential works. Ideas central to ethics—that happiness is the end of human endeavor, that moral virtue is formed through action and habituation, and that good action requires prudence—found their most powerful proponent in the person medieval scholars simply called "the Philosopher." Drawing on their intimate knowledge of Aristotle's thought, Robert C. Bartlett and Susan D. Collins have produced here an English-language translation of the Ethics that is as remarkably faithful to the original as it is graceful in its rendering. Aristotle is well known for the precision with which he chooses his words, and in this elegant translation his work has found its ideal match. Bartlett and Collins provide copious notes and a glossary providing context and further explanation for students, as well as an introduction and a substantial interpretive essay that sketch central arguments of the work and the seminal place of Aristotle's Ethics in his political philosophy as a whole. The Nicomachean Ethics has engaged the serious interest of readers across centuries and civilizations—of peoples ancient, medieval, and modern; pagan, Christian, Muslim, and Jewish—and this new edition will take its place as the standard English-language translation.

Nate Temple Series Book 15

"A wonderful introduction to the Japanese tradition of jisei, this volume is crammed with exquisite, spontaneous verse and pithy, often hilarious, descriptions of the eccentric and committed monastics who wrote the poems." —Tricycle: The Buddhist Review Although the consciousness of death is, in most cultures, very much a part of life, this is perhaps nowhere more true than in Japan, where the approach of death has given rise to a centuries-old tradition of writing jisei, or the "death poem." Such a poem is often written in the very last moments of the poet's life. Hundreds of Japanese death poems, many with a commentary describing the circumstances of the poet's death, have been translated into English here, the vast majority of them for the first time. Yoel Hoffmann explores the attitudes and customs surrounding death in historical and present-day Japan and gives examples of how these have been reflected in the nation's literature in general. The development of writing jisei is then examined—from the longing poems of the early nobility and the more "masculine" verses of the samurai to the satirical death poems of later centuries. Zen Buddhist ideas about death are also described as a preface to the collection of Chinese death poems by Zen monks that are also included. Finally, the last section contains three hundred twenty haiku, some of which have never been assembled before, in English translation and romanized in Japanese.

"With Achilles angry at Nate for crashing his Fight Night, the Horsemen of the Apocalypse breathing down his neck, and an accidental shifter infection with a cheerful Swedish male dancer, Nate already has his hands full. Then his enemies try to wake up a God" -- from author's web site.

"Web of Debt" unravels deceptions about the money system and presents a crystal-clear picture of the upcoming financial abyss. The text also explores a workable alternative, one that was tested in colonial America and is grounded in the best of American economic thought, including the writings of Benjamin Franklin, Thomas Jefferson, and Abraham Lincoln.

NEW YORK TIMES BESTSELLER — The NBA according to The Sports Guy—now updated with fresh takes on LeBron, the Celtics, and more! Foreword by Malcom Gladwell — "The work of a true fan . . . it might just represent the next phase of sports commentary." —The Atlantic Bill Simmons, the wildly opinionated and thoroughly entertaining basketball addict known to millions as ESPN's The Sports Guy, has written the definitive book on the past, present, and future of the NBA. From the age-old question of who actually won the rivalry between Bill Russell and Wilt Chamberlain to the one about which team was truly the best of all time, Simmons opens—and then closes, once and for all—every major pro basketball debate. Then he takes it further by completely reevaluating not only how NBA Hall of Fame inductees should be chosen but how the institution must be reshaped from the ground up, the result being the Pyramid: Simmons's one-of-a-kind five-level shrine to the ninety-six greatest players in the history of pro basketball. And ultimately he takes fans to the heart of it all, as he uses a conversation with one NBA great to uncover that coveted thing: The Secret of Basketball. Comprehensive, authoritative, controversial, hilarious, and impossible to put down (even for Celtic-haters), The Book of Basketball offers every hardwood fan a courtside seat beside the game's finest, funniest, and fiercest chronicler.

