The incredible tale of a little game that shook the international gaming world--now with new material including a behind-the-scenes look at the sale to Microsoft. For this second edition, the story has been enriched with more Minecraft than ever--a new section describes Minecraft's sale to Microsoft, Notch's less than heartwarming last day in the office, and Mojang's final days of independence. His whole life, all Markus Persson wanted to do was create his own games. Create his own games and get rich. Then in 2009 a strange little project of his quickly grew into a worldwide phenomenon and, in just a few short years, turned its maker into an international icon. Minecraft: The Unlikely Tale of Markus "Notch" Persson and the Game that Changed Everything is a Cinderella story for the Internet age--improbable success, fast money, and the power of digital technology to shake up a rock-solid industry. It's a story about being lost and finding your way, of breaking the rules and swimming against the current. It's about how the indie gaming scene rattled the foundations

One of Mark Mulle's well-loved Minecraft books is now a coloring book! Follow Carl's journey by coloring and bringing into life the quest Carl is about to undertake. Carl the Creeper is a lonely creeper. He has no family and friends and he always wanted to belong. No one wanted him. One day he saw Cony the Cow with a camerax and how he wished he also has one. He learned from Cony that one can get a camerax and other things by wishing for it at the Forgotten Nether Fortress. By strange circumstances, a map of the Forgotten Nether Fortress landed on the front door of Carl. Carl is now on a journey to the Forgotten Nether Fortress hoping for a wish greater than a camerax. What is that wish? What dangers await our unloved Creeper in the pursuit of what he truly desires? 177 Minecraft scenes to color Each coloring page is on a separate page
