The Best Little From-Scratch Bakery in Texas The pastry case in Rebecca Rather's bakery in Fredericksburg is packed with ultra-buttery scones, luscious cakes, cookies the size of saucers, brownies as big as bricks, and fruit pies that look as though they came straight out of Grandma's oven. Since the day Rebecca and her Rather Sweet Bakery and Café came to town, life in this Hill Country hamlet has been even sweeter and the townsfolk now know why she is the Pastry Queen. Everything she makes is a lot like her: down-home yet grand, and familiar yet one-of-a-kind. A native Texan, Rather makes the most of her Lone Star state's varied traditions, whether looking to the kitchens of Texas's Mexican and German immigrants or to the cowboy culture of her own forebears. Best of all, her recipes aren't fussy—one of her best-selling cakes stirs together in a single saucepan. Add in a cupful of Texas attitude and her made-from-scratch-with-love philosophy, and you've got an irresistible taste of American baking. What's best at Rather Sweet?

Rebecca's customers all have their favorites (and she is happy to cater to their cravings), but here's just a taste of the perennial best sellers: • Apple-Smoked Bacon and Cheddar Scones • Texas Big Hairs Lemon-Lime Tarts (the only big hair Rebecca has ever had!) • Fourth of July Fried Pies • Peach Queen Cake with Dulce de Leche Frosting • Turbo-Charged Brownies with Praline Topping • All-Sold-Out Chicken Pot Pies • Kolaches (pillowy yeasted buns with sweet or savory fillings) • PB&J Cookies With over 125 surefire tested recipes and 100 photographs that richly capture small-town life in the Hill Country, The Pastry Queen offers a Texas-size serving of the royal splendor of Rebecca's baked goods—courtesy of the rather sweet gal behind the case.

A sweet and savory collection of more than 100 foolproof recipes from the reigning "Queen of Baking" Mary Berry, who has made her way into American homes through ABC's primetime series, The Great Holiday Baking Show, and the PBS series, The Great British Baking Show. The recipes follow Mary's prescription for dishes that are no fuss, practical, and foolproof--from breakfast goods to cookies, cakes, pastries, and pies, to special occasion desserts such as cheesecake and soufflés, to British favorites that will inspire. There's never been a book about food like Let's Eat France! A book that feels literally larger than life, it is a feast for food lovers and Francophiles, combining the completist virtues of an encyclopedia and the obsessive visual pleasures of infographics with an enthusiast's unbridled joy. Here are classic recipes, including how to make a pot-au-feu, eight essential composed salads, pâté en croûte, blanquette de veau, choucroute, and the best ratatouille. Profiles of French food icons like Colette and Curnonsky, Brillat-Savarin and Bocuse, the Troigros dynasty and Victor Hugo. A region-by-region index of each area's famed cheeses, charcuterie, and recipes. Poster-size guides to the breads of France, the wines of France, the oysters of France—even the frites of France. You'll meet endive, the belle of the north; discover the croissant timeline; understand the art of tartare; find a chart of wine bottle sizes, from the tiny split to the Nebuchadnezzar (the equivalent of 20 standard bottles); and follow the family tree of French sauces. Adding to the overall delight of the book is the random arrangement of its content (a tutorial on mayonnaise is next to a list of places where Balzac ate), making each page a found treasure. It's a book you'll open anywhere—and never want to close.

The cookbook mold is about to be broken again with a new book (the first since 2012) from America's most celebrated chef, Thomas Keller—this time focusing on his legendary American fine dining institutions, the French Laundry and Per Se.