Blood Debts

Devil's Blood

Eat Pray Love

Blood Debts

The White Rose marches for war. The angels will weep, the devils will cry, and mankind may die. Callie Penrose wields the Spear of Destiny and wears Envy's Halo—the corrupting power of darkness balanced by the legendary blade of light. Both fight for dominance of the White Rose, but which force will win? Her best friend, Claire, has been abducted or killed, and her only surviving family has been ritualistically murdered

to hide the truth of the Divines and the Sev'n Most Sinist'r. Heaven has deemed her a criminal and Hell begs her to be their queen or die. The Vatican is preparing to march on the City of Fountains to defend mankind against the horrors of the White Rose, the new Master Dracula, once and for all. The answers to her past-and mankind's future-are hidden deep within Solomon's Temple, locked away for very good reason. Callie will have to face some dark, painful truths to bring harmony to a world gone mad. To discover why Heaven and Hell are so eager to bring her under their control. But the Horsewoman of Despair is not alone. The Horseman of Justice and Absolution ride to Kansas City to lay waste to her foes. Three of the Dread Four will march against the forces of Heaven, Hell, and the Vatican. And Kansas City is not the only battleground. The Garden of Eden is in grave peril, and no one knows if Callie is the danger or if she's the savior. After all, how good can Master Dracula be? The Halo Breaker rides a path as thin as the edge of a sword, and even she doesn't know what is right or wrong. But that's what family is about. Getting into-and out of-trouble. Let's just hope the city can survive. Let us pray that the Garden of Eden will thrive. The flip of a coin will decide the fate of the world.

Twenty-three centuries after its compilation, 'The Politics' still has much to contribute to this central question of political science. Aristotle's thorough and carefully argued analysis is based on a study of over 150 city constitutions, covering a huge range of political issues in order to establish which types of constitution are best - both ideally and in particular circumstances - and how they may be maintained. Aristotle's opinions form an essential background to the thinking of philosophers such as Thomas Aquinas, Machiavelli and Jean Bodin and both his premises and arguments raise questions that are as relevant to modern society as they were to the ancient world.

After the loss of his girlfriend Jesse, druid-trained hunter Colin McCool swore off monster-hunting for good. Now a rogue vampire is killing the weak and defenseless in his city, and no one else seems to care enough to stop him. To end the slaughter, Colin has agreed to take up his sword one last time... but will this "one final job" be the death of him? BLOOD SCENTA Junkyard Druid Urban Fantasy Novella, #1 Colin's life has finally regained some semblance of normalcy after the death of his girlfriend, Jesse. He no longer hunts supernatural creatures. He has a job working in his uncle's salvage yard that he enjoys. He's even planning to start college in the fall. And, he lives inside six acres of scrap iron, steel, and magical wards that keep the fae and other denizens of Austin's paranormal underworld far, far away from him. Which is just how he likes it. So when he runs across a rogue vampire on the hunt, his first instinct is to report it to the local coven leader and then mind his own business. But Colin just can't stand aside and watch as innocent people are slaughtered. Which is why he'll take up his sword one last time, for one final job. But with witches, doppelgangers, and demigods involved, this gig is turning out to be a lot more complicated and dangerous than he expected. Hopefully, this "one last job" won't truly become his last... (Note to readers: The events in this 30,000 word novella occur before Junkyard Druid. It can be read as a prequel to the Junkyard Druid/Colin McCool New Adult Urban Fantasy Novel Series or as a standalone novella.)

Grimm

Nine Souls

Feathers and Fire Book 8

Angel's Roar

It's Mardi Gras in St. Louis, but Nate Temple - plagued with horrifying night terrors of carnage and chaos that could qualify him as a card carrying psychopathic insomniac - is not celebrating. Instead, he's been using those sleepless nights to try and get a grip on his sudden boost in magical power, the power that surged inside him following his parents' murder - the power that abruptly made him the strongest wizard for hundreds of miles. And that jump in power has only created a glaring void of jealousy in his wizard brethren, painting a nice fat target on his back. Still, desperate for answers regarding his parents' murder - and the mysterious Pandora Protocol project they had gifted him - he finds himself risking everything to dish out vengeance against the monster that destroyed his family. But will he succeed when the ruling body of wizards strips him of his powers, his allies desert him, the city itself fights to shut him and his billion dollar company down, and the heaviest of the Biblical big hitters threaten him to cease and desist his investigation before his Blood Debt ignites Armageddon? Nate soon realizes that he's in the fog of war against a foe that has been playing chess while Nate has been playing checkers, and every supernatural nation is fighting to get their grubby claws on the mysterious Pandora Protocol. Backed against a wall, it's time for Nate Temple to realize who he is without his magic, his allies, or his money. And at the end of that road, only Death is waiting to greet him...

Gwen Cooper never imagined she would return to the Otherworld. But when her Breenan friend Bran grows ill, she must pass through a portal once again to take him home. Gwen's actions three months earlier have left the Otherworld failing and her mother dying. Driven by guilt, Gwen must travel through dangerous Breenan territory on a quest for a spell to restore the realm and heal her mother. She encounters terrifying obstacles and a ruthless Breenan king who puts a countdown

on Gwen's life. Can she unite her two worlds to restore the realm before she is lost in the Otherworld forever?

