

### Collins Drama – Bugsy Malone: Playscript

I'm not much now, I know, but I will be. So pick me Jyoti and I swear I will make us the greatest adventure you ever have. On a stormy night in 1954, a woman doomed to marry one of five men discovers the wildcard choice might just be the person she'd been hoping for all along. An Adventure follows headstrong Jyoti and her fumbling suitor Rasik as they ride the crest of the fall of the Empire from the shores of post-Partition India to the forests of Mau Mau Kenya onto the industrial upheaval of 1970s London and the present day. But what happens when youthful ambitions crash hard against reality? When you look back at the story of your time together, can you bear to ask yourself: was it all worth it? Witty, charming and full of fearless historical insight, An Adventure is an epic, technicolour love story from one of the country's most promising young writers about the people who journeyed to British shores in hope and shaped the country we live in today.

"A child's garden of vices, My Booky Wook is also a relentless ride with a comic mind clearly at the wheel... The bloke can write. He rhapsodizes about heroin better than anyone since Jim Carroll. With the flick of his enviable pen, he can summarize childhood thus: 'My very first utterance in life was not a single word, but a sentence. It was, 'Don't do that.'..." — Russell Brand has a compelling story." — New York Times Book Review The gleeful and candid New York Times bestselling autobiography of addiction, recovery, and rise to fame from Russell Brand, star of Forgetting Sarah Marshall and one of the biggest personalities in comedy today. Picking up where he left off in My Booky Wook, movie star and comedian Russell Brand details his rapid climb to best and fortune in a shockingly candid, resolutely funny, and unbelievably electrifying tell-all: Booky Wook 2.

Brand's performances in Arthur, Get Him to the Greek, and Forgetting Sarah Marshall have earned him a place in fans' hearts: now, with a drop of Chelsea Handler's Chelsea Chelsea Bang Bang, a dash of Tommy Lee's Dirt, and a spoonful of Nikki Sixx's The Heroin Diaries, Brand goes all the way—exposing the mad genius behind the audacious comic we all know (or think we know) and love (or at least, lust).

Get your students to be gansters in this great play which has been specially adapted for schools from the popular film and it even includes still photographs. So join all the characters: Bugsy, Fat Sam, Tallulah and Dandy Dan for great fun with the whole class. Students will relish this opportunity to play a cast of Prohibition-era mobsters. Fat Sam, who runs one of the most popular speakeasies in town, is in danger of being closed down by his 'business rival' Dandy Dan. Enter baby-faced Bugsy Malone, a killer with the ladies and a definite asset to Fat Sam. Unfortunately, Bugsy has also caught the eye of Sam's girlfriend Tallulah - though he's set his designs on the showgirl Blousey Brown. This play lends itself perfectly to school performance with its large mixed cast and consistent humour. The book contains a stimulating playscript suitable for classwork and school production, accompanied by resources including background material and lively activities.

An Adventure

Bugsy Malone - Graphic Novel

Partly autobiographical, this is the second title in Judith Kerr's internationally acclaimed trilogy of books following the life of Anna through war-torn Germany, to London during the Blitz and her return to Berlin to discover the past...

Hailed by national leaders as politically diverse as former Vice President Al Gore and former House Speaker Newt Gingrich, Generations has been heralded by reviewers as a brilliant, if somewhat unsettling, reassessment of where America is heading. William Strauss and Neil Howe posit the history of America as a succession of generational biographies, beginning in 1584 and encompassing every-one through the children of today. Their bold theory is that each generation belongs to one of four types, and that these types repeat sequentially in a fixed pattern. The vision of Generations allows us to plot a recurring cycle in American history -- a cycle of spiritual awakenings and secular crises -- from the founding colonists through the present day and well into this millenium. Generations is at once a refreshing historical narrative and a thrilling intuitive leap that reorders not only our history books but also our expectations for the twenty-first century.

