This Beginner Book starring P.J. Funnybunny is a bunny-rific tale of discovery Meet P. J. Funnybunny in this humorous and touching Beginner Book by Marilyn Sadler and Roger Bollen.

It's Not Easy Being a Bunny tells the "tail" of P.J. and his quest to become something other than what he is. Is it more fun to be a bear, a bird, or a pig? Read along as P.J. tries to

determine who he is--and where he belongs. Originally created by Dr. Seuss, Beginner Books encourage children to read all by themselves, with simple words and illustrations that

give clues to their meaning. "Sick of being a bunny, P. J. Funnybunny takes off to become a bear. Hibernation gets dull, so he tries being a bird. And so it goes, with beavers, pigs,

possums, and skunks--till P. J. realizes that bunnyhood is for him. The short, repeating text is ideal for beginners and the bright, humorous cartoons will get immediate attention."