A cursed druid, blackmailed by a faery queen to find a missing magic rock. Let's just hope they don't hack the druid off... for everyone's sake. JUNKYARD DRUID A New Adult Urban Fantasy Novel From M.D. Massey Name's Colin McCool. Folks call me the Junkyard Druid. I hate that name. Despite my last name, I'm not "cool" like the other hunters in town. I don't run an occult bookstore, I've never owned a Harley, and I didn't inherit a family fortune passed down through generations of hunters before me. And I kind of have this curse on me that's messed up my life. So, things have gone to hell since I was cursed. I live in a junkyard, my mentor Finn is a heroin addict, I've got the Cold Iron Circle breathing down my neck, and the local Fae Queen Maeve is blackmailing me into doing her dirty work. Now I'm in way over my head trying to retrieve Maeve's stolen magic rock, all while helping my friend Belladonna solve a series of murders that may or may not involve the local werewolves. And did I mention that my girlfriend is a ghost? If I can just get the Faery Queen's tathlum back, and help Belladonna solve the murders... Then I just might live long enough to finish my first year of college. - - - Junkyard Druid is a new adult fantasy novel that interweaves elements of paranormal mystery and suspense to introduce an exciting new world and characters in the urban fantasy paranormal genre. It's the first book in the Colin McCool urban fantasy series for adults. Readers of Jim Butcher, Patricia Briggs, and Kevin Hearne will enjoy exploring this new fantasy world through the eyes of Colin McCool. Get your copy today!

Nate Temple has been abducted by Zeus and is thrown into the middle of an Olympian family feud that could very well kick off the Omega War all by itself. He will need every ally and every tool at his disposal to have a chance at surviving. The only problem is that none of those allies have any idea where he is, but they're scouring the world to find him. Before it's too late.

Debt

Nate Temple Series Book 9

It seems every supernatural family in town is sick and tired of Nate and wants to put him in his place. The worst part is, all his friends seem to agree. With everyone else fighting to prevent war between the families, Nate takes two of his scariest friends on a walk down that famous path paved with good intentions-- to those eternal pits of despair-- so he can finally demand some real answers from his parents.

The greatest trick the First Vampire ever pulled was convincing the world that he didn't exist. Before the now-infamous Count Dracula ever tasted his first drop of blood, Sorin Ambrogio owned the night...and now he's back. Fleeing Europe and starting a new chapter in his diary of death--one not written in blood--Sorin finds new meaning to his life when he is adopted into a Native American tribe in the American Colonies. A wife and a miracle child give this monster a new beginning. Until his vampiric past comes back to haunt him, to eradicate him, to burn his name from their histories and to murder anyone who ever met him--especially his family. Wounded and on the brink of death, Sorin vows to avenge the fallen if the tribe's Medicine Man--the only other survivor--will put Sorin into a healing slumber. His sleep was only supposed to be brief--days or weeks. But Sorin is awoken centuries later by a fledgling Shaman named Nosh--a descendant of the very Medicine Man who first put Sorin to sleep centuries before--who will risk anything to avenge his own murdered tribe from the vampires and other monsters now openly walking the streets of present-day Manhattan. Sorin steps into a world that has drastically changed from the virginal American Colonies he had come to call home. When humanity's only savior is the first man-made devil, the streets of New York City will flow with rivers of blood.

My resume is pretty full: I've cow-tipped the Minotaur, decimated a gang of weredragons, sucker-punched an Angel, and eaten pancakes with the Four Horsemen of the Apocalypse... I've kidnapped one of the most powerful wizards on the planet, and slaughtered the Brothers Grimm. I'm kind of a big deal. But I never thought I'd find myself at a crossroads, a pawn in a deadly game that I hadn't known existed, willing to sell my soul to save the life of someone I loved... That's when I learned true fear, because the world I thought I knew was all just smoke and mirrors, and I was just a puppy playing amongst wolves... If you like Jim Butcher, Kevin Hearne, or Patrick Rothfuss, you will LOVE the fifth installment of The Amazon Bestselling Nate Temple Supernatural Thriller series.

The popular image of Scotland is dominated by widely recognized elements of Celtic culture. But a significant non-Celtic influence on Scotland's history has been largely ignored for centuries? This book argues that much of Scotland's history and culture from 1100 forward is Jewish. The authors provide evidence that many of the national heroes, villains, rulers, nobles, traders, merchants, bishops, guild members, burgesses, and ministers of Scotland were of Jewish descent, their ancestors originating in France and Spain. Much of the traditional historical account of Scotland, it is proposed, rests on fundamental interpretive errors, perpetuated in order to affirm Scotland's identity as a Celtic, Christian society. A more accurate and profound understanding of Scottish history has thus been buried. The authors' wide-ranging research includes examination of census records, archaeological artifacts, castle carvings, cemetery inscriptions, religious seals, coinage, burgess and guild member rolls, noble genealogies, family crests, portraiture, and geographic place names.

