In 1954 in the segregated South, Emily Chandler's childhood innocence is shattered when she and her brother discover a young black woman alone and dying in childbirth. As the saga of secrets, tragedy and discovery unfolds she enlists the help of Adelle Jones -- the family laundress and part-time voodoo practitioner -- in the search for blues musician Charlie Dixon, the nanny's missing son. This novel, set in the South Carolina Lowcountry, brings to life the eclectic personalities and explosive issues that continue to shape the New South.

From beloved author Melinda Metz, a charming, feel-good story about small town life, unexpected love, and second chances--all made possible by one very special fox. A perfect read for animal lovers and those who enjoy smart, uplifting, heartwarming stories with a twist. Return to the charming mountain town of Fox Crossing, Maine--where nature lovers are welcome, the locals are friendly, and a single glimpse of a legendary fox can change your life forever... Most people think The Fox is just a folk tale, designed to lure tourists to their quiet little town on the Appalachian Trail. But kindergarten teacher Lillian Smith is hoping the stories of the white-eared, white-pawed vixen--who brings luck and love to those who see her--are all true. After a chance sighting of the fabled fox, Lillian hopes her hiker boyfriend Owen will finally propose. Instead, he publicly dumps her, claiming she's not adventurous enough. Lillian's determined to prove him wrong. But she sure could use some of that foxy magic to win him back... Luckily, Lillian is not alone. She has her good friend Gavin, the local boot camp worker who agrees to help her reinvent herself--even though he thinks she's fine the way she is. Then there are the townsfolk who also claim to have caught glimpses of The Fox: an offbeat musician with a downbeat career, a not-so-fortunate couple who've forgotten just how lucky they are, and a playwright whose life needs a second act. But if the fox legend is true, things always have a way of working out--for those crazy enough to keep believing... YOU DON'T HAVE TO BE CRAZY TO LIVE HERE. BUT IT HELPS...IF YOU'RE CRAZY LIKE A FOX!

CONTAINS A NEW EPILOGUE!" Mafia Prince is the first-person account of one of the most violent eras in Mafia history —“Little” Nicky Scarfo's reign as boss of the Philly family in the 1980s—written by Scarfo's underboss and nephew, “Crazy” Phil Leonetti. The youngest-ever underboss at the age of 31, Leonetti was at the crux of the violent downfall of the traditional American Mafia in the 1980s when he infiltrated Atlantic City after gambling was legalized, and later turned state's evidence against his own. His testimony directly led to the convictions of dozens of high-ranking made men including John Gotti, Vincent Gigante, and his own uncle, Nicky Scarfo—sparking the beginning of the end of La Cosa Nostra. Just as The Godfather and Boardwalk Empire defined the early 20th century Mafia, and Wiseguy and Casino depicted the next great era through the '70s, Mafia Prince concludes this epic genre revealing the Mafia's violent final heyday of the 1980s— straight from the horse's mouth.

Crossing paths with a black cat is said to bring bad luck. But crossing paths with The Fox is a whole other story . . . SOME SAY THE FOX IS GOOD LUCK In the mountain village of Fox Crossing, Maine, everyone knows the story of The Fox. According to local legend, one of the town's founders crossed paths with a curious-looking fox with a distinctive white ear and paw. The unusual fox sighting not only inspired the town's name, it sparked a fantastical piece of folklore that's been passed down for generations. Some people say that whoever sees The Fox will be rewarded with good fortune, love, and happiness. Others say it's just a silly folk tale . . . WHAT DOES THE FOX SAY? Annie Hatherley doesn't believe The Fox legend—even though it was her great-great-great-grandmother who spotted the critter centuries ago. But now it's part of Annie's legacy, along with her family business, Hatherley's Outfitters. For years, Annie's been selling gear to hikers on the Appalachian Trail. But she's never seen The Fox—until now. Out of nowhere, this little white-eared vixen leads her to Nick Ferrone, a woefully unprepared hiker who needs her help. The Shoo Fly Bakery owner also spots the sly creature—who takes him to a homeless dog that needs his love. Annie can't deny that something magical is happening—because she's starting to fall for a certain foxy hiker named Nick . . . Praise for Melinda Metz's Talk to the Paw "Filled with romance and adorable kitty antics . . . a light and cozy read that is awesome to curl up with, particularly alongside your own mischievous cat!" —Modern Cat "Surpassingly cute story of a matchmaking cat determined to pair off his human with a neighbor through the power of stinky laundry." —Kirkus Reviews

Left broke and all but homeless by her shiftless husband, widow Margaret Jaffrey turns to his family in hope of a better life for her daughter . . . until she realizes the decaying family mansion in Louisiana comes complete with a domineering matriarch, a drunken uncle, and a madman locked in the attic. The madman in question is Peter Delacroix, and he doesn't seem that crazy. In fact, Margaret is starting to find him irresistible. But if Peter isn't really unstable, then why did he confess to a murder he didn't commit? And which one of her

