*The Vatican history is a thousand-year-old history of lights and shadows, of great personalities and gloomy individuals. The story of the election and strange death of Pope Luciani is fully part of the long series of episodes that are still shrouded in mystery: a sudden death with no investigation. And then a whole series of stranger things, starting with the 33-day duration of the pontificate of Pope John Paul I, to arrive at the third secret of Fatima of which it seems that Albino Luciani was aware. But in this story intersect also the great scandals of Vatican finance which in the 70s and 80s profoundly undermined the credibility of the Church with the case of the Banco Ambrosiano and that of the Vatican Bank. And again high Vatican prelates enrolled in Freemasonry and the figure of Licio Gelli plotting in the shadows: what happened in Rome in that September 1978?*

*Translated here into English for the first time is a monumental work of literary history and criticism comparable in scope and achievement to Eric Auerbach's Mimesis. Italian critic Francesco Orlando explores Western literature's obsession with outmoded and nonfunctional objects (ruins, obsolete machinery, broken things, trash, etc.). Combining the insights of psychoanalysis and literary-political history, Orlando traces this obsession to a turning point in history, at the end of eighteenth-century industrialization, when the functional becomes the dominant value of Western culture. Roaming through every genre and much of the history of Western literature, the author identifies distinct categories into which obsolete images can be classified and provides myriad examples. The function of literature, he concludes, is to remind us of what we have lost and what we are losing as we rush toward the future.*

Nella vita concreta delle persone c'è la convinzione che sia l'individuo a fare sintesi sulla propria fede, in modo autonomo: una somma di idee, convinzioni, atteggiamenti, pratiche che ondeggiano tra la fede cattolica classica e altri riferimenti. La culturaancora prevalente nelle nostre terre non nega Dio, ma sottopone la sua presenza e le indicazioni della Chiesa a un esame che fa appello alla scelta personale. Che cosa significa, dentro questo contesto sociale e culturale, declinare quanto fino a poco tempo fa era radicato e indiscusso - il Decalogo - ma che ormai sembra essere «in esilio» per la maggior parte di noi? Le pagine di questo volume sono insieme un esercizio di memoria e uno sforzo responsabile di aggiornamento per non perdersi «nel precetto» e tornare alla fonte.

Hailed by Terry Eagleton in the Guardian as "definitive," this is the only complete and authoritative edition of Antonio Gramsci's deeply personal and vivid prison letters.

In Christianæ(tm)s own words, and through his thoughts, reflections, and dreams, E L James offers a fresh perspective on the love story that has enthralled millions of readers around the world. CHRISTIAN GREY exercises control in all things; his world is neat, disciplined, and utterly empty æ” until the day that Anastasia Steele falls into his office, in a tangle of shapely limbs and tumbling brown hair. He tries to forget her, but instead is swept up in a storm of emotion he cannot comprehend and cannot resist. Unlike any woman he has known before, shy, unworldly Ana seems to see right through him æ” past the business prodigy and the penthouse lifestyle to Christianæ(tm)s cold, wounded heart. Will being with Ana dispel the horrors of his childhood that haunt Christian every night? Or will his dark sexual desires, his compulsion to control, and the self-loathing that fills his soul drive this girl away and destroy the fragile hope she offers him?

This is a valuable introduction to the Catechism by the general editor of the Catechism (Schonborn) and the head of the Bishops Commission for the implementation of the Catechism (Ratzinger). Providing helpful insights on how to read and study the Catechism, this book includes a prehistory of the Catechism, an overview of its structure and contents, the major themes and methods in it, a special introduction to the four parts of the Catechism, and specific advice on how to use the Catechism. Ratzinger and Schonborn illuminate theCatechism's teaching on faith, morals, prayer and sacraments, and how a Catholic lives those teachings in today's world.