Boys want attention. Men want respect. Legends just don't care? Let your plans be dark and impenetrable as night, and when you move, fall like a thunderbolt. -Sun Tzu

With all of Fae preparing for war, St. Louis under martial law, and the gods from every pantheon scheming behind the scenes, I think it's about time we let Nate cut loose and fully tap into his wild side. To awaken the savage that slumbers deep within every man? What's the worst that could happen?

Callie Penrose - a wizard with a splash of Angel's blood flowing through her veins - kind of broke the Vatican and their band of Holy-warrior, wizard-priests, the Shepherds. Officially, the report stated Callie forgot to turn the other cheek, and things escalated ... She returns home to Kansas City to find new gangs of supernaturals roving the streets, preying on the innocent while the local factions do nothing. Although not unified, everyone seems to agree on one point ... Callie Penrose must die. And she's still hearing those strange Whispers in her mind - much more frequently than before, and not nearly as ... forgiving. But when an epic betrayal blindsides her and she discovers the truth of her birth - why Heaven and Hell have been so interested in her - Callie's world begins to crumble, and she must decide whether she wants to be a good girl ... Or if it's time to be a little naughty. No matter how hard you try, you can't make an Angel cry ... They just roar.

The Wheel of Time ® is a PBS Great American Read Selection! Now in development for TV! Since its debut in 1990, The Wheel of Time® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. The Wheel of Time turns and Ages come and go, leaving memories that become legend. Legend fades to myth, and even myth is long forgotten when the Age that gave it birth returns again. In the Third Age, an Age of Prophecy, the World and Time themselves hang in the balance. What was, what will be, and what is, may yet fall under the Shadow. Fleeing from Ebou Dar with the kidnapped Daughter of the Nine Moons, whom he is fated to marry, Mat Cauthon learns that he can neither keep her nor let her go, not in safety for either of them, for both the Shadow and the might of the Seanchan Empire are in deadly pursuit. Perrin Aybara seeks to free his wife, Faile, a captive of the Shaido, but his only hope may be an alliance with the enemy. Can he remain true to his friend Rand and to himself? For his love of Faile, Perrin is willing to sell his soul. At Tar Valon, Egwene al'Vere, the young Amyrlin of the rebel Aes Sedai, lays siege to the heart of Aes Sedai power, but she must win quickly, with as little bloodshed as possible, for unless the Aes Sedai are reunited, only the male Asha'man will remain to defend the world against the Dark One, and nothing can hold the Asha'man themselves back from total power except the Aes Sedai and a unified White Tower. In Andor, Elayne Trakland fights for the Lion Throne that is hers by right, but enemies and Darkfriends surround her, plotting her destruction. If she fails, Andor may fall to the Shadow, and the Dragon Reborn with it. Rand al'Thor, the Dragon Reborn himself, has cleansed the Dark One's taint from the male half of the True Source, and everything has changed. Yet nothing has, for only men who can channel believe that saidin is clean again, and a man who can channel is still hated and feared-even one prophesied to save the world. Now, Rand must gamble again, with himself at stake, and he cannot be sure which of his allies are really enemies. TV series update: "Sony will produce along with Red Eagle Entertainment and Radar Pictures. Rafe Judkins is attached to write and executive produce. Judkins previously worked on shows such as ABC's "Agents of SHIELD," the Netflix series "Hemlock Grove," and the NBC series "Chuck." Red Eagle partners Rick Selvage and Larry Mondragon will executive produce along with Radar's Ted Field and Mike Weber. Darren Lemke will also executive produce, with Jordan's widow Harriet McDougal serving as consulting producer." -Variety

To become a godkiller you have to awaken the monster inside you Almost a year has passed since Nate's ex-fiancée woke up a Greek god intent on world domination and war. The problem? He doesn't know which god. And the promised war hasn't started yet. With the Four Horsemen refusing to help, and an army of monsters living on his lawn, Nate resorts to

the one thing he's best at pissing off demigods and Greek Heroes in hopes of jump-starting the war. But then he receives an ominous invitation that he literally cannot refuse. A dark, deadly place where nightmares roam free demands an audience. The Land of the Fae. He must forget every story he's heard about the Fae. They're nothing like he imagined, nothing like he's been told, But to kill a God, he must first become a monster.