FROZEN DESSERTS FROZEN DESSERTS Frozen desserts have long been a key part of every pastry chef's repertoire, and recent innovations such as the Pacojet have expanded today's frozen dessert

options. Now, Francisco Migoya, a professor at The Culinary Institute of America and the former executive pastry chef at The French Laundry, has produced the definitive guide to frozen desserts. Offering comprehensive coverage of ingredients, theory, techniques, and formulas, this unprecedented guide explains how to produce the full range of today's frozen desserts using both classic and modern methods. Illustrated throughout with 135 striking full-color photographs, *Frozen Desserts* provides a thorough foundation in every aspect of frozen dessert-making. Chef Migoya examines the pros and cons of batch freezer machines and the Pacojet and explains how to formulate recipes for ice creams, gelato, sorbets, and sherbets that produce consistently excellent results for each. Covering these frozen desserts as well as other types—granité, parfait, semifreddo, bombe, soufflé, mousse, and more—he describes production techniques, offers detailed master formulas, and provides in-depth troubleshooting advice as well as guidance on storage and service issues. In the final chapters of the book, Chef Migoya demonstrates how to apply the techniques he has presented to create 200 deliciously inventive small desserts, plated desserts, entremets, and savory items. From Stracciatella Ice Cream with Chocolate Box and Yuzu Sorbet with Cotton Candy and Black Sesame Seeds to White Truffle Ice Cream with Truffled Tapioca and Shaved Black Truffles and Frozen Praline Parfait with Hazelnut Mascarpone Gateau, these stellar creations exemplify the range of frozen dessert possibilities available today. Here is all the expert guidance and inspiration you need to master production techniques and develop your own signature frozen desserts.

This brilliantly revisited and beautifully rephotographed book is a totally updated edition of a go-to classic for home and professional bakers—from one of the most acclaimed and inspiring bakeries in the world. Tartine offers more than 50 new recipes that capture the invention and, above all, deliciousness that Tartine is known for—including their most requested recipe, the Morning Bun. Favorites from the original book are here, too, revamped to speak to our tastes today and to include whole-grain and/or gluten-free variations, as well as intriguing new ingredients and global techniques. More than 150 drop-dead gorgeous photographs from acclaimed team Gentry + Hyers make this compendium a true collectible and must-have for bakers of all skill levels.

Explores the evolution of gourmet restaurant style in recent decades, which has led to an increasing informality in restaurant design, and examines what these changes say about current attitudes toward taste.

Newly updated and expanded with 3,500 step-by-step photographs, all the classics of French patisserie are made accessible for the home cook. For every serious home baker, French pastry represents the ultimate achievement. But to master the techniques, a written recipe can take you only so far—what is equally important is to see a professional in action, to learn the nuances of rolling out dough for croissants or caramelizing apples for a tarte tatin. For each of the 233 recipes here, there are photographs that lead the reader through every step of the instructions. There has never been such a comprehensive primer on patisserie. The important base components—such as crème patisserie, pâte à choux, and chocolate ganache—are presented as stand-alone recipes. Once comfortable with these, the home baker can go on to tackle the famous and more complex creations—such as Éclairs, Saint-Honoré, Opéra—as well as feel empowered to explore new and original combinations. An entire chapter is devoted to decoration as well as sauces, syrups, and fillings. Whether used to develop skills or to refine techniques, to gain or simply broaden a repertoire, Patisserie dispels the mystery around classic French pastries, so that everyone can make them at home.

Brings together the author's two acclaimed, award-winning cooking tomes--The French Laundry Cookbook and Ad Hoc at Home--into a single slipcased boxed set.

Alex Talbot and Aki Kamozawa, husband-and-wife chefs and the forces behind the popular blog Ideas in Food, have made a living out of being inquisitive in the kitchen. Their book shares the knowledge they have gleaned from numerous cooking adventures, from why tapioca flour makes a silkier chocolate pudding than the traditional cornstarch or flour to how to cold smoke just about any ingredient you can think of to impart a new savory dimension to everyday dishes. Perfect for anyone who loves food, Ideas in Food is the ideal handbook for unleashing creativity, intensifying flavors, and pushing one's cooking to new heights. This guide, which includes 100 recipes, explores questions both simple and complex to find the best way to make food as delicious

