We Too: Essays on Sex Work and Survival

Bedding the Bachelors #2

As film and television become ever more focused on the pornographic gaze of the camera, the human body undergoes a metamorphosis, becoming both landscape and building, part of an architectonic design in which the erotics of the body spread beyond the body itself to influence the design of the film or televisual shot. The body becomes the *mise-en-scène* of contemporary moving imagery. Opening *The Space of Sex*, Shelton Waldrep sets up some important tropes for the book: the movement between high and low art; the emphasis on the body, looking, and framing; the general intermedial and interdisciplinary methodology of the book as a whole. *The Space of Sex*'s second half focuses on how sex, gender, and sexuality are represented in several recent films, including Paul Schrader's *The Canyons* (2013), Oliver Stone's *Savages* (2012), Steven Soderbergh's *Magic Mike* (2012), Lars Von Trier's *Nymphomaniac* (2013), and Joseph Gordon-Levitt's *Don Jon* (2013). Each of these mainstream or independent movies, and several more, are examined for the ways they have attempted to absorb pornography, if not the pornography industry specifically, into their plot. According to Waldrep, the utopian elements of seventies porn get reprocessed in a complex way in the twenty-first century as both a utopian impulse—the desire to have sex on the screen, to re-eroticize sex as something positive and lacking in shame—with a mixed feeling about pornography itself, with an industry that can be seen in a dystopian light. In other words, sex, in our contemporary world, still does not come without compromise.

Cast Out is a collection of memoirs and interviews by twenty-two leading performers, playwrights, technicians, producers, critics, educators, and passionate spectators. The book offers a backstage pass to the personal and creative lives of some of the most important and influential theater artists of the past fifty years.

A bone-chilling new anthology from legendary horror editor, Ellen Datlow, *Screams from the Dark* contains twenty-nine all-original tales about monsters. From werewolves and vampires, to demons and aliens, the monster is one of the most recognizable figures in horror. But what makes something, or someone, monstrous? Award-winning and up-and-coming authors like Richard Kadrey, Cassandra Khaw, Indrapramit Das, Priya Sharma, and more attempt to answer this question. These all-new stories range from traditional to modern, from mainstream to literary, from familiar monsters to the unknown ... and unimaginable. This chilling collection has something to please—and terrify—everyone, so lock your doors, hide under your covers, and try not to scream. Contributors include: Ian Rogers, Fran Wilde, Gemma Files, Daryl Gregory, Priya Sharma, Brian Hodge, Joyce Carol Oates, Indrapramit Das, Siobhan Carroll, Richard Kadrey, Norman Partridge, Garry Kilworth, Caitlín R. Kiernan, Chikodili Emelumadu, Glen Hirshberg, A. C. Wise, Stephen Graham Jones, Kaaron Warren, Livia Llewellyn, Carole Johnstone, Margo Lanagan, Joe R. Lansdale, Brian Evenson, Nathan Ballingrud, Cassandra Khaw, Laird Barron, Kristi DeMeester, Jeffrey Ford, and John Langan. Presents over twenty years of the author's work examining such themes as the relationship between activism and desire, sexuality and class identity, and the author's own political development as a response to her unique personal history.

"Critically acclaimed, award-winning British comedian and actor Eddie Izzard details his childhood, his first performances on the streets of London, his ascent to worldwide success on stage and screen, and his comedy shows which have won over audiences around the world"--

Bill, Merlin, Happy, and Kay are among the porn-film performers and producers who tell their stories to Dr. Robert J. Stoller in this psychodynamic ethnography of adult heterosexual pornography. Their engrossing accounts reveal in rich detail not only the inner workings of "the Industry" and the fantasies and motivations of its participants but also the relation between this most denigrated of occupations and "normal" human erotic behavior and attitudes. Consistently nonjudgmental about the material he presents, Dr. Stoller nevertheless draws provocative conclusions about porn, its practitioners, and its effects on society. Everyone at work on a porn production, he says, uses it as a vehicle for unloading his or her rage against something--mores, institutions, laws, parents, females, or males. According to Dr. Stoller, pornography does not exist only to degrade women, there is no reliable evidence that it increases the frequency of rape, and (with the exception of child porn) it does little harm. Pornography, says Dr. Stoller, seems more the result of our changing society than a cause of change; it reflects, more than influences, our values and mores.

