

Claude Going For Gold!

Meet Claude, the ordinary dog with an extraordinary life. Now the star of his very own TV show on Disney Junior and ITVBe. Claude and Sir Bobblysock are looking forward to a nice breakfast of delicious strawberries. But there are none to be found... Everyone has snapped them up to eat at the Pawhaven Tennis Championship! Claude has to win the championship to make sure Sir Bobblysock doesn't miss out on strawberries-for-breakfast day. But can he do it? A fantastic new storybook, based on the TV show. With bright, bold illustrations, perfect for encouraging an early engagement in reading. Praise for Alex T. Smith's Claude series: 'Illustrated with humour and elegance' The Times 'With quirky illustrations and plenty of humour' Metro Claude in the City was shortlisted for the Waterstones Children's Book Prize and selected for the Richard and Judy Book Club. Claude Going for Gold won the Sainsbury's Children's Book Award. Alex T. Smith was the official World Book Day illustrator in 2014. Follow Alex at alexsmith.com and on Twitter: @Alex_T_Smith

The past decade has seen major political upheaval in Latin

Download Free Claude Going For Gold!

America--from Brazil to Chile to Venezuela to Bolivia--but to understand what happened, ask first where your quinoa and lithium batteries came from... The 21st century began optimistically in Latin America. Left-leaning leaders armed with programs to reduce poverty and reclaim national wealth were seeing results—but as the aughts gave way to the teens, they began to fall like dominos. Where did the dreams of this "pink tide" go? Look no further than the original culprits of Latin American disenfranchisement: resource-rich land and unscrupulous extraction. Recounting the story commodity by commodity, Andy Robinson reveals what oxen have to do with the rise of Jair Bolsonaro, how quinoa explains the mob that descended on Evo Morales, and why oil is the culprit behind the protracted coup in Venezuela. In addition to the usual suspects like gold and bananas which underscored the original plunder of the Americas, Robinson also shows how a new generation of valuable resources—like coltan for smartphones, lithium for electric cars, and niobium for SpaceX rockets—have become important players in the fate of Latin America. And as the energy transition sets mineral prices soaring, Latin America remains at the mercy of the rollercoaster of commodity prices. In Gold, Oil, and

Download Free Claude Going For Gold!

Avocados, Robinson takes readers from the salt plains of Chile to the depths of the Amazonian jungle to stitch together the story of Latin America's last decade, showing how the imperial plunder of the past carries on today under a new name.

One of Ours

Welcome to the International Tournament of Athletes, the most prestigious athletic competition in the world. Brazil, known for their gambling, prostitution, and that infamous heat, is this year's host, but the Brazilian heat isn't what is on everyone's mind. Every athlete there is consumed by the ultimate prize - winning gold. After the first week of the ITAs, volleyball player Alina Smith has everything going for her. Her handsome boyfriend just won a gold in swimming, and all she has to do is beat Brazil to knock them - and her arch nemesis Gabriela Santos - out of the tournament. But in the middle of the game, her world is turned upside down when Alina finds pictures of her boyfriend with Gabriela at a club. When it seems like everything is spiraling out of control, she runs right into Bryce. Bryce Walker is not your average jock. Growing up in foster care has made him tough, but taking care of his little sister has made him sweet and kind. On top of that dangerous combination, he also has the perfect athlete's body. When he's kidnapped by a local crime

Bullet

A Novel

Claude at the Palace

The Flanders Road

Ever-So-Summery Sticker Book

This is how a family keeps a secret...and how that secret ends up keeping them. This is how a family lives happily ever after...until happily ever after becomes complicated. This is how children change...and then change the world. When Rosie and Penn and their four boys welcome the newest member of their family, no one is surprised it ' s another baby boy. At least their large, loving, chaotic family knows what to expect. But Claude is not like his brothers. One day he puts on a dress and refuses to take it off. He wants to bring a purse to kindergarten. He wants hair long enough to sit on. When he grows up, Claude says, he wants to be a girl. Rosie and Penn aren ' t panicked at first. Kids go through phases, after all, and make-believe is fun. But soon the entire family is keeping Claude ' s secret. Until one day it explodes. Laurie Frankel's *This Is How It Always Is* is a novel about revelations, transformations, fairy tales, and family. And it ' s about the ways this is how it always is: Change is always hard and miraculous and hard again; parenting is always a leap into the unknown with crossed fingers and full hearts; children grow but not always according to plan. And families with secrets don ' t get to keep them forever.