as possible. For home cooks, Aki and Alex look at everyday ingredients and techniques in new ways—from toasting dried pasta to lend a deeper, richer taste to a simple weeknight dinner to making quick “micro stocks” or even using water to intensify the flavor of soups instead of turning to long-simmered stocks. In the book’s second part, Aki and Alex explore topics, such as working with liquid nitrogen and carbon dioxide—techniques that are geared towards professional cooks but interesting and instructive for passionate foodies as well. With primers and detailed usage guides for the pantry staples of molecular gastronomy, such as transglutaminase and hydrocolloids (from xanthan gum to gellan), *Ideas in Food* informs readers how these ingredients can transform food in miraculous ways when used properly. Throughout, Aki and Alex show how to apply their findings in unique and appealing recipes such as Potato Chip Pasta, Root Beer-Braised Short Ribs, and Gingerbread Soufflé. With *Ideas in Food*, anyone curious about food will find revelatory information, surprising techniques, and helpful tools for cooking more cleverly and creatively at home.

Features recipes served among the staff at such acclaimed New York City restaurants as Gramercy Tavern and Union Square Cafe, including such dishes as Dominican chicken, holiday roast pork, and molasses corn bread.

Thomas Keller shares family-style recipes that you can make any or every day. In the book every home cook has been waiting for, the revered Thomas Keller turns his imagination to the American comfort foods closest to his heart—flaky biscuits, chicken pot pies, New England clam bakes, and cherry pies so delicious and redolent of childhood that they give Proust’s madeleines a run for their money. Keller, whose restaurants *The French Laundry* in Yountville, California, and *Per Se* in New York have revolutionized American haute cuisine, is equally adept at turning out simpler fare. In *Ad Hoc at Home*—a cookbook inspired by the menu of his casual restaurant *Ad Hoc* in Yountville—he showcases more than 200 recipes for family-style meals. This is Keller at his most playful, serving up such truck-stop classics as Potato Hash with Bacon and Melted Onions and grilled-cheese sandwiches, and heartier fare including beef Stroganoff and roasted spring leg of lamb. In fun, full-color photographs, the great chef gives step-by-step lessons in kitchen basics—here is Keller teaching how to perfectly shape a basic hamburger, truss a chicken, or dress a salad. Best of all, where Keller’s previous best-selling cookbooks were for the ambitious advanced cook, *Ad Hoc at Home* is filled with quicker and easier recipes that will be embraced by both kitchen novices and more experienced cooks who want the ultimate recipes for American comfort-food classics.

Bistro food is the food of happiness. The dishes have universal allure, whether it's steak frites or a perfectly roasted chicken, onion soup or beef bourguignon. These are recipes that have endured for centuries, and they find their most perfect representation in the hands of the supremely talented Thomas Keller. And just as Bouchon demonstrated Keller's ability to distill the sublime simplicity of bistro cooking and elevate it beyond what it had ever been before, the #1 New York Times best-seller Bouchon Bakery is filled with baked goods that are a marvel of ingenuity and simplicity. From morning baguettes and almond croissants to fruit tarts and buttery brioche, these most elemental and satisfying of foods are treated with an unmatched degree of precision and creativity. With this exciting new collection, readers are sure to expand their knowledge, enrich their experience, and refine their technique.

A revolution in cooking Sous vide is the culinary innovation that has everyone in the food world talking. In this revolutionary new cookbook, Thomas Keller, America's most respected chef, explains why this foolproof technique, which involves cooking at precise temperatures below simmering, yields results that other culinary methods cannot. For the first time, one can achieve short ribs that are meltingly tender even when cooked medium rare. Fish, which has a small window of doneness, is easier to finesse, and shellfish stays succulent no matter how long it's been on the stove. Fruit and vegetables benefit, too, retaining color and flavor while undergoing remarkable transformations in texture. The secret to sous vide is in discovering the precise amount of heat required to achieve the most sublime results. Through years of trial

and error, Keller and his chefs de cuisine have blazed the trail to perfection—and they show the way in this collection of never-before-published recipes from his landmark restaurants—The French Laundry in Napa Valley and per se in New York. With an introduction by the eminent food-science writer Harold McGee, and artful photography by Deborah Jones, who photographed Keller's best-selling The French Laundry Cookbook, this book will be a must for every culinary professional and anyone who wants to up the ante and experience food at the highest level.