*This collection of narrative essays by sex workers presents a crystal-clear rejoinder: there's never been a better time to fight for justice. Responding to the resurgence of the #MeToo movement in 2017, sex workers from across the industry—hookers and prostitutes, strippers and dancers, porn stars, cam models, Dommies and subs alike—complicate narratives of sexual harassment and violence, and expand conversations often limited to normative workplaces. Writing across topics such as homelessness, motherhood, and toxic masculinity, *We Too: Essays on Sex Work and Survival* gives voice to the fight for agency and accountability across sex industries. With contributions by leading voices in the movement such as Melissa Gira Grant, Ceyenne Doroshow, Audacia Ray, femi babylon, April Flores, and Yin Q, this anthology explores sex work as work, and sex workers as laboring subjects in need of respect—not rescue. A portion of this book's net proceeds will be donated to SWOP Behind Bars (SBB).*

Midwifing—A Womanist Approach to Pastoral Counseling: Investigating the Fractured Self, Slavery, Violence, and the Black Woman, is an investigation of intergenerational trauma. Exploring the impact of slavery, violence, racism, sexism, classism, and other isms on the self of the Black woman. This examination of the complexity of pain speaks to the multidimensional reality of some Black women and the necessity for a therapeutic technique that invites the fullness of the Black woman's historical narrative. Dr. Thurmond-Malone's work exposes hidden pain in a safe and sacred space that speaks to the deep-rooted anguish experienced through generations of Black women and invites her readers to understand the necessity for a rebirthing to occur. This work also empowers women of African descent to become unarmored through the naming, claiming, and reauthoring of their story, and empowers therapists to become midwives adept at empathizing with the intense pain carried by some Black women. Lastly, the book provides clinicians with insight into how to become midwives capable of holding the accounts of Black women while illustrating the author's approach as a method of interdependence, communal, and cultural competency. Taking an analytical look at the counselee's past then births hope for their future as a whole and transformative self.

The Feminist Porn Book celebrates the power of desire, turning the spotlight on an industry where feminism is thriving.

"Serious philosophy is not an attempt to construct a system of beliefs, but the activity of awakening, the conversation passionately pursued. Only if professional philosophy reclaims this paradigm and finds ways to embody it, will it achieve an active place in the thought and life of our culture." --James Conlon, "Stanley Cavell and the Predicament of Philosophy." This book is a collection of serious philosophical essays that aim to awaken readers, teachers, and students to a desire for conversation passionately pursued. The essays in this volume speak about sex, movies, poetry, and politics, in short, about those things contemporary Americans passionately discuss. These are the subjects that were taught for forty-three years in James Conlon's classroom at Mount Mary University, a Catholic urban university for women in Milwaukee, Wisconsin. This volume celebrates Conlon's work while calling to all who continue to teach and learn about philosophy in contemporary times with the message that relevant philosophy deals with life as it is lived in the moment.

Buy this book! What, you expected sterling praise from famous writers? Sorry, I can't provide that because I am forced to publish *Confederate Nation* myself. Besides, I suspect that many of those testimonials are just favors from friends who may not have even read the book. A publisher never see a bad one, right? Let's face it, the so-called mainstream publishing industry has become constipated and reluctant to do much more than recycle the gorp of mediocre but established writers. It is mostly unwilling to take a chance and discover new and exciting voices. So, I am taking matters in my own hands and getting *Confederate Nation* in front of readers. Life is too short to wait for a break. I'm going to try and make it happen now. Is this a great book? Probably not. There are very few great books published any more. But is it entertaining? Yes. Does it tell an odd story? Certainly. And I have always thought it should be a movie, too. With proper padding and makeup, Kurt Russell could again be Elvis. A man is ultimately his own father because he keeps growing, if he's lucky, and as he grows he's the only person to rely on every damn day to help get past the rough spots. We become our own fathers, and we should, and we must raise ourselves, even when our biological father has been there, but even more so when one has not. In the end we are solitary creatures. We're alone. The smart ones know how to make alliances and coalitions with others to make the trip sweeter and kinder, but it's a long and solitary trip and in the end the partner you make can't get us across the last barrier. That we have to do for ourselves. -Michael Loyd Gray

Let's Get This Straight reaches out to young people with one or more gay, lesbian, bi, or trans parents to provide them with the tools to combat homophobia, take pride in their alternative family structures, and speak out against injustice. By reading this book, readers will learn how to: identify and overcome barriers to having a gay parent; address discrimination and heterosexism; build a strong self-esteem and sense of belonging; communicate effectively with their parents and individuals outside of the LGBTQ community; access resources and support for their families; respond effectively to being challenged about being in a sexual minority family; and reduce the isolation, fear, shame, and confusion that can be associated with having gay parents. As the media brings ever-increasing exposure to gay-headed households, this book is more important than ever. *Let's Get This Straight* is the perfect blend of wit, sharing of experiences, and "expert" advice that children with LGBTQ parents need to become more confident, aware and affirming, and to maintain healthy relationships with their parents.

With never-before-seen photographs from Jenna's private collection, exclusive photos taken for this book, and original cartoon strips, this memoir is an unparalleled exploration of sexual freedom. In the underbelly of Las Vegas, a cesspool of warring biker gangs and seedy strip clubs, gawky, brace-faced Jenna Massoli was transformed into the bombshell Jenna Jameson. But behind the glamour and the meteoric rise to fame was a path paved with tragedy and heartbreak. As a teenager—drawn into a dark and chaotic world where rape, abuse, and murder were commonplace—Jenna began her rapid downward spiral of addiction and degradation . . . while at the same time becoming the porn world's biggest crossover success story.