The pioneering novel of physical disability, transatlantic travel, and black international politics. A vital document of black modernism and one of the earliest overtly queer fictions in the African American tradition. Published for the first time. A Penguin Classic A New York Times Book Review Editors' Choice/Staff Pick Vulture's Ten Best Books of 2020 pick Buried in the archive for almost ninety years, Claude McKay's *Romance in Marseille* traces the adventures of a rowdy troupe of dockworkers, prostitutes, and political organizers--collectively straight and queer, disabled and able-bodied, African, European, Caribbean, and American. Set largely in the culture-blending Vieux Port of Marseille at the height of the Jazz Age, the novel takes flight along with Lafala, an acutely disabled but abruptly wealthy West African sailor. While stowing away on a transatlantic freighter, Lafala is discovered and locked in a frigid closet. Badly frostbitten by the time the boat docks, the once-nimble dancer loses both of his lower legs, emerging from life-saving surgery as what he terms "an amputated man." Thanks to an improbably successful lawsuit against the shipping line, however, Lafala scores big in the litigious United States. Feeling flush after his legal payout, Lafala doubles back to Marseille and resumes his trans-African affair with Aslima, a Moroccan courtesan. With its scenes of black bodies fighting for pleasure and liberty even when stolen, shipped, and sold for parts, McKay's novel explores the heritage of slavery amid an unforgiving modern economy. This first-ever edition of *Romance in Marseille* includes an introduction by McKay scholars Gary Edward Holcomb and William J. Maxwell that places the novel within both the "stowaway era" of black cultural politics and McKay's challenging career as a star and skeptic of the Harlem Renaissance.

Claude has an intuitive faith in something splendid and feels at odds with his contemporaries. The war offers him the opportunity to forget his farm and his marriage of compromise; he enlists and discovers that he has lacked. But while war demands altruism, its essence is destructive

This book is not written as a personal history, but as a business story. I have tried to avoid trivialities and to confine myself to matters of instructive interest. The chief object behind every episode is to offer helpful suggestions to those who will follow me. And to save them some of the midnight groping which I did. One night in Los Angeles I told this story to Ben Hampton, writer, publisher, and advertising man. He listened for hours without interruption, because he saw in this career so much of value to beginners. He never rested until he had my promise to set down the story for publication. He was right. Any man who by a lifetime of excessive application

Download Free Claude Going For Gold!

learns more about anything than others owes a statement to successors. The results of research should be recorded. Every pioneer should blaze his trail. That is all I have tried to do. When this autobiography was announced as a serial many letters of protest came to me. Some of them came from the heads of big businesses which I had served. Behind them appeared the fear that I would claim excessive credit to the hurt of others' pride. I rewrote some of the chapters to eliminate every possible cause for such apprehensions.

The Magic of Believing

A #1 New York Times Bestseller! The Shadowhunters must catch a killer in Edwardian London in this dangerous and romantic sequel to the #1 New York Times bestselling novel Chain of Gold, from New York Times and USA TODAY bestselling author Cassandra Clare. Chain of Iron is a Shadowhunters novel. Cordelia Carstairs seems to have everything she ever wanted. She 's engaged to marry James Herondale, the boy she has always loved; she has a new life in London with her best friend Lucie; and she bears the sword Cortana, a legendary hero 's blade. But the truth is far grimmer. Cordelia 's marriage is a lie, arranged to save her reputation, while James remains in love with the Grace Blackthorn. Cortana burns her when she touches it. And a serial murderer is targeting the Shadowhunters of London, killing under cover of darkness, then vanishing without a trace. Now Cordelia, James, and Lucie must follow the trail of the killer through the city 's most dangerous streets. All the while, each is keeping a shocking secret: Lucie, that she is attempting to raise the dead; Cordelia, that she has sworn a dangerous oath of loyalty to a mysterious power; and James, that he himself may be the killer they seek.

By the winner of the 1985 Nobel Prize in Literature, a riveting, stylistically audacious modernist epic about the French cavalry's bloody face-off against German Panzer tanks during WWII. On a sunny day in May 1940, the French army sent out the cavalry against the invading German army ' s panzer tanks. Unsurprisingly, the French were routed. Twenty-six-year-old Claude Simon was among the French forces. As they retreated, he saw his captain shot off his horse by a German sniper. This is the primal scene to which Simon returns repeatedly in his fiction and nowhere so powerfully as in his most famous novel *The Flanders Road*. Here Simon ' s own memories overlap with those of his central character, Georges, whose captain, a distant relative, dies a similar death. Georges reviews the circumstances and sense—or senselessness—of that death, first in the company of a fellow prisoner in a POW camp and then some years later in the course of an ever more erotically charged visit to the captain ' s widow, Corinne. As he does, other stories emerge: Corinne ' s prewar affair with the jockey Igl é sia, who would become the captain ' s orderly; the possible suicide of an eighteenth-century ancestor, whose grim portrait loomed large in Georges ' s childhood home; Georges ' s learned father, whose books are no help against barbarism. The great question throughout, the question that must be urgently asked even as it remains unanswerable, is whether fiction can confront and respond to the trauma of history.