*new-found in-laws hides a lethal streak? Most of all, how will she keep her daughter safe when she's falling in love with a very dangerous man? The Crazy Clan Dossier

Volume One

The inspiring true story of "one of the country's finest educators" (National Review) and the school he changed forever. Under the leadership of highly unorthodox principal Dr. Ben Chavis, Oakland's American Indian Public Charter School was hailed as an "education miracle" by governor Arnold Schwarzenegger after it was transformed from a failing "nuisance" into one of the best public middle schools in the nation. This is the story of that transformation and of a man who dared to be different. With his rigorous, no-nonsense approach, Dr. Chavis debunks the myth that poor, minority, inner-city schools have little chance at academic excellence. Focusing on back-to-basics ideals, he has created a structured educational model that, combined with the enthusiasm of his students and teachers, delivers astounding results. In Crazy Like a Fox, Dr. Chavis recounts how he did it-in his own words and through the stories of the extraordinary young people he's helped.

A red fox sneaks up on an unsuspecting mouse. Then it pounces, landing on the mouse with all four of its feet. The fox grabs its prey with its jaws and heads back to its den. The fox's pups have been waiting for their meal in this safe underground burrow. Clear text and colorful photos and diagrams will engage young readers as they learn about the natural habitat, physical characteristics, diet, and behavior of foxes. Age-appropriate activities and critical-thinking questions give readers a chance to make observations and gain insights beyond the facts and figures. INSTANT NEW YORK TIMES BESTSELLER "If there's one book you pick up this summer, make it this one." - Washington Post "A wise and intimate book about a solitary woman, a biologist by training, who befriends a fox." - Yann Martel, author of Life of Pi Catherine Raven has lived alone since the age of 15. After finishing her PhD in biology, she built herself a tiny cottage on an isolated plot of land in Montana, in a place as far away from other people as possible. She viewed the house as a way station, a temporary rest stop where she could gather her nerves and fill out applications for what she hoped would be a real job that would help her fit into society. Then one day she realises she has company: a mangy-looking fox who starts showing up at her house every afternoon at 4.15pm. She has never had a visitor before. How do you even talk to a fox? She brings out her camping chair, sits as close to him as she dares, and begins reading to him from The Little Prince. Her scientific training has taught her not to anthropomorphise animals, yet as she grows to know him, his personality reveals itself and the two form a powerful bond - shaken only when natural disaster threatens to destroy their woodland refuge. Fox and I is a story of survival and transformation, a captivating tale of a friendship between two species in a shared habitat, battling against the uncontrollable forces of nature on one side and humanity on the other - immersive, original and utterly unforgettable.

How do you draw your smelly dog? Your playful daddy? Your yummy mommy? See how one girl does it in this simple, clever picture book that's comprised of family portraits made out of objects. For example, her baby brother is so noisy—he's as loud as a whistle, a horn, and even a fire truck!—that she creates a picture of him with whistles for eyes, a horn mouth, and holding a fire truck. After the girl has described everyone in her family (including herself, in great detail), she asks, "What does your special family look like?" encouraging readers to create their own portraits. With a list of objects at the end of the book to use as a guide, this is the ideal choice for budding artists everywhere. Here's a wonderful exploration of simile and metaphor for young readers. Rural Rides is the book for which the English journalist, agriculturist and political reformer William Cobbett is best known. At the time of writing Rural Rides, in the early 1820s, Cobbett was a radical anti-Corn Law campaigner. He embarked on a series of journeys by horseback through the

countryside of Southeast England and the English Midlands. He wrote down what he saw from the points of view both of a farmer and a social reformer. The result documents the early 19th-century countryside and its people as well as giving free vent to Cobbett's opinions

Worlds collide in a spectacular way when Newbery and National Book Award finalist Kathi Appelt and Pulitzer Prize nominee and #1 New York Times bestseller Alison McGhee team up to create a fantastical, heartbreaking, and gorgeous tale about two sisters, a fox cub, and what happens when one of the sisters disappears forever. Sylvie and Jules, Jules and Sylvie. Better than just sisters, more than best friends, they'd be identical twins if only they'd been born in the same year. And if only Sylvie wasn't such a fast—faster than fast—runner. But Sylvie is too fast, and when she runs to the river they're not supposed to go anywhere near to throw a wish rock just before the school bus comes on a snowy morning, she runs so fast that no one sees what happens...and no one ever sees her again. Jules is devastated, but she refuses to believe what all the others believe, that—like their mother—her sister is gone forever. At the very same time, in the shadow world, a shadow fox is born—half of the spirit world, half of the animal world. She too is fast—faster than fast—and she senses danger. She's too young to know exactly what she senses, but she knows something is very wrong. And when Jules believes one last wish rock for Sylvie needs to be thrown into the river, the human and shadow worlds collide. Writing in alternate voices—one Jules's, the other the fox's—Kathi Appelt and Alison McGhee tell the searingly beautiful tale of one small family's moment of heartbreak, a moment that unfolds into one that is epic, mythic, shimmering, and most of all, hopeful.