New York Times Bestseller "A moving, beautifully etched picture of America's lost and profoundly lonely." —Kazuo Ishiguro, author of The Remains of the Day and winner of the 2017 Nobel Prize for Literature "Brilliant . . . Darnielle is a master at building suspense, and his writing is propulsive and urgent; it's nearly impossible to stop reading . . . [Universal Harvester is] beyond worthwhile; it's a major work by an author who is quickly becoming one of the brightest stars in American fiction." —Michael Schaub, Los Angeles Times "Grows in menace as the pages stack up . . . [But] more sensitive than one would expect from a more traditional tale of dread." —Joe Hill, New York Times Book Review Life in a small town takes a dark turn when mysterious footage begins appearing on VHS cassettes at the local Video Hut. So begins Universal Harvester, the haunting and masterfully unsettling new novel from John Darnielle, author of the New York Times Bestseller and National Book Award Nominee Wolf in White Van Jeremy works at the Video Hut in Nevada, Iowa. It's a small town in the center of the state—the first a in Nevada pronounced ay. This is the late 1990s, and even if the Hollywood Video in Ames poses an existential threat to Video Hut, there are still regular customers, a rush in the late afternoon. It's good enough for Jeremy: it's a job, quiet and predictable, and it gets him out of the house, where he lives with his dad and where they both try to avoid missing Mom, who died six years ago in a car wreck. But when a local schoolteacher comes in to return her copy of Targets—an old movie, starring Boris Karloff, one Jeremy himself had ordered for the store—she has an odd complaint: "There's something on it," she says, but doesn't elaborate. Two days later, a different customer returns a different tape, a new release, and says it's not defective, exactly, but altered: "There's another movie on this tape." Jeremy doesn't want to be curious, but he brings the movies home to take a look. And, indeed, in the middle of each movie, the screen blinks dark for a moment and the movie is replaced by a few minutes of jagged, poorly lit home video. The scenes are odd and sometimes violent, dark, and deeply disquieting. There are no identifiable faces, no dialogue or explanation—the first video has just the faint sound of someone breathing— but there are some recognizable landmarks. These have been shot just outside of town. In Universal Harvester, the once placid Iowa fields and farmhouses now sinister and imbued with loss and instability and profound foreboding. The novel will take Jeremy and those around him deeper into this landscape than they have ever expected to go. They will become part of a story that unfolds years into the past and years into the future, part of an impossible search for something someone once lost that they would do anything to regain. "This chilling literary thriller follows a video store clerk as he deciphers a macabre mystery through clues scattered among the tapes his customers rent. A page-tuning homage to In Cold Blood and The Ring." —O: The Oprah Magazine "[Universal Harvester is] so wonderfully strange, almost Lynchian in its juxtaposition of the banal and the creepy, that my urge to know what the hell was going on caused me to go full throttle . . . [But] Darnielle hides so much beautiful commentary in the book's quieter moments that you would be remiss not to slow down." —Abram Scharf, MTV News "Universal Harvester is a novel about noticing hidden things, particularly the hurt and desperation that people bear under their exterior of polite reserve . . . Mr. Darnielle possesses the clairvoyant's gift for looking beneath the surface." —Sam Sacks, The Wall Street Journal "[Universal Harvester is] constantly unnerving, wrapped in a depressed dread that haunts every passage. But it all pays off with surprising emotionality." —Kevin Nguyen, GQ.com

New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country. With award-winning writing and photography covering everything from politics and food to theater and fashion, the magazine's consistent mission has been to reflect back to its audience the energy and excitement of the city itself, while celebrating New York as both a place and an idea.

Last night I tried not to be shy, just as an experiment for one night - and with catastrophic results. 17 year old Callum is proud to be shy and he thinks you should be too, because what this noisy, crazy world needs right now is a bit more self-restraint. The Shy Manifesto is a bittersweet coming-of-age comedy drama about a shy boy who is fed up of constantly being told to come out of his shell. Tonight he is to address an audience of radical shy comrades and incite the meek to finally rise up and inherit the earth. But memories of the previous night's drunken escapades at a classmate's end-of-term party keep intruding, and threaten to upend the fragile identity he has created for himself. Callum delivers his manifesto, exploring adolescence, isolation, self-loathing and sexuality. His irreverent lightness of touch, and multi-rolling as the other characters in his story endear him to the audience, encouraging us that we, too, can be proud to be shy. The Shy Manifesto is a solo piece that takes the experience of being shy as its central subject- something which has rarely been explored in drama, and yet which touches on many audience members lives.