The Tartine Way – Not all bread is created equal The Bread Book "...the most beautiful bread book yet published..." -- The New York Times, December 7, 2010 Tartine – A bread bible for the home or professional bread-maker, this is the book! It comes from Chad Robertson, a man many consider to be the best bread baker in the United States, and co-owner of San Francisco's Tartine Bakery. At 5 P.M., Chad Robertson's rugged, magnificent Tartine loaves are drawn from the oven. The bread at San Francisco's legendary Tartine Bakery sells out within an hour almost every day. Only a handful of bakers have learned the techniques Chad Robertson has developed: To Chad Robertson, bread is the foundation of a meal, the center of daily life, and each loaf tells the story of the baker who shaped it. Chad Robertson developed his unique bread over two decades of apprenticeship with the finest artisan bakers in France and the United States, as well as experimentation in his own ovens. Readers will be astonished at how elemental it is. Bread making the Tartine Way: Now it's your turn to make this bread with your own hands. Clear instructions and hundreds of step-by-step photos put you by Chad's side as he shows you how to make exceptional and elemental bread using just flour, water, and salt. Baking at the 20th Century Cafe

Named a Best Cookbook of the Year/Best Cookbook to Gift by Saveur, Los Angeles Times, San Francisco Chronicle, Dallas Morning News, Charleston Post & Courier, Thrillist, and more “Dazzling. . . [Polzine] brings a fresh approach and singular panache. . . Her clear voice and precise, idiosyncratic instructions will allow home bakers to make exquisite fruit tarts with strawberries and plums, elegant cookies and layer cakes.” –Emily Weinstein, New York Times, The 14 Best Cookbooks of Fall 2020 “This book . . . just keeps on giving. An absolute joy for bakers.” –Diana Henry, The Telegraph (U.K.), The 20 Best Cookbooks to Buy This Autumn Admit it. You're here for the famous honey cake. A glorious confection of ten airy layers, flavored with burnt honey and topped with a light dulce de leche cream frosting. It's an impressive cake, but there's so much more. Wait until you try the Dobos Torta or Plum Kuchen or Vanilla Cheesecake. Throughout her baking career, Michelle Polzine of San Francisco's celebrated 20th Century Cafe has been obsessed with the tortes, strudels, Kipferl, rugelach, pierogi, blini, and other famous delicacies you might find in a grand cafe of Vienna or Prague. Now she shares her passion in a book that doubles as a master class, with over 75 no-fail recipes, dozens of innovative techniques that bakers of every skill level will find indispensable (no more cold butter for a perfect tart shell), and a revelation of ingredients, from lemon verbena to peach leaves. Many recipes are lightened for contemporary tastes, and are presented through a California lens—think Nectarine Strudel or Date-Pistachio Torte. A surprising number are gluten-free. And all are written with the author's enthusiastic and singular voice, describing a cake as so good it "will knock your socks off, and wash and fold them too." Who wouldn't want a slice of that? With Schlag, of course.

Interweaves traditional recipes with the authors' memories and stories of spending separate childhood summers in France.

Thomas Keller, chef/proprietor of Napa Valley's French Laundry, is passionate about bistro cooking. He believes fervently that the real art of cooking lies in elevating to excellence the simplest ingredients; that bistro cooking embodies at once a culinary ethos of generosity, economy, and simplicity; that the techniques at its foundation are profound, and the recipes at its heart have a powerful ability to nourish and please. So enamored is he of this older, more casual type of cooking that he opened the restaurant Bouchon, right next door to the French Laundry, so he could satisfy a craving for a perfectly made quiche, or a gratin é ed onion soup, or a simple but irresistible roasted chicken. Now Bouchon, the cookbook, embodies this cuisine in all its sublime simplicity. But let's begin at the real beginning. For Keller, great cooking is all about the virtue of process and attention to detail. Even in the humblest dish, the extra thought is evident, which is why this food tastes so amazing: The onions for the onion soup are caramelized for five hours; lamb cheeks are

