Can you spend fifty cents using a quarter, two dimes, and two other United States coins? Yes, you can, and you'll find out how in this book. "Coin Collecting for Fun and Pleasure" is written and designed for the beginning collector, someone

who has just
inherited a collection
of old coins, or the
novice collector who
wants to learn more
about this

pages of this book is

The content focuses

overall values for
common date coins,
but also highlights

years, we have
witnessed an
upsurge of

these new
technologies entail
and promise. They

argue that to

to develop an
understanding of
what needs these
innovations fulfill

provides in-depth,