Teach to the Top is a research-informed guide to aspirational teaching, focusing on how embedding higher-level knowledge in the classroom empowers students to succeed and to enjoy learning. Questioning existing orthodoxies around ability, Teach to the Top sets out a vision for an education system in which pupils of all attainment levels are enabled to make fantastic progress by being exposed to sophisticated concepts, and afforded opportunities to think deeply and grapple with stimulating ideas. Making a convincing case for the centrality of subject knowledge, the book also shows how affording teachers the professional autonomy to participate in continual development of their own knowledge benefits both teachers and students. As well as engaging critically with a wealth of educational research, Teach to the Top outlines a plethora of research-informed strategies for teaching to the top. Topics include embedding advanced knowledge in curriculum planning, approaches to challenging classroom talk, the fundamental importance of increasing learners' confidence, the dangers of differentiation and grade-focused feedback, and the value of an adaptable approach to planning. Both thoughtful and practical, Teach to the Top develops a persuasive justification for the entitlement of every child to higher-level knowledge, alongside providing teachers with a range of practical suggestions and questions for reflection to enable the application of this philosophy to their own classrooms.

**In this entertaining and poignant autobiography, EastEnders star Sid Owen chronicles a life filled with incredible highs and devastating lows, with his trademark humour and charm. Sid Owen is best known for playing the hapless but loveable EastEnders character Ricky Butcher, one of Britain’s most enduring soap icons. What people don’t know is that Sid’s early life saw more drama than anything his character endured. His father was an armed robber who was sent to prison when Sid was very young. Sid went out 'on the rob' from an early age, breaking into shops and seeing it as a big adventure. Sid lived happily with his mum and siblings on a sprawling north London council estate until he was seven, when his mum died and the brothers were split up. Feeling confused, unloved and unhappy, Sid was heading towards a life of crime. Acting offered an escape from his troubled home life and his teen years played out between extremes - at thirteen he was working with Al Pacino and Donald Sutherland on the movie Revolution; at sixteen he was living in an Islington squat with his brothers when his work brought him to the attention of the EastEnders producers. From Rags to Ricky is Sid’s moving, unforgettable account of his north London childhood during the late 1970s and 80s. His natural storytelling skills, authentic voice, ear for dialogue and sharp eye for detail transform this story of loss and deprivation into a timeless tale of one individual’s struggle to defy the hand fate dealt him and come out winning.**

Through triumph and tragedy, she and her sisters in flight suits learn as much about themselves as they do about airplanes. As the war rages over there, the women form a sisterhood that cannot be broken, and Virginia must make a decision that will change her life forever. *Here are three more of John Waters's most popular screenplays — for the first time in print, including an original introduction by Waters and dozens of fun film stills. John Waters, the writer and director of these movies, is a legendary filmmaker whose films occupy their own niche in cinema history. His muse and leading lady was Divine — a 300-pound transvestite who could eat dog shit in one scene and break your heart in the next. In "Hairspray," a "pleasantly plump" teenager, played by Ricki Lake, and her big-hearted hairdresser mother, played by Divine, teach 1962 Baltimore about race relations by integrating a local TV dance show. "Female Trouble" is a coming-of-age story gone terribly awry: Dawn Davenport (again, Divine), progresses from loving schoolgirl to crazed mass murderer destined for the electric chair — all because her parents wouldn't buy her cha-cha heels for Christmas. In "Multiple Maniacs," dubbed by Waters a "celluloid atrocity," the traveling sideshow "Lady Divine's Cavalcade of Perversions" is actually a front for a group of psychotic kidnappers, with Lady Divine herself the most vicious and depraved of all — but her life changes after she gets raped by a fifteen-foot lobster.*
