*The Nevermoor series meets Hotel Transylvania in this “delightful and spooky” (Booklist) debut middle grade adventure set in a world of talking spiders, living forests, and haunted castles about a vampire girl who wants to fit in but first must defeat an evil ghost. After one hundred years of being a vampire, it’s time for Eleonora to have her Birthnight. Since Leo’s last rite of passage, her Grimwalk, ended with her losing her right leg and a good deal of her confidence, she’s hoping to redeem herself in the eyes of her mother, the fearsome Lady Sieglinde. All Leo has to do is hunt down and kill her first prey, and she already has the perfect plan. After all, who will miss an orphan from the bleak St. Frieda’s Home for Unfortunate Children? But an accidental fire causes more death and destruction than Leo bargained for. Instead of killing one carefully selected victim, she’s created several ghosts from the orphanage residents. And one sinister specter, the Orphanmaster, is poised to terrorize the living residents in a nearby town. To stop him and try to undo some of the mess she’s made, Leo must team up with the orphan ghost Minna. Will Leo have the chance to prove herself as a vampire before her Birthnight is over, or will she discover that there are no winners in the battle of undead versus undead?*

A powerfully told story from Clare Helen Welsh and Åsa Gilland that explores the emotions we feel when someone we love is battling a serious illness. At first, nobody knew. It seemed as if today would be like yesterday forever, the perfect day to build a shelter in the woods. Then, my sister changed - she was more tired than before. More when we learn that she is sick, really sick, it feels as though a storm has engulfed our whole family. But, we will ride out this storm. And though today may be different from yesterday, today is the perfect day to build a shelter, together. A heartwarming book that sensitively tackles the tough subject of illness with authentic and empathetic tenderness. Much like Michael Rosen’s Sad Book, A Shelter for Sadness or The Building Boy, The Perfect Shelteroffers children a way to understand and articulate complex, often overwhelming, emotions.

"This might be one of the month’s, if not the year’s, sweetest books — zaniest, too.” ?The Washington Post “A hilarious addition to the dogoir canon.” ?People “Perhaps the greatest love story ever told.” ?Refinery29 “The feel-good book the world needs.” —PopSugar From one of the Internet’s most original voices, a hilarious journey through the odd corners of obsessive dog ownership and the author’s own infatuation with her perfect dog Peter. The author met Peter in the spring of 2017. He -- calm, puppy-eyed, with the heart of a poet and the soul of, also, a poet -- came to her first as a foster. He was unable to stay with his previously assigned foster for reasons that are none of your business, but which we will tell you were related to frequent urination. The rescue needed someone free of the sort of responsibilities that would force her to regularly leave the house for either work or socializing, and a writer was the natural choice. Thus began a love story for the ages. The Particulars of Peter is a funny exploration of the joy found in loving a dog so much it makes you feel like you’re going to combust, and the author’s potentially codependent relationship with her own sweet dog, Peter. Readers will follow Peter and his owner to Woofstock, “the largest outdoor festival for dogs in North America,” and accompany them to lessons in Canine Freestyle, a sport where dogs perform a routine set to music, creating the illusion that they’re dancing with their owners. From learning about Peter’s DNA, to seeing if dogs can sense the presence of ghosts, The Particulars of Peter will give readers a smart, entertaining respite from the harsh world of humans into the funny little world of dogs. Readers will accompany this lovable duo through exciting trips, lessons, quiet moments of connection, and probably a failure or two. By fusing memoir and infotainment, The Particulars of Peter promises to refresh the perennially popular dog lit category in a scrumptiously bighearted barnstormer of a book.

**NEW YORK TIMES BESTSELLER** • *A modern American epic set against the panorama of contemporary politics and culture—a hurtling, page-turning mystery that is equal parts *The Great Gatsby* and *The Bonfire of the Vanities* NAMED ONE OF THE BEST BOOKS OF THE YEAR BY NPR • PBS • HARPER'S BAZAAR • ESQUIRE • FINANCIAL TIMES • THE TIMES OF INDIA* On the day of Barack Obama's inauguration, an enigmatic billionaire from foreign shores takes up residence in the architectural jewel of "the Gardens," a cloistered community in New York's Greenwich Village. The neighborhood is a bubble within a bubble, and the residents are immediately intrigued by the eccentric newcomer and his family. Along with his improbable name, untraceable accent, and unmistakable whiff of danger, Nero Golden has brought along his three adult sons: agoraphobic, alcoholic Petya, a brilliant recluse with a tortured mind; Apu, the flamboyant artist, sexually and spiritually omnivorous, famous on twenty blocks; and D, at twenty-two the baby of the family, harboring an explosive secret even from himself. There is no mother, no wife; at least not until Vasilisa, a sleek Russian expat, snags the septuagenarian Nero, becoming the queen to his king—a queen in want of an heir. Our guide to the Golden's world is their neighbor René, an ambitious young filmmaker. Researching a movie about the Golden's, he ingratiates himself into their household. Seduced by their mystique, he is inevitably implicated in their quarrels, their infidelities, and, indeed, their crimes. Meanwhile, like a bad joke, a certain comic-book villain embarks upon a crass presidential run that turns New York upside-down. Set against the strange and exuberant backdrop of current American culture and politics, *The Golden House* also marks Salman Rushdie's triumphant and exciting return to realism. The result is a modern epic of love and terrorism, loss and reinvention—a powerful, timely story told with the daring and panache that make Salman Rushdie a force of light in our dark new age. Praise for *The Golden House* "[A] modern masterpiece . . . telling a story full of wonder and leaving you marveling at how it ever came out of the author's head."—Associated Press "Wildly satiric and yet piercingly real . . .
