drank an elder infusion that his mother had prepared to warm him up and his grandfather told him the story of the Little Elder-Tree Mother. Hans Christian Andersen

(1805-1875) was a Danish author, poet and artist. Celebrated for children's literature, his most cherished fairy tales

include "The Emperor's New Clothes", "The Little Mermaid", "The Nightingale", "The Steadfast Tin Soldier",

"The Snow Queen", "The Ugly Duckling" and "The Little Match Girl". His books have been translated into every living

language, and today there is no child or adult that has not met Andersen's whimsical characters. His fairy tales have

been adapted to stage and screen countless times, most notably by Disney with the animated films "The Little Mermaid" in

Cinderella and the rest have been passed down from the seventeenth century to the present day: Perrault's tales were enjoyed in the salons of Louis XIV as much as they were loved in the nursery, and it is their wit, humour, and lively detail that capture the imagination of adult and child alike. They transmute into vivid fantasies the hidden fears and conflicts by which children are affected: fears of abandonment, or worse, conflicts with siblings and parents, and the trials of growing up. In addition to the familiar stories, this edition also includes the three verse tales — the troubling account of patient Griselda, the comic Three Silly Wishes, and the notorious Donkey-Skin. This translation by Christopher Betts captures the tone and flavour of Perrault's world, and the delightful spirit of the originals.

В настоящий сборник вошли самые известные и любимые волшебные сказки: «Красавица и чудовище», «Золушка»,

???????? / **Cinderella**

Perrault's Fairy Tales was originally written in 1697 by Charles Perrault. He was a French author and member of the Académie française. He laid the foundations for a new literary genre, the fairy tale, with his works derived from pre-existing folk tales. The Thirty Four Illustrations by Gustave Dore from the 'Volume Les Contes de Perrault Dessins' by Gustave Dore, 1867. The best known of his tales include Le Petit Chaperon rouge (Little Red Riding Hood), Cendrillon (Cinderella), Le Chat Botté (Puss in

Boots) and La Barbe bleue (Bluebeard). Many of Perrault's stories were rewritten by the Brothers Grimm and continue to be printed and have been adapted to opera, ballet (such as Tchaikovsky's The Sleeping Beauty), theatre, and film (Disney). Perrault was an influential figure in the 17th century French literary scene, and was the leader of the Modern faction during the Quarrel of the Ancients and the Moderns.

Covering a period of more than one hundred years of work by renowned folklorists, these enlightening essays explore the timeless tale of Cinderella. In addition to the most famous versions of the story (Basile's Pentamerone

First Published in a single volume in 1883, the stories collected in *Little Novels of Sicily* are drawn from the Sicily of Giovanni Verga's childhood, reported at the time to be the poorest place in Europe. Verga's style is swift, sure, and implacable; he plunges into his stories almost in midbreath, and tells them with a stark economy of

words. There's something dark and
tightly coiled at the heart of each
story, an ironic, bitter resolution
that is belied by the deceptive
simplicity of Verga's prose, and Verga
strikes just when the reader's not
expecting it. Translator D. H. Lawrence
surely found echoes of his own
upbringing in Verga's sketches of
Sicilian life: the class struggle
between property owners and tenants,
the relationship between men and the

land, and the unsentimental, sometimes
startlingly lyric evocation of the
landscape. Just as Lawrence veers

between loving and despising the
industrial North and its people, so too
Verga shifts between affection for and
ironic detachment from the
superstitious, uneducated, downtrodden
working poor of Sicily. If Verga
reserves pity for anyone or anything,
it is the children and the animals, but
he doesn't spare them. In his

When Jacob and Wilhelm Grimm published their Children's and Household Tales in 1812, followed by a second volume in 1815, they had no idea that such stories as "Rapunzel," "Hansel and Gretel," and "Cinderella" would become the most celebrated in the world. From "The Frog King" to "The Golden Key," wondrous worlds unfold--heroes and heroines are rewarded, weaker animals triumph over the strong, and simple bumpkins prove themselves not so simple after all. A delight to read, The Original Folk and Fairy Tales of the Brothers Grimm

presents these peerless stories to a whole new generation of readers. "The Twelve Dancing Princesses" (or "The Worn-Out Dancing Shoes" or "The Shoes that were Danced to Pieces") is a German fairy tale originally published by the Brothers Grimm in 1812 in Kinder- und Hausmarchen as tale number 133. Its closest analogue is the Scottish Kate Crackernuts, where it is a prince who is obliged to dance every night. Includes vintage illustration! In her haste to flee the palace before the fairy godmother's magic loses effect, Cinderella

Impaired Mind 20)

The motivational journey of a poet among his walking words, a tale written in prose with many poems and inspirational quotes. 'Wandering among the stars' tells the love story between the protagonist and life. A story where poetry and prose are intertwined like soul and body, to bring this love story to life so the reader can live it. So it's not about a collection of poems, least of all a story in verse. Maybe it could be described as a book of 'narrated poems' or as a 'literary musical'; actually it represents a narrative experiment that lies somewhere between a meta-novel, a collection of poems and an essay; its main aim is to encourage those readers that usually prefer to read only prose works to read poetry as well. (Do
