For those interested in passing beyond the initiate stage, the reward offered by a deeper understanding of this challenging text is well worth the effort. This new 2018 edition of The Book of Lies from Kismet Publishing restores all of Crowley’s original text, including the important keys, sigils and diagrams often omitted from reprints.

‘A fantastic read that held me captive... I fell into this story from page one and didn’t come back out until I had finished it... One of the best books I’ve read this year.’ Goodreads reviewer, 5 stars
Gifted with the ability to read the shadows of ‘third species’ beings, Caitlin Parish is the Vampire Control Unit’s most powerful agent. Despite that, her mission to hunt down Kane Malloy - a master vampire - comes with a death wish. Many have tried, but few have survived. For Caitlin, tracking Kane is about more than just professional reputation. With her parents both mysteriously killed 7 years apart to the day, Caitlin knows that without Kane’s help she is next. She has four days to make a deal with the wicked, the irresistible, the treacherous Kane Malloy. The vampire who despises everything she stands for. Or die. Combining sizzling passion and dark, sinfully seductive vampire heroes, Lindsay J. Pryor's writing is an exciting new find for those who love paranormal romance and urban fantasy. If you're a fan of J.R Ward, Sherrilyn Kenyon, Kelley Armstrong, Christine Feehan, Kresley Cole or Felicity Heaton then you'll love Lindsay J. Pryor's books too. Blood Shadows is a GraveTells Must Read' GraveTells.com 'If you're looking for a new PNR series that has a dark world and complicated characters, then you'll want to grab a copy of this. I can't wait to read the next book.' FictionVixen.com 'The push-pull dynamic between Caitlin and Kane is superb and quite possibly the best I've ever read... Pryor makes every moment between these characters count, and the result is a complex, fully developed, and insanely hot romance... Blood Shadows is a deliciously twisted and exciting tale... It will shake and stir you in the best of ways. I couldn't put it down.' TheDemonLibrarian.com - Janice 'Kane, the vampire in question, was just ridiculously sexy. I mean ridiculously so; no woman even stands a chance. I wouldn't even bother putting up a fight, to be honest. Just accept the sexiness that is Kane, because resistance is futile. But as well as all that yumminess, he was also a very intriguing and complex character; a real anti-hero and an alpha male of the highest order.' TheDemonLibrarian.com - Lynsey 'Blood Shadows is a wonderful start to a new paranormal romance series by Lindsay J. Pryor... Weaved around the emotional romance is an amazing plot. It has a complex storyline with twists and turns. You won't be able to put this book down, and you'll be wondering what is going to happen up until the last page.' Paranormal Opinion "Bad can feel good, Jessie. Bad can feel as good as it can get." The tattoos covering Eden Reece's arm tell the tale of a con with an appetite for danger. Even so, arriving at The Circus - the criminal heart of Blackthorn - and demanding an audience with the notorious Pummel, is the sign of a death wish. Jessie knows that Eden is trouble. Serious trouble. Held captive by Pummel, despite her powers, she also knows how dangerous a game Eden is playing. Yet she can't ignore a connection far deeper than the physical spark between them - because Jessie has seen Eden before... Jessie is the only one who can help Eden save those he loves. But as he uncovers her secrets one by one, he can't ignore the emotions she stirs in him - feelings neither of them dare face. He risks death. If she trusts him, she risks a fate far worse. As Pummel's twisted plans become clear, there's no doubt all hell risks breaking out in Blackthorn. With time running out, together Jessie and Eden might be the only ones who can stop it. In a thrillingly sensual novel, the stakes in the dark world of Blackthorn just got higher. The #1 New York Times bestselling sequel to Words of Radiance, from epic fantasy author Brandon Sanderson at the top of his game. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nested in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar's blood-soaked past and stand together—and unless Dalinar himself can confront that past—even the restoration of the Knights Radiant will not prevent the end of civilization. Shadow magick occupies a critical role in the rich history of witchcraft, and it continues to draw strong interest from contemporary practitioners despite the limited information that is available. This book explores misunderstood topics such as ethically collecting and using animal parts and bones, blood magick, dark moon energy, hexing, scrying, dark deities, graveyard dirt, spells to assist the crossing of a dying loved one, and much more. With a strong focus on ethics, author Kate Freuler provides much-needed information and hands-on techniques to help you strengthen your life, connect to nature, protect yourself (and your kith and kin), and know yourself in a deep way.

An epic saga of heart-stopping romance, devastating secrets, and dark magic . . . a world where everything you love can be washed away. The first book in the new series from the #1 New York Times bestselling author of the Fallen series Never, ever cry. . . .

Eureka Boudreaux's mother drilled that rule into her daughter years ago. But now her mother is gone, and everywhere Eureka goes he is there: Ander, the tall, pale blond boy who seems to know things he shouldn't, who tells Eureka she is in grave danger, who comes closer to making her cry than anyone has before. But Ander doesn't know Eureka's darkest secret: ever since her mother drowned in a freak accident, Eureka wishes she were dead, too. She has little left that she cares about, just her oldest friend, Brooks, and a strange inheritance—a locket, a letter, a mysterious stone, and an ancient book no one understands. The book contains a haunting tale about a girl who got her heart broken and cried an entire continent into the sea. Eureka is about to discover that the ancient tale is more than a story, that Ander might be telling the truth . . . and that her life has far darker undercurrents than she ever imagined.
