spend time how you want, build a simple business, and quit your day job. We'll do this without putting you at risk financially and without the complexity many people associate with running a business.

Alright--before we move on, let me address the three "buts" I hear most

## Get Free Crafting A Successful Small Business: Making, Marketing And Merchandising

often... BUT starting a small business takes a lot of time, money, and financial risk! America used to be the land of opportunity; now, we have a world of opportunity! Technology has given us all an incredible gift. And yes, launching a small business takes time. But if you do this properly,

## Get Free Crafting A Successful Small Business: Making, Marketing And Merchandising

you'll pick something you're excited to do! When you are brimming with excitement, you'll have no problem waking up a little earlier. You'll want to chase down your dreams and create a better life for yourself. In this book, you'll learn the tools and processes to make room for

# Get Free Crafting A Successful Small Business: Making, Marketing And Merchandising

greatness. And best of all, I'll show you how to do this so your effort is up front, while your fruits last for years to come. BUT running a business is complicated! Many businesses are complicated. Complex processes, custom systems, layers of human resources, and teams of accountants

# Get Free Crafting A Successful Small Business: Making, Marketing And Merchandising

abound! But who said businesses need to be complex? The best small businesses are simple! This is why I love the term "money machine." It embodies simplicity. This book will help you avoid the complexities and find the simplest path possible. And finally...BUT it takes someone special

# Get Free Crafting A Successful Small Business: Making, Marketing And Merchandising

to stand out, and I'm not special! If you pick up this book, I think there's a good chance you are special. You are striving for more. You're ready to take control. You're ready to level up your life. Most people won't turn their dreams into reality. But I can help. This book will help you uncover your

true drive. You will want to pour your passion into this. You will want to outthrustle the competition. You will have the tools to stand out. No more BUTS! I've filled this book with exercises to help you find your passion, generate momentum, and stand out from the crowd. The

## Get Free Crafting A Successful Small Business: Making, Marketing And Merchandising

concepts in this book won't put you at risk, and they won't be complicated. So, the only thing you stand to lose is opportunity. People are taking action every day...now it's your turn. Each year Americans start one million new businesses, nearly 80 percent of which fail within the first five years.