live a normal life-as normal as possible for someone who is a legal vampire executioner and a U. S. Marshal. There are lovers, friends and their children, school programs to attend. In the midst of all the ordinary happiness a vampire from Anita's past reaches out. She was supposed to be dead, killed in an explosion, but the Mother of All Darkness is the first vampire, their dark creator. It's hard to kill a god. This dark goddess has reached out to her here-in St. Louis, home of everyone Anita loves most. The Mother of All Darkness has decided she has to act now or never, to control Anita, and all the vampires in America. The Mother of All Darkness believes that the triumvirate created by master vampire Jean-Claude with Anita and the werewolf Richard Zeeman has enough power for her to regain a body and to immigrate to the New World. But the body she wants to possess is already taken. Anita is about to learn a whole new meaning to sharing her body, one that has nothing to do with the bedroom. And if the Mother of All Darkness can't succeed in taking over Anita's body for herself, she means to see that no one else has the use of it, ever again. Even Belle Morte, not always a friend to Anita, has sent the word: "Run if you can..."

We commonly think of society as made of and by humans, but with the proliferation of machine learning and AI technologies, this is clearly no longer the case. Billion-dollar automated systems tacitly contribute to the social construction of reality by driving

Download Free Claude Going For Gold!

algorithmic distinctions between the visible and the invisible, the relevant and the irrelevant, the likely and the unlikely – on and beyond platforms. Drawing on the work of Pierre Bourdieu, this book develops an original sociology of algorithms as social agents, actively participating in social life. Through a wide range of examples Massimo Airoidi shows how society shapes algorithmic code, and how this culture the code guides the practical behaviour of the code in the culture, shaping social turn. The ‘machine habitus’ is the generative mechanism at work throughout myriads of feedback loops linking humans with artificial social agents, in the context of digital infrastructures and pre-digital social structures. Machine Habitus will be of great interest to students and scholars in sociology, media and cultural studies, science and technology studies and information technology, and to anyone interested in the growing role of algorithms and AI in our social and cultural life.

Jitterbug Perfume is an epic. Which is to say, it begins in the forests of ancient Bohemia and doesn't conclude until nine o'clock tonight (Paris time). It is a saga well. A saga must have a hero, and the hero of this one is a janitor with a missing bottle. The bottle is blue, very, very old, and embossed with the image of a goat horned god. If the liquid in the bottle actually is the secret essence of the universe some folks seem to think, it had better be discovered soon because it is leaking there is only a drop or two left.

The California Gold Rush inspired a new American dream—the “dream of instant wealth, won by audacity and good luck.” The discovery of gold on the American River in 1848 triggered the most astonishing mass movement of peoples since the Crusades. It drew fortune-seekers from the ends of the earth, accelerated America’s imperial expansion, and exacerbated the tensions that exploded in the Civil War. H.W. Brands tells his epic story from multiple perspectives: of adventurers John and Jessie Fremont, entrepreneur Leland Stanford, and the wry observer Samuel Clemens—side by side with prospectors, soldiers, and scoundrels. He imparts a visceral sense of the distances they traveled, the suffering they endured, and the fortunes they made and lost. Impressive in its scholarship and overflowing with life, The Age of Gold is history in the grand traditions of Stephen Ambrose

and David McCullough.

Claude Going for Gold Santa Claude Claude Adventures Claude All At Sea Claude at the Palace Claude Doodle Book Claude: All About Keith Claude Snazzy Dress-Up Sticker Book Claude: Anyone for Strawberries? Claude Ever-So-Summary Sticker Book

The first picture book starring the delightful canine Claude,

following the much-loved fiction series. Perfect for Claude's youngest fans. Meet Claude - the extraordinary dog with an extraordinary life! Whether he's soaking up café culture in the city or taking some time out on the beach - wherever he goes, all sorts of wacky adventures befall him. Are you ready for a rollicking seafaring adventure? In true Claude style, the fearless canine swooshes out of the house via the bathtub. Out at sea and joined by trusted companion, Sir Bobblysock, Claude meets mermaids, dolphins, Captain Poopdeck, and an enormous, ferocious sea monster called Nigel! Can Claude save them all from the monster? Claude was selected for the Waterstone's Children's Book Prize, the Richard and Judy Book Club and is soon to be a TV star on Disney Junior with 52 episodes airing in 2017. Alex T. Smith is a World Book Day Illustrator. Praise for Claude: 'Illustrated with humour and elegance.' Sunday Times 'Quirky illustrations with plenty of humour.'