From the acclaimed author of *Red Island House*, an elegant, raw, and emotionally charged novel that reveals a trio caught in the grip of desire, deception, and regret. When Mira Ward relocates to Rome with her husband, Nick, she looks forward to a time of exploration and awakening. Young, beautiful, and in love, Mira is on the verge of a writing career, and giddy with the prospect of living abroad. On the trip over, Mira meets Zenin, an older Italian billionaire, who captivates Mira with his worldly mystique. Her job as a travel writer allows for clandestine trysts and opulent getaways to Paris, Monte Carlo, London, and Venice, and over the next few years, she struggles between resisting and giving in to this man who has such a hold on her. Many people experience shame around sex and sexuality. Whether you identify as gay, straight, bisexual, queer, or transgender, chances are you've repressed your truth and your desires at points in your life for fear of how others might perceive you. But in reality, when it comes to sex, there is no such thing as "normal." Beneath the masks and labels we hide behind, we are all equally human. *Everyone Is a Freak* unleashes the voices of a forward-thinking generation of sex and gender outlaws and "ordinary" people, challenging gender ideology, stereotypes, and social expectations. The collection includes intimate confessions and opinions from more than 100 contributors of various genders, sexual orientations, and age groups, from around the U.S. and around the world. These dirty secrets will empower humans everywhere to "come out of the closet," so to speak—to build up the courage to be more vulnerably honest and less afraid. From funny and embarrassing sex scandals and zany fetishes... to heart-wrenching confessions about discrimination and oppression, *Everyone Is a Freak* will make you laugh, cry, and lower your guard to humanity. "Each page is a surprise--some delightful and some heartbreaking; so eloquently spoken in the voices of dozens of sex and gender outsiders, insiders, and people who take no side at all. A must-read for everyone." -KATE BORNSTEIN, AUTHOR OF *GENDER OUTLAW* "Honest and provocative. An intimate glimpse behind the masks and labels people wear in their daily lives." -ERIKA LUST, INDIE EROTIC FILM DIRECTOR "Everyone Is a Freak offers an intimate peek into the sexual psyche of everyday people and an intensely gratifying response to the question, 'Am I normal?' The answer exemplified page after page with resounding confirmation: none of us are normal, so drop the shame and let your freak flag fly." -JIZ LEE, EDITOR OF *COMING OUT LIKE A PORN STAR*

"Erica Garza has written a riveting, can't-look-away memoir of a life lived hardcore...In an era when predatory male sexual behavior has finally become a topic of urgent national discourse...Getting Off makes for a wild, timely read" (Elle). A fixation on porn and orgasm, strings of failed relationships and serial hook-ups with strangers, inevitable blackouts to blunt the shame—these are not things we often hear women share publicly, and not with the candor, eloquence, and introspection Erica Garza brings to *Getting Off*. What sets this courageous and riveting account apart from your typical misery memoir is the absence of any precipitating trauma beyond the garden variety of hurt we've all had to endure in simply becoming a person—reckoning with family, learning to be social, integrating what it means to be sexual. Whatever tenor of violence or abuse Erica's life took on through her behavior was of her own making, fueled by fear, guilt, self-loathing, self-pity, loneliness, and the hopelessness those feelings brought on as she runs from one side of the world to the other in an effort to break her habits—from East Los Angeles to Hawaii and Southeast Asia, through the brothels of Bangkok and the yoga studios of Bali to disappointing stabs at therapy and twelve-steps back home. In these remarkable pages, Garza draws an evocative, studied portrait of the anxiety that fuels her obsessions, as well as the exhilaration and hope she begins to feel when she suspects she might be free of them. *Getting Off* offers a brave and necessary voice to our evolving conversations about addiction and the impact that internet culture has had on us all—"a profoundly genuine, gripping story that any reader can appreciate" (Vice). "In reading Garza's insight into her own experiences, we better understand ourselves" (The New York Times Book Review).

With a hidden computer to help her complete her college degree, she falls down the slippery slope of online pornography. As Raizl

A singular, stirring, and compulsively readable debut novel, Shmutz explores what it means to be a fully realized sexual and spiritual being caught between the traditional and modern worlds. You know me. Come on, you know you do. Maybe you pretend you don't. Maybe you clear your browser history religiously. Maybe you pretend to be aghast whenever someone even mentions the word porn in your presence. But the truth is that you do know me. Everybody knows Logan O'Toole, world famous porn star. Except then Devi Dare pops into my world, and pretty soon I'm doing things that aren't like me—like texting her with flirty banter and creating an entire web porn series just so I can get to star in her bed. Again. And again. With Devi, my entire universe shifts, and the more time I spend with her, the more I realize that Logan O'Toole isn't the guy I thought he was. So maybe I'm not the guy you thought I was either.