On the heels of a renewed global interest in the figure and writing of 19th century British poet John Keats (as attested by Jane Campion's acclaimed film by the same title), Elido Fazi’s Bright Star retraces the last period of the young poet's life, as he struggles with financial hardship and family drama. Through a fragmented, non sequential narrative, in line with Keats’ complex style and character, the book brings to life the personality of a man who dared to tackle life’s deepest contradictions. In this intimate portrait, Keats’ encounters with some of the foremost personalities of his time – Shelley, Wordsworth, Coleridge – are viewed through the eyes of a man of humble origins, yet imbued with a unique sensibility. In the book, Keats' struggle to give a literary voice to his powerful vision is intertwined with the tragic fate of the poet's brothers, and ultimately of Keats himself, struck down by an illness at the age of 26. In his search for the ultimate meaning of things, even his relationship with Fanny acquired a transcendental importance: a matter non simply of affection, but of spiritual communion. Elido Fazi draws heavily – and liberally – not only on Keats’ poetic production, but also on his ample and humorous correspondence, shedding light on some of the most quirky and least-known details of the poet's life. In dedicating his life to a never-ending meditation on concepts which our modern sensibility holds so dear – but which often fell on deaf ears with his contemporaries – such as Good, Beauty and Truth, Keats proved to be a mystical and visionary modern hero, who was centuries ahead of his time, and will be remembered for centuries to come.

*The Catechism of the Council of Trent was directed to all priests. The recently released Catechism of the Catholic Church was directed to all bishops. The Catechism of Pope St. Pius X is that pope's partial realization of a simple, plain, brief, popular Catechism for uniform use throughout the whole world. In other words it is directed to the layman . It was used in the ecclesiastical province of Rome and for some years in other parts of Italy. It was not, however, prescribed for use throughout the universal church. Aeterna Press*

*Hugo Pratt, hailed as the "inventor of the literary comic strip," offers an provocative story whose protagonist is a seemingly wanton murderer, driven by a religious obsession with the absolute. First English language edition. Set in Canada around 1920 this provocative story deals with complex moral choices. Jesuit Joe, the protagonist, is of French-Canadian and Mohawk origin and is engaged in an obsessive religious search for the absolute, as he moves through the snowy wastelands of the region. He wears the red jacket of the Canadian Mounties that he found in a hut--which gives rise to a series of misunderstandings when he is mistaken for a member of the Canadian Mounted Police. His actions highlight his unusual ethical code and his disturbing and complex personality. He kills with terrible ease and shows an unmatched cruelty and ferocity, yet his mood suddenly shifts and he performs unexpected acts of kindness and compassion. All the while, he is tracked by his nemesis, Sergeant Fox, whose mission is to capture Jesuit Joe and bring him to justice. This is the first English language edition of Pratt's 1980 classic, and includes an incomplete second story of Jesuit Joe, plus Pratt's storyboards drawn for the movie version.*

"At a time when social scientists are increasingly focusing on the reasons why nations fail and democracies die, Filippo Sabetti turns to the opposite argument, asking instead why institutions endure. To do so, he presents Gasparo Contarini's sixteenth-century account of the Republic of Venice to help modern readers understand what made Venice the longest-lived self-constituted republic. In its long history, Venice was the only city that succeeded in constructing a durable republicanism and it was one of the earliest to depart from the hierarchical world of national monarchies and sovereignty. Because of this, the author suggests that Contarini's The Republic of Venice may be just as instructive, if not more, than Machiavelli's The Prince to students of politics. Contarini is as secular as Machiavelli and is as realistic in his view of human nature, but he goes much further, examining in the case of Venice how it is possible for fallible human beings to construct a successful and stable government. This is the first modern English-language edition of Contarini's classic work, De magistratibus et republica Venetorum, from the original Latin."--

To young Christians of the world, Pope Francis has a message for you: "Christ is alive, and he wants you to be alive!" In his fourth apostolic exhortation, Christus Vivit, Pope Francis encapsulates the work of the 2018 synod of bishops on "Young People, The Faith, and Vocational Discernment." Pope Francis has always had a special relationship with young people, and in his fatherly love for you he shows that: You can relate to young people in Scripture who made a difference You identify with the Christ who is always young You face difficult issues in the world today You yearn for the truth of the Gospel You are capable of amazing things when you respond to the Gospel You learn and grow with help from the faithful of all generations You need bold and creative youth ministry You can discover who God made you to be You are urged to pray for discernment Christus Vivit is written for and to young people, but Pope Francis also wrote it for the entire Church, because, as he says, reflecting on our young people inspires us all. "May the Holy Spirit urge you on as you run this race. The Church needs your momentum, your intuitions, your faith. We need them! And when you arrive where we have not yet reached, have the patience to wait for us."
