

Cats In Sweaters 2018: 16 Month Calendar Includes September 2017 Through December 2018

Created for knitters who want standard sweater patterns in a variety of sizes and gauges, as well as those who want a template from which to develop their own designs, this book provides easy-to-follow charted instructions for 18 sweaters, three in each of the six most popular sweaters constructions. Each style is then provided in 15 sizes ranging from toddler to large adult, then further divided into six possible gauges: 3, 4, 5, 6, 7, and 8 stitches per inch combining for 90 options for each of the six styles, or 540 patterns in all. The cardigan and neckline variations make for more than 1,000 patterns. Detailed schematics for finished dimensions are included, along with a glossary of techniques and a chapter on design considerations. This is a definitive resource for the passionate sweater knitter.

Cats are done with humans' crap. For too long they have put up with baby talk, the humiliation of holiday costumes, and the social injustice of being told, "No." They will not sleep through this anymore. We humans have woken the beast, and in this book they have gathered together to reclaim their voice, loudly and repeatedly until we pay attention. Watch the uprising unfold, through anthems such as "Redefine Terms," "Accepted," "Decide," "A New Dawn," and "Just What Do You Think You're Doing?" Show support for your feline friends and try to understand why they're so spitting mad.

Cat and Yarn are the best of friends. They have so much fun playing together, the two are inseparable. Until the day Girl takes Yarn away. When Yarn Returns, and he is completely changed, no longer Cat's bright and jolly friend. Cat is mad! Soon, Cat begins to miss his best friend, and he just might realize that a little change isn't so bad after all.

A completely original and funny new take on cats. Doogie Horner, a writer and illustrator, knows just what it is about cats that so obsesses and delights us—their impenetrable personalities, their self-contained quirkiness, the aura of mystery that makes it seem as if they're always up to something that they don't want us to know about. So he imagines their secret lives for us, in a way that takes the most surprising and whimsical turns. With full-color illustrations and absurdly funny short stories, Some Very Interesting Cats Perhaps You Weren't Aware Of is a gallery of 100 impossible cat characters. Like the Alien cat, Xort, who reports back to his planet: “Have trained my humans to feed and pet me. They suspect nothing.” Or the Mountain Climber cat, Snowball, who is planning a perilous route up the North Curtain to Mt. Bookcase. Or Mystico, the Magician cat—no one could figure out how he sawed a dog in half. (The answer was simple: He didn't like dogs.) And Hjalmar, the Viking cat, whose motto is “Pillage. Tuna. Plunder. Nap.”

This uplifting, charmingly told story, tells what happens when well-meaning humans knit sweaters for penguins who've encountered an oil spill. You may have seen the cute pictures of penguins wearing sweaters--but did you know why they were wearing them? Debut author Marikka Tamura answers this question in this colorful, kid-friendly book that is told simply and charmingly. Penguins love the sea. Happy in the dark blue water. But what is this? One day something is floating in the water. Dark. Goopy. Oily . . . When the penguins become coated in an oil spill, many Big Boots arrive. The humans want to help the cold, greasy penguins, so they knit sweaters to keep them warm. The Big Boots mean well, but . . . penguins don't wear sweaters! So after a good, soapy scrub, the penguins dive back into the deep blue sea, happily dressed only in their own penguin feathers.

Pete the Cat: I Love My White Shoes

For fans of Grumpy Cat and Cats on Instagram there's a new cat in town--Bailey, No Ordinary Cat--of the Facebook name, is a special cat with a growing fan base, garnering over 2 million views on Ellen's Instagram and videos that have been shared by Good Morning America, ABC News, CBS News, and more. What makes Bailey more addictive than catnip? In addition to his adorable expressions and his hilarious, heartfelt antics, Bailey has a penchant for doing things that are characteristically uncatlike--things like taking bubble baths (and enjoying them), sitting attentively in a chair and being read to (for hours), getting a "pet"-icure, and his unending patience while co-raising his human siblings Abby and Hannah (yes, there is photographic evidence that Bailey helped with potty-training). If you have a cat you know how independent they are. Bailey, No Ordinary Cat celebrates the unique quirky spirit of this unforgettable feline through four-color photographs and captions from the voice of Bailey himself. Cat lovers will be delighted to peek into the life of their favorite celebrity cat with the huge eyes, huge heart, and huge personality--and an ever-growing following.