*FUN FACT: "Becoming Zara" is a standalone novella, but if you're following the character of Samantha Bradford as she crosses off the items of her bucket list (the Single Wide Female Series), this is the book that Samantha publishes to complete her bucket list item #18 (Publish a Book). Note: You can download #1 Learn Pole Dancing of that series for free. *** Hi, I'm Zara...warrior princess. I don't usually tell that last bit to strangers, but I say it in my head all the time. It's one of the many mantras that have helped me to get to where I am today. And believe me when I say that I've come a long way. Besides, if you're a woman and you happen to have ever struggled with issues of self-esteem, we're probably gonna be fast friends anyway, so I won't hold anything (much) back. Oh, and Zara wasn't the name I was born with-but you'll find out more about that in the book. I don't know about you, but my own struggle with my weight has held me back a bit in life. And my self-esteem took a real nose dive after my fiance dumped me-via text, no less. (I know, right? Jerk!...but I don't usually dwell on things in the past, so let's just move right along from that, shall we?) So, I'm still a work-in-progress for sure, but I'm really starting to figure it all out-how to be more of who I'm meant to be every day-including the bumps, the lumps, and my bruised ego along the way. Oh and I love my sisterhood (more about that later) - the women who join me in believing that we are all capable of being strong, amazing, warrior princesses-just the way we are right now."*

When a valuable hunting horn is stolen from the Museum of Hounds and Hunting, "Sister" Jane Arnold follows clues that may explain the unsolved disappearance of the horn's owner in 1954.

From the trenches of the Culture Wars. Americans have been divided along political lines for so long that they have nearly forgotten how to talk to one another, much less how to listen. This is not likely to improve as long as differences between them continue to be cast in overly simplistic terms, such as "ignorance" vs. "enlightened awareness" or "morality" vs. "reprobate immorality." Such dichotomies ignore the fact that many citizens who disagree politically nonetheless share a desire to work for the larger good of society.

One Fine Fox Four famished foxes make fun of their brother Fosdyke, who feels fondly for fried figs, fennel, and French bread. Leaving him behind to fry and flambé, they go foraging for fowl in a forbidden farmyard. Unfortunately, the foxes find the fowl forwarned. Foiled, they return to their den. Will they ever filch a fabulous farmyard feast? Or will they forgo fowl and finally admit that "a fox is a fox whatever the food"?

Note: 50% of the proceeds from this book will be donated to a mental health organization focused on helping anxiety, depression, and suicide. Hey YOU! Yes... you... the (really cool) person reading the back summary of this book. How are you? Having a good day? Since you are reading the back cover of this book I'm guessing that you're curious what the heck it's about. Right? Well, let me tell you, this ain't no children's book. Full of love, sex, anxiety, and depression this book will chew you up and spit you back out before chapter 4. The story begins with me, sitting in a cafe with my girlfriend of three months. Overcome by love, I (stupidly) decide to proclaim my love for her in the middle of a coffee shop. "I love you. And I know that one day I'm supposed to marry you." Man... do I regret that moment -/ I wish I could tell you that the awkwardness stops there but that would be a bold faced lie. If I was in marketing (I'm not) I would say something like... "From navigating online dating apps and relationships, to self-centered friends, and emotionally abusive alcoholics, James (that's me!) constantly feels like he's at the bottom of the social food chain. His only comfort is his love for music, which displays itself in the form of original lyrics throughout the book. One crazy day, James runs into Nikki, a bold, spit-fire, do-things-her-own-way type of person who changes his world-view forever." Well... If you made it down here I'd say this book is for you. If you didn't, oh well. #YOURLOSSBUDDY. Thanks for all the memories, James Merllot (The Protagonist of this story) *Donation will be made once a year in December. Imagine what it would be like to go back in time to the 15th century Venice. And imagine what it would be like to meet your lifelong hero, Michelangelo. And imagine what it would be like if, on first meeting, you spill a tray of pasta and wine on that very same hero. Well, that's what happens to serious young artist Mark Breen. As the result of a drunken bet, Mark knocks out a painting of a toilet bowl. Much to his amazement, he sells it. In short order he's hailed as the new Andy Warhol and becomes an overnight sensation-and a very wealthy man. Soon, images of his toilet bowls are on more t-shirts, mugs, and calendars than Edvard Munch's The Scream. His friend and mentor, Hugh Connelly, afraid that Mark is in danger of losing his "artistic soul," advises him to go back to Italy and reacquaint himself with the "old masters." In Venice, Mark falls in love with Alexandra, a beautiful art restorer, but it's a one-sided affair. One night, hoping to win her over, he climbs up on a roof to find out who painted her favorite fresco. He falls off the roof and wakes up in 15th century Venice where he meets an innkeeper named Francesca, who looks exactly like Alexandra. And it gets curiuser and curiuser from there. During his stay-which is sometimes zany and sometimes frightening-he meet his hero, Michelangelo, who teaches him the true meaning of art.