used for the navarin; basic but essential refinements every step of the way make for the cleanest flavors, the brightest vegetables, the perfect balance—whether of fat to acid for a vinaigrette, of egg to liquid for a custard, of salt to meat for a duck confit. Because versatility as a cook is achieved through learning foundations, Keller and Bouchon executive chef Jeff Cerciello illuminate all the key points of technique along the way: how a two-inch ring makes for a perfect quiche; how to recognize the right hazelnut brown for a brown butter sauce; how far to caramelize sugar for different uses. But learning and refinement aside—oh those recipes! Steamed mussels with saffron, bourride, trout grenobloise with its parsley, lemon, and croutons; steak frites, beef bourguignon, chicken in the pot—all exquisitely crafted. And those immortal desserts: the tarte Tatin, the chocolate mousse, the lemon tart, the profiteroles with chocolate sauce. In Bouchon, you get to experience them in impeccably realized form. This is a book to cherish, with its alluring mix of recipes and the author's knowledge, warmth, and wit: "I find this a hopeful time for the pig," says Keller about our yearning for the flavor that has been bred out of pork. So let your imagination transport you back to the burnished warmth of an old-fashioned French bistro, pull up a stool to the zinc bar or slide into a banquette, and treat yourself to truly great preparations that have not just withstood the vagaries of fashion, but have improved with time. Welcome to Bouchon. How do you catch lightning in a measuring cup? Dominique Ansel is the creator of the Cronut™, the croissant-doughnut hybrid that has taken the world by storm. But he 's no one-hit wonder. Classically trained in Paris, responsible for a four-star kitchen in New York, and now the proprietor of New York 's highest rated bakery, Ansel has become a modern-day Willy Wonka: the creator of wildly creative, extraordinarily delicious, and unbelievably popular desserts. Now, in his hotly anticipated debut cookbook, Ansel shares the secret to transforming the most humble ingredients into the most extraordinary, tempting, and satisfying pastries imaginable. Dominique Ansel: The Secret Recipes reveals the stories and recipes behind his most sought-after creations and teaches lovers of dessert everywhere how to make magic in their own kitchens.

2014 marks the twentieth anniversary of the acclaimed French Laundry restaurant in the Napa Valley—“the most exciting place to eat in the United States” (The New York Times). The most transformative cookbook of the century celebrates this milestone by showcasing the genius of chef/proprietor Thomas Keller himself. Keller is a wizard, a purist, a man obsessed with getting it right. And this, his first cookbook, is every bit as satisfying as a French Laundry meal itself: a series of small, impeccable, highly refined, intensely focused courses. Most dazzling is how simple Keller’s methods are: squeegeeing the moisture from the skin on fish so it sautées beautifully; poaching eggs in a deep pot of water for perfect shape; the initial steeping in the shell that makes

cooking raw lobster out of the shell a cinch; using vinegar as a flavor enhancer; the repeated washing of bones for stock for the cleanest, clearest tastes. From innovative soup techniques, to the proper way to cook green vegetables, to secrets of great fish cookery, to the creation of breathtaking desserts; from beurre monté to foie gras au torchon, to a wild and thoroughly unexpected take on coffee and doughnuts, The French Laundry Cookbook captures, through recipes, essays, profiles, and extraordinary photography, one of America's great restaurants, its great chef, and the food that makes both unique. One hundred and fifty superlative recipes are exact recipes from the French Laundry kitchen—no shortcuts have been taken, no critical steps ignored, all have been thoroughly tested in home kitchens. If you can't get to the French Laundry, you can now re-create at home the very experience Wine Spectator described as “as close to dining perfection as it gets.”

Offers recipes from the author's two restaurants, The French Laundry and Bouchon.
