Even in a world of secrets and misfits, Chris stands apart, an unusual product of black magic that left him born half-ghost. Long used to being bullied and maligned for his strangeness, he spends his days helping the paranormals that everyone else forgets about. The people he hunts and the mysteries he solves take him along unusual paths, many of them dangerous. But Chris has never been a fan of running from a fight—even the fight that takes him to the door of the most dangerous person in the city.

My entire life has been a boring montage of skipping stones, listening to lectures, and waiting for my mother to die. Now the wait is over. To make matters worse, my godsforsaken ancestors haven't graced me with magic, and an ungraced queen could never keep her crown. The only solace I find is in the arms of my four fae warriors. Charming, devoted, and maddeningly eager to please

That is, until his sister makes a game-changing discovery - a mortal seeress who she believes is a dormant carrier of their genes. A new life in New Orleans is all Jason Thorpe had hoped: his quaint little store attracts a devoted staff and his warm, loving heart grants him a loyal circle of friends. He's perfectly content, having left behind the chill of a confusing and dark-filled night in Washington, until he discovers something unbelievable lurking in the steamy darkness of the shadowy streets of the Vieux Carré, something that turns out to be terrifying... and utterly mesmerizing. The prince of the vampyrs, Varic Maedoc, is visiting New Orleans when he finds out the man who once helped his counselor is there in the Quarter. He thinks to simply meet and thank Jason--until he lays eyes on him. Varic's devoted himself to protect the honor of his race, and he's never wanted a mate before... but he immediately knows he must have this one and no one else will do. Varic may want to bring Jason safely into his world, but someone who doesn't like the human's soothing influence on vampyrs has deadly plans that would disrupt Varic's dreams. Now, unable to tell friend from foe, Jason finds himself wondering how to hold on to the prince's heart when he's fighting for his life.

*When I was approached for this unusual assignment, I wasn't sure if I should take it or not. Not long after arriving at the stately manor of her betrothed did I realize that there was more to this mysterious species than Mortals were led to believe. Secret royal families. Unspoken alliances. Murder plots. If I'm to live long enough to see this job through, I may end up seeing society as I know it topple. Under The Black Banners is the first book of this urban fantasy series. Follow Isa Nera as she learns more about the secret societies that even her found family, The Black Banners, hadn't known about. I'm still human and susceptible to Lucca's dangerous allure. His darkness calls to my soul. His savagery makes my blood sing. I'm falling for the dark prince, craving him in a visceral way that's frightening and exciting at the same time. If he discovers my secret, he'll destroy me. Kinda dead. Straight-up psycho. Totally obsessed with her. I did a bad, bad thing. Thanks to a blank in my memory, I'm not sure what that thing was, but it was horrible enough to get me locked up in the mental ward for seven years. Horrible enough that my little sister won't even speak to me. But when I'm released back into a town determined to rub my unknown sins in my face, the past isn't the only thing that's haunting me. The four "imaginary" friends who made my childhood bearable barge into my life in a very real way. They're crude, criminally inclined, and more than a little unstable after ages trapped in afterlife limbo. All they want is to protect me. Worship me. Avenge me. So they'll bludgeon, maim, eviscerate-tear a strip of havoc right through this sleepy town. Even rise from the dead. Maybe I'm still not all that sane either, because part of me finds them strangely appealing. In ways very different from how I felt as a kid. And that's not the only strangeness stirring inside me... I promised myself I'd stick to the straight and narrow from here on. But what if the only way to set things right is to get a little ghoulish? \*The Stalking Dead is the first in a darkly humorous new paranormal romance series by bestselling author Eva Chase. I never expected to see a mage battle on national TV. When the ley lines--the orderly rivers of magical energy that circle the globe--went wild, chaos ensued. Magic hid in the shadows for hundreds of years, but then a secret order took control of one of the world's largest religions. Their goal is to rule the world, and the first step is to control the ley lines and magic users. I didn't escape the Illuminati just to become a slave to the Knights Magica. If they want me, they're going to have a fight on their hands.

*Consort of Thorns*

**No more quiet, obedient Rose Hallowell. Every witch knows the rules--and I've broken them all to save myself and win my happiness. I thought my troubles would be over once I had my magic and my men by my side. Apparently I was a little too optimistic. My stepmother left me with a seed of doubt I can't shake. I may have more enemies in my home than I ever imagined. My guys say they'll do anything for me, but they couldn't have been prepared for the twisted secrets of the witching world. Or for an old friend to unexpectedly show up in town, with who knows what complications for our newfound connection. The thorns are closing in around us. Will my unpracticed magic and my consorts' love be enough to guide us through?**

**I've overcome the odds to claim my magic and the five men I'm not supposed to love. Then, just when I think we've finally found peace, our lives are turned upside down by a life-shattering threat. If our enemies succeed, we'll be dead by tomorrow. But they've never fought Rose Hallowell before. Even I haven't discovered the limits of my powers yet. I just wish I could be sure that my magic will be enough. I can't summon it alone, and the more energy my consorts offer me, the more pain I could cause them. Can I find new allies to help us win the day--or will we be betrayed all over again?**

**As the provocative, sensual Blood Type series continues, the rare bond between Reyna and Beckham is threatened by betrayal, greed, and twisted secrets. A desperate human. A powerful vampire. A world divided. Reyna Carpenter was promised paradise. She was delivered into hell. Giving up her body for money was supposed to be the hardest part of becoming a blood escort. She never expected to lose her heart to her dark, enigmatic boss, Beckham Anderson. After being taken by a depraved captor who plans to rule the world, Reyna will do anything to return to Beckham. She just has to find the will to survive this game. From the pawn, rises a queen. Note: Reyna and Beckham's story begins in Blood Type and continues in Blood Cure. This ebook includes an excerpt from another Loveswept title.**

**Emma A sliver of light in the back of my mind. A hint of day, of warmth, of something familiar. A king with a bright crown of pure sunlight. But these are all just dreams, ones that needlessly haunt me. I know they are lies. Eraldon is my true king. He is my life, my dark heart. My wings and my fangs--they are his. Whatever memories I have of light, those are falsehoods, ones forced on me by my enemy. By my greatest hate--King Solano. A monster wrapped in sunshine, a liar who killed my friends and my mother. Together, Eraldon and I will end his evil and take his realm. Solano A soft touch of a warm hand. A hint of laughter, of wit, of a clever tongue. A changeling who was made for me. Who is my mate. But I didn't protect her. She is gone, stolen by the wretch who seeks to take all of Arin, to rule over it and turn it into a wasteland of bloodthirsty seekers. Eraldon took my mate and poisoned her. He will pay with his cursed life. I will not allow Emma to suffer at his hands. I will return to the night realm and once again claim my changeling. But this time, not as a consort. This time, as the rightful queen of day.**

**They call me the village spinster. I rather enjoy it. Single and free to dance with the witches under the moonlight whenever I please--what could be better than that? When the day king shows up to take ten changelings as his consorts, I'm happy those selection days are behind me. At least I thought they were. But instead of ten young females, King Solano chooses only one. Me. Emma Druzy,**

Solano is far more than he seems, his wit and his warmth breaking down my walls. But there's danger here, too, the sort that creeps up on you despite the bright light of day. And if I'm not careful, I'll lose my heart to the day king or my life to his enemies. (Lily's note: Fae's Consort is a full-length novel that is the first in a completed duet. Mind the cliff.)***
